INDEPENDENT AUDITORS' REPORT

October 14, 2024

TO THE PLAN TRUSTEES
Curtis-Toledo, Inc. 401(k) Plan
Saint Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the **Curtis-Toledo, Inc. 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Curtis-Toledo, Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to the periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Charles Schwab Trust Bank (a qualified institution), custodian of the plan, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Curtis-Toledo, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Curtis-Toledo, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Curtis-Toledo, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Curtis-Toledo, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate to those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. Notes to Financial Statements
Years Ended December 31, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Curtis-Toledo, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering the employees of Curtis-Toledo, Inc. and participating affiliates deemed to be part of a controlled group (the "Company"). To be eligible for salary reduction contributions, matching and discretionary profit-sharing contributions, an employee must not be a union employee whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, leased employees, or interns.

In addition, employees are eligible for salary reduction contributions with no minimum age requirement and one month of service. Employees are eligible for employer matching and discretionary profit-sharing contributions if they are age twenty-one or older and have completed one month of service.

Upon reaching the eligibility requirements, employees can begin to participate on the first day of the month coinciding with or following the date the eligibility requirements are satisfied.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to 100% of pretax annual compensation subject to certain limits, as defined in the Plan. In addition, the Plan allows for Roth elective deferrals. Accordingly, the term "elective deferrals" includes pretax elective deferrals and Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Additionally, the Company makes safe harbor matching contributions of 100% of the first 3% deferred and 50% of the next 2% deferred by participants. Safe harbor matching contributions are 100% vested.

The Company may also make discretionary profit-sharing contributions. The amount, if any, is determined each year by the Company. For the years ended December 31, 2023 and 2022, the Company made no discretionary profit-sharing contributions.

Participants' Accounts - Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is based on the participant's vested account balance.

The contributions to the Plan, both employee and employer, are allocated to various funds at the direction of the participant. The Plan provides for various investment options for participant's elective and employer contributions. Participants should refer to each fund's prospectus for a description of the fund's investment objectives.

NOTE A - DESCRIPTION OF PLAN (Continued)

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon and are immediately vested in the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions plus earnings is based on years of continuous service.

Company match and discretionary contributions and earnings are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants - Participants may borrow from their pre-tax deferral and Roth deferral accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participants' accounts. Interest rates are set at prime plus 1%. Participants may have up to two outstanding loans at any time. At December 31, 2023 and 2022, the Plan had outstanding participant loans of \$236,815 and \$168,528, respectively.

Distributions - Upon termination of service, an employee may elect to receive either a lump-sum amount equal to the value of his or her account or a joint and survivor annuity.

The Plan Administrator will direct the Custodian to make a lump sum distribution if the vested account balance excluding rollovers is less than or equal to \$5,000 regardless of whether a request for a distribution is made. Written consent will be required for any distribution if the vested account balance is greater than \$5,000. In the event of a distribution greater than \$1,000 that is made without the participant's consent, the Plan Administrator shall pay the distribution in a direct rollover to an individual retirement plan. A participant may also elect to receive an in-service distribution upon attaining age 59 ½. Distributions may only be made from accounts that are fully vested.

Forfeited Accounts - The non-vested balance of a participant's account is forfeited upon termination of service. Forfeitures of terminated participants' non-vested account balances occur as of the earlier of (1) the last day of the Plan year in which the participant incurs five consecutive one-year breaks in service or (2) the distribution of the entire vested portion of the participant's account. Forfeitures may be used to offset employer contributions or pay Plan expenses. For the year ended December 31, 2023, no forfeitures were used to reduce employer contributions or pay Plan expenses. The Plan had unused forfeitures totaling \$7,815 and \$6,248 at the end of December 31, 2023 and 2022, respectively.

SECURE 2.0 Act - On December 29, 2022, Congress passed the SECURE 2.0 Act of 2022 ("Act") to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan Amendments required by the Act generally need not be made until the end of the first plan year beginning on or after January 1, 2026 (by December 31, 2026). However, plans must be operated in accordance with the effective date of each new provision.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the plan document.

Excess Contributions Payable - Amounts payable to participants for contributions in excess amounts allowed by the IRS are recorded as a liability on the statements of assets available for benefits and as corrective distributions on the statement of changes in assets available for benefits. There are no excess contributions payable as of December 31, 2023. Excess contributions payable totaled \$395 as of December 31, 2022 and were distributed on March 15, 2023.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments in collective investment trust funds are valued based on calculated net asset value per share. In accordance with FASB ASU No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, the Plan has elected to measure the fair value using net asset value per share as a practical expedient. As a result, the investment in collective investment trust funds is not categorized in the fair value hierarchy (see Note D).

