Independent Auditor's Report

To the Plan Administrator and Board of Managers
Crooker Construction, LLC 401(k) Profit Sharing Plan
Topsham, Maine

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Crooker Construction, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Crooker Construction, LLC 401(k) Profit Sharing Plan's financial statements (herein referred to as Financial Statements) performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Crooker Construction, LLC 401(k) Profit Sharing Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Crooker Construction, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Crooker Construction, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Crooker Construction, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

To the Plan Administrator and Board of Managers
Crooker Construction, LLC 401(k) Profit Sharing Plan

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Crooker Construction, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a prototype safe harbor defined contribution plan covering all full-time employees of Crooker Construction, LLC (the Company) who are at least eighteen years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Managers.

Employees are immediately eligible to participate in salary deferral contributions and are automatically enrolled at a withholding of 6% compensation, unless the employee opts out. Participants must have worked at least 950 hours during the first year to be eligible for match and profit-sharing contributions.

Effective January 1, 2023, employees are immediately eligible for safe harbor match contributions, which are subject to 2-year cliff vesting.

Contributions and Funding Policy

Participants may contribute a percentage of pretax annual compensation, as defined in the Plan, and/or also may make post-tax (Roth) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a number of mutual funds and one common collective trust as investment options.

The Plan's safe harbor match contributions are made by the Company as follows: 100% of deferrals up to 3% of compensation, and 50% of deferrals in excess of 3% of compensation up to 5% of compensation.

Employee deferral contributions and employer match contributions are funded on a payroll basis. Profit sharing contributions are funded annually at the discretion of the Company.

Notes Receivable from Participants

Participants are allowed to borrow from their 401(k) fund accounts up to the lesser of \$50,000, or 50% of their vested account balance. The minimum loan is \$1,000 and only one note may be outstanding for a participant at any time. The notes bear interest at the prevailing interest rate at the date of the loan, which is based on the prime rate plus 1% at the date of the note issuance. Such rates are fixed throughout the duration of the notes. Principal and interest are paid via payroll deduction under a level amortization schedule. Interest rates on outstanding notes receivable range from 4.25% – 9.5% for all outstanding loans as of December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in safe harbor contributions prior to 2023 are also immediate. Vesting in safe harbor contributions 2023 and forward are subject to 2-year cliff vesting. Vesting in the Company's pre-safe harbor match contributions and discretionary profit-sharing portions of their accounts is based on plan years of continuous service with the Company. A participant is 100% vested in his or her pre-safe harbor match and profit-sharing contributions after six years of credited service, as follows:

<u>Years</u>	<u>Percentage</u>
Less than 2	0%
Year 2	20%
Year 3	40%
Year 4	60%
Year 5	80%
Year 6	100%

Payment of Benefits

Upon termination of service, a lump-sum or installment payment distribution is automatically distributed to a participant if the vested account balance is \$5,000 or less. If the vested account balance exceeds \$5,000, the participant may elect to leave the funds in the Plan until retirement or take a distribution at their discretion, subject to applicable withholding taxes. The Plan is subject to the Internal Revenue Service (IRS) automatic rollover rules for automatic distributions in excess of \$1,000. The minimum distribution for hardship withdrawals is \$500. Participants may withdraw rollover source funds at any time.

Forfeited Accounts

Forfeitures of non-vested account balances of terminated employees may first be used to pay for the Plan's administrative expenses. Any remaining forfeitures may be used to reduce future employer match and profit sharing, as applicable. On December 31, 2023 and 2022, forfeited non-vested accounts totaled \$17,219 and \$5,834, respectively. Also, in 2023, administrative expenses of \$4,663 were paid from forfeited non-vested accounts; \$303 was credited for unclaimed checks and \$138 of profit-sharing corrections were added in.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustees.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Reinvested dividends and capital gains distributions of mutual fund shares are classified as dividend income. Net appreciation (depreciation) includes the Plan's gains and losses and investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from the financial statements. Expenses paid by the Plan include recordkeeping fees, investment advisor fees, and a portion of the third-party administrator fees.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

Certain financial information included in the Plan's statement of net assets available for benefits regarding investment assets and notes receivable from participants as of December 31, 2023 and 2022, and for the year ended December 31, 2023, were derived from information certified as complete and accurate by Capital Bank and Trust Company, the custodian of plan assets, in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The financial information subject to such certification follows:

	December 31, 2023	December 31, 2022
Investment in mutual funds	\$ 15,307,361	\$ 13,769,680
Investment in common collective trust	<u>614,535</u>	<u>557,007</u>
	<u>\$ 15,921,896</u>	<u>\$ 14,326,687</u>

NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plans have the ability to access.
- Level 2- Inputs to the valuation methodology include:
 - Quoted prices for similar assets in active markets;
 - Quoted prices for identical or similar assets in inactive markets;
 - Inputs other than quoted prices that are observable for the asset;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies since December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: for Invesco Stable Value Trust, contract value per unit is provided by the trustee and is determined by adjusting the fair value of net assets of the trust to the contract value and dividing the remainder by the number of units outstanding.

