INDEPENDENT AUDITORS' REPORT

To the Trustees of
Amare Medical Network, Inc. 401(k) Plan
Pittsburgh, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Amare Medical Network, Inc., 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C)]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Amare Medical Network, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amare Medical Network, Inc., 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amare Medical Network, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the

aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amare Medical Network, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amare Medical Network, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule (Schedule I – Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing

procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMARE MEDICAL NETWORK, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A – DESCRIPTION OF PLAN

The following description of Amare Medical Network, Inc.’s 401(k) Plan, (hereinafter referred to as “the Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General:

The Plan is a contributory defined contribution plan covering substantially all employees who have completed 390 hours in three months of eligible service and are 21 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year a participant may elect to make salary deferral contributions equal to a minimum of one percent of eligible compensation but no more than ninety percent of compensation, per pay period subject to the Internal Revenue Code Section 402(g) limits. Participants may also contribute amounts representing rollovers from other qualified plans. Participant contributions consisted of the following for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Qualified deferral contributions	\$ 305,419	\$ 346,366
Qualified rollover contributions	<u>16,682</u>	<u>103,207</u>
	<u>\$ 322,101</u>	<u>\$ 449,573</u>

The employer will make a Safe Harbor Matching Contribution equal to 100% on the first 4% of eligible deferral amounts. Employer contributions consisted of the following for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Safe Harbor Matching	<u>\$ 163,609</u>	<u>\$ 186,111</u>

The employer may decide to make a profit sharing and/or non-elective contribution to the Plan, although the employer is not required to do so. The profit sharing and/or non-elective contribution will be allocated to all employees eligible to participate in the Plan. A profit sharing or non-elective contribution was not made for the years ended December 31, 2023 and 2022.

AMARE MEDICAL NETWORK, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts:

Each participant's account is credited with his or her respective salary reduction amount and an allocation of (1) the employer's contribution and (2) Plan earnings. Allocations of Plan earnings, including net appreciation or depreciation in fair value of investments, are allocated to each participant's account based on participant earnings or account balances, as defined. Participants' accounts may be withdrawn upon separation from Amare Medical Network Services, Inc. (the Company), death, disability, or retirement (regular age 65) as well as in-service distributions if participant reaches age 59 ½.

A Participant may request a loan or apply for hardship withdrawals at any time, in accordance with the provisions of the Plan.

Vesting:

Plan participants become fully vested in their elective deferral, qualified non-elective, and rollover, adjusted for gains and losses, immediately.

Safe harbor matching contribution accounts become fully vested after 6 years of service.

Participant Accounts Receivable:

As of December 31, 2023 and 2022, the Plan had a receivable of \$3,260 and \$171 respectively, of Participant Contributions. This amount represents assets that had been withheld from employee pay but not yet remitted to the plan.

Employer Accounts Receivable:

As of December 31, 2023 and 2022, the Plan had a receivable of \$1,874 and \$114 respectively, of Safe Harbor Matching Contributions. This amount represents assets that have been awarded by the employer but not yet remitted to the plan.

Participant Notes Receivable (Participant Loans):

Participants may borrow from their fund accounts a minimum of \$1,000. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus two percent. Interest rates currently range from 5.25% to 10.50%. Loans must be fully repaid within five years unless the loan is used for the purchase of a primary residence. Principal and interest are paid ratably through weekly payroll deductions.

Basis of Accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting.

AMARE MEDICAL NETWORK, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Participant loans are valued at cost which approximates fair value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments purchased and sold as well as investments held during the year; and they are based on current value at the beginning of the year. This policy differs from generally accepted accounting principles.

Contributions:

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation and for which participation is earned.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

All expenses of maintaining the Plan are paid by the Plan Sponsor. Fees related to the administration of notes receivable from participants and fees related to processing distributions are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in excess of net proceeds over market value.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE D – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

AMARE MEDICAL NETWORK, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE E – TAX STATUS

The Internal Revenue Service has determined and informed ADP, LLC, the former volume submitter of the Plan, by a letter dated July 8, 2014, that the Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F – CERTIFICATION OF INVESTMENT INFORMATION

Empower Annuity Insurance Company of America and Empower Trust Company, LLC, trustees of the Plan, have supplied the Plan administrator with a certification as to the completeness and accuracy of investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the statement of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information in the financial statements and supplemental schedule.

NOTE G – RELATED PARTY TRANSACTIONS

The Plan invests in funds managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC for the years ended December 31, 2023 and 2022, and who act as trustees for only those investments as defined by the Plan. Transactions in such investments qualified as party-in-interest transactions which are exempt from the prohibited transactions rules.

Additionally, loans to eligible participants, which is secured by the participants' account balance, are identified as party-in-interest transactions.

NOTE H — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

AMARE MEDICAL NETWORK, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE H — FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in active markets;
- inputs other than quoted prices that are observable for the asset or liabilities;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability as a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies used at December 31, 2023.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

At December 31, 2023, the Plan held the following assets with fair value measurements:

	Level 1	Level 2	Level 3	Totals
Investments in mutual funds	\$ 1,232,197	\$ -	\$ -	\$ 1,232,197
Investments in general account	-	1,945	-	1,945
Total assets, at fair value	\$ 1,232,197	\$ 1,945	\$ -	\$ 1,234,142

At December 31, 2022, the Plan held the following assets with fair value measurements:

	Level 1	Level 2	Level 3	Totals
Investments in mutual funds	\$ 1,615,577	\$ -	\$ -	\$ 1,615,577
Investments in general account	-	1,922	-	1,922
Total assets, at fair value	\$ 1,615,577	\$ 1,922	\$ -	\$ 1,617,499

AMARE MEDICAL NETWORK, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE H — FAIR VALUE MEASUREMENTS (CONTINUED)

At December 31, 2023 and 2022, the following assets were held by the Plan and were not subject to fair value measurement reporting under FASB ASC 820-10-50-2:

	2023	2022
Participant notes receivable	\$ 13,744	\$ 53,274
Participants deferral contributions	3,260	171
Participants employer contributions	1,874	114
	<u>\$ 18,878</u>	<u>\$ 53,559</u>

The employee and employer contributions receivable are not included in the certifications.

The participant notes receivable fund is measured at cost and is an approximation of fair value. The assets are included in the certifications pursuant to DOL ERISA 29 CFR 2520.103-5(c).

NOTE I – GUARANTEED INVESTMENT CONTRACT

The Plan has a fully-benefit guaranteed investment contract with Empower Annuity Insurance Company of America. The insurance company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obliged to repay the principal and specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed periodically for resetting.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by the insurance company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) divestures or spin-offs that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.
