Independent Auditors' Report

To the Administrator and Trustees of the
Moveero, Inc. Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Moveero, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from the Qualified Institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

Independent Auditors' Report

likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, line 4a – Schedule of Delinquent Contributions for the year ended December 31, 2023 and Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional

Independent Auditors' Report

analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a Qualified Institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. **Description of the Plan**

The following is a brief description of the Moveero, Inc. Retirement Plan (the “Plan”) which is provided for general information purposes only. The Plan document, related adoption agreement and individual statements provided to each Plan participant should be referred to for more complete information.

General

The Plan is a qualified defined contribution pension plan covering eligible employees of Moveero, Inc. (the “Company”). The Plan Sponsor was previously Moveero Ltd. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan investments are administered and held in a trust by the Plan’s trustee, Fidelity Management Trust Company (the “Trustee”). The Trustee is a qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Fidelity Workplace Services LLC, an affiliate of the Trustee, is the record-keeper of the Plan. The Plan Administrator is responsible for overseeing and ensuring compliance with the Plan Document. The Trustee, the record-keeper and the Plan administrator are appointed by the Company.

Plan Amendments

The Plan has implemented certain requirements of the Consolidated Appropriations Act of 2023, which included retirement provisions referred to as the SECURE 2.0 Act (“SECURE 2.0”), which builds upon the Setting Every Community Up for Retirement Enhancement Act of 2019. SECURE 2.0 legislation required the Plan to, among others, delay the commencement date for required minimum distributions from 72 to 73, effective January 1, 2023. Written amendments to the Plan to reflect these operational changes are not required to be adopted until a later date in accordance with applicable laws and Internal Revenue Service (“IRS”) guidance.

Eligibility

The Plan covers all eligible employees of the Company. Employees may enter the Plan on the first day of the month following their hire date. There are no age requirements. The Plan excludes those employees who are: (1) non-resident aliens, (2) union employees covered by a collective bargaining agreement.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Participant Contributions

The employees make voluntary contributions, on a before-tax or after-tax basis, up to the maximum contributions allowed under the Internal Revenue Service Code (“IRC”), as discussed below, to be placed into a trust fund for their benefit. Compensation per the Plan document means wages, tips and other compensation on Form W-2. The Plan includes an automatic enrollment feature and contribution arrangement. The automatic deferral amount is 3% of their eligible compensation, as defined and will increase by 1% of compensation per year until a deferral rate of 10% is reached, unless the participants opt out of the Plan. Compensation is adjusted to exclude severance pay (after employment separation), fringe benefits, moving expenses, expense reimbursements, deferred compensation, and welfare benefits. The maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$330,000 for 2023. Total participant contributions are limited to a maximum of \$22,500 for 2023. Additionally, individuals who are at least 50 years of age can make a “catch-up” contribution not to exceed \$7,500 for 2023. The maximum annual addition for 2023 that may be contributed or allocated to a participant’s account under the Plan shall not exceed the lesser of 100% of a participant’s compensation or \$66,000.

Employer Contributions

Effective April 1, 2023, the Company made a matching contribution equal to 100% of the first 2% of eligible compensation, and 50% of the next 4% of eligible compensation that a participant contributes to the Plan. Prior to this, the Company made a matching contribution equal to 100% of the first 1% of eligible compensation, and 50% of the next 5% of eligible compensation that a participant contributes to the Plan. In addition, the Company can also make a profit-sharing contribution at its discretion. Participants must meet eligibility requirements to share in any allocation of discretionary profit-sharing contributions. The Company did not make a discretionary profit-sharing contributions for 2023.

Rollover Contributions

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover, with certain restrictions.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Vesting

Participants are immediately vested in their contributions, rollover contributions, as well as any earnings thereon. Participants vest in the Company's contributions as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0	0%
1	0%
2	100%

Participant Accounts

The Plan administrator establishes and maintains a separate account for each participant, which is credited for rollover and voluntary contributions the participants make, employer contributions and Plan earnings. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balances in that investment. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account. Allocations of the Company's discretionary profit-sharing contributions, if any, are done via a grouping methodology, in which each eligible participant will be considered an allocation group. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in the account or (2) \$50,000, less currently outstanding notes receivables. The notes are secured by the vested balance in the participant's account, not to exceed 50% of such vested balance. No note shall be less than \$1,000 and no more than one note at a time is allowed. The notes shall bear interest at the prime rate plus 1%. At December 31, 2023, the outstanding notes bear interest ranging from 4.25% to 9.50% per annum.

