## **Independent Auditor's Report**

Mr. Mason McCurley, Owner and Trustee  
McCurley Employees 401(k) Plan  
Pasco, Washington

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements***

We have performed audits of the accompanying financial statements of McCurley Employees 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements are comprised of the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of McCurley Employees 401(k) Plan's 2023 and 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of, and for the years ended, December 31, 2023 and 2022, stating that the certified investment information, as described in Notes 3 and 5 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McCurley Employees 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits of the financial statements did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter—Supplemental Schedules Required by ERISA***

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**McCurley Employees 401(k) Plan**  
**Notes to Financial Statements**  
**Years Ended December 31, 2023 and 2022**

**1. Description of the Plan**

The McCurley Employees 401(k) Plan (“the Plan”) is a defined contribution plan covering all eligible employees of McCurley Integrity Dealerships, LLC, McCurley Integrity Auto, LLC, McCurley Integrity Motors, LLC, McCurley Integrity Subaru, LLC and the sole employee of Bill McCurley Chevrolet, Inc. (“the Companies”). In November 2021, a dealership in Yakima, Washington, which is now operating as McCurley Integrity of Yakima, LLC, was purchased. Employees at this location became eligible to participate in the Plan effective January 1, 2022, based on meeting the eligibility criteria, including service provided to the previous owner.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established under the provisions of Section 401(a) of the Internal Revenue Code which includes a qualified deferred arrangement as defined in Section 401(k) thereof. The Plan is subject to the provisions of the Department of Labor’s (DOL) *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974* (ERISA), as amended.

Eligibility

Employees of the Companies who have attained 21 years of age are eligible to participate in the Plan after completing one year of service in which at least 1,000 hours are worked. Employees can enroll in the Plan on January 1 or July 1 following fulfillment of the eligibility requirements.

Participant Contributions

Effective July 1, 2017, eligible employees who do not make an election are automatically enrolled in the Plan, with 3% of their eligible pretax compensation withheld as a salary deferral. The amount of the automatic elective deferral increases by 1% in each of the second through eighth years of participation to a maximum of 10%. Eligible employees may elect to opt out of participating in the Plan or change their elective deferral percentage at any time. Participants may make elective deferrals up to 100% of their eligible pretax compensation, not to exceed annual limitations prescribed by the Internal Revenue Service. For individuals under the age of 50, the elective deferral limit was \$22,500 and \$20,500 for 2023 and 2022, respectively. For individuals who have attained the age of 50, the elective deferral limit was \$30,000 and \$27,000 for 2023 and 2022, respectively. Participants may also contribute amounts representing rollover contributions from other qualified defined benefit or defined contribution plans.

The Plan was also modified effective July 1, 2017 to permit Roth contributions that are made on an after-tax basis. Rollovers of Roth balances from other qualified plans are also permitted.

At December 31, 2023 and 2022, there were no participant contributions receivable.

**1. Description of the Plan, Continued**

Employer Contributions

The Plan's provisions permit the Companies to make two types of employer discretionary contributions. The first is an Employer Discretionary Contribution which may be made each Plan year to eligible participants who completed at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. The formula for the Employer Discretionary Contribution is pro-rata based on participant's compensation and is determined each year by the Companies. For the years ended December 31, 2023 and 2022, the Companies elected to make Employer Discretionary Contributions equal to 3% of each participant's eligible compensation, up to a maximum of \$330,000 and \$305,000, respectively.

Based on this formula, Employer Discretionary Contributions for 2023 totaled \$495,885, which were reduced by the use of forfeitures totaling \$39,518, for a net contribution of \$456,367. For the year ended December 31, 2022, Employer Discretionary Contributions totaled \$529,247, which were reduced by the use of forfeitures totaling \$20,070, for a net contribution of \$509,177.

The second type of employer discretionary contribution is an Employer Discretionary Matching Contribution which may be made each Plan year to eligible participants who completed at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year. The formula for the Employer Discretionary Matching Contribution is based on employee elective deferral contributions and is determined each year by the Companies. For the years ended December 31, 2023 and 2022, the Companies did not make any Employer Discretionary Matching Contributions.

Participant Accounts

Each participant's account is credited with the participant's rollover contributions, the participant's elective deferral contributions and allocations of: (a) the Companies' employer contributions, if any, and (b) net plan earnings. Participants direct the investment of their contributions and any Company employer discretionary contributions to any of the Plan's fund options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting of Contributions

Participants are immediately 100% vested in their contributions to the Plan. Company employer contributions vest at the rate of 20% per year beginning with the second year of service, and become 100% vested after six years of service, as follows:

Years of Service (with 1,000 hours or more) Vesting Percentage

0-1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

**Notes to Financial Statements, Continued**  
**Years Ended December 31, 2023 and 2022**

**1. Description of the Plan, Continued**

Vesting of Contributions, Continued

All Company contributions and earnings thereon, become 100% vested upon a participant being employed on or after their Normal Retirement Age, or upon death or disability. Normal Retirement Age is 65, as defined in the Plan document. Participants are immediately vested in their rollover contributions plus earnings thereon.

