Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BC International Group Inc 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Other Matter - Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) (Modified Cash Basis) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BC INTERNATIONAL GROUP, INC. 401(k) PLAN
Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the BC International Group Inc., 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

GENERAL:

The Plan is a qualified defined contribution plan established on July 1, 1995 covering all employees of BC International Group, Inc. (the “Company”) except for:

- Employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining,
- Certain nonresident aliens who have no earned income from sources within the United States,
- Reclassified employees,
- Temporary or seasonal employees whose regularly scheduled service is less than 1,000 hours of service in the relevant eligibility computation period, and
- Employees who have not attained the age of eighteen (18).

The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan is administered by the Chief Financial Officer of the Company, appointed by the Company’s Board of Directors. The Plan Administrator is also one of the Plan’s Trustees.

The Plan Administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

ELIGIBILITY:

Employees of the Company who have attained age eighteen are eligible to participate in the Plan after completing three months of service. A temporary or seasonal employee must complete at least 1,000 hours of service during a relevant Eligibility Computation Period to become eligible. The Plan measures a Year of Service based on the 12-consecutive month period of the Plan Year.

CONTRIBUTIONS:

Participants may elect to defer up to 80% of their pre-tax eligible compensation into the Plan, not to exceed the maximum amount allowable by the Internal Revenue Code of \$22,500 for 2023. Participants aged fifty (50) or older as of the last day of the plan year may elect to make “catch-up” contributions of up to \$7,500 for 2023. This limitation is an aggregate limit that applies to all deferrals made to this Plan, and to any other salary deferral plan. In addition, participants may also rollover amounts representing distributions from other qualified plans. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 2% of eligible compensation. Participants that were hired prior to January 1, 2014 were not affected by this provision.

The Company matches 25% of the first 6% of compensation that a participant contributes to the Plan. Participants direct the investment of Company contributions. The Company made matching contributions of \$57,744 to the Plan during the year ended December 31, 2023. In addition, each year, the Company can make discretionary nonelective contributions to the Plan. The Company did not make any nonelective contributions to the Plan during the year ended December 31, 2023.

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS:

Each participant's account is credited with the participant's contributions, rollover contributions, as well as allocations of (a) the Company's matching contribution, (b) the Company's discretionary nonelective contribution, and (c) plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specified participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The participant determines the percentage or amount of compensation to be deferred (subject to the limitations stated above).

INVESTMENT OPTIONS:

The Plan's investments are held by Empower Annuity Insurance Company of America. Participants direct the investment of their contributions into various investment options offered by the Plan.

VESTING:

Participants are vested immediately in their contributions, rollover contributions plus actual earnings thereon. The Company's matching and nonelective contributions vest with twenty percent (20%) after two years of service and twenty percent (20%) for each year of service thereafter. Participants are one hundred percent (100%) vested after six (6) years of credited service. For the purpose of vesting, participants will be credited with a year of service if they work 1,000 hours during a Plan year.

Participants are 100% vested in the Company's matching and nonelective contributions if they are employed on or after their early or normal retirement age or if they terminate employment on account of death or disability. If a participant is terminated prior to being fully vested in employer contributions, they will forfeit the amount in which they are not vested. Normal retirement age is the later of the date a participant attains age 65 or after completing 5 years of plan participation. Early retirement age is the date a participant attains age 59 ½.

NOTES RECEIVABLE FROM PARTICIPANTS:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may not have more than three (3) notes outstanding at any time. The notes are secured by the balance in the participant's account. The loan interest rate is set at 1 percent over the Prime Rate published in the Wall Street Journal on the first business day of the month before the loan is originated. The interest rate is fixed for the life of the loan. Principal and interest is paid ratably through semi-monthly or bi-weekly payroll deductions.

As of December 31, 2023 and 2022, the Plan had outstanding notes receivable from participants with principal balances totaling \$117,377 and \$122,237, respectively.

PAYMENT OF BENEFITS:

On termination of service due to disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of not more than the assumed life expectancy of the participant if the vested account balance exceeds \$5,000. Upon death, a participant's beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested account balance, or annual installments at least equal to the required minimum distribution amount if the vested account balance exceeds \$5,000. For termination of service for other reasons, a participant may receive the value of the vested account balance in the same manner as for any other non-death related termination.

