## Independent Auditor's Report

Trustees and Management of the  
New Mexico Consortium 403(b) Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the New Mexico Consortium 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **New Mexico Consortium 403(b) Retirement Plan**

## **Notes to Financial Statements**

**December 31, 2023 and 2022**

### **1) Description of Plan**

The following description of the New Mexico Consortium 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering all employees of the New Mexico Consortium (the "Employer") other than those that are certain nonresident aliens who have no earned income from sources within the United States, student employees and employees who normally work less than 20 hours per week. Participants are eligible for a matching contribution and a nonelective contribution after six (6) months of service and upon reaching the age of 21. In addition to those excluded for all purposes, you are not eligible to participate in the Plan's matching contributions for employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless such agreement expressly provides for participation in this Plan and employees who the Employer previously did not classify as "employees" (such as independent contractors) but who are reclassified as employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

#### Contributions

Participants may reduce their compensation by a specific percentage or dollar amount and have that amount contributed to the Plan on a pre-tax basis. The Plan refers to this as an "elective deferral." The total elective deferrals in any calendar year may not exceed a certain dollar limit which is set by law ("elective deferral limit"). The elective deferral limit for 2023 and 2022 is \$22,500 and \$20,500, respectively. Participants age 50 or older may elect to defer additional amounts (called "catch-up deferrals"), up to \$7,500 and \$6,500 for 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct contributions into various investment options offered by the Plan. Each year, in addition to depositing elective deferrals, the Employer may contribute matching and nonelective contributions. For 2023 and 2022, the Company elected to make a matching contribution equal to 100% of the employee salary deferrals that do not exceed 6% of base compensation.

# **New Mexico Consortium 403(b) Retirement Plan**

## **Notes to Financial Statements**

**December 31, 2023 and 2022**

### **1) Description of Plan — continued**

A nonelective contribution is a contribution the Employer makes to the Plan which is unrelated to whether the participant makes any elective deferrals in that year.

For 2023 and 2022, the Employer elected to make the following nonelective contribution: 0 up to 10 years of service -- 4.5% of compensation per payroll period, 10 to 20 years of service -- 5.5% of compensation per payroll period, 20+ years of service - - 6.5% of compensation per payroll period.

#### Participant Accounts

Each participant's account is credited with the participant's deferrals, the Company's matching contribution, plan earnings and the Company's nonelective contribution, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

#### Forfeited Accounts

Each Plan year, forfeitures may be used to reduce any matching or nonelective contributions or to pay non-settlor expenses of the plan. There were no significant forfeiture accounts at December 31, 2023 and 2022.

#### Notes Receivable from Participants

Notes receivable from participants are permitted and a reasonable rate of interest will be charged for each loan. Notes receivable from participants are measured at their unpaid principal balances plus accrued but unpaid interest. Principal and interest is paid ratably through monthly deductions. Loans cannot exceed 50% of the employee's vested interest in the Plan. The term of the loan may not exceed five years unless the loan is for the purchase of the employee's principal residence.

#### Vesting

Participants are 100% vested in all Plan accounts. This includes: elective deferrals including catch-up contributions, rollover contributions, nonelective contributions and matching contributions.

#### Payments of Benefits

Upon termination of service due to death, disability or retirement, vested benefits are distributed in accordance with specific requirements outlined in the Plan agreement.

### **2) Summary of Significant Accounting Policies**

#### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

#### Administrative Expenses

The Plan permits, but does not require, the Company to pay costs of Plan administration.

#### Valuation of Investments

In compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan values its investments at fair value. If available, quoted market prices are used to value investments. In accordance with valuing investments at fair value, the net unrealized appreciation or depreciation is presented in the statements of changes in net assets available for benefits.

#### Payment of Benefits

Benefit payments are recorded when paid.

#### Date of Management's Review

Subsequent events were evaluated through October 14, 2024, which is the date the financial statements were available to be issued.

## **Notes to Financial Statements**

**December 31, 2023 and 2022**

### **5) Plan Termination**

Although it has not expressed intent to do so, the Company, as the Plan's sponsor, has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### **6) Tax Status**

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The terms of the Plan have been prepared to conform to the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740-10, Accounting for Income Taxes. The Plan administrator for the Plan does not believe any uncertain tax positions exist. The Plan's policy is to classify income tax penalties and interest, when applicable, as miscellaneous expense (although such amounts would be paid by the Company). Under the statute of limitations, the Plan's tax returns are no longer subject to examination by tax authorities for years prior to 2020.

### **7) Fair Value Measurement**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

# New Mexico Consortium 403(b) Retirement Plan

## Notes to Financial Statements

December 31, 2023 and 2022

### 7) Fair Value Measurement — continued

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available.

*Level 1 Fair Value Measurements* - The fair value of shares of registered investment companies are measured using quoted prices in an active market.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of.

## **Notes to Financial Statements**

**December 31, 2023 and 2022**

### **8) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
