Veritas Veterinary Partners Retirement Plan

Financial Statements
(Modified Cash Basis)

December 31, 2023 and 2022

Independent Auditors' Report

The Plan Administrator of Veritas Veterinary Partners Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Veritas Veterinary Partners Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions (modified cash basis) for the year ended December 31, 2023 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with generally accepted auditing standards ("GAAS"). For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Veritas Veterinary Partners Retirement Plan
Notes to Financial Statements (Modified Cash Basis)
December 31, 2023 and 2022

1. Plan Description

The following description of the Veritas Veterinary Partners Retirement Plan (the "Plan") is provided for general purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan covering substantially all employees of Garden State Veterinary Specialists, Garden State Veterinary Services, Greater Staten Island Veterinary Services, Veterinary Surgical Specialists, and VVP CA and CO, LP (effective August 1, 2022) (collectively, the "Company"). The Plan, established July 1, 2006, qualifies under Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established for the purpose of providing eligible employees of the Company and their beneficiaries, a retirement benefit. In addition, the Company acquired Las Vegas Specialty Center Parent, LLC and all of its wholly owned subsidiaries, including Las Vegas Veterinary Referral Center, LLC ("LVVRC") in November 2021. As a result, all eligible employees of LVVRC were able to join the Plan on January 1, 2023 and LVVRC Retirement Plan assets transferred to the Plan on May 1, 2023. The Company acquired VSS of Orange County, LP in September 2022. As a result, the Veterinary Surgical Specialists of Orange County Retirement Trust merged into the Plan on January 1, 2024.

Effective July 1, 2023 the Plan name was changed from the Garden State Veterinary Specialists 401(k) Plan to the Veritas Veterinary Partners Retirement Plan and the Plan Employer was changed to GSV Holding, LLC.

Eligibility

Employees of the Company are eligible to participate in the Plan upon completing one year of service and attainment of age 21. Eligible employees are allowed to enter into the Plan the first day of the Plan Year quarter coinciding with or next following the date eligibility requirements are satisfied. Effective July 1, 2023, eligible employees are allowed to enter into the Plan the first day of the Plan Year month coinciding with or next following the date eligibility requirements are satisfied. Employees of VVP CA and CO, LP employed on August 1, 2022 do not have to meet the age and service eligibility conditions prior to making deferrals or receiving contributions under the Plan and shall have a one- time entry date effective August 1, 2022.

Contributions

An employee participating in the Plan may annually contribute through payroll deductions on a pre-tax, or Roth basis (effective August 12, 2022), up to the amount provided annually by the Internal Revenue Service and may contribute amounts representing distributions from other qualified plans. Any participant, age 50 or over, may make an additional "catch-up" contribution. Roth contributions were added effective August 12, 2022. The Company makes safe harbor matching contribution equal to 100% of the amount the participant contributes that does not exceed 3% of their compensation, plus 50% of the amount of the participant's contribution that exceeds 3% but not in excess of 5% of the participant's compensation for the years ended December 31, 2023 and 2022.

1. Plan Description (*continued*)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The participant's account is reduced by withdrawals and losses on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their contributions, rollover contributions, the Company's safe harbor contributions made to the Plan and any earnings thereon. Participants vest in nonelective Employer contributions at a rate of 20% per year after the completion of 2 years of service and become 100% vested after 6 years of Service. Prior Discretionary Match and Nonelective contributions merged from the LVVRC Retirement Plan are subject to a 2 year cliff schedule.

Investment Options

Upon enrollment in the Plan, participants may direct their contributions and Company contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans to participants are secured by the balance in the participant's account and bears an interest rate at commensurate with market rates for similar loans, as determined by the Plan administrator. A participant may not have more than one loan outstanding at any time. Loans have various repayment terms generally limited to 5 years, unless that loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service for any reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account as soon as it's administratively feasible following termination of employment. Benefits are paid upon retirement, death, disability or termination of employment.

Forfeitures

At December 31, 2023 and 2022, balances of forfeited non-vested accounts totaled \$14,754 and \$0. Forfeitures may be used to reduce Plan expenses or future Employer contributions. During 2023 and 2022, no forfeitures were used to reduce Employer contributions or were used to reduce Plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis; contributions and investment income is recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value. The Plan has determined that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based on the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

Mutual Funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds are considered to be actively traded. The Stable Value Fund is valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded when received. Dividends are recorded when received. Net appreciation (depreciation) in fair value of investments, includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses

Certain expenses of the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expense is included in net appreciation (depreciation) in fair value of investments.

Revenue Sharing Agreement

The Plan and American Trust Company ("ATC") have entered into a revenue sharing arrangement whereby all of the revenue earned by the trustee from certain funds shall reduce quarterly fees otherwise payable to the trustee. During 2023 and 2022, \$9,891 and \$11,190 were used to reduce administrative expenses incurred by the Plan. These have been netted against administrative expenses on the Statements of Changes in Net Assets Available for Benefits.

Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through October 14, 2024, the date which the financial statements were available for issue.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, and interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by American Trust Company, a qualified institution.

4. Investments

At December 31, 2023 and 2022, the Plan's investments consisted of the following:

	2023		
	Investments Measured at		
	Level 1	NAV*	Total
Mutual Funds	\$27,013,961	\$ -	\$27,013,961
UTC Stable Value Fund	-	3,698,128	3,698,128
Total	<u>\$27,013,961</u>	<u>\$ 3,698,128</u>	<u>\$30,712,089</u>

	2022		
	Investments Measured at		
	Level 1	NAV*	Total
Mutual Funds	\$15,190,019	\$ -	\$15,190,019
UTC Stable Value Fund	-	1,819,337	1,819,337
Total	<u>\$15,190,019</u>	<u>\$ 1,819,337</u>	<u>\$17,009,356</u>

(*) Investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. UTC Stable Value Fund

The UTC Stable Value Fund (the "Fund") is a collective investment trust that was formed for the purpose of allowing plan sponsors of defined contribution plans qualified under Sections 401(a) and 501(a) of the IRC to invest in the MetLife Group Annuity Contract 28161. The contracts were issued by Metropolitan Life Insurance Company to Unified Trust Company, who is the trustee of the Fund. Units of the Fund are valued daily. Unit purchases and redemptions are transacted at the NAV determined as of the close of business each day.

Veritas Veterinary Partners Retirement Plan
Notes to Financial Statements (Modified Cash Basis)
December 31, 2023 and 2022

5. UTC Stable Value Fund (*continued*)

The NAV per unit is computed by dividing the total assets of the Fund less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values. The Fund has no unfunded commitments at December 31, 2023 and 2022.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

7. Tax Status

The Company has adopted a volume submitter prototype plan document which received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examination by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Party-In-Interest Transactions

Certain investments of the Plan are managed by American Trust Company. ATC is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees of the Plan may borrow from their accounts and such loans qualify as party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants on the statements of net assets available for benefits.

9. Prohibited Transactions

For the 2022 and 2023 Plan years, certain participants' contributions were not remitted to the Plan within the period described by the Department of Labor regulations. Delays in remitting these amounts to the Plan were due to the third party administrator and administrative oversight. In 2023, the Company has processed the necessary corrections for the 2022 and part of 2023 plan year, and in 2024, the Company has processed the remaining necessary corrections for the 2023 plan year to satisfy both the Department of Labor and IRS guidance for this matter.

Veritas Veterinary Partners Retirement Plan
Notes to Financial Statements (Modified Cash Basis)
December 31, 2023 and 2022

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported herein the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
