Independent Auditors' Report

To the Trustees of
IBEW NECA Conduit 401k Plan
Springfield, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of IBEW NECA Conduit 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of IBEW NECA Conduit 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBEW NECA Conduit 401k Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B and for determining that the modified cash basis is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW NECA Conduit 401k Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the IBEW NECA Conduit 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW NECA Conduit 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at Year End) - modified cash basis as of December 31, 2023, is presented for purposes of additional analysis, and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule – modified cash basis, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule – modified cash basis related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A | DESCRIPTION OF PLAN

The following description of the IBEW NECA Conduit 401k Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan was established April 1, 2021, for the purpose of providing retirement benefits for the members. In connection with the establishment of the Plan, the following plans were merged into the Plan: The Electricians Salary Deferral Plan of Local 146, IBEW/Midstate Division; the I.B.E.W. Local 538 401(k) Salary Deferral & Retirement Plan; the IBEW Local 193 401(k) Plan; the IBEW-NECA Benefits Administration Association 401(k) Profit Sharing Plan; and The Electricians Salary Deferral Plan of Local No. 601, Champaign-Urbana/Streator-Pontiac Division Chapter, NECA. The Plan is a multi-employer plan that covers substantially all employers covered under collective bargaining agreements and contribution agreements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Eligibility

An employee shall become a participant under the Plan effective as of the first day of the month coincident with or next following the later of (a) April 1, 2021, (b) completion of one hour of service in covered employment, or (c) completion of the eligibility requirements specified in the contribution agreement (which requirements cannot be later than attainment of age twenty-one (21) and completion of one (1) year of service).

3. Contributions

To the extent permitted by the applicable contribution agreement, a participant may elect to contribute to the Plan a portion of his compensation for a plan year on a pre-tax basis for the period he engaged in covered employment. The amount deferred on behalf of each Participant is contributed by the employer to the Plan and allocated to the portion of the participant's account consisting of pre-tax contributions. Each participant may elect to contribute from one percent (1%) to one hundred percent (100%) of such participant's compensation.

The employer contributions and employer profit-sharing contributions are established by contribution agreements, which are negotiated by and between the unions and the employers.

NOTE A | DESCRIPTION OF PLAN

4. Participant Accounts

Each participant's account is credited with the participant's contributions, employer matching contributions, employer's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Vesting

Participants are immediately vested 100%.

6. Notes Receivable from Participants

Under certain contribution agreements in the Plan, participants may borrow from their fund accounts a minimum of \$ 1,000. Loans are limited to \$ 50,000 reduced by the excess, if any, of the participant's highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date on which such loan is made, or 50% of the participant's vested account balance determined as of the valuation date coinciding with, or immediately preceding, such loan, adjusted for any contributions or distributions made since the valuation date. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus two hundred basis points at the date the loan is made. Interest rates ranged from 4.25% to 10.50% at December 31, 2023 and 4.25% to 9.00% December 31, 2022.

7. Payment of Benefits

Upon retirement, death or disability, if a participant's account balance is greater than \$ 5,000, the participant or the participant's beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested account, periodic installments for a number of years not extending beyond the life expectancy of the participant and their designated beneficiary or by purchase of a nontransferable annuity from an insurance company.

NOTE A | DESCRIPTION OF PLAN

7. Payment of Benefits

If a participant's account balance is \$ 5,000 or less, the balance will be distributed in a single lump-sum payment. If a participant's account balance exceeds \$ 1,000 but is equal to or less than \$ 5,000, unless a timely distribution election is made by the participant, the participant's account balance will be rolled over to an IRA selected by the Plan. If a participant's account balance is \$ 1,000 or less, unless the participant elects otherwise, the participant's account balance is paid in a single-sum payment as soon as administratively possible following the distributable event.

8. Forfeited Accounts

There are no forfeitures in this Plan as participants are immediately vested 100%.

NOTE B | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis of accounting; investment income is recognized when received, disbursements are recognized when made. Additionally, securities are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and change in net assets available for benefits of the Plan in conformity with accounting principles generally accepted in the United States of America.

2. Use of Estimates

The preparation of financial statements in conformity with the modified cash basis requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note D for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE B | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3. Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative Expenses

The Plan's administrative expenses are paid by the Plan, as provided by the Plan document. Fees related to the administration of notes receivable are directly charged to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

7. Subsequent Events

Management has evaluated subsequent events for recognition and disclosure in the financial statements through October 11, 2024, which is the date the financial statements were available to be issued. Through October 11, 2024, no subsequent events required disclosure in the financial statements.

