## INDEPENDENT AUDITORS' REPORT

To the Trustees and Plan Administrator  
Mission Critical Partners 401(k) and Profit Sharing Plan  
Port Matilda, PA

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Mission Critical Partners 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mission Critical Partners 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mission Critical Partners 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mission Critical Partners 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mission Critical Partners 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mission Critical Partners 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all materials respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i-Schedule of Assets (Held at End of Year) is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MISSION CRITICAL PARTNERS  
401(k) AND PROFIT SHARING PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 1. Description of the Plan

The following description of the Mission Critical Partners 401(k) and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Mission Critical Partners, Inc. (the "Company") who have three months of service and are 21 years of age. The Plan was effective January 1, 2010, and qualifies under the Internal Revenue Code (the "Code") as a 401(k) plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may elect to make contributions to the Plan up to the maximum allowed by law of their pretax compensation, as defined in the Plan of the dollar amount as set by law. Participants may also make contributions to a designated Roth account if they so choose. Total deferrals in any taxable year may not exceed the dollar limit established by law, \$22,500 for 2023, plus any amounts up to \$7,500 for those over age 50 as a "catch-up" contribution. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 50% of a participant's contributions, up to 4% of base compensation. A discretionary profit sharing contribution may be contributed at the option of the employer. Employees are eligible for profit sharing contributions after 500 hours of employment. For 2023, the Company elected not to make a profit sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (1) the Company's contribution and (2) Plan earnings, and charged with an allocation of administrative expenses. Allocations of the Company's contribution and Plan earnings are allocated based on participant earnings or account balances, as defined in the Plan Agreement.

401(k) AND PROFIT SHARING PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 1. Description of the Plan (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's match is a five-year graded schedule, whereby, after five years of service 100% of the Company match is vested. The profit sharing contribution portion of their accounts plus actual earnings are based on years of continuous service. A participant is fully vested after 5 years of credited service as follows:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| Less than 2             | 0%                       |
| 2                       | 25%                      |
| 3                       | 50%                      |
| 4                       | 75%                      |
| 5                       | 100%                     |

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior twelve-month period. The loan must be repaid within five years. The loans are secured by the balance in the participant's account and bear interest at the current prime rate plus 2%. Principal and interest are paid ratably through bi-weekly payroll deductions. An administrative fee by the trustee is charged to the employee's account when a new loan is made. Interest income on notes receivable is net of these fees. Interest received on participant notes for the year ended December 31, 2023 totaled \$12,225.

Forfeited Accounts

At December 31, 2023 and 2022, nonvested accounts totaled \$33,538 and \$36,091, respectively. Forfeited balances can be used to first pay any administrative expenses of the Plan; any remaining forfeitures will be used to reduce any employer contribution.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

MISSION CRITICAL PARTNERS  
401(k) AND PROFIT SHARING PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 1. Description of the Plan (Continued)

Investment Options

The Plan is entirely participant-directed and, as such, upon enrollment in the Plan, a participant may direct employee and employer contributions in any investment option offered in the Plan. Participants may change their investment options at any time. The Plan currently offers various mutual funds and a fixed income collective fund as investment options.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accrued benefits.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes within, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The change in the difference between current market value and cost is reported in the statement of changes in net assets available for plan benefits as net appreciation or depreciation in fair value of investments. Fair value is discussed below.

Investment Valuation and Income Recognition (Continued)

The net appreciation or depreciation in fair value of investments is reported as the change in the difference between the current market value and the prior year's market value adjusted for purchases and sales.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Other Payables

At December 31, 2023, two participants' salary deferrals were mistakenly overfunded by \$10,151. The participants' future deposits will be reduced to account for the overages.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Substantially all of the administrative expenses of the Plan are paid by the Plan sponsor. Investment related expenses are included in net appreciation/(depreciation) value of investments.

Assets Transferred In

During 2023, Mission Critical Partners acquired a company whose employees transferred their account balances into Mission Critical Partners' plan. The total amount of accounts balances transferred in from the acquisition was \$3,647,992.

Subsequent Events

Subsequent events have been evaluated through October 7, 2024, which is the date the financial statements were available to be issued.

Note 3. Income Tax Status

The Plan has adopted a Dunbar, Bender & Zapf, Inc. volume submitter 401(k) profit sharing plan that received an advisory letter dated March 31, 2014, in which the IRS stated that the Plan, as designed complied with the applicable requirements of the Code. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Tax years 2020 through 2023 remain open to IRS examination.

Note 5. Fair Value Measurements

Investments are recorded at fair value. Fair value is defined as the price that the Plan would receive upon selling an investment in a timely transaction to an independent buyer in the principal or most advantageous market of the investment. A three-tier hierarchy is utilized to maximize the use of observable market data and minimize the use of unobservable inputs and to establish classification of fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk, for example, the risk inherent in a particular valuation technique used to measure fair value and/or the risk inherent in the inputs to the valuation technique. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The three-tier hierarchy of inputs is summarized in the three broad Levels listed below.

- Level 1- quoted prices in active markets for identical investments.
- Level 2- other significant observable inputs (including quoted prices for similar investments, interest rates, credit risks, etc.).
- Level 3- significant unobservable inputs (including the organization's own assumptions in determining the fair value of investments).

Note 5. Fair Value Measurements (Continued)

Securities listed on a securities exchange or openly traded, for which market quotations are readily available, are valued at their last quoted sales price on the principal exchange on which they are traded on the valuation date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Debt securities are valued at prices that reflect broker/dealer-supplied valuations or are obtained from independent pricing services and are deemed representative of market values at the close of the market.

At December 31, 2023 and 2022, the Plan's investments consist of mutual funds and an insurance company general account group annuity contract. All investments are valued at unadjusted quoted market prices in active markets.

All the investments of the Plan are valued using Level 1 inputs.

Note 6. Investments

The following presents investments that represent five percent or more of the Plan's net assets held for investment as of December 31:

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8. Related-Party Transactions

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Fees paid by the Plan amounted to \$52,231 for the year ended December 31, 2023.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