Any such borrowings are to be repaid within five years, unless the note is for the purchase of a principal residence for which the repayment period may extend. Principal and interest are paid pro rata through payroll deductions. A note becomes immediately due and payable upon a participant's termination of employment, death or disability.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. These accounts may be used to reduce future administrative expenses and/or employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts was \$2,255 and \$12,522, respectively and are included in the investment balance on the Statements of Net Assets Available for Benefits. During 2023, \$34,572 forfeited non-vested amounts were used to reduce Company contributions or to pay administrative expenses.

Retirement

The normal retirement age as defined is when the participant reaches the age of 60. Early retirement is permitted at the age of 55. At the normal retirement date, the participant is entitled to 100% of their account balance. A participant, who becomes disabled, as defined in the Plan document, is eligible for a disability retirement.

Distribution of Benefits

An active participant, or a designated beneficiary, is entitled to withdraw the entire vested amount (or in some cases, a portion thereof) in the event of normal retirement, death, disability, termination of employment, termination of the Plan, attainment of age 59 ½, or under hardship circumstances, as defined in the Plan document. Distributions are made in the form of a lump sum distribution or installment payments.

Terminated employees whose vested balance is under \$5,000 will be subject to an involuntary distribution. Terminated employees whose vested balance exceeds \$5,000 at termination may elect to leave their account balances in the Plan. Participants must begin receiving the required minimum distributions, under IRC guidelines, upon reaching the age of 73.

Administrative Expenses

Administrative expenses may be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan are allocated to all participants on a pro rata basis. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during 2023. Transaction expenses, such as loan administration fees, are charged directly to the participant's account and are included in administrative expenses.

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates and Assumptions

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are reflected on a trade date basis. Interest and dividend income are reflected when received.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) of the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefit payments to participants or beneficiaries are recorded when paid.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

2. Summary of Significant Accounting Policies

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks including, but not limited to, interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

Income Tax Status

The Company has adopted a non-standardized pre-approved plan document that received an Internal Revenue Service ("IRS") opinion letter dated June 30, 2020, in which the IRS stated that this non-standardized pre-approved plan was qualified under the appropriate sections of the IRC. An employer adopting this non-standardized pre-approved plan is considered to have a plan qualified under section 401(a) of the IRC. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status.

The Plan administrator and the Plan's tax counsel believe that the Plan is being operated in conformity with the applicable requirement of the IRC and therefore believes the Plan continues to be qualified and the trust established under the Plan is tax exempt. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and/or the Department of Labor ("DOL"). The Plan administrator has analyzed the tax positions taken by the Plan and had concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and/or the DOL. There are currently no other audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

4. Investments

For the year ended December 31, 2023, the Plan's net appreciation (including gains and losses on investments bought and sold, as well as held during the year) of the fair value on the investments was \$2,913,244.

5. Fair Value Measurements

FASB's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

5. Fair Value Measurements

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of units of the Trustee's, common collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments. The Fidelity Managed Income Portfolio seeks to maintain a stable value of \$1 per unit.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022:

2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,373,189	\$ -	\$ -	\$ 22,373,189
Investments, at fair value	\$ 22,373,189	\$ -	\$ -	22,373,189
Common collective trusts (a)				845,546
Total investments, at fair value				\$ 23,218,735

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,810,412	\$ -	\$ -	\$ 18,810,412
Investments, at fair value	\$ 18,810,412	\$ -	\$ -	18,810,412
Common collective trusts (a)				1,190,611
Total investments, at fair value				\$ 20,001,023

- (a) In accordance with ASC subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2023, there were no purchases, issuances, transfers in or transfers out of Level 3.

collective trusts	\$ 845,546	\$ 1,190,611	N/A	Daily	12 months

6. Related Party and Party-in-Interest Transactions

Certain of the Plan's investments were managed by an affiliate of the Trustee. Included within administrative expenses are certain payments to the Trustee or its affiliates. Transactions with the Trustee and their affiliates qualify as party-in-interest transactions. Loans to Plan participants also qualify as party-in-interest transactions. The above transactions are not, however, considered prohibited transactions under CFR 408 (b) of the ERISA regulations.

