INDEPENDENT AUDITOR'S REPORT

October 11, 2024

To the Retirement Oversight Committee of
Pine Rest Christian Mental Health Services Savings and Retirement Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Pine Rest Christian Mental Health Services Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pine Rest Christian Mental Health Services Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of Pine Rest Christian Mental Health Services Savings and Retirement Plan. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Pine Rest Christian Mental Health Services Savings and Retirement Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note B to the financial statements, the Pine Rest Christian Mental Health Services Savings and Retirement Plan has excluded from investments in the accompanying statement of assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pine Rest Christian Mental Health Services Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Pine Rest Christian Mental Health Services Savings and Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the financial statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Pine Rest Christian Mental Health Services Savings and Retirement Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter***Supplemental Schedule Required by ERISA***

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

PINE REST CHRISTIAN MENTAL HEALTH SERVICES SAVINGS AND RETIREMENT PLAN

For the years ended December 31, 2023 and 2022

Note A – Description of Plan

The following description of Pine Rest Christian Mental Health Services Savings and Retirement Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering substantially all employees of Pine Rest Christian Mental Health Services (Organization), the Plan's sponsor. Eligible employees can become participants in the Plan on the employee's date of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to make contributions to the Plan through payroll deductions of up to 75% of each participant's eligible compensation, as defined, subject to statutory limitations. Upon satisfying eligibility requirements, an employee who is regularly scheduled to work at least 20 hours per week shall automatically defer 4% of eligible compensation, unless an alternate election is made. In addition, the automatic deferral will be annually increased by 1% of compensation up to 10% on each subsequent March 15. Participants that meet certain criteria are eligible to make catch-up contributions to the Plan. The Plan also allows participants to transfer funds from other qualified plans into the Plan.

The Organization may elect to make matching contributions. Matching contributions are made for each pay period if pay deferral contributions are made on behalf of the participant with regard to the pay period. The participant must also be regularly scheduled to work at least 20 hours per week or complete 1,000 hours of service during the plan year. Effective July 2022, the matching contribution formula changed from 25% of participant deferrals up to 6% of compensation deferred to 25% of participant deferrals up to 8% of compensation deferred.

The Organization may elect to make employer discretionary contributions. Employer discretionary contributions would be allocated to eligible employees who are employed on the last day of the plan year. During the years ended December 31, 2023 and 2022, there were no discretionary contributions made into the Plan.

Plan Operations

The Organization has appointed Empower Annuity Insurance Company of America and Empower Trust Company, LLC to serve as custodian (Custodian) of the Plan for the years ended December 31, 2023 and 2022. The Organization has been appointed to act as plan administrator. The Custodian is responsible for holding the investment assets of the Plan, executing investment transactions, and making distributions to participants. The plan administrator interprets and communicates the provisions of the Plan and ensures that all government and participant reporting requirements are fulfilled. The Plan's fiduciary committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment strategy, and monitors investment performance.

Note A – Description of Plan (Continued)

Participant Accounts

Individual accounts are maintained for each participant, with benefits limited to the amount contributed to the participant's account plus or minus any allocation of income, expenses, gains, or losses. Allocations to participant accounts are based on compensation or account balances, as specified by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The Plan allows a participant to self-direct investment transactions associated with separate investment fund options made available by the employer for this purpose.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants whose date of employment is before July 1, 2016 are immediately vested in all accounts. Vesting in the employer contribution accounts for those hired after July 1, 2016 is based on years of continuous service, as follows:

Years of Service	Vesting Percentage
Less than 3 years	0%
3 or more years	100%

Loans to Participants

Under certain conditions, a participant may obtain a loan from the Plan. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one half of the participant's interest in the Plan. The loan will bear interest at a reasonable rate, be adequately secured, and not exceed a period of five years (unless secured by a principal residence). Principal and interest repayments are made through payroll deductions.

Payment of Benefits

On termination of service, a participant may elect to receive a lump sum payment equal to the vested interest in his or her account or installment payments. In-service withdrawals are also permitted after having attained age 59½ or in cases of financial hardship.

Costs and Expenses

Certain trustee fees, transaction fees, and other administrative expenses are paid by the Plan and are based on reasonable and customary rates. Certain other costs and expenses incurred in connection with the operation of the Plan are borne by the Organization.

Note A – Description of Plan (Continued)

Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts are used to pay reasonable plan expenses or to reduce employer contributions. Unallocated forfeitures amounted to \$174,093 and \$128,276 as of December 31, 2023 and 2022, respectively. Forfeitures of \$125,233 and \$39,116 were used during the years ended December 31, 2023 and 2022, respectively.

