INDEPENDENT AUDITORS' REPORT

Plan Administrator and Participants of Neighborhood Restaurant Partners, LLC 401(k)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Neighborhood Restaurant Partners, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - *Supplemental Schedule Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year), as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NEIGHBORHOOD RESTAURANT PARTNERS, LLC 401(k)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of Neighborhood Restaurant Partners, LLC (the "Company") 401(k) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Company established the Plan effective April 1, 1996. Certain provisions of the Plan were amended and restated effective February 1, 2010. Effective January 1, 2022, the Plan was restated to conform the Plan to new tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Eligibility

The Plan is a defined contribution profit sharing plan covering substantially all employees (other than union employees, leased employees and nonresident aliens) of the Company and any affiliated company that adopts the Plan.

Upon attainment of at least 21 years of age and completion of one year of service, employees are eligible to participate in the Plan. Eligible employees may enroll in the Plan on the first day of the quarter following eligibility.

(c) Contributions

Participants may contribute up to 100% of annual pre-tax compensation, as defined in the Plan document. Participants age fifty and older may also make catch-up contributions. Participant contributions are subject to certain limitations of the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans.

The Company's matching contribution is discretionary. The Company made matching contributions equal to 50% of the first 5% of the participant's salary deferral contributions during 2023, as defined by the Plan.

The Company may also make discretionary profit sharing contributions to the Plan. In general, a participant must be employed at the end of the Plan year in order to be eligible for such contributions. These contributions are allocated based on the participant's compensation. During 2023, the Company did not make any discretionary profit sharing contributions to the Plan.

(d) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. Allocations are based on participant compensation or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NEIGHBORHOOD RESTAURANT PARTNERS, LLC 401(k)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with rates charged by other lenders on similar notes. Interest rates ranged from 3.25% to 9.50% for notes receivable outstanding at December 31, 2023. Principal and interest repayments are made ratably through payroll deductions over a period not to exceed five years, unless the notes are for the purchase a primary residence.

(f) Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Company contributions vest according to the following schedule:

<u>Years of Service:</u>	<u>Vested Percentage</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six or more	100%

Participants must be credited with a minimum of 1,000 hours of service during the Plan year to complete a year of service for vesting purposes.

(g) Payment of Benefits

In service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching the pre-retirement age of fifty-nine and one-half.

In the event of a participant's heavy and immediate financial hardship, as defined in the Plan document, a participant may withdraw up to 100% of cumulative pre-tax contributions and rollover contribution account balances, exclusive of certain earnings on pre-tax contributions.

Upon normal retirement, termination of employment, disability, or death, participants may receive the value of their vested account by lump-sum, installments or a combination of both.

(h) Forfeitures

Forfeitures of terminated participants' non-vested accounts can be used to pay administrative expenses or to reduce the future Company contributions. At December 31, 2023 and 2022, forfeited non-vested account balances were insignificant.

(i) Plan Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Certain other administrative expenses of the Plan are paid by the participants. Investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Accounting

The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

(b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

(c) Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Employer discretionary profit-sharing contributions are recorded when such contributions are authorized by the Company's board of directors.

(d) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expense and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default the participant loan balance is reduced and a benefit payment is recorded.

(f) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

NEIGHBORHOOD RESTAURANT PARTNERS, LLC 401(k)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2023 and 2022, four and five investments represented approximately 58% and 65% of the Plan's total investments, respectively.

NOTE 3 - INVESTMENTS (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (the "DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Lincoln National Life Insurance Company ("Lincoln"), the certifying entity of the Plan, have provided certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2023 and 2022 and for the year ended December 31, 2023 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022 and for the year ended December 31, 2023 is covered by such certifications and has not been audited by independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NEIGHBORHOOD RESTAURANT PARTNERS, LLC 401(k)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Basis of Fair Value Measurement (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts

The pooled separate accounts are segregated investment accounts established by Lincoln. Lincoln uses two types of separate accounts: separate accounts that hold investment portfolios that are actively managed by an investment advisor/sub-advisor (i.e., managed separate accounts) and separate accounts that purchase specific mutual funds at the direction of variable annuity contract owners (i.e., unit investment trusts separate accounts). Units held in the pooled separate accounts are valued at the net asset value based on the fair market value of the underlying investments of the account less its liabilities. The pooled separate accounts classified at Level 2 within the fair value hierarchy totaled \$4,560,920 and \$4,076,915 at December 31, 2023 and 2022, respectively.

Guaranteed Interest Accounts

The Plan holds non-benefit responsive contracts. Fair value is the amount Plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination or retirement. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates. There are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Basis of Fair Value Measurement (Continued)

The tables below represent fair value measurement hierarchy of the Plan's investment assets at fair value as of December 31:

	<u>2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3 (*)</u>	<u>Total</u>
Pooled Separate Accounts	\$ -	\$ 4,560,920	\$ -	\$ 4,560,920
Stable Asset Fund	-	-	1,093,182	1,093,182
Total Investments at Fair Value	<u>\$ -</u>	<u>\$ 4,560,920</u>	<u>\$ 1,093,182</u>	<u>\$ 5,654,102</u>

Total Investments at Fair Value	<u>\$ -</u>	<u>\$ 4,076,915</u>	<u>\$ 959,072</u>	<u>\$ 5,035,987</u>

(*) The Stable Asset Fund invests in high-quality bonds with short- to intermediate-term maturities and purchases insurance contracts which aim to provide price stability on a day-to-day basis. All deposits are invested as part of the fund's general assets. Return is determined by the declared interest rate, not by the investment performance of the fund's general assets. All participants in the Plan earn the same interest rate, which is a weighted average of the interest rates on Plan assets over the preceding five years. Interest is accrued daily and compounded quarterly.

Level 3 Gains and Losses

The table below sets forth a summary of changes in the fair value of the Plan's Level 3 investment assets for the year ended December 31, 2023:

	<u>Stable Asset Fund</u>
Beginning balance, January 1, 2023	\$ 959,072
Investment Income	20,559

NOTE 6 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory and recordkeeping services. Certain plan investments are managed and administered by the Plan trustee. These transactions qualify as party-in-interest transactions.

The Company believes that the plan continues to qualify and to operate as designed. Accordingly, the Plan's net investment income is exempt from income taxes.