7. Unaudited Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which was certified by the Trustee, as complete and accurate, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedules as follows:

As of December 31:	2023	2022
Investments, at fair value	<u>\$ 23,218,735</u>	<u>\$ 20,001,023</u>
Notes receivable from participants	<u>\$ 511,070</u>	<u>\$ 517,422</u>

For the year ended December 31, 2023:

Investment income:	
Net appreciation of the fair value on the investments	\$ 2,913,244
Dividend income from mutual funds	<u>513,744</u>
Total investment Income	<u>\$ 3,426,988</u>
Interest income on notes receivables from participants	<u>\$ 27,183</u>

In addition, the information in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, has been certified by the Trustee to be complete and accurate.

8. Nonexempt Transactions

The Company withheld from participants' pay certain contributions and loan repayments, which were not remitted to the Plan's trust within the time frame required by the DOL under the plan assets rules. These late remitted participant contributions constitute a loan from the Plan to the Company. Lost earnings on late remitted participant contributions for the 2021 and 2022 plan years in the amount of \$76,370, and \$10,827, respectively, were paid to the Plan's trust in 2023.

Independent Auditors' Report

To the Administrator and Trustees of the
Moveero, Inc. Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Moveero, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from the Qualified Institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

Independent Auditors' Report

likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, line 4a – Schedule of Delinquent Contributions for the year ended December 31, 2023 and Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional

Independent Auditors' Report

analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a Qualified Institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

The following is a brief description of the Moveero, Inc. Retirement Plan (the “Plan”) which is provided for general information purposes only. The Plan document, related adoption agreement and individual statements provided to each Plan participant should be referred to for more complete information.

General

The Plan is a qualified defined contribution pension plan covering eligible employees of Moveero, Inc. (the “Company”). The Plan Sponsor was previously Moveero Ltd. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan investments are administered and held in a trust by the Plan’s trustee, Fidelity Management Trust Company (the “Trustee”). The Trustee is a qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Fidelity Workplace Services LLC, an affiliate of the Trustee, is the record-keeper of the Plan. The Plan Administrator is responsible for overseeing and ensuring compliance with the Plan Document. The Trustee, the record-keeper and the Plan administrator are appointed by the Company.

Plan Amendments

The Plan has implemented certain requirements of the Consolidated Appropriations Act of 2023, which included retirement provisions referred to as the SECURE 2.0 Act (“SECURE 2.0”), which builds upon the Setting Every Community Up for Retirement Enhancement Act of 2019. SECURE 2.0 legislation required the Plan to, among others, delay the commencement date for required minimum distributions from 72 to 73, effective January 1, 2023. Written amendments to the Plan to reflect these operational changes are not required to be adopted until a later date in accordance with applicable laws and Internal Revenue Service (“IRS”) guidance.

Eligibility

The Plan covers all eligible employees of the Company. Employees may enter the Plan on the first day of the month following their hire date. There are no age requirements. The Plan excludes those employees who are: (1) non-resident aliens, (2) union employees covered by a collective bargaining agreement.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Participant Contributions

The employees make voluntary contributions, on a before-tax or after-tax basis, up to the maximum contributions allowed under the Internal Revenue Service Code (“IRC”), as discussed below, to be placed into a trust fund for their benefit. Compensation per the Plan document means wages, tips and other compensation on Form W-2. The Plan includes an automatic enrollment feature and contribution arrangement. The automatic deferral amount is 3% of their eligible compensation, as defined and will increase by 1% of compensation per year until a deferral rate of 10% is reached, unless the participants opt out of the Plan. Compensation is adjusted to exclude severance pay (after employment separation), fringe benefits, moving expenses, expense reimbursements, deferred compensation, and welfare benefits. The maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$330,000 for 2023. Total participant contributions are limited to a maximum of \$22,500 for 2023. Additionally, individuals who are at least 50 years of age can make a “catch-up” contribution not to exceed \$7,500 for 2023. The maximum annual addition for 2023 that may be contributed or allocated to a participant’s account under the Plan shall not exceed the lesser of 100% of a participant’s compensation or \$66,000.

