INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Sidney Federal Credit Union 401(k) Plan
Sidney, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sidney Federal Credit Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter--Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

SIDNEY FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2023 and 2022

NOTE A--DESCRIPTION OF PLAN

The following description of the Sidney Federal Credit Union 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Sidney Federal Credit Union (the Credit Union/Plan Sponsor). Employees are eligible to participate in the Plan when they have attained age 18 and have completed three months of service, as defined by the Plan. Additionally, an eligible participant is entitled to an allocation of the Credit Union's discretionary profit sharing contribution once the participant completes one year of service, as defined by the Plan. Entry dates into the Plan are on the first day of each month. The Plan is subject to the provisions of ERISA. The Board of Directors is responsible for oversight of the Plan. The Investment Oversight Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors.

Contributions: Each year, participants may contribute tax-deferred and after-tax Roth dollars through payroll deferrals up to 85% of their annual pretax compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$7,500 and \$6,500 as determined by the IRS for the years ended December 31, 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. In 2023 and 2022, the Credit Union elected to make an employer safe harbor qualified non-elective contribution (QNEC) equal to 3% of a participant's eligible compensation. QNEC contributions of \$372,513 and \$338,437 were made to the Plan for 2023 and 2022, respectively. Additional discretionary profit sharing amounts may be contributed at the option of the Credit Union's Board of Directors to all eligible participants (as defined by the Plan). In 2023 and 2022, the Credit Union's discretionary profit sharing was 5% of an employee's eligible compensation. The Credit Union's employer discretionary profit sharing contribution totaled \$566,048 and \$535,521 for the 2023 and 2022 Plan years, respectively. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

SIDNEY FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2023 and 2022

NOTE A--DESCRIPTION OF PLAN--Continued

Participant Accounts: Each participant's account is credited with the participant's elective deferral and rollover contributions, the Credit Union's QNEC and discretionary profit sharing contributions, and Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of administrative expenses are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their elective deferral and rollover contributions and the employer QNEC contributions plus actual earnings thereon. Vesting in the Credit Union discretionary profit sharing contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of service, as defined by the Plan.

Payment of Benefits: Upon termination of a participant's employment for any reason, including death, disability or retirement, and if a participant's vested account balance is greater than \$5,000, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account or an annuity payable over a period of years not longer than the participant's assumed life expectancy (or the assumed life expectancy of the participant's beneficiary). If a participant's vested account balance is between \$1,000 and \$5,000, and the participant fails to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent. If a participant's vested account balance is \$1,000 or less, and the participant fails to make a distribution election, a lump-sum amount will be paid to the participant without their consent.

Forfeitures: At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$28,243 and \$4,165, respectively. These amounts are used to pay administrative expenses and reduce future Credit Union contributions made to the Plan. Forfeitures applied to the Credit Union's contributions amounted to \$5,027 and \$8,204 in 2023 and 2022, respectively.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

NOTES TO FINANCIAL STATEMENTS--Continued

SIDNEY FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2023 and 2022

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Credit Union's Investment Oversight Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to Plan recordkeeping and administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. The Credit Union can also elect to pay certain administrative fees from forfeited nonvested accounts which are also included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of mutual funds and net appreciation in collective trust in the statements of changes in net assets available for benefits.

Events Occurring After Report Date: The Plan Administrator has evaluated events and transactions that occurred between December 31, 2023 and October 11, 2024, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no such events or transactions identified by the Plan Administrator.

NOTE C--INFORMATION CERTIFIED AND PROVIDED BY PRINCIPAL TRUST COMPANY (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2023 and 2022, included throughout the Plan's financial statements and supplemental schedule, that were prepared by or derived from information provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal") and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Principal, the trustee, that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate to the best of their knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2023</u>	<u>2022</u>
Participant directed investments, at fair value:		
Mutual funds	\$ 19,945,360	\$ 18,297,924
Collective trust (fair value is measured using the net asset value per share practical expedient--see Note D)	<u>1,542,196</u>	<u>1,484,635</u>
Total participant directed investments, at fair value	<u>\$ 21,487,556</u>	<u>\$ 19,782,559</u>

The trustee also certified to the completeness and accuracy of \$3,337,120 and \$(5,681,935) of net appreciation (depreciation) in fair value of mutual funds, \$42,758 and \$32,682 of net appreciation in fair value of a collective trust, and \$237,784 and \$215,824 of interest and dividends for the years ended December 31, 2023 and 2022, respectively.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS--Continued

SIDNEY FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2023 and 2022

NOTE D--FAIR VALUE MEASUREMENTS--Continued

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the mutual funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The shares held in mutual funds by the Plan are deemed to be actively traded.

Collective trust: Valued at the net asset value (NAV) of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the trustee reserves the right to temporarily delay withdrawal from the trust in order to ensure that the liquidations of the securities will be carried out in an orderly business manner.

SIDNEY FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2023 and 2022

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Investments at Fair Value as of:			
	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 19,945,360</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 19,945,360</u>
Total assets in the fair value hierarchy	<u>\$ 19,945,360</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	
Collective trust measured at net asset value ^(a)				<u>1,542,196</u>
Investments at fair value				<u>\$ 21,487,556</u>
	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 18,297,924</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 18,297,924</u>
Total assets in the fair value hierarchy	<u>\$ 18,297,924</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	
Collective trust measured at net asset value ^(a)				<u>1,484,635</u>
Investments at fair value				<u>\$ 19,782,559</u>

- (a) In accordance with FASB ASC Topic 820-10, the collective trust, which is measured at net asset value per share (or its equivalent) is not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS--Continued

SIDNEY FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2023 and 2022

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments:

<u>Investments</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Participant Redemption Frequency (if currently eligible)</u>	<u>Plan Redemption Notice Period</u>
<u>December 31, 2023</u>				
Collective trust	\$1,542,196	N/A	Daily	None
<u>December 31, 2022</u>				
Collective trust	\$1,484,635	N/A	Daily	None

The collective trust objective is to provide competitive total returns relative to the respective benchmarks. The Fund seeks to achieve this objective by investing primarily in stable value products, such as Guaranteed Investment Certificates (GICs), also known as traditional GICs, separate account GICs and synthetic GICs. The fair value of this investment is not readily determinable and has been estimated using the net asset value per share of the underlying investments.

NOTE E--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Principal is the trustee as defined by the Plan for the years ended December 31, 2023 and 2022. As the trustee and service provider to the Plan, transactions with Principal qualify as party in interest transactions and are exempt from the prohibited transactions rules. The trustee provides certain administrative services to the Plan pursuant to a Master Services Agreement between the Plan Sponsor and the trustee. The trustee receives revenue from the mutual funds and collective trust service providers for services the trustee provides to these funds. This revenue is used to offset certain amounts owed to the trustee for their administrative services to the Plan. In addition, third party administrative, auditing and legal services are rendered by parties in interest. Fees paid by the Plan for investment management services and third party Plan administration amounted to \$64,332 and \$81,343 for the years ended December 31, 2023 and 2022, respectively.

NOTES TO FINANCIAL STATEMENTS--Continued

SIDNEY FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2023 and 2022

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE G--TAX STATUS

The Plan uses a volume submitter plan written by Principal. The volume submitter plan provider has received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE H--RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

NOTE I--RISKS AND UNCERTAINTIES

The Plan invests in shares of mutual funds and units of a collective trust. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
