**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. ## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of the  
Flower City Group, Inc. Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements**

We have performed an audit of the financial statements of the Flower City Group, Inc. Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2023 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter - Auditor's Report on the 2022 Financial Statements**

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 6, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 1*** **Description of the Plan**

The following description of the Flower City Group, Inc. Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a defined contribution plan covering substantially all eligible employees of Flower City Group, Inc. and its affiliated entities (the “Company”). The Plan contains both 401(k) and profit-sharing provisions. Unless otherwise indicated, the Plan provisions are identical for both components. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Administration**

The Company is the sponsor and administrator of the Plan. Empower Annuity Insurance Company (Empower) serves as the third-party administrator for the Plan. Effective April 1, 2022, Empower acquired the retirement business of Prudential, the former third-party administrator.

#### **Eligibility**

Employees that are not nonresident aliens or represented by a collective bargaining agreement are eligible to participate in the Plan. Employees are eligible to participate in the Plan and receive employer matching contributions upon the attainment of age eighteen. Contributions for employee and employer matching contributions begin on the first day of the month coinciding with or following completion of the eligibility requirements.

Employees are eligible to receive discretionary profit-sharing contributions upon completion of one year of service, as defined. Discretionary profit-sharing contributions begin on the first day of the first quarter coinciding with or following completion of the eligibility requirements.

#### **Contributions**

Participants may make voluntary tax-deferred contributions of up to 100% of their compensation, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). Participants may also make after-tax Roth contributions to the Plan. The Plan includes an automatic enrollment feature whereby all employees are automatically enrolled in the Plan with a deferral rate of 5%, unless they elect not to participate or elect a different deferral percentage. The Plan includes an automatic escalation provision on pre-tax deferrals that will increase 1% for each plan year up to 15% unless the participant elects otherwise. The Company may make matching contributions on a discretionary basis. For the year ended December 31, 2023, the Company made matching contributions equal to 50% of contributions up to 8% of participant’s eligible compensation for a total employer match maximum of \$6,000. For the year ended December 31, 2022, the Company made matching contributions equal to 50% of contributions up to 6% of participant’s eligible compensation for a total employer match maximum of \$2,000.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 1* Description of the Plan - Continued**

#### **Contributions - Continued**

The Company may also make discretionary profit-sharing contributions to all eligible employees in a given Plan year. The Company made no profit-sharing contributions to the Plan for 2023 or 2022.

#### **Participant Accounts**

Participants direct the investment of their contributions and the Company's contributions into the various investment options offered by the Plan. Each participant's account is credited with the participant's contribution, Company matching contributions, actual earnings or losses and allocations of (a) the Company's profit-sharing contributions and (b) administrative expenses of the Plan, and charged for any benefit withdrawals. Allocations of profit-sharing contributions and plan expenses are based on participant compensation and account balances, respectively. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Accounts Forfeited**

Forfeitures of non-vested account balances are used to reduce Company contributions or pay administrative expenses of the Plan. For the years ended December 31, 2023 and 2022, \$18,899 and \$23 was used to offset administrative expenses, respectively. At December 31, 2023 and 2022, unallocated forfeitures totaled \$19,960 and \$13,640, respectively.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured and valued at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow up to the lesser of \$50,000 reduced by the highest outstanding loan balance in the previous 12 months or 50% of their vested account balance. A participant may have two loans outstanding at any time. Loan terms range from one to five years, unless they are used to purchase a primary residence, in which case repayment may be made over a reasonable period of time, not to exceed ten years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of prime plus 1% at the date of the loan application. Principal and interest are paid ratably through payroll deductions.

#### **Payment of Benefits**

The Plan provides for benefit payments upon termination of service, death, disability, attainment of retirement age, in-service withdrawals, and hardships. Participants may elect disbursement of their vested account balance in either a lump-sum amount, in installments, or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. After termination of employment, if the vested account balance is less than \$1,000, the account balance will be distributed from the Plan. If the vested account exceeds \$1,000, the participant must consent to the distribution unless payments are required to begin under applicable federal law.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 1* Description of the Plan - Continued**

#### **Vesting**

Participants hired prior to January 1, 2015 are immediately vested in their elective contributions, Company contributions, and actual earnings/losses thereon. Participants hired after January 1, 2015, are immediately vested in their elective contributions and actual earnings/losses thereon. Company contributions vest 50% upon completion of two years of service and then 25% each year thereafter. Participants are fully vested upon completion of four years of service.

#### **In-Service Withdrawals**

Participants may elect disbursement of all or part of their account balances upon the attainment of age 59 ½. Participants may also withdraw their rollover contribution account balance at any time.

#### **Hardship Withdrawals**

Hardship withdrawals from the Plan are permitted from a participant's account in certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

### ***Note 2* Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared under the accrual basis of accounting.

#### **Subsequent Events**

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 14, 2024, the date that the financial statements were available to be issued.