Employer Contributions

Effective April 1, 2023, the Company made a matching contribution equal to 100% of the first 2% of eligible compensation, and 50% of the next 4% of eligible compensation that a participant contributes to the Plan. Prior to this, the Company made a matching contribution equal to 100% of the first 1% of eligible compensation, and 50% of the next 5% of eligible compensation that a participant contributes to the Plan. In addition, the Company can also make a profit-sharing contribution at its discretion. Participants must meet eligibility requirements to share in any allocation of discretionary profit-sharing contributions. The Company did not make a discretionary profit-sharing contributions for 2023.

Rollover Contributions

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover, with certain restrictions.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Vesting

Participants are immediately vested in their contributions, rollover contributions, as well as any earnings thereon. Participants vest in the Company's contributions as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0	0%
1	0%
2	100%

Participant Accounts

The Plan administrator establishes and maintains a separate account for each participant, which is credited for rollover and voluntary contributions the participants make, employer contributions and Plan earnings. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balances in that investment. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account. Allocations of the Company's discretionary profit-sharing contributions, if any, are done via a grouping methodology, in which each eligible participant will be considered an allocation group. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in the account or (2) \$50,000, less currently outstanding notes receivables. The notes are secured by the vested balance in the participant's account, not to exceed 50% of such vested balance. No note shall be less than \$1,000 and no more than one note at a time is allowed. The notes shall bear interest at the prime rate plus 1%. At December 31, 2023, the outstanding notes bear interest ranging from 4.25% to 9.50% per annum.

Any such borrowings are to be repaid within five years, unless the note is for the purchase of a principal residence for which the repayment period may extend. Principal and interest are paid pro rata through payroll deductions. A note becomes immediately due and payable upon a participant's termination of employment, death or disability.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. These accounts may be used to reduce future administrative expenses and/or employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts was \$2,255 and \$12,522, respectively and are included in the investment balance on the Statements of Net Assets Available for Benefits. During 2023, \$34,572 forfeited non-vested amounts were used to reduce Company contributions or to pay administrative expenses.

Retirement

The normal retirement age as defined is when the participant reaches the age of 60. Early retirement is permitted at the age of 55. At the normal retirement date, the participant is entitled to 100% of their account balance. A participant, who becomes disabled, as defined in the Plan document, is eligible for a disability retirement.

Distribution of Benefits

An active participant, or a designated beneficiary, is entitled to withdraw the entire vested amount (or in some cases, a portion thereof) in the event of normal retirement, death, disability, termination of employment, termination of the Plan, attainment of age 59 ½, or under hardship circumstances, as defined in the Plan document. Distributions are made in the form of a lump sum distribution or installment payments.

Terminated employees whose vested balance is under \$5,000 will be subject to an involuntary distribution. Terminated employees whose vested balance exceeds \$5,000 at termination may elect to leave their account balances in the Plan. Participants must begin receiving the required minimum distributions, under IRC guidelines, upon reaching the age of 73.

Administrative Expenses

Administrative expenses may be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan are allocated to all participants on a pro rata basis. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during 2023. Transaction expenses, such as loan administration fees, are charged directly to the participant's account and are included in administrative expenses.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates and Assumptions

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are reflected on a trade date basis. Interest and dividend income are reflected when received.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) of the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefit payments to participants or beneficiaries are recorded when paid.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

2. Summary of Significant Accounting Policies

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks including, but not limited to, interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

Income Tax Status

The Company has adopted a non-standardized pre-approved plan document that received an Internal Revenue Service ("IRS") opinion letter dated June 30, 2020, in which the IRS stated that this non-standardized pre-approved plan was qualified under the appropriate sections of the IRC. An employer adopting this non-standardized pre-approved plan is considered to have a plan qualified under section 401(a) of the IRC. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status.

The Plan administrator and the Plan's tax counsel believe that the Plan is being operated in conformity with the applicable requirement of the IRC and therefore believes the Plan continues to be qualified and the trust established under the Plan is tax exempt. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and/or the Department of Labor ("DOL"). The Plan administrator has analyzed the tax positions taken by the Plan and had concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and/or the DOL. There are currently no other audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

4. Investments

For the year ended December 31, 2023, the Plan's net appreciation (including gains and losses on investments bought and sold, as well as held during the year) of the fair value on the investments was \$2,913,244.