NOTE 4 – INVESTMENTS AND FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value by type as of:

December 31, 2023	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$15,307,361	\$15,307,361		
Common collective trust*	<u>614,535</u>			
Total investments at fair value	<u>\$15,921,896</u>	<u>\$15,307,361</u>		

Fair Value Measurements at Reporting Date Using				
December 31, 2022	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$13,769,680	\$13,769,680		
Common collective trust*	<u>557,007</u>			
Total investments at fair value	<u>\$14,326,687</u>	<u>\$13,769,680</u>		

*In accordance with FASB ASC 820-10, if a readily determinable fair value is not available as of the reporting date, NAV may be used as the practical expedient. In such circumstances, fair value leveling is not required. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5 - INVESTMENT IN COMMON COLLECTIVE TRUST

The Plan invests in the Invesco Stable Asset Trust collective trust (Stable Value Fund). The Stable Value Fund invests in fixed income investments, including guaranteed investment contracts and synthetic guaranteed investment contracts. The Stable Value Fund pays for a wrap contract, which is a derivative investment meant to stabilize the per unit value of the Fund at \$1 per unit, by hedging against interest rate fluctuations.

The Stable Value Fund invests in fully benefit-responsive investments. However, there are certain plan sponsor-initiated events, including withdrawal from the investment option, which could delay or restrict payments from the Fund until underlying assets can be liquidated. The Trust requires a 12-month irrevocable notification for the Plan's withdrawal. A decision to liquidate the fund from the Plan has not been made.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer accounts.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 on December 31:

	2023	2022
Net assets available for benefits per the financial statements	\$16,340,724	\$14,730,284
Contributions receivable difference to Form 5500	(224,396)	(223,755)
Liabilities on Form 5500 not on financial statements		
Accounts payable difference to Form 5500	1,892	4,254
Rounding		
Net assets available for benefits per Form 5500	<u>\$16,118,220</u>	<u>\$14,510,783</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2023:

Change in net assets available for benefits per the financial statements	\$1,610,440
Contribution receivable difference beginning of year	223,755
Contribution receivable difference end of year	(224,396)
Accounts payable difference beginning of year	(4,254)
End of year liabilities on financial statements not on Form 5500	1,892
Change in net assets available for benefits per Form 5500	<u>\$1,607,437</u>

NOTE 8 - TAX STATUS

The Company adopted a volume submitter non-standardized profit-sharing plan with a cash or deferral arrangement, which received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the Plan as then designed is in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has determined that the Plan has no uncertain tax positions that require adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 10 - VESTED TERMINATED BALANCES

As of December 31, 2023, there were no vested terminated balances for which participants had requested withdrawal.

NOTE 11 – PARTY IN INTEREST TRANSACTIONS

The following were considered parties in interest to the Plan during the year ended December 31, 2023: Raymond James Financial Services (Raymond James), Downeast Pension Service, Inc. (Downeast) and Capital Bank and Trust Company (American Funds). During the year ended December 31, 2023, \$36,337 was charged for Raymond James investment advisory services, \$10,587 was charged for Downeast third party administration services, and \$18,576 was charged for American Funds recordkeeping services.

American Funds receives 12(b) revenues (transaction-based charges) from the mutual funds in which the Plan invests. It uses the revenue to pay Raymond James and Downeast, and any remaining revenue is applied toward the Plan's charges for recordkeeping services, prior to invoicing the Plan.

Total American Fund balances as of December 31, 2023 and 2022 were \$8,949,591 and \$7,745,936, respectively.

NOTE 12 – ADOPTION OF ACCOUNTING PRINCIPLE

The Plan adopted FASB Accounting Standards Update (ASU) No. 2016-13 – *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, including amendments, which was effective January 1, 2023. The standard introduces a new impairment model, the current expected credit loss (CECL) model. The model applies to receivables and most assets that are measured at amortized cost and requires those assets to be presented at the net amount expected to be collected. It also expands the existing disclosure requirements. There were no effects to the January 1, 2023 balances as a result of the accounting change.