Participant Loans

Participant loans are not permitted by the Plan.

Payment of Benefits

Upon termination of service due to retirement, death, disability or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or periodic installments. Withdrawals due to "financial hardship" are also permitted.

Forfeitures

The non-vested portion of a participant's account is forfeited upon the earlier of the distribution of the entire vested portion of the participant's account, or the last day of the plan year in which the former participant incurs five consecutive 1-year breaks in service. Forfeitures are retained in the Plan and may be used to reinstate forfeited balances of re-hired employees, pay Plan administrative expenses, or reduce future employer contributions.

For the years ended December 31, 2023 and 2022, forfeitures of \$39,518 and \$20,070, respectively, were used to reduce the Employer Discretionary Contributions, and no forfeitures were used to reinstate forfeited balances of re-hired employees or to pay Plan administrative expenses. At December 31, 2023 and 2022, there were no remaining unallocated forfeitures.

Administrative Expenses

The Plan's provisions permit expenses associated with administering the Plan to be charged to individual participant accounts as an equal dollar amount, based on the number of participants in the Plan, or proportionately, based upon the value of individual participant account balances at the date of payment. For the Plan years ended December 31, 2023 and 2022, expenses were charged to participant accounts using the proportionate method, based upon the value of individual participant account balances, as described above. Additionally, as stated in the previous section, forfeitures may also be used to pay Plan administrative expenses.

Although the Plan permits all administrative expenses to be charged to individual participant accounts, or to be paid from forfeitures, it has been the Companies' practice to have the Plan pay for investment advisory and management fees and a portion of the other administrative expenses, with the Companies paying all other expenses. During 2023 and 2022, expenses totaling \$43,106 and \$43,430, respectively, were paid for by the Plan participants and terminated employees (see Note 6). All other expenses associated with the Plan, totaling \$26,434 and \$25,280 for 2023 and 2022, respectively, were paid for by the Companies.

**McCurley Employees 401(k) Plan**  
**Notes to Financial Statements, Continued**  
**Years Ended December 31, 2023 and 2022**

**1. Description of the Plan, Continued**

Plan Termination

Although they have not expressed any intent to do so, the Companies have the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of a Plan termination, all participants would become 100% vested in their employer contributions, and benefits under the Plan would be distributed based upon participant account balances accumulated on the date of termination of the Plan.

**2. Summary of Significant Accounting Policies**

Basis of Accounting

The Plan's financial statements have been prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value of shares in mutual funds is based on published closing market prices, as quoted on a national securities exchange. The collective investment trust fund represents an undivided interest in the underlying net assets of the trust and are valued based on the fair market values of the underlying net assets of the fund. Interest-bearing cash equivalents, if any, are also recorded at fair value, which approximates cost.

Unrealized appreciation or depreciation in the fair value of investments held at year end is recognized as an increase or decrease in net assets available for Plan benefits. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Benefit Payments to Participants

Benefit payments to participants are recorded when paid. Benefit payments made to a participant that are not redeemed by the participant are reinstated to cash and recorded as benefits payable.

Fair Value Measurements

ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy for those assets and liabilities measured at fair value, which distinguishes between assumptions based on market data (observable inputs) and the Plan's own assumptions (unobservable inputs). The hierarchy consists of: Level 1 – quoted market prices in active markets for identical instruments; Level 2 – inputs other than Level 1 inputs that are observable; and Level 3 – unobservable inputs developed using estimates and assumptions determined by the Plan.

**McCurley Employees 401(k) Plan**  
**Notes to Financial Statements, Continued**  
**Years Ended December 31, 2023 and 2022**

**2. Summary of Significant Accounting Policies, Continued**

Fair Value Measurements, Continued

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the Plan year ended December 31, 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and therefore are included in Level 1 of the hierarchy.

*Collective investment trust fund:* Valued at net asset values that are computed daily and are available on the custodian's website. Although the net asset values are not publicly quoted prices in an active market, they are available to current investors or when Plan participants access their account values and therefore are considered to have "readily determinable fair values." Because the collective investment trust fund is valued similar to mutual funds, they are included in Level 1 of the hierarchy.