5. Fair Value Measurements

FASB's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

5. **Fair Value Measurements**

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of units of the Trustee's, common collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments. The Fidelity Managed Income Portfolio seeks to maintain a stable value of \$1 per unit.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022:

2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,373,189	\$ -	\$ -	\$ 22,373,189
Investments, at fair value	\$ 22,373,189	\$ -	\$ -	22,373,189
Common collective trusts (a)				845,546
Total investments, at fair value				\$ 23,218,735

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,810,412	\$ -	\$ -	\$ 18,810,412
Investments, at fair value	\$ 18,810,412	\$ -	\$ -	18,810,412
Common collective trusts (a)				1,190,611
Total investments, at fair value				\$ 20,001,023

- (a) In accordance with ASC subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2023, there were no purchases, issuances, transfers in or transfers out of Level 3.

6. Related Party and Party-in-Interest Transactions

Certain of the Plan's investments were managed by an affiliate of the Trustee. Included within administrative expenses are certain payments to the Trustee or its affiliates. Transactions with the Trustee and their affiliates qualify as party-in-interest transactions. Loans to Plan participants also qualify as party-in-interest transactions. The above transactions are not, however, considered prohibited transactions under CFR 408 (b) of the ERISA regulations.

7. Unaudited Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which was certified by the Trustee, as complete and accurate, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedules as follows:

As of December 31:	2023	2022
Investments, at fair value	<u>\$ 23,218,735</u>	<u>\$ 20,001,023</u>
Notes receivable from participants	<u>\$ 511,070</u>	<u>\$ 517,422</u>

For the year ended December 31, 2023:

Investment income:	
Net appreciation of the fair value on the investments	\$ 2,913,244
Dividend income from mutual funds	<u>513,744</u>
Total investment Income	<u>\$ 3,426,988</u>
Interest income on notes receivables from participants	<u>\$ 27,183</u>

In addition, the information in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, has been certified by the Trustee to be complete and accurate.

8. Nonexempt Transactions

The Company withheld from participants' pay certain contributions and loan repayments, which were not remitted to the Plan's trust within the time frame required by the DOL under the plan assets rules. These late remitted participant contributions constitute a loan from the Plan to the Company. Lost earnings on late remitted participant contributions for the 2021 and 2022 plan years in the amount of \$76,370, and \$10,827, respectively, were paid to the Plan's trust in 2023.

Independent Auditors' Report

To the Administrator and Trustees of the
Moveero, Inc. Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Moveero, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from the Qualified Institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

Independent Auditors' Report

likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, line 4a – Schedule of Delinquent Contributions for the year ended December 31, 2023 and Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional

Independent Auditors' Report

analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a Qualified Institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

The following is a brief description of the Moveero, Inc. Retirement Plan (the “Plan”) which is provided for general information purposes only. The Plan document, related adoption agreement and individual statements provided to each Plan participant should be referred to for more complete information.

General

The Plan is a qualified defined contribution pension plan covering eligible employees of Moveero, Inc. (the “Company”). The Plan Sponsor was previously Moveero Ltd. The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan investments are administered and held in a trust by the Plan’s trustee, Fidelity Management Trust Company (the “Trustee”). The Trustee is a qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Fidelity Workplace Services LLC, an affiliate of the Trustee, is the record-keeper of the Plan. The Plan Administrator is responsible for overseeing and ensuring compliance with the Plan Document. The Trustee, the record-keeper and the Plan administrator are appointed by the Company.

Plan Amendments

The Plan has implemented certain requirements of the Consolidated Appropriations Act of 2023, which included retirement provisions referred to as the SECURE 2.0 Act (“SECURE 2.0”), which builds upon the Setting Every Community Up for Retirement Enhancement Act of 2019. SECURE 2.0 legislation required the Plan to, among others, delay the commencement date for required minimum distributions from 72 to 73, effective January 1, 2023. Written amendments to the Plan to reflect these operational changes are not required to be adopted until a later date in accordance with applicable laws and Internal Revenue Service (“IRS”) guidance.

