INDEPENDENT AUDITOR'S REPORT

The Board of Directors and Trustees of
CEC Corporation 401(k) Plan
Stillwater, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CEC Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CEC Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CEC Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CEC Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CEC Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CEC Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C) .

NOTES TO FINANCIAL STATEMENTS

CEC CORPORATION 401(K) PLAN

December 31, 2023

NOTE A--DESCRIPTION OF THE PLAN

The following brief description of CEC Corporation 401(k) Plan is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General: The CEC Corporation 401(k) Plan (formerly known as Cobb Engineering 401(k) Plan (the Plan) is a defined contribution plan covering substantially all employees of CEC Corporation (the Plan Sponsor) who have attained the age of 18, except for residents of Puerto Rico, interns and part time/temporary/seasonal employees. The Plan was established January 1, 2013, with a name change effective January 1, 2015. The latest Plan amendment and restatement was effective February 9, 2023. The Plan is intended to satisfy the requirements of Code Section 401 and ERISA Section 501.

Contributions: Eligible employees may contribute up to the maximum percent of their compensation as pre-tax or after-tax contributions for the plan year. Such maximum contributions are subject to limitations imposed by the Internal Revenue Code.

Employees are eligible to receive a matching contribution. The matching contribution formula is applied each plan year. For the years ended December 31, 2023 and 2022, the company made matching contributions of 100% of the employees' elective deferrals up to 3% plus 50% of the next 4% of elective deferrals of the employee's compensation.

The company may also make a discretionary contribution to the Plan each year as a profit-sharing contribution. All contributions are subject to certain federal tax law limitations.

Participants' Accounts: Participants direct the investment of their contributions into various options offered by the Plan. Each participant's account is credited with the participant's contribution, the Employer's matching contribution, allocations of the Employer's profit-sharing contribution and account earnings and is charged with account losses and allocated service fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions and actual earnings thereon. Vesting of employer matching contributions and discretionary contributions are based on the participant's years of service. A participant is fully vested after three years of credited service on employer matching contributions. A participant is fully vested after six years of credited service on the employer profit sharing contributions. Participants are fully vested upon death and disability.

Notes Receivable from Participants: The Plan does not allow participant loans.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Distributions: Upon retirement, disability, or death, a participant or beneficiary may receive the entire amount credited to the participant's account under various distribution options as defined by the plan. Required minimum distributions must begin within a prescribed period after the participant attains the age designated by the current U.S. Internal Revenue Code. On termination of service, the participant's vested balance will be paid to the participant in any manner permitted by the Plan and agreed-upon by the participant and Plan administrator. If the participant's account balance is less than the designated amount defined in the plan that is subject to IRC limitations, the account may be distributed on behalf of the participant without participant agreement. In service distributions are permitted for

a participant who is 60 years or older from all funds. Hardship distributions are not permitted.

Forfeitures: Forfeitures shall be used to reduce other contributions required of the employer. The balance of forfeitures and unallocated funds was \$20,522 and \$4,407 for 2023 and 2022, respectively.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. The reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

NOTE C--INVESTMENTS

Plan investments of \$7,968,715 as of December 31, 2022 were held by a qualified custodian in a group annuity contract in pooled separate accounts and collective investment trust funds, and have been disclosed in the accompanying financial statements and ERISA-required supplemental schedules. These investments, and their net appreciation/(depreciation) in fair value of investments of (\$1,634,423) for the year ended December 31, 2022 were obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company ("John Hancock") as custodian for the Plan Trustee. These plan investments held by John Hancock were transferred to Empower Retirement, LLC on March 13, 2023. These investments, and their net appreciation/(depreciation) in fair value of investments of \$20,902 were obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company ("John Hancock") as custodian for the Plan Trustee through March 13, 2023. The participants direct the investments based on options determined by the trustee.