Current Expected Credit Losses - In June 2016, the Financial Accounting Standards Board ("FASB") issued ASU No. 2022-02, *Financial Instruments - Credit Losses (Topic 326)*, which became effective for the Plan on January 1, 2023. The guidance in this ASU significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to an expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Plan that are subject to the guidance in FASB ASC 326 are employer contributions receivable. Plan management has evaluated employer contributions receivable as of December 31, 2023, and determined that no allowance for credit losses is necessary. Topic 326 had no impact on the Plan upon adoption on January 1, 2023.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Operating Expenses - Expenses of maintaining the Plan are paid by the Company and the Plan (see Note F).

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentrations - The Plan had an investment in two investment funds, Schwab Indexed Retirement Fund – 2025 and Schwab Indexed Retirement Fund – 2040, which represented approximately 24% of net assets available for plan benefits as of December 31, 2023. The Plan had an investment in one investment fund, Schwab Indexed Retirement Fund – 2040, which represented approximately 12% of net assets available for plan benefits as of December 31, 2022.

Management's Review of Subsequent Events - For the year ended December 31, 2023, the Plan evaluated subsequent events for potential recognition and disclosure through October 14, 2024, the date the financial statements were available to be issued.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The information and investment income at December 31, 2023 and 2022, as reported by the Custodian, is summarized as follows:

	<u>2023</u>	<u>2022</u>
Cash	\$ 54	\$ 50,027
Investments, at fair value:		
Mutual funds	2,890,398	2,310,297
Investments, at net asset value:		
Collective investment trust funds	5,434,194	3,515,794
Notes receivable from participants (valued at unpaid principal balance)	236,815	168,528
	<u>\$ 8,561,461</u>	<u>\$ 6,044,646</u>
Net appreciation in fair value of investments	\$ 1,122,074	
Dividends including capital gain distributions	66,438	
	<u>\$ 1,188,512</u>	
Interest income on notes receivable from participants	<u>\$ 10,268</u>	

NOTE D - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Years Ended December 31, 2023 and 2022

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The fair value measurement and accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs consist of quoted prices for similar assets in active markets and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Level 1 Fair Value Measurements - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

		Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Quoted Prices in Active Markets for Similar Assets (Level 2)
<u>December 31, 2023</u>			
Mutual funds:	<u>\$ 2,890,398</u>	<u>\$ 2,890,398</u>	<u>\$ -</u>
Total investments at fair value	<u>2,890,398</u>	<u>\$ 2,890,398</u>	<u>\$ -</u>
Other investments:			
Collective investment trust funds	<u>5,434,194</u>		
Total investments	<u>\$ 8,324,592</u>		

In accordance with FASC 820-10, other investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Years Ended December 31, 2023 and 2022

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Fair Value	Fair Value Measurements at Reporting Date Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Quoted Prices in Active Markets for Similar Assets (Level 2)
<u>December 31, 2022</u>			
Mutual funds:	<u>\$ 2,310,297</u>	<u>\$ 2,310,297</u>	<u>\$ -</u>
Total investments at fair value	<u>2,310,297</u>	<u>\$ 2,310,297</u>	<u>\$ -</u>
Other investments:			
Collective investment trust funds	<u>3,515,794</u>		
Total investments	<u>\$ 5,826,091</u>		

NOTE E - INVESTMENTS USING THE PRACTICAL EXPEDIENT

The collective investment trust funds invest in collective trust funds, investment contracts, fixed-income securities, registered investment companies, common stock and money market funds. The net asset value of the investments is calculated daily and the investments can be redeemed at net asset value as of the measurement date. Investments in collective investment trust funds valued using the practical expedient fair value totaled \$5,434,194 and \$3,515,794 at December 31, 2023 and 2022, respectively.

NOTE F - PARTIES-IN-INTEREST

EPIC Retirement Plan Services, LLC and Moneta Group, LLC provide third-party administration and consulting services for the Plan; therefore, transactions with these organizations qualify as party-in-interest transactions. For the year ended December 31, 2023, fees paid to these providers for services totaled \$48,029.

The Plan incurs additional expenses related to general administration and recordkeeping. The Plan sponsor pays certain accounting and auditing fees relating to the Plan.

NOTE G - PLAN TERMINATION

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

CURTIS-TOLEDO, INC. 401(K) PLAN
Notes to Financial Statements
Years Ended December 31, 2023 and 2022

NOTE H - TAX STATUS

The Company's Plan operates under the terms of an adoption agreement provided under a master plan agreement. The Internal Revenue Service has determined by letter dated March 31, 2014 that the master plan agreement and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan Administrator analyzes tax positions taken by the Plan, as applicable, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following variance between the amounts reported as net assets available for benefits and changes in net assets available for benefits on the financial statements and Form 5500 Schedule H as of and for the year ended December 31, 2023:

	Benefits Paid To Participants	Net Assets Available for Benefits
Balances per Form 5500 - 2023	\$ 422,617	\$ 8,571,937
Benefit claims payable per Form 5500 - 2022	49,951	-
Balances per the Financial Statements	<u>\$ 472,568</u>	<u>\$ 8,571,937</u>