Eligibility

The Plan covers all eligible employees of the Company. Employees may enter the Plan on the first day of the month following their hire date. There are no age requirements. The Plan excludes those employees who are: (1) non-resident aliens, (2) union employees covered by a collective bargaining agreement.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Participant Contributions

The employees make voluntary contributions, on a before-tax or after-tax basis, up to the maximum contributions allowed under the Internal Revenue Service Code (“IRC”), as discussed below, to be placed into a trust fund for their benefit. Compensation per the Plan document means wages, tips and other compensation on Form W-2. The Plan includes an automatic enrollment feature and contribution arrangement. The automatic deferral amount is 3% of their eligible compensation, as defined and will increase by 1% of compensation per year until a deferral rate of 10% is reached, unless the participants opt out of the Plan. Compensation is adjusted to exclude severance pay (after employment separation), fringe benefits, moving expenses, expense reimbursements, deferred compensation, and welfare benefits. The maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$330,000 for 2023. Total participant contributions are limited to a maximum of \$22,500 for 2023. Additionally, individuals who are at least 50 years of age can make a “catch-up” contribution not to exceed \$7,500 for 2023. The maximum annual addition for 2023 that may be contributed or allocated to a participant’s account under the Plan shall not exceed the lesser of 100% of a participant’s compensation or \$66,000.

Employer Contributions

Effective April 1, 2023, the Company made a matching contribution equal to 100% of the first 2% of eligible compensation, and 50% of the next 4% of eligible compensation that a participant contributes to the Plan. Prior to this, the Company made a matching contribution equal to 100% of the first 1% of eligible compensation, and 50% of the next 5% of eligible compensation that a participant contributes to the Plan. In addition, the Company can also make a profit-sharing contribution at its discretion. Participants must meet eligibility requirements to share in any allocation of discretionary profit-sharing contributions. The Company did not make a discretionary profit-sharing contributions for 2023.

Rollover Contributions

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover, with certain restrictions.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Vesting

Participants are immediately vested in their contributions, rollover contributions, as well as any earnings thereon. Participants vest in the Company's contributions as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0	0%
1	0%
2	100%

Participant Accounts

The Plan administrator establishes and maintains a separate account for each participant, which is credited for rollover and voluntary contributions the participants make, employer contributions and Plan earnings. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balances in that investment. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account. Allocations of the Company's discretionary profit-sharing contributions, if any, are done via a grouping methodology, in which each eligible participant will be considered an allocation group. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in the account or (2) \$50,000, less currently outstanding notes receivables. The notes are secured by the vested balance in the participant's account, not to exceed 50% of such vested balance. No note shall be less than \$1,000 and no more than one note at a time is allowed. The notes shall bear interest at the prime rate plus 1%. At December 31, 2023, the outstanding notes bear interest ranging from 4.25% to 9.50% per annum.

Any such borrowings are to be repaid within five years, unless the note is for the purchase of a principal residence for which the repayment period may extend. Principal and interest are paid pro rata through payroll deductions. A note becomes immediately due and payable upon a participant's termination of employment, death or disability.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

1. Description of the Plan

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. These accounts may be used to reduce future administrative expenses and/or employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts was \$2,255 and \$12,522, respectively and are included in the investment balance on the Statements of Net Assets Available for Benefits. During 2023, \$34,572 forfeited non-vested amounts were used to reduce Company contributions or to pay administrative expenses.

Retirement

The normal retirement age as defined is when the participant reaches the age of 60. Early retirement is permitted at the age of 55. At the normal retirement date, the participant is entitled to 100% of their account balance. A participant, who becomes disabled, as defined in the Plan document, is eligible for a disability retirement.

Distribution of Benefits

An active participant, or a designated beneficiary, is entitled to withdraw the entire vested amount (or in some cases, a portion thereof) in the event of normal retirement, death, disability, termination of employment, termination of the Plan, attainment of age 59 ½, or under hardship circumstances, as defined in the Plan document. Distributions are made in the form of a lump sum distribution or installment payments.

Terminated employees whose vested balance is under \$5,000 will be subject to an involuntary distribution. Terminated employees whose vested balance exceeds \$5,000 at termination may elect to leave their account balances in the Plan. Participants must begin receiving the required minimum distributions, under IRC guidelines, upon reaching the age of 73.