Plan investments of \$14,965,730 as of December 31, 2023 were held by a qualified custodian in mutual funds, fixed annuities, variable annuities and collective investment trust funds, and have been disclosed in the accompanying financial statements and ERISA-required supplemental schedules. These investments, and their net appreciation/(depreciation) in fair value of investments of \$1,924,948 for the year ended December 31, 2023, were obtained by management and agreed to or derived

NOTES TO FINANCIAL STATEMENTS--Continued

from information certified as complete and accurate by Empower Retirement, LLC (Empower) as custodian for the Plan Trustee from March 13, 2023 to December 31, 2023. The participants direct the investments based on options determined by the trustee.

Plan investments of \$3,816,800 as of December 31, 2022 were held in self-directed brokerage accounts invested in money market funds, mutual funds, and equities with Merrill Lynch. The participants direct the investments based on options determined by the trustee. These assets and their net appreciation in fair value and dividends do not meet the requirements for ERISA section 103(a)(3)(c). These assets were transferred to Empower in 2023.

NOTE D--FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. Level 2 inputs are used when identical assets cannot be identified, but quoted prices for similar assets in active markets are available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities: These investments are held by the custodian/trustee, Empower Annuity Insurance Company of America, which invests in fixed annuity contracts. The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Variable Annuities: These investments are held by the custodian/trustee, Empower Annuity Insurance Company of America, which invests in variable annuity contracts. Price/unit values are calculated daily by the annuity provider according to the methods described in the annuity contract. The initial pricing input is the quoted price obtained for the underlying mutual fund which is then adjusted to apply the expense factor disclosed in the annuity contract. The formula-calculated unit value is then compared to an accounting-driven unit value the following morning. The accounting unit value is determined in a manner similar to a mutual fund NAV calculation: dividing the net assets by the number of units outstanding.

CEC CORPORATION 401(K) PLAN

December 31, 2023

Collective Trust Funds: These investments are held by the custodian/trustee, Empower Annuity Insurance Company of America. Share Prices/Net Asset Values reported are obtained directly from the fund house or other investment provider. An attempt is made to receive share prices from more than one source, and before the share price is entered into the recordkeeping system, a systematic comparison is performed and any difference in quoted share prices for the same fund is resolved by contacting the investment provider directly to ensure the correct share price is recorded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2022.

Self-Directed Brokerage: Participants with self-directed brokerages accounts are invested in: money market funds valued at the observable cash value; common stock valued at the closing price reported on the New York Stock Exchange; and open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). The mutual funds are valued at their published daily net asset value ("NAV") and are required to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts(PSA)/Collective Investment Trust(CIT): These investments are held by the custodian/trustee, John Hancock Life Insurance Company, which invests in equity, fixed income, and target date funds. Plan participants do not own shares of the individual underlying assets, but a proportionate interest identified as "units". John Hancock values the assets based on daily calculated unit values. The factors used to determine the unit value include published daily NAVs for the current and previous day (observable) of the underlying investments in which a daily asset fee (unobservable) is applied to determine the daily change to the unit value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the funds, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no additional sales charges, commissions, or trading restrictions related to funds.

NOTE E--PLAN STATUS

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. At the time of Plan termination, participants will become 100% vested in their accounts.

NOTE F--TAX STATUS

The Plan is qualified under the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the Plan's net investment income is exempt from income taxes. The Plan operates under the Prototype Plan of its trustee. A determination letter has been obtained for the Prototype Plan. The Plan sponsor believes that the Plan as designed is currently being operated in compliance with the applicable requirements of the IRC and continues to be tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability

CEC CORPORATION 401(K) PLAN

December 31, 2023

if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan has concluded that, as of December 31, 2023, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently, no audits for any tax periods are in progress. The Plan is subject to income tax examinations for plan years ended December 31, 2021 through 2023.

NOTE G--TRANSACTIONS WITH PARTIES-IN-INTEREST

By definition, any fiduciary (Plan Administrator, trustee, custodian), legal counsel, or person providing service to the Plan is a party-in-interest. The Plan pays the expenses incurred by the Plan for services performed by parties-in-interest, such as investment fees and administrative expenses. These amounts have been separately disclosed on the Statements of Changes in Net Assets Available for Benefits.

The Plan used \$-0- and \$15,251 of forfeitures to pay employer contributions related to the Plan during 2023 and 2022, respectively.