Note B – Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments and Income Recognition

Investments are reported in the Plan's financial statements at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Income from interest is recorded as it is earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade date basis. Net appreciation or depreciation of investments is determined using the value at the beginning of the year or purchase price if acquired since that date. Management fees and operating expenses charged to the Plan for investments in the mutual funds and guaranteed interest fund are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Note B – Summary of Accounting Policies (Continued)

Investment Contract with Insurance Company

Plan assets include a benefit responsive group annuity fixed income contract issued by Empower Annuity Insurance Company of America. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The average interest crediting rate was 1.48% and 1.18% for the years ended December 31, 2023 and 2022, respectively.

As described above, because the fixed income contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the assets available for benefits attributable to the contract. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, plus earnings at guaranteed crediting rates, less participant withdrawals, and fees. Participants may ordinarily direct permitted withdrawal or transfer of all or a portion of their investment at contract value within reasonable timeframes. Only an event causing liquidity constraints at Empower Annuity Insurance Company of America could limit the ability of the Plan to transact at contract value paid within twelve to thirty-six months, depending on market conditions.

Excluded Contracts

The plan administrator has elected to exclude certain contracts and accounts from plan assets in accordance with Department of Labor's Field Assistance Bulletin No. 2009-02 due to the following:

- the contract or account was issued to a current or former employee before January 1, 2009
- the employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact, stopped making contributions to the contract or account before January 1, 2009
- all the rights under the contract or account are legally enforceable against the insurer by the individual owner of the contract or account without any involvement by the employer
- the individual owner of the contract should be fully vested in the contract or account

Because the plan administrator has elected to exclude certain contracts in accordance with Department of Labor's Field Assistance Bulletin No. 2009-02, the excluded contracts are not in accordance with accounting principles generally accepted in the United States of America and, accordingly, it is not intended that these financial statements be presented in accordance with accounting principles generally accepted in the United States of America.

PINE REST CHRISTIAN MENTAL HEALTH SERVICES SAVINGS AND RETIREMENT PLAN

For the years ended December 31, 2023 and 2022

Note B – Summary of Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the participant's account and are included in administrative expenses when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document; therefore, an allowance for credit losses is not considered necessary at December 31, 2023 and 2022.

Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated as of October 11, 2024, which is the date the financial statements were available to be issued.

Note C – Fair Value Measurements

The Plan's investments, with the exception of the fully benefit-responsive investment contract, are reported at fair value in the accompanying statements of assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs are unadjusted quoted prices in active markets for identical assets or liabilities markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS

PINE REST CHRISTIAN MENTAL HEALTH SERVICES SAVINGS AND RETIREMENT PLAN

For the years ended December 31, 2023 and 2022

Note C – Fair Value Measurements (Continued)

Level 2 – inputs to the valuation methodology include:

- quoted prices for similar assets and liabilities in active markets,
- quoted prices for identical or similar assets and liabilities in markets that are not active,
- other inputs that are observable or can be corroborated by observable market data,
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs are generally unobservable and significant to the fair value measurement. Such inputs typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability, including certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued based on quoted net asset values of the shares held by the Plan on the last business day of the plan year.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	Level 1	Level 2	Level 3	Total
<u>December 31, 2023</u>				
Mutual funds	\$ 95,854,024	\$ -	\$ -	\$ 95,854,024
<u>December 31, 2022</u>				
Mutual funds	\$ 78,174,386	\$ -	\$ -	\$ 78,174,386

Note D – Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

PINE REST CHRISTIAN MENTAL HEALTH SERVICES SAVINGS AND RETIREMENT PLAN

For the years ended December 31, 2023 and 2022

Note E – Certified Information

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation or depreciation in fair value of investments, other income, interest and dividends, and interest income from notes receivable from participants for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Custodian.

Note F – Party-In-Interest Transactions

Plan investments include a fixed income contract managed by affiliates of Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan to parties-in-interest for services rendered to the Plan were \$261,431 and \$247,865 for the years ended December 31, 2023 and 2022, respectively. Such fees were based on reasonable and customary rates.

In addition, the Plan maintains notes receivable from participants. Those party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note G – Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts.

Note H – Tax Status

The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Internal Revenue Code (IRC) to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator and the Plan's tax counsel believe that the Plan and related trust is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