NOTE C | SUMMARY FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The following is a summary of the unaudited information regarding the Plan as of December 31, 2023 and 2022, included in the Plan's financial statements and supplementary schedule that was prepared by or derived from information prepared by the custodian of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certification from John Hancock Trust Company LLC that such information is complete and accurate.

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 37,065,802	\$ 33,072,663
Notes receivable from participants	547,127	413,754
Interest and dividend income	918,448	834,989
Net appreciation (depreciation)		
in fair value of investments	4,046,309	(6,867,378)
Interest on notes receivable from participants	26,848	17,686

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

NOTE D | FAIR VALUE MEASUREMENTS

The Plan follows the fair value measurement guidance for financial assets and financial liabilities. The guidance defines fair value, establishes a framework for measuring value and expands disclosure about fair value measurements. In addition, the guidance permits an entity to measure eligible financial instruments and other items at fair value. The Plan has not made any fair value elections.

NOTE D | FAIR VALUE MEASUREMENTS

Fair value is defined to be the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date. A three-level hierarchy has been established for fair value measurements based upon the inputs to the valuation of an asset or liability as follows:

Level 1 – Valuation is based on quoted prices for identical assets and liabilities in active markets.

Level 2 – Valuation is derived from inputs, other than quoted prices included in Level 1, which are observable for the asset or liability either directly or indirectly. Investments classified as Level 2 are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. The significant inputs used in this approach include interest rates, prepayment timing, yield spreads, maturities, credit losses and credit ratings of the securities.

Level 3 – Valuation is derived from unobservable inputs that are not corroborated by market data.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments in collective trusts are valued at the net asset value of units of a bank collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions may occur daily.

NOTE D | FAIR VALUE MEASUREMENTS

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2023</u>				
Mutual funds	\$ 31,839,931	\$ -	\$ -	\$ 31,839,931
Total assets in the fair Value hierarchy	\$ 31,839,931	\$ -	\$ -	31,839,931
Investments measured at net asset value per share				<u>5,225,871</u>
Investments, at fair value				<u>\$ 37,065,802</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2022</u>				
Mutual funds	\$ 28,085,017	\$ -	\$ -	\$ 28,085,017
Interest bearing cash	25,000	-	-	25,000
Total assets in the fair Value hierarchy	\$ 28,110,017	\$ -	\$ -	28,110,017
Investments measured at net asset value per share				<u>4,962,646</u>
Investments, at fair value				<u>\$ 33,072,663</u>

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D | FAIR VALUE MEASUREMENTS

Fair Value of Investments that Calculate Net Asset Value

During 2023 and 2022, the Plan held units in the IBEW-NECA Stable Value Trust (the Trust). The Trust is a Collective Trust in which purchases and withdrawals are not made in an open market; instead, the purchases and withdrawals occur with the Trust, and in certain circumstances, those transactions are entirely controlled and/or restricted by the Trust. The fair value of this investment is determined by the management of the Trust and is reported to the Plan as the Plan's proportionate share of the net asset fair value of the entity.

During 2023, the Plan held units in the IBEW-NECA Equity Index Fund (the Fund). The Fund is a Collective Trust in which purchases and withdrawals are not made in an open market; instead, the purchases and withdrawals occur with the Fund, and in certain circumstances, those transactions are entirely controlled and/or restricted by the Fund. The fair value of this investment is determined by the management of the Fund and is reported to the Plan as the Plan's proportionate share of the net asset fair value of the entity.

The table below provides information related to these types of investments. Additional information on these investments which are direct filing entities can be found by viewing its U.S. Department of Labor Form 5500.

NOTE E | PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Trustees have the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA.

NOTE F | TAX STATUS

The Plan obtained its determination letter on May 21, 2024, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles of the modified cash basis of accounting require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE G | RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Trust Company LLC (John Hancock). John Hancock is the custodian for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

John Hancock provides certain administrative services to the Plan pursuant to a Master Services Agreement (MSA) between the Company and John Hancock. John Hancock receives revenue from mutual fund service providers for services John Hancock provides to the funds. This revenue is used to offset certain amounts owed to John Hancock for its administrative services to the Plan.

If the revenue received by John Hancock from such mutual fund service providers exceeds the amount owed under the MSA incurred through March 31 (or prior business day) of the following calendar year, the excess shall be allocated to participants with account balances on the allocation date. During 2023 and 2022, there were no excess amounts.

NOTE H | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Cash consists of monies held in non-interest-bearing transaction accounts. The Plan places its cash with a financial institution deemed to be creditworthy. Balances are insured by the FDIC up to \$ 250,000. There were no uninsured balances as of December 31, 2023 and 2022.