FORFEITED ACCOUNTS:

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$35,049 and \$35,658, respectively. These accounts will first be used to pay reasonable Plan expenses, and any remaining balance will be used to reduce employer contributions. In 2023 and 2022, employer contributions were reduced by \$0 from forfeited nonvested accounts, respectively.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Unclaimed Property:

At December 31, 2023 and 2022, unclaimed property accounts totaled \$18,837 and \$33,835, respectively. These accounts are used to hold uncleared distribution checks for participants.

Revenue Credit Account:

In 2019, the Plan established a revenue credit account to cover plan expenses. The revenue credit account is treated as a Plan asset and must be used only for legitimate Plan expenses. At December 31, 2023 and 2022, balances in revenue credit accounts totaled \$313,127 and \$271,208, respectively. The custodian contributed \$41,262 and \$40,896 into the revenue credit account during the years ended December 31, 2023 and 2022, respectively. Expenses incurred in this account for the years ended December 31, 2023 and 2022 were \$8,100 and \$7,915, respectively.

RECENT LEGISLATION

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. Secure Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact on the Plan's 2022 financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under that basis, certain revenues and related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. That basis differs from generally accepted accounting principles primarily because the Plan has not recognized contributions receivable and the related effect on changes in net assets available for benefits in the accompanying financial statements.

USE OF ESTIMATES

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when paid. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the delinquent participant note receivable is recorded as a distribution based on the terms of the Plan document.

EXCESS CONTRIBUTIONS

Contributions in excess of amounts allowed by the IRS are recorded as deductions from net assets when distributed. The excess contributions for the year ended December 31, 2023, amounted to \$36,640 and were distributed to participants in March 2024.

PAYMENT OF BENEFITS

Benefit payments to participants are recorded when paid.

PLAN EXPENSES

Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

BC INTERNATIONAL GROUP, INC. 401(k) PLAN
Notes to Financial Statements
December 31, 2023 and 2022

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund: Valued at the NAV of units of an investment firm collective trust. The NAV, as provided by the plan trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund (a diversified portfolio of short-term money market instruments, fully benefit-responsive synthetic guaranteed investment contracts and other similar contracts with various insurance companies, banks, and financial institutions) less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations are carried out in an orderly business manner. These investments are available to redeem immediately, and there are no redemption restrictions or notice periods required. There were no unfunded commitments as of December 31, 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan's management believes the valuation methodologies are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Investments at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$8,879,042	\$ -	\$ -	\$8,879,042
Total assets in the fair value hierarchy	8,879,042	-	-	8,879,042
Common collective trust measured at NAV*	-	-	-	1,464,601
Total	\$8,879,042	\$ -	\$ -	\$10,343,643

Investments at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$7,986,755	\$ -	\$ -	\$7,986,755
Total assets in the fair value hierarchy	7,986,755	-	-	7,986,755
Common collective trust measured at NAV*	-	-	-	1,968,092
Total	\$7,986,755	\$ -	\$ -	\$9,954,847

*In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEES (UNAUDITED)

At December 31, 2023 and 2022, the Plan’s investments were held by Empower Annuity Insurance Company of America and Great-West Trust Company, the Plan’s trustees, respectively. The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-5(c) of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022 and net appreciation in the fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Great-West Trust Company (the Trustees of the Plan), respectively. For the years ended December 31, 2023, and 2022, Empower Annuity Insurance Company of America and Great-West Trust Company have certified to the completeness and accuracy of the information summarized below:

	<u>December 31, 2023</u>	<u>December 31, 2022</u>
Investments	<u>\$10,343,643</u>	<u>\$9,954,847</u>
Notes receivable from participants	<u>\$ 117,377</u>	<u>\$ 122,237</u>
Net appreciation in fair value of investments	<u>\$ 865,133</u>	
Dividends	<u>\$ 371,945</u>	
Other income	<u>\$ 28,795</u>	
Interest income on notes receivable from participants	<u>\$ 8,007</u>	

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and the common collective trust fund managed by Empower Annuity Insurance Company of America. Empower is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Notes receivable from participants also qualify as party-in-interest transactions but are exempt from the prohibited transaction rules of ERISA.

The Employer provides certain accounting and administrative services to the Plan for which no fees are charged.

NOTE 6 – TAX STATUS

The underlying non-standardized prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the form of the Plan is qualified under Section 401(a) of the IRC, and therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2016-6 and 2015-36, the Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 8 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

The Plan holds certain investments that each represents 10% or more of the total investments held by the Plan. As of December 31, 2023 and 2022, the Plan had investments concentrated in two funds totaling \$2,833,087 and three funds totaling \$4,276,357, respectively.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued. There were no subsequent events that required recognition or disclosure in the financial statements.
