Report of Independent Auditors

To the Administrator of
Brooklyn Sports and Entertainment 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Brooklyn Sports and Entertainment 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 ("supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are

presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Brooklyn Sports and Entertainment 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of the Plan

The following description of the Brooklyn Sports and Entertainment 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of affiliated companies; Brooklyn Nets, LLC, Brooklyn Events Center, LLC, New York Liberty, LLC, Brooklyn Nets eSports, LLC, J Tsai Sports USA, and Las Vegas Lacrosse LLC, and Inside Lacrosse Holdings, Inc. (collectively the “Company”). The Plan is subject to the provisions of ERISA.

The Plan’s investments are held by the trustee of the Plan, Fidelity Management Trust Company (“FMTC”). Fidelity Workplace Services (“FWS”) serves as the recordkeeper.

Eligibility

Employees are eligible to participate in the Plan on the first day of the month coinciding with or following the later of such employee’s date of hire and his or her attainment of age 21. A participant becomes eligible for actual deferral percentage safe harbor contributions when the participant attains age 21. A participant then becomes eligible for profit sharing when the participant completes 6 months of service. Upon attaining eligibility status, participants are automatically enrolled at a deferral rate of 5%.

Contributions

Participants may elect to contribute a portion of their compensation not to exceed Internal Revenue Code (“IRC”) limitations. The IRC sets dollar limits on the amount that may be contributed to the Plan each tax year. The combined pre-tax and/or Roth 401(k) contributions by participants for 2023 and 2022 were limited to \$22,500 and \$20,500, respectively. In addition, participants who were at least 50 years of age at December 31, 2023 and 2022, were allowed to make an additional pre-tax and/or Roth 401(k) contribution of up to \$6,500, with respect to each such tax year. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options provided by the Plan. Each participant’s account is credited with such participant’s contribution and allocations of the Company’s contribution, and plan earnings and losses, and charged with an allocation of administrative expenses.

Effective January 1, 2013, the Plan became a safe harbor plan. Company contributions are equal to the sum of 100% of the participant’s elective deferrals that do not exceed 3% of his or her compensation for the Plan year, plus 50% of the participant’s elective deferrals that exceed 3%, but do not exceed 5% of his or her compensation for the Plan year.

During 2023, the Company identified several instances in which participant contributions, for a total of \$747, were not remitted to the Plan in a timely manner and were in violation of Department of Labor (“DOL”) regulations. The delinquent amounts of \$747 are included in the employee contribution receivable balance as of December 31, 2023, along with \$60 of required corrections that reflect foregone earnings that would have been credited to participants’ accounts if the late remittances had been made on a timely basis.

Vesting

Participants are immediately 100% vested in their voluntary contributions and in Company contributions plus actual earnings thereon upon entering the Plan.

Brooklyn Sports and Entertainment 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Forfeited Accounts

When certain terminations of participants in the Plan occur, the nonvested portion of the participant account, as defined by the Plan, represents a forfeiture. No forfeited amounts were used to reduce employer contributions during the year ended December 31, 2023. Forfeiture account balances were \$22,137 and \$18,363 at December 31, 2023 and 2022, respectively.

Notes Receivable from Participants

Participants may borrow an amount up to the lesser of 50% of their vested account balance or \$50,000, subject to certain DOL and IRC requirements. The Plan provides that loan amounts must be a minimum of \$1,000. The loans are secured by the balance in the participant's account and bear fixed interest at a rate of prime plus 1%, at the time the loan is made. The terms of the loans may not exceed five years, unless such loan is for the purchase of a participant's primary residence. As of December 31, 2023 and 2022, loans outstanding bear interest at rates ranging from 4.25% to 9.50% with maturity dates ranging from 2024 through 2036.

Plan Withdrawals and Distributions

Active participants may withdraw certain amounts from their accounts up to their entire vested balance, subject to IRC regulations.

Plan distributions are made to participants or their designated beneficiary upon normal retirement, disability or death, in the fully vested balances credited to their respective participant accounts. A participant who leaves employment of the Company before normal retirement for reasons other than disability or death is eligible to receive the vested portion of their account, including rollovers. Distributions are made in lump sums.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the FMTC. See Note 5 for discussion of fair value measurements.

Brooklyn Sports and Entertainment 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses of the Plan

Certain administrative expenses, such as legal, accounting, and custodian fees, are paid by the Company, and certain other administrative expenses are paid by the Plan.

Benefit Payments

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment in the amount of the outstanding receivable at the time of default is recorded.

3. Parties-in-Interest

The Plan invests in various investments managed by FMTC throughout the year ended December 31, 2023 and as of December 31, 2023 and 2022. Fees totaling \$111,956 were paid directly to FMTC from the Plan during the plan year. FWS is the recordkeeper as defined by the Plan. Fidelity Investments, FMTC and Fidelity Investments Institutional Operations Company, Inc. are subsidiaries of Fidelity Workplace Investing LLC. Transactions with these entities and their related investments therefore qualify as party-in-interest transactions. Other fees and expenses such as investment fees and plan administration fees may be deducted directly from investment returns in accordance with the applicable investment option selected by participants. All of these party-in interest transactions are exempt from the prohibited transaction rules of ERISA.

4. Financial Information Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividends and interest income on notes receivable from participants for the year ended December 31, 2023, disclosed in the accompanying financial statements and supplemental schedule were obtained or derived from the information supplied to the Plan Administrator and certified as complete and accurate by Fidelity Management Trust Company.

The following is a summary of the Plan's investment information certified by the Trustee as of December 31, 2023 and 2022 and for the year ended December 31, 2023, as complete and accurate:

	2023	2022
Statement of net assets available for benefits		
Investments, at fair value	\$ 29,573,551	\$ 21,974,702
Notes receivable from participants	202,449	91,369
		2023
Statement of changes in net assets available for benefits		
Net appreciation in fair value of investments		\$ 3,759,149
Interest and dividends		602,938
Interest income on notes receivable from participants		11,573

5. Fair Value Measurements

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

FASB Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and

Brooklyn Sports and Entertainment 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are based on the aggregate current fair values of the underlying assets in relation to the total number of units outstanding. Unit value, or the equivalent of net asset value, is a practical expedient for estimating the fair values of those investments and is intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

^(a) The WT MetLife Stable Value Fund investment objective is to provide safety of principal, adequate liquidity, and a competitive yield with low return volatility.

6. Income Tax Status

The Plan Document is a prototype plan that was established by utilizing a Fidelity Pre-Approved Plan. This Pre-Approved Plan document was qualified with the Internal Revenue Service ("IRS") as Fidelity Basic Plan Document No. 17. Although the Plan has been amended since adopting the Pre-Approved Plan document, the Plan administrator and legal counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax audits or other examinations for years prior to 2020.

7. Risks and Uncertainties

The Plan provides for various investment options. Investments are exposed to various risks, such as interest rate, market, credit risks and global events such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

8. Subsequent Events

The Plan evaluated its December 31, 2023 financial statements for subsequent events through October 14, 2024, the date the financial statements were available to be issued. No subsequent events that would require disclosure in these financial statements have been noted as of this date.