#### **Investment Valuation and Income Recognition**

Investments are stated at either fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in registered investment companies and pooled separate accounts are reported at fair value. The Plan's investment in its guaranteed income fund is stated at contract value as reported by the custodian.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 2*      Summary of Significant Accounting Policies - Continued**

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

#### **Administrative Expenses**

The Plan pays most of the significant expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

#### **Risks and Uncertainties**

The Plan invests in investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic, or international conflict. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **Reclassification**

Certain amounts presented in the Statement of Net Assets Available for Benefits for the year ended December 31, 2022 have been reclassified to conform with groupings presented for the year ended December 31, 2023. These reclassifications have no impact on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 3* Certified Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Prudential Bank & Trust, FSB or its successor, Empower Trust Company, LLC, the trustee and custodian, have certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the schedule of assets (held at end of year) as of December 31, 2023, and the related investment activity (including interest and dividend income and net appreciation (depreciation) in fair value of investments) and interest income on notes receivable from participants reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.

### ***Note 4* Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan follows the fair value measurement guidance required by accounting principles generally accepted in the United States of America for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 4* Investment Valuation and Income Recognition - Continued**

Following is a description of the valuation methodologies used for assets measured at fair value.

**Registered Investment Companies:** These investments are valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

**Pooled Separate Accounts:** Valued at the NAV reported by the fund as a practical expedient. There are no unfunded commitments or other restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

| <b>Investments at Fair Value as of December 31, 2023</b> |                      |                      |
|----------------------------------------------------------|----------------------|----------------------|

| <b>Investments at Fair Value as of December 31, 2022</b> |                      |                      |
|                                                          | <b>Level 1</b>       | <b>Total</b>         |
| Registered Investment Companies                          | \$ 13,662,950        | \$ 13,662,950        |
| Insurance Company Separate Account (a)                   | -                    | 702,137              |
|                                                          | <u>\$ 13,662,950</u> | <u>\$ 14,365,087</u> |

- (a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 5*** **Federal Tax Status**

The Plan adopted a non-standardized pre-approved profit sharing plan with CODA sponsored by Empower Retirement LLC. The pre-approved profit sharing plan received its latest determination letter, dated September 16, 2022, from the Internal Revenue Service (IRS). In the determination letter, the IRS stated that the pre-approved profit sharing plan is in compliance with the applicable requirements of the IRC. The pre-approved profit sharing plan's opinion letter has been relied upon by the Plan. The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### ***Note 6*** **Party-In-Interest**

Certain investments are managed by Prudential. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. As described in Note 2, the Plan paid certain expenses related to the plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. Notes receivable from participants also qualify as party-in-interest transactions.

### ***Note 7*** **Guaranteed Income Fund**

Plan investments include a guaranteed income fund with Empower, which is a fully benefit-responsive investment contract. The fund is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. The guaranteed investment fund issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed. The lifetime guaranteed interest rate is 0.15%. Credited interest rates will never fall below this amount.

The contract is included in the financial statements at contract value as reported to the Plan by Empower. Contract value represents the invested principal plus accrued interest, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Plan Participants of the  
Flower City Group, Inc. Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements**

We have performed an audit of the financial statements of the Flower City Group, Inc. Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2023 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter - Auditor's Report on the 2022 Financial Statements**

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 6, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Participants may also make after-tax Roth contributions to the Plan. The Plan includes an automatic enrollment feature whereby all employees are automatically enrolled in the Plan with a deferral rate of 5%, unless they elect not to participate or elect a different deferral percentage. The Plan includes an automatic escalation provision on pre-tax deferrals that will increase 1% for each plan year up to 15% unless the participant elects otherwise. The Company may make matching contributions on a discretionary basis. For the year ended December 31, 2023, the Company made matching contributions equal to 50% of contributions up to 8% of participant’s eligible compensation for a total employer match maximum of \$6,000. For the year ended December 31, 2022, the Company made matching contributions equal to 50% of contributions up to 6% of participant’s eligible compensation for a total employer match maximum of \$2,000.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 1* Description of the Plan - Continued**

#### **Contributions - Continued**

The Company may also make discretionary profit-sharing contributions to all eligible employees in a given Plan year. The Company made no profit-sharing contributions to the Plan for 2023 or 2022.

#### **Participant Accounts**

Participants direct the investment of their contributions and the Company's contributions into the various investment options offered by the Plan. Each participant's account is credited with the participant's contribution, Company matching contributions, actual earnings or losses and allocations of (a) the Company's profit-sharing contributions and (b) administrative expenses of the Plan, and charged for any benefit withdrawals. Allocations of profit-sharing contributions and plan expenses are based on participant compensation and account balances, respectively. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Accounts Forfeited**

Forfeitures of non-vested account balances are used to reduce Company contributions or pay administrative expenses of the Plan. For the years ended December 31, 2023 and 2022, \$18,899 and \$23 was used to offset administrative expenses, respectively. At December 31, 2023 and 2022, unallocated forfeitures totaled \$19,960 and \$13,640, respectively.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured and valued at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow up to the lesser of \$50,000 reduced by the highest outstanding loan balance in the previous 12 months or 50% of their vested account balance. A participant may have two loans outstanding at any time. Loan terms range from one to five years, unless they are used to purchase a primary residence, in which case repayment may be made over a reasonable period of time, not to exceed ten years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of prime plus 1% at the date of the loan application. Principal and interest are paid ratably through payroll deductions.

