To the Participants of
Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CARE EVERYWHERE, LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Care Everywhere, LLC 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for Care Everywhere LLC (Care) and its affiliates including InfuTronix LLC, InfuTronix Solutions LLC, Zyno Medical LLC and Zyno Solutions LLC, collectively "the Companies", for the benefit of eligible employees and their beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan adopted the Paychex Inc. Prototype Non-standardized Profit Sharing Plan. Mid Atlantic Trust Company serves as Custodian. Paychex, Inc. serves as third-party recordkeeper. Care is the Plan Administrator.

Participation

The Plan includes all employees of the Companies who have attained age twenty-one and have completed six months of service. The Plan entry dates are monthly. Eligible employees electing to be participants contribute to the Plan through payroll deductions at a specified percentage of their base compensation from 1% up to 75% subject to the limitations established by the Internal Revenue Code (IRC). Participants direct their contribution into various investment options offered by the Plan.

The Plan permits catch-up contributions for eligible participants who are 50 years or older by the end of the calendar year and who are currently making deferral contributions.

Company Contributions

The Companies provide a matching contribution in the amount of 100% of the first 3% and 50% on the next 2% of eligible pay that an employee contributes to the Plan for a maximum matching contribution of 4%.

The Companies may elect to make a non-elective profit sharing contribution to the Plan on a yearly basis at the discretion of their Board of Directors. A participant is eligible to receive a profit sharing contribution if (a) at least 500 hours were worked during the Plan year or (b) participant was employed on the last day of the Plan year. The Companies did not make a profit sharing contribution for the year ended December 31, 2023.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with (a) the participant's elective deferral contribution, (b) an allocation of the individual Company's contribution, and (c) plan earnings based on the participant's account balances. Investment fund management fees are also charged and reduce participant investment return.

Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, employer matching contribution, and non-elective profit sharing contributions, plus investment earnings thereon.

Payment of Benefits

Benefits are payable to eligible participants upon disability, death, early retirement, normal retirement at or after age 65, or termination of employment.

Benefit payments are made in a single lump sum payment, except for required minimum distributions which must commence no later than the attainment of age 72 and are made in installments.

In-Service Withdrawals

Participants may withdraw funds upon attainment of age 59-1/2.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to the lesser of (a) 50% of their vested account balance or (b) \$50,000. In addition, the amount available to the participant will be reduced by the greatest outstanding loan balance within the previous 12 months. Loans are due over a maximum of 4-1/2 years and bear an interest rate of prime rate plus 1%.

Administrative Expenses

Administrative costs not paid by the Plan are absorbed by the Plan Sponsor.

Plan Amendment and Termination

The Plan may be amended at any time by the Board of Directors of Care, provided that no such amendment may deprive participants of their vested benefits.

Although it has not expressed any intent to do so, Care has the right under the Plan to discontinue its contributions at any time and to terminate that Plan subject to the provisions of ERISA. In the event of termination of the Plan, the participant accounts would become fully vested and the assets would be distributed to participants in accordance with the terms set forth in the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events Review

In preparing its financial statements, the Plan Administrator has evaluated events and transactions for potential recognition or disclosure through October 12, 2024 the date the financial statements were available to be issued.

Investment Valuation, Methodologies and Income Recognition

The Plan's mutual funds are valued at fair value. Shares are valued based on quoted market prices in an active market, which represent the net asset values of shares held by the Plan at year end. Unrealized appreciation or depreciation resulting from market changes is added to, or subtracted from, net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis as earned. Dividend income is recorded on the ex-dividend date.

Interest-bearing cash includes cash in a money market mutual fund.

Fair Value Measurements

The Plan adopted the provisions of the accounting standards regarding fair value measurements. The standard defines fair value, establishes a framework for measuring fair value under current accounting pronouncements that require or permit fair value measurement and enhances disclosures about fair value measurements. The standard defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical assets or liabilities as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes Receivable from Participants

Notes receivable from participants are loans valued at their unpaid principal balance plus any accrued but unpaid interest.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate and credit risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect the amounts reported in the financial statements.

Benefit Payments

Benefit payments are recorded when paid.

3. FAIR VALUE MEASUREMENT

The Plan's investments, carried at fair value on a recurring basis by the fair value hierarchy levels described in Note 2, consisted of interest-bearing cash and mutual funds, which are Level 1 investments, at December 31, 2023 and 2022.

4. INCOME TAX STATUS

The Plan was adopted in the form of a Prototype Plan sponsored by Paychex, Inc. (see Note 1) that received a favorable opinion letter from the Internal Revenue Service (IRS) dated August 31, 2020, stating that the Plan is qualified in accordance with applicable sections of the Internal Revenue Code (IRC). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications.

Accounting standards require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. INFORMATION CERTIFIED BY TRUSTEE (Unaudited)

The following is a summary of the unaudited information included in the Plan's financial statements that was prepared by Mid Atlantic Trust Company, Custodian of the Plan (see Note 1), and furnished to the Plan Administrator. The Plan Administrator has obtained certification from the Custodian that such information is complete and accurate:
