LEWIS MARINE SUPPLY 401(k) PLAN

**COMMUNICATIONS WITH THE
PLAN ADMINISTRATOR**

Year Ended December 31, 2023

October 14, 2024

To the Plan Administrator of
Lewis Marine Supply 401(k) Plan
Fort Lauderdale, Florida

We have audited the financial statements of Lewis Marine Supply 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”) for the year ended December 31, 2023, and we will issue our report thereon dated October 14, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mid Atlantic Trust Company, the Custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting policies (“GAAP”). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 14, 2023. Professional standards also require that we communicate to you the following information related to our audit.

SIGNIFICANT AUDIT MATTERS

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the estimated fair value of the Plan's investments. The valuation methods used by the Plan are described in Note 2 of the Plan's financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements is the Plan's fair value measurements disclosure. These disclosures are contained in Note 2 and Note 4 to the financial statements.

The financial statements disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 14, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each period prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

During our audit, we became aware of certain matters that we consider to be opportunities for strengthening internal controls and improving operating efficiency of the Plan. The following are our observations and recommendations for your consideration regarding such matters:

- We noted that oversight of the Plan rests with the Plan Administrator and Trustee.
 - We recommend that the Plan establish a Retirement Plan Oversight Committee comprised of qualified internal representatives, aided by outside advisors as necessary, in order to bring the appropriate level of knowledge, insight, and ideas to help mitigate the Plan’s fiduciary and compliance challenges.
- We recommend that future meetings of this committee be documented and retained. Meeting minutes serve as important documentation that a fiduciary process was followed, and the Plan is being prudently managed. The documentation of these meetings should include:
 - Date, time and location of the meeting.
 - Identification of the people present at the meeting.
 - Reference to any investment reports used during the meeting.
 - Participation issues such as education, goals for increasing the number of participants, or deferral rates.
 - Plan fee issues.
 - Fund performance issues.
 - Decisions made, such as the decision to place a specific fund on a formal or informal “watch list” that will need to be addressed at a future meeting.
 - Decisions made which require immediate action, such as the decision to remove and/or replace a fund in the Plan’s line-up.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator and Plan sponsor's management and is not intended to be, and should not be, used by anyone other than these specified parties.

We appreciate the opportunity to serve as the Plan's independent auditors.

Very truly yours,

MSL, P.A.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Lewis Marine Supply 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lewis Marine Supply 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator of
Lewis Marine Supply 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Lewis Marine Supply 401(k) Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LEWIS MARINE SUPPLY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2023

NOTE 1 - PLAN DESCRIPTION

General

The following description of the Lewis Marine Supply 401(k) Plan (the “Plan”), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan, which was established on January 1, 2020, and subsequently amended, is classified as a defined contribution safe harbor 401(k) plan, covering eligible employees of Lewis Marine Supply, LLC (the “Plan Sponsor”). The primary purpose of the Plan is to provide retirement savings benefits to employees of the Plan Sponsor. The Plan is subject to provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”). The Plan’s funds are held by Mid Atlantic Trust Company (the “Plan Custodian”).

Contributions

Each year, participants may contribute a percentage of their compensation via a salary deferral agreement, not to exceed the Internal Revenue Service (“IRS”) limit, that may be pre-tax or Roth (after tax) contributions. The employer may make discretionary matching contributions on behalf of each participant at an amount equal to a percentage of the participant’s total deferral contributions made during such Plan year. The employer may also make discretionary profit-sharing contributions in the ratio that each qualifying participant’s compensation for the Plan year bears to the total compensation of all qualifying participants for the Plan year. For the year ended December 31, 2023, the Plan Sponsor made matching contributions equal to 100% of participant salary deferrals that did not exceed 3% of participant compensation plus 50% of salary deferrals between 3% and 5% of participant compensation.

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant’s account is credited with the participant’s contributions, employer contributions, and allocations of Plan earnings, and is charged with an allocation of administrative expenses, if any. Participant contributions and employer matching contributions are allocated, at the participant’s election, to investment funds held by the Plan Custodian. Plan earnings are allocated based on actual earnings of the respective participant’s investments. Participants may change their investment options at any time with certain exceptions.