#### **Payment of Benefits**

The Plan provides for benefit payments upon termination of service, death, disability, attainment of retirement age, in-service withdrawals, and hardships. Participants may elect disbursement of their vested account balance in either a lump-sum amount, in installments, or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. After termination of employment, if the vested account balance is less than \$1,000, the account balance will be distributed from the Plan. If the vested account exceeds \$1,000, the participant must consent to the distribution unless payments are required to begin under applicable federal law.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 1* Description of the Plan - Continued**

#### **Vesting**

Participants hired prior to January 1, 2015 are immediately vested in their elective contributions, Company contributions, and actual earnings/losses thereon. Participants hired after January 1, 2015, are immediately vested in their elective contributions and actual earnings/losses thereon. Company contributions vest 50% upon completion of two years of service and then 25% each year thereafter. Participants are fully vested upon completion of four years of service.

#### **In-Service Withdrawals**

Participants may elect disbursement of all or part of their account balances upon the attainment of age 59 ½. Participants may also withdraw their rollover contribution account balance at any time.

#### **Hardship Withdrawals**

Hardship withdrawals from the Plan are permitted from a participant's account in certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

### ***Note 2* Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared under the accrual basis of accounting.

#### **Subsequent Events**

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 14, 2024, the date that the financial statements were available to be issued.

#### **Investment Valuation and Income Recognition**

Investments are stated at either fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in registered investment companies and pooled separate accounts are reported at fair value. The Plan's investment in its guaranteed income fund is stated at contract value as reported by the custodian.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 2*      Summary of Significant Accounting Policies - Continued**

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

#### **Administrative Expenses**

The Plan pays most of the significant expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

#### **Risks and Uncertainties**

The Plan invests in investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as inflation, a pandemic, or international conflict. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **Reclassification**

Certain amounts presented in the Statement of Net Assets Available for Benefits for the year ended December 31, 2022 have been reclassified to conform with groupings presented for the year ended December 31, 2023. These reclassifications have no impact on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 3* Certified Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Prudential Bank & Trust, FSB or its successor, Empower Trust Company, LLC, the trustee and custodian, have certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the schedule of assets (held at end of year) as of December 31, 2023, and the related investment activity (including interest and dividend income and net appreciation (depreciation) in fair value of investments) and interest income on notes receivable from participants reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.

### ***Note 4* Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan follows the fair value measurement guidance required by accounting principles generally accepted in the United States of America for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

### Note 4 Investment Valuation and Income Recognition - Continued

Following is a description of the valuation methodologies used for assets measured at fair value.

**Registered Investment Companies:** These investments are valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

**Pooled Separate Accounts:** Valued at the NAV reported by the fund as a practical expedient. There are no unfunded commitments or other restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

| Investments at Fair Value as of December 31, 2023 |                      |                      |
|---------------------------------------------------|----------------------|----------------------|
|                                                   | Level 1              | Total                |
| Registered Investment Companies                   | \$ 13,818,539        | \$ 13,818,539        |

|                                                   | <u>\$ 13,818,539</u> | <u>\$ 14,281,333</u> |
| Investments at Fair Value as of December 31, 2022 |                      |                      |
|                                                   | Level 1              | Total                |
| Registered Investment Companies                   | \$ 13,662,950        | \$ 13,662,950        |
| Insurance Company Separate Account (a)            | -                    | 702,137              |
|                                                   | <u>\$ 13,662,950</u> | <u>\$ 14,365,087</u> |

- (a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

## **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

### ***Note 5* Federal Tax Status**

The Plan adopted a non-standardized pre-approved profit sharing plan with CODA sponsored by Empower Retirement LLC. The pre-approved profit sharing plan received its latest determination letter, dated September 16, 2022, from the Internal Revenue Service (IRS). In the determination letter, the IRS stated that the pre-approved profit sharing plan is in compliance with the applicable requirements of the IRC. The pre-approved profit sharing plan's opinion letter has been relied upon by the Plan. The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### ***Note 6* Party-In-Interest**

Certain investments are managed by Prudential. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. As described in Note 2, the Plan paid certain expenses related to the plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA. Notes receivable from participants also qualify as party-in-interest transactions.

### ***Note 7* Guaranteed Income Fund**

Plan investments include a guaranteed income fund with Empower, which is a fully benefit-responsive investment contract. The fund is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. The guaranteed investment fund issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed. The lifetime guaranteed interest rate is 0.15%. Credited interest rates will never fall below this amount.

The contract is included in the financial statements at contract value as reported to the Plan by Empower. Contract value represents the invested principal plus accrued interest, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value.