Administrative Expenses

Administrative expenses may be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan are allocated to all participants on a pro rata basis. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during 2023. Transaction expenses, such as loan administration fees, are charged directly to the participant's account and are included in administrative expenses.

FOR THE YEAR ENDED DECEMBER 31, 2023

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates and Assumptions

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are reflected on a trade date basis. Interest and dividend income are reflected when received.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) of the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefit payments to participants or beneficiaries are recorded when paid.

2. Summary of Significant Accounting Policies

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks including, but not limited to, interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

Income Tax Status

The Company has adopted a non-standardized pre-approved plan document that received an Internal Revenue Service ("IRS") opinion letter dated June 30, 2020, in which the IRS stated that this non-standardized pre-approved plan was qualified under the appropriate sections of the IRC. An employer adopting this non-standardized pre-approved plan is considered to have a plan qualified under section 401(a) of the IRC. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status.

The Plan administrator and the Plan's tax counsel believe that the Plan is being operated in conformity with the applicable requirement of the IRC and therefore believes the Plan continues to be qualified and the trust established under the Plan is tax exempt. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and/or the Department of Labor ("DOL"). The Plan administrator has analyzed the tax positions taken by the Plan and had concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and/or the DOL. There are currently no other audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

4. Investments

For the year ended December 31, 2023, the Plan's net appreciation (including gains and losses on investments bought and sold, as well as held during the year) of the fair value on the investments was \$2,913,244.

5. Fair Value Measurements

FASB's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

MOVEERO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2023 AND 2022 AND
FOR THE YEAR ENDED DECEMBER 31, 2023

5. Fair Value Measurements

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the NAV of units of the Trustee's, common collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments. The Fidelity Managed Income Portfolio seeks to maintain a stable value of \$1 per unit.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022:

2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 22,373,189	\$ -	\$ -	\$ 22,373,189
Investments, at fair value	\$ 22,373,189	\$ -	\$ -	22,373,189
Common collective trusts (a)				845,546
Total investments, at fair value				\$ 23,218,735

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,810,412	\$ -	\$ -	\$ 18,810,412
Investments, at fair value	\$ 18,810,412	\$ -	\$ -	18,810,412
Common collective trusts (a)				1,190,611
Total investments, at fair value				\$ 20,001,023

- (a) In accordance with ASC subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2023, there were no purchases, issuances, transfers in or transfers out of Level 3.

5. Fair Value Measurements

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments and associated information for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022:

	2023	2022	Unfunded	Redemption	Plan Level
	Fair Value	Fair Value	Commitments	Frequency	Redemption
				(if currently	Notice

Common					
collective trusts	\$ 845,546	\$ 1,190,611	N/A	Daily	12 months

6. Related Party and Party-in-Interest Transactions

Certain of the Plan's investments were managed by an affiliate of the Trustee. Included within administrative expenses are certain payments to the Trustee or its affiliates. Transactions with the Trustee and their affiliates qualify as party-in-interest transactions. Loans to Plan participants also qualify as party-in-interest transactions. The above transactions are not, however, considered prohibited transactions under CFR 408 (b) of the ERISA regulations.

7. Unaudited Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which was certified by the Trustee, as complete and accurate, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedules as follows:

As of December 31:	2023	2022
Investments, at fair value	<u>\$ 23,218,735</u>	<u>\$ 20,001,023</u>
Notes receivable from participants	<u>\$ 511,070</u>	<u>\$ 517,422</u>

For the year ended December 31, 2023:

Investment income:	
Net appreciation of the fair value on the investments	\$ 2,913,244
Dividend income from mutual funds	<u>513,744</u>
Total investment Income	<u>\$ 3,426,988</u>
Interest income on notes receivables from participants	<u>\$ 27,183</u>

In addition, the information in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, has been certified by the Trustee to be complete and accurate.

8. Nonexempt Transactions

The Company withheld from participants' pay certain contributions and loan repayments, which were not remitted to the Plan's trust within the time frame required by the DOL under the plan assets rules. These late remitted participant contributions constitute a loan from the Plan to the Company. Lost earnings on late remitted participant contributions for the 2021 and 2022 plan years in the amount of \$76,370, and \$10,827, respectively, were paid to the Plan's trust in 2023.
