INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Foulger-Pratt Companies 401(K) Plan
Potomac, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Foulger-Pratt Companies 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Foulger-Pratt Companies 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Foulger-Pratt Companies 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Foulger-Pratt Companies 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Foulger-Pratt Companies 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Foulger-Pratt Companies 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOULGER-PRATT COMPANIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Foulger-Pratt Companies 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 1989. The Plan covers substantially all employees of Foulger-Pratt Companies LLC and the following adopting employers: Foulger-Pratt Management LLC, Foulger-Pratt Contracting LLC, Foulger-Pratt Development LLC, Foulger-Pratt Residential LLC, Foulger-Pratt Corporate Services LLC. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

The assets of the Plan are held and managed by Empower Annuity Insurance Company of America (the Plan insurance company) and Empower Trust Company, LLC (the Plan custodian) and Empower Retirement, LLC provides recordkeeping services to the plan (collectively referred to as Empower).

Historically, Massachusetts Mutual Life Insurance Company (Mass Mutual), served as the custodian and insurance company of the Plan, prior to Empower's acquisition of the retirement plan and group insurance business of Mass Mutual in December 2020. Through this transaction, group insurance business written by Mass Mutual was reinsured by Empower Annuity Insurance Company of America (fka Great-West Life and Annuity Insurance Company).

Effective March 1, 2022, the plan document was amended and restated to bring a plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). As part of the same amendment, Empower Trust Company, LLC (fka Great-West Trust Company, LLC) replaced Reliance Trust Company as a trustee of the plan.

Eligibility

The Plan covers all employees age 21 and older. Enrollment in the plan is the first day of the month subsequent to hiring. To receive employer matching safe harbor contributions, participants must have completed 1,000 hours and 12 months of service. The Plan entry date is the first day of the following month.

Contributions

Each year participants may contribute up to the maximum amount allowed by law, as pre-tax or Roth contributions subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

FOULGER-PRATT COMPANIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts, common collective trusts and a guaranteed investment contract as investment options for participants.

The Plan allows for safe harbor matching contributions. The plan sponsor matches participants' contributions at rate of 100% up to 3% and an additional 50% for the next two percent of their eligible compensation. For the years ended December 31, 2023 and 2022, the Company made safe harbor matching contributions to the Plan totaling \$604,214 and \$607,009, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All contributions to the plan are 100% vested including employee deferrals, safe harbor matching contributions and rollover contributions. Vesting in the Company's matching and profit-sharing contribution portion of their accounts (accumulated before the plan became a safe harbor plan) is based on years of continuous service. After one year of service, a participant becomes 20% vested and the vesting percentage increases by 20% each year until the participant becomes fully vested in his or her account after five years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or 50% of their vested account balance. A plan participant may have only one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Loan terms range from one to five years. Principal and interest are paid ratably through payroll deductions or by check (for prepayments only).

Payment of Benefits

Upon termination of service due to death, full and permanent disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, a distribution in the form of a qualified joint and survivor annuity, installment payments, annuity payments or a combination of methods. Hardship distributions and in-service withdrawals at age 59 1/2 are also permitted, subject to the provisions described in the Plan document. Hardship withdrawals are subject to specific statutory and regulatory requirements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeited Accounts

Forfeitures resulting from compliance with safe harbor requirements or forfeited unvested balances from prior to the plan becoming a safe harbor plan, may be used to pay plan administrative expenses or reduce employer contributions to the Plan. At December 31, 2023 and 2022, forfeited unallocated account balances totaled \$44,182 and \$95,342, respectively. The December 31, 2022 balance included uncashed checks totaling \$54,239, which were reissued during 2023. The entire available balance at December 31, 2023 was applied to the 2023 employer contribution receivable, which is presented in the statements of net assets available for benefits at the net amount due to the Plan.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts (FBRIC). Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to FBRIC because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for FBRIC, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants for loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on behalf of the Plan. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

The Plan has a revenue sharing agreement with the plan custodian. If the custodian receives fund compensation above a certain amount, this excess compensation is made available to the Plan to offset expenses or as another income allocation to participants. As of December 31, 2023 and 2022, the balance available to offset future expenses totaled \$-0-. During the years ended December 31, 2023 and 2022, the Plan received revenue sharing funds totaling \$60,893 and \$61,671, respectively, which is included in net appreciation of investments, and utilized \$50,000 and \$40,784, respectively, to pay Plan expenses and \$11,229 and \$21,112, respectively, were allocated to participant accounts as other income.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest and dividend income for the years then ended, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2023, is derived from statements which have been certified by Reliance Trust Company (through March 2022) and Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the plan custodian and insurance company, respectively (starting March 2022), as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds

Mutual Funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value (NAV) as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission and are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSA)

The PSA are primarily invested in mutual funds. The PSA are valued daily at the unit value of shares held by the Plan in the separate investment accounts based on the underlying mutual funds and their quoted net asset value (NAV). The Plan has no unfunded commitments related to the pooled separate accounts and redemptions and subscriptions are permitted daily. The Plan has concluded that the NAV as adjusted (for administrative maintenance charges and other items) and reported by Mass Mutual denotes readily determinable fair value.

Common Collective Trusts (CCT)

The plan invests in common collective trusts (CCT) operated and maintained by Great Gray Trust Company, LLC (fka Wilmington Trust). The CCTs are invested in equity, fixed income and target retirement index funds. The CCT are valued daily at NAV of the units held by the Plan. The NAV is not a publicly quoted price in an active market but is available to current investors via the plan custodian website or when plan participants access their account values. Participant transactions (purchases and sales) may occur daily. Therefore, those investments are considered to have a readily determinable fair value. If the Plan initiates a full redemption of the CCTs, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Effective April 28, 2023, Great Gray Trust Company, LLC, a Nevada-chartered non-depository trust company, ("Great Gray") assumed the collective fund business of Wilmington Trust and replaced Wilmington Trust as trustee to the collective investment funds. Great Gray was subsequently sold to an affiliate of Madison Dearborn Partners, LLC on April 29, 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan participates in fully benefit-responsive investment contract (FBRIC) with Empower Annuity Insurance Company of America (fka Great-West Life and Annuity Insurance Company). The Separate Account Guaranteed Interest Contract (SAGIC) maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by the SAGIC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 3%. Such interest rates are reviewed annually. The separate account guaranteed investment contract does not permit the insurance company to terminate the agreement unless the Plan is not in compliance with the investment agreement.

Certain events limit the ability of the Plan to transact at contract value with issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or

deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants occurred. The guaranteed investment contracts do not permit the insurance companies to terminate the agreements prior to the scheduled maturity date unless the plan no longer qualifies for reasons stated above.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Due to a very large number of terminations that occurred during 2023, the Company has determined that a partial termination of the Plan occurred on that date. As a result, all affected participants became fully vested in their accounts.

NOTE 7 - TAX STATUS

The Plan has adopted a prototype standardized profit-sharing plan sponsored by Empower Retirement LLC. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, which states that the prototype plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's assets include investments in funds managed by Empower. Empower refers to products and services offered in the retirement markets by Empower Annuity Insurance Company of America (EAICA) and Empower Trust Company, LLC (ETC) and their subsidiaries, including Empower Advisory Group, LLC, Empower Financial Services, Inc., Empower Retirement, LLC, Empower Capital Management, LLC, Empower Funds, Inc., Empower Annuity Insurance Company, Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York. Putnam Investments, a subsidiary of Empower parent Great-West Lifeco was acquired by Franklin Templeton effective January 1, 2024.

Transactions in these funds qualify as party-in-interest transactions.

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST (Continued)

Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements are available to be issued.