NOTE 1 - PLAN DESCRIPTION (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Participants may only have a maximum of two outstanding loans at a time. The notes are collateralized by the balance in the participant's account and bear interest at a rate equal to 8.50% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are fully vested in their own contributions, employer contributions, and rollover accounts, plus actual earnings thereon.

Payment of Benefits

Benefit payments are to be disbursed in either a lump-sum payment or through installments over a period of not more than the participant's assumed life expectancy.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments as of December 31, 2023 and 2022 were held in mutual funds. Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. In accordance with the Plan's policy of stating its investments at fair value, the change for each year is reflected in the statement of changes in net assets available for benefits as net appreciation in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Contributions Receivable

Contributions receivable represent contribution amounts in transit to the Plan from the employer and participants.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus accrued but unpaid interest.

Contributions

Contributions to the Plan are recorded in the period in which they become obligations of the Plan Sponsor.

Payment of Benefits

Participant benefits are recorded when paid. As of December 31, 2023 and 2022, there were no amounts allocated to accounts of participants who elected to withdraw from the Plan but had not yet been paid.

Administrative and Investment Advisory Fees

During 2023, the Plan Sponsor paid administrative expenses of approximately \$13,000 on behalf of the Plan, and administrative and investment advisory fees of approximately \$25,000 were charged directly to the Plan. Certain other investment fees, commissions, and reporting expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Subsequent Events

The Plan has evaluated subsequent events for potential reporting and disclosure through October 14, 2024, which is the date the financial statements were available to be issued.

NOTE 3 - PLAN CERTIFICATION

The Plan Custodian held the Plan's investments and executed all investment transactions. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, dividends, interest, and net appreciation in fair value of investments for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritize the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement in its entirety.

The three levels of the fair value hierarchy are described below:

- Level 1** Unadjusted quoted prices in active markets for identical assets or liabilities the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Significant, unobservable inputs for the asset or liability in which little or no market data exists.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of:

December 31, 2023

	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Assets:				
Mutual Funds	\$ 3,503,362	\$ -	\$ -	\$ 3,503,362

December 31, 2022

	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Assets:				
Mutual Funds	\$ 3,734,067	\$ -	\$ -	\$ 3,734,067

There were no transfers among fair value levels during the years ended December 31, 2023 and 2022.

NOTE 5 - INCOME TAX STATUS

The Plan is a qualified trust under Section 401 of the Internal Revenue Code ("IRC") and is subject to the provisions of ERISA. The Plan is a prototype plan prepared and maintained by the Plan Custodian. The prototype plan obtained its latest determination letter on August 31, 2020, in which the IRS stated that the prototype plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan administrator believes that the adopted and amended Plan continues to qualify and will remain exempt from federal income taxes under Section 401 of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the rights of the affected participants shall be fully vested and non-forfeitable. Plan assets shall be distributed among the participants in proportion to their respective account balances as of the date of termination.

NOTE 8 - COVID-19 AND CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was signed into law. The CARES Act, among other things, added a new type of hardship withdrawal that waives the withdrawal penalty to participants that (1) are diagnosed with COVID-19, (2) have a spouse or dependent that are diagnosed; or (3) experience adverse financial consequence because of being quarantined, furloughed or laid off, or having reduced work hours, or who are unable to work because of a lack of childcare, or the closing or reduced hours of a business they own or operate, or other factors, as determined by the Secretary of Treasury. The CARES Act also provides relief for payments due under notes receivable from participants by increasing the maximum borrowing amount to \$100,000 or 100% of the participant's vested account balance and permitting repayments of loans to be delayed by up to one year for qualifying participants. The CARES Act also allows plans to suspend making the required minimum distributions in 2020 that would otherwise have been required.

The Plan has until December 31, 2025 to formally amend the Plan and adopt these provisions of the CARES Act.