At December 31, 2023 and 2022, the assets or liabilities of the Plan that were measured at fair value on a recurring basis are summarized as follows:

December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,258,187	\$ --	\$ --	\$ 15,258,187
Collective investment trust	974,257	--	--	974,257
Interest-bearing cash equivalents	25,923	--	--	25,923

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,444,200	\$ --	\$ --	\$ 12,444,200
Collective investment trust	978,654	--	--	978,654
Interest-bearing cash equivalents	16,037	--	--	16,037

Certain assets and liabilities are measured at fair value on a nonrecurring basis; that is, the instruments are not measured at fair value on an ongoing basis, but are subject to fair value adjustments only in certain circumstances (for example, when there is evidence of impairment). The Plan had no assets or liabilities measured at fair value on a nonrecurring basis during 2023 or 2022.

**2. Summary of Significant Accounting Policies, Continued**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and affect the amounts reported in the financial statements.

Subsequent Events

The Plan's management has evaluated subsequent events through August 30, 2024, the date as of which these financial statements were available to be issued. Except as described in Note 8, no material subsequent events have occurred since December 31, 2023 that required recognition or disclosure in these financial statements.

**3. Investments**

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and interest and dividend income and net appreciation (depreciation) in fair value of investments for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company ("Matrix"), the Plan's custodian, as permitted by 29 CFR 2520.103-8 of the Department of Labor's ERISA.

Investments held and certified by Matrix that represent 5% or more of the Plan's net assets available for benefits at December 31, 2023 and 2022 are summarized as follows:

	<u>2023</u>	<u>2022</u>
Mutual funds:		
DFA Global Allocation 60/40 Fund	\$ 1,386,254	\$ 1,241,119

**3. Investments, Continued**

Investment income (loss), including both realized and unrealized gains and losses, for the years ended December 31, 2023 and 2022 are summarized as follows:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 2,034,817	\$ (3,014,579)
Collective investment trust fund	<u>27,568</u>	<u>19,260</u>
Net appreciation (depreciation) in fair value of investments	2,062,385	(2,995,319)
Interest and dividend income	<u>438,504</u>	<u>427,955</u>
Total investment income (loss)	<u>\$ 2,500,889</u>	<u>\$ (2,567,364)</u>

**4. Plan Tax Status**

Effective January 1, 2015, the Plan was fully restated to comply with the restatement requirements of the Pension Protection Act of 2006 (PPA). As the restatement was adopted under a prototype submission, there is no requirement to obtain a determination letter from the Internal Revenue Service. Rather, the Internal Revenue Service has issued an Advisory Letter stating that the form of the plan is acceptable under Section 401 of the Internal Revenue Code.

The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as restated, remains qualified and the related trust remains tax exempt.

**5. Information Certified by the Custodian**

The Plan administrator has received a certification from Matrix that the following information is complete and accurate (see Note 3):

- Investments reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022.
- Net appreciation (depreciation) in fair value of investments and interest and dividend income reflected on the accompanying Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2023 and 2022.
- Investments and noninterest-bearing cash reflected on the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) at December 31, 2023.

**McCurley Employees 401(k) Plan**  
**Notes to Financial Statements, Continued**  
**Years Ended December 31, 2023 and 2022**

**6. Related Party Transactions and Party-in-Interest Transactions**

Certain Plan investments are shares of mutual funds managed by Matrix. Because Matrix is the custodian of the Plan, these transactions represent party-in-interest transactions. Fees paid by the Plan to Matrix for Plan administrative services totaled \$7,790 during 2023.

Randall & Hurley, Inc. (R+H) provides third-party administrative services to the Plan and is considered to be a party-in-interest to the Plan. Fees paid by the Plan to (R+H) for plan administrative services totaled \$15,539 during 2023.

HFG Trust LLC (HFG) provides third-party investment advisory services to the Plan and is considered to be a party-in-interest to the Plan. Fees paid by the Plan to (HFG) for investment advisory services totaled \$19,777 during 2023.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities may occur and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**8. Reconciliation of Financial Statements to Form 5500**

Form 5500, which is filed with the Department of Labor, may have items that differ from the amounts shown on the accompanying Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits. Generally, these differences are classification differences only and have no effect upon net assets available for benefits.

At December 31, 2023, in accordance with the instructions for Form 5500, benefit claims payable and benefit payments reported in Schedule H of Form 5500 include \$39,703 representing a distribution request that was processed and approved for payment by the Plan, but had not been paid as of the end of the Plan year. In addition to not being included in benefits payable at December 31, 2023 in the Statement of Net Assets Available for Benefits, this amount has not been included in the amount reported as benefit payments to participants in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.
