INDEPENDENT AUDITOR'S REPORT

October 14, 2024

To the Board of Directors of
Inspire 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Inspire 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Inspire 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023, and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2 to the financial statements.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Inspire 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Inspire 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Inspire 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Inspire 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with the modified cash basis of accounting. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INSPIRE 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Inspire 401(k) Profit Sharing Plan and Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the summary plan description or the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Inspire, Inc. (the “Organization” or “Employer”) who have reached at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Participants may elect to have a percentage or specified dollar amount deducted from their compensation (“pre-tax”) as defined by the Plan. Participants who are age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Organization. There is an annual limit as to the amount that can be deducted from compensation that is determined by Internal Revenue Code (“IRC”) guidelines.

The Organization may make an employer contribution at its discretion. During 2023 the employer made a discretionary matching contribution of \$44,932. During 2022, no employer discretionary matching contribution were made.

Participants’ Accounts

Each participant’s account is credited with that participant’s contribution and allocations of (a) the Employer’s contribution and (b) Plan earnings and losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. All accounts are participant directed.

Payment of Benefits

Upon termination of service, a participant's vested balance may be distributed in accordance with the requirements in the Plan document.

Participant benefits are provided in the form of lump sum distributions as of the effective date of retirement, termination or death. In the case of the death of the participant, the beneficiary is paid in one lump-sum payment.

Hardship withdrawals from the Plan are permitted from all participant accounts. All hardship withdrawals must comply with specific rules relating to hardships, which are uniformly applicable to all participants

Vesting

Participants are vested immediately in their contributions plus actual earnings and losses thereon. Vesting in the Employer contributions portion of their accounts is based on years of continuous service. A participant becomes 100% vested after 3 years of service and is 0% vested prior to reaching 3 years of service.

1. DESCRIPTION OF PLAN (Continued)

Forfeitures

If a participant terminates their employment with the Organization, the non-vested contributions plus allocated earnings thereon may be used to reduce aggregate future Employer contributions and administrative expenses or can be allocated to all Plan participants. At December 31, 2023 and 2022, the forfeited nonvested accounts totaled \$2,644 and \$3,261, respectively. Forfeitures of \$3,261 were used to reduce Employer contributions during 2023. Forfeitures were not used to reduce Employer contributions or administrative expenses during 2022.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance and bear interest at a rate commensurate with local prevailing rates at the time of the loan as determined by the plan administrator. Loan repayments must be made through payroll deductions over a term not to exceed 5 years unless the proceeds of the loan are used to purchase the participant's principal residence, in which case the term is not to exceed 10 years. Principal and interest is paid ratably through periodic payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this basis, investment income and employer contributions are recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value. Accordingly, the financial statements are not intended to present the assets available for benefits and changes in assets available for benefits of the Plan in conformity with U.S. GAAP.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits – modified cash basis.

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds. The collective investment trust is measured using the net asset value (NAV) per share practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund as of December 31, 2023 and 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value (Continued)

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value and classifies into a three-level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at fair value based on quoted market prices in active markets.

Stable value funds: Valued based on the fair value using the net asset value (NAV) practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in the current value of investments held during the year, including realized gains and losses on assets bought and sold during the year, are reflected in the statement of changes in assets available for benefits – modified cash basis as net appreciation or depreciation in the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid predominantly by the Plan except for costs associated with general consulting and preparation of benefit statements which are paid by the Organization. Investment related expenses are included in net appreciation of fair value of investments.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule were obtained from data that has been prepared and certified as complete and accurate by the trustee, Hand Benefits & Trust Company, as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Total investments	\$ 4,659,472	\$ 4,673,547
Notes receivable from participants	\$ 11,528	\$ 20,198
Total investment income (loss)	\$ 662,482	\$ (855,338)
Interest on notes receivable from participants	\$ 794	\$ 603
Schedule of Assets (Held at End of Year) - Schedule I		

4. FAIR VALUE MEASUREMENTS

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis as follows:

	<u>Level 1</u> <u>Inputs</u>	<u>Level 2</u> <u>Inputs</u>	<u>Level 3</u> <u>Inputs</u>	<u>Total</u>
Mutual funds	\$ 4,176,314	\$ -	\$ -	\$ 4,176,314
Stable value fund measured at net asset value as a practical expedient				483,158
				<u>\$ 4,659,472</u>

At December 31, 2022, the Plan's investments are measured at fair value on a recurring basis as follows:

	<u>Level 1</u> <u>Inputs</u>	<u>Level 2</u> <u>Inputs</u>	<u>Level 3</u> <u>Inputs</u>	<u>Total</u>
Mutual funds	\$ 4,164,361	\$ -	\$ -	\$ 4,164,361
Stable value fund measured at net asset value as a practical expedient				509,186
				<u>\$ 4,673,547</u>

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of assets available for benefits – modified cash basis.

4. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured using the Net Asset Value per Share Practical Expedient.

The following table summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Stable value fund	\$ 483,158	N/A	Daily	Daily

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Stable value fund	509,186	N/A	Daily	Daily

The stable value fund (Fund) seeks to provide capital preservation, liquidity, and current income at levels that are typically higher than those provided by money market funds. The Fund will attempt to achieve its investment objective by investing primarily in fixed income instruments with companion book value contracts issued by insurance companies, banks, and other financial institutions, as well as other types of stable value products which may be available such as other stable value collective trusts, guaranteed investment contracts, bank investment contracts, group annuity contracts, separate account insurance contracts and other contracts that the custodian determines may facilitate achievement of the investment objectives of the Fund. The collective investment trust is designed to remain stable regardless of stock and bond market fluctuations.

5. TAX STATUS

On June 30, 2020, the Internal Revenue Service issued an opinion letter to the prototype plan document preparer to indicate that the Plan, as then designed, is in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan, as amended, is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

6. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Hand Benefits & Trust Company is the trustee and Orange County Cerebral Palsy Association, Inc. is the Plan sponsor. As such, transactions between Hand Benefits & Trust Company, Orange County Cerebral Palsy Association, Inc. and the Plan qualify as party-in-interest transactions. Also, Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of assets available for benefits – modified cash basis.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their Employer contributions.

8. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Assets available for benefits – modified cash basis and changes in assets available for benefits – modified cash basis per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2023 and 2022.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.
