INDEPENDENT AUDITOR'S REPORT

October 11, 2024

To the Plan Administrator of
the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End Of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CORTESE DODGE INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust (“the Plan”) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Cortese Chrysler Jeep Dodge, Inc. (the Company). Cortese Ford Lincoln and Cortese Imports Inc. are companies under common ownership whose employees are also eligible to participate in The Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

Effective July 2023, Pentegra Services, Inc. is the plan administrator. Prior to July 2023, Northeast Retirement Services, Inc. was the plan administrator. Empower Trust Company, LLC (formerly Great-West Trust Company, LLC (Great-West)) and Empower Life & Annuity Insurance Company of New York are the trustees of the Plan’s assets. Empower Retirement (Empower) is the Plan’s recordkeeper.

Eligibility

Generally, all employees who have completed eleven months of service, as defined in the plan document, and have attained 21 years of age are eligible to participate in the plan on the date of employment. An employee’s entry date will coincide with the first day of the Plan year quarter following the date they satisfy the eligibility requirements.

Contributions

Each participant may elect to contribute up to 100% of his or her eligible compensation subject to the limitations set by the Internal Revenue Code (\$22,500 in 2023 and \$20,500 in 2022) as a contribution to the Plan. Participants who are age 50 or older before the end of the plan year are allowed to make an additional “catch-up” contribution. This contribution was limited to \$7,500 and \$6,500 in 2023 and 2022, respectively. In addition, each participant may contribute rollover contributions received in a lump sum from another qualified defined contribution or defined benefit retirement plan.

The Company provides an annual matching contribution of 50% of employee deferrals, up to a maximum of 6% of the eligible participant’s compensation. The Company matching contributions are allocated to participants’ accounts on an annual basis. The Plan also allows for discretionary profit sharing contributions, as determined by the Company on an annual basis. No profit sharing contributions were made in 2023 or 2022.

Participant Accounts

Participants direct the investment of their accounts into various investment options offered by the Plan. Each participant’s account is credited with the participant’s contributions, employer matching contributions, and actual earnings and losses thereon. Investment income and loss and expenses are allocated to the participant’s account based on the ratio of the account balance of the individual participant to the aggregate of account balances of all participants in the fund within the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon termination due to disability, death or retirement, or separation from service with the Company, a participant may elect to receive a lump sum payment, installment payments, or to have their account rolled over to another qualifying investment. For in-service payment of benefits after a participant has attained 59 ½ years of age, a participant may elect to receive any portion or all of his or her account as a lump-sum distribution.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted under certain circumstances.

Vesting

All participants are immediately vested in their contributions plus actual earnings and losses thereon. Vesting in employer matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after one year, 40% vested after two years, and 100% vested after three years of credited service.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company. Distribution and loan fees are charged directly to the participants for the transactions and are paid out of the proceeds of the distribution or loan.

Notes Receivable from Participants

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at prevailing rates. Principal and interest are paid through payroll deductions.

Forfeitures

Forfeitures of non-vested account balances may be used to pay administrative expenses or reduce nonelective contributions. At December 31, 2023 there were \$2,757 forfeited funds on hand. At December 31, 2022 there were no forfeited funds on hand. No forfeitures were used to reduce company contributions during the plan years ended December 31, 2023 and 2022.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments

Investments held by a defined-contribution plan are required to be reported at fair value or net asset value (NAV) as a practical expedient for fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on assets bought and sold as well as held during the year.

Benefit Payments

Benefit payments are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to participant contributions.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan's assets include various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the value of such investments, changes in the values of investments will occur and such changes could materially affect the amounts reported in the accompanying financial statements.

3. FINANCIAL CERTIFICATION

In accordance with Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the following information was certified as complete and accurate by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York, the trustees, as of and for the years ended December 31, 2023 and 2022, respectively:

	<u>2023</u>	<u>2022</u>
Statements of Net Assets Available for Benefits:		
Assets:		
Investments, at fair value	\$ 12,286,283	\$ 11,607,918

Statements of Changes in Net Assets Available for Benefits:		
Net appreciation (depreciation) of investments	\$ 1,348,784	\$ (2,206,023)
Interest and dividends	\$ 337,759	\$ 13,548
Interest income on notes receivable from participants	\$ 7,371	\$ 7,019
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

4. FAIR VALUE OF FINANCIAL INSTRUMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes to valuation methodologies in 2023 or 2022.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at fair value based on quoted market prices in active markets.

Fixed annuity: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. The fixed annuity is benefit responsive for participant-initiated transactions. However, there is a provision that prevents the immediate and full payout of the contract value for Plan-initiated transactions, therefore it is not deemed to be fully benefit responsive.

Common collective trusts (CCT) and stable value fund (SVF) - Prior to July 2023, the Plan was invested in CCTs and an SVF which calculate NAV on a daily basis. Valued at net asset value (NAV). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it was determined to be probable that the funds will sell the investment for an amount different from the reported NAV. The CCT and SVF's primary investment objectives were to seek income while preserving principal and provide daily liquidity at contract value for participant withdrawals and transfers. Redemptions were generally restricted to processing on a valuation date at the daily net asset value per unit computed on that date. CCT and SVF units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the CCT. There were no restrictions on the number of transactions a participant can conduct related to the CCT and SVF accounts. These accounts did not have any unfunded commitments.

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 11,415,728	\$ -	\$ -	\$ 11,415,728

Total investments	<u>\$ 11,415,728</u>	<u>\$ 870,555</u>	<u>\$ -</u>	<u>\$ 12,286,283</u>

4. FAIR VALUE OF FINANCIAL INSTRUMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 182,079	\$ -	\$ -	\$ 182,079
Common collective trust funds, at net asset value (a)				10,602,530
Stable value fund, at net asset value (a)				<u>823,309</u>
Total investments				<u>\$ 11,607,918</u>

(a) In accordance with the Financial Accounting Standards Board authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. TAX STATUS

The Plan uses a prototype plan document developed by Great-West Trust Company, LLC (now named Empower Trust Company, LLC). Great-West Trust Company, LLC received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (the Code). The Plan itself has not received a determination letter from the IRS. Subsequent to this determination by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

6. EXCESS CONTRIBUTIONS PAYABLE

Contributions were reduced for excess employer and participant contributions of \$56,068 and \$48,122 for the years ended December 31 2023 and 2022, respectively. Excess employee contributions will be returned to the participant, while excess employer contributions will be applied to future employer contributions or Plan administrative expenses.
