Independent Auditor's Report

Plan Administrator and Participants
MT Intermediate Holdings, LLC 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MT Intermediate Holdings, LLC 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2023, and Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1. Plan Description

The following description of the MT Intermediate Holdings, LLC 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, established on December 1, 2000, that covers substantially all employees of MT Intermediate Holdings, LLC (the Company or Plan Sponsor) who are age 21 or older and have completed one year of service. Participating employers include MultiTech Machined Components, LLC; MultiTech Cold Forming, LLC; MultiTech Du All Precision, LLC; MultiTech Metal Forming, LLC; and MultiTech Swiss Machining, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor's Board of Directors is responsible for oversight of the Plan. Plan management determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Sponsor's Board of Directors.

Contributions: The Plan provides for employee salary 401(k) contributions up to a maximum tax-deferred limitation established by the Internal Revenue Code (IRC). Eligible participants are automatically enrolled in the plan at 3% unless the participant elected a different deferral rate. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for Roth elective deferrals to be made to the Plan. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. The Company makes safe harbor contributions equal to 3% of each eligible participant's eligible compensation. The Company may also make a discretionary profit sharing contribution to participants who were eligible to participate in the Plan at any time during the plan year. There were no discretionary profit sharing contributions paid by the Company for the year ended December 31, 2023.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's safe harbor contributions and (b) the Company's discretionary profit sharing contributions, if any, and (c) plan earnings, and (d) charged with certain administrative expenses. Allocations are based on participant account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Upon enrollment in the Plan, a participant directs their account balances to be invested in selected funds as made available and determined by the Plan Sponsor. Participants are allowed to change their investment options on a daily basis.

MT Intermediate Holdings, LLC 401(k) Plan and Trust

Notes to Financial Statements

Note 1. Plan Description (Continued)

Vesting: Participants are immediately vested in their own contributions plus actual earnings thereon. A participant is 100% vested in the employer safe harbor contribution plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts plus actual earnings thereon follows the below vesting schedule:

Years of Service	Vested Percentage
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures: At December 31, 2023 and 2022, forfeited non vested accounts totaled approximately \$8,100 and \$6,600, respectively. Forfeitures may be used to pay administrative expenses or reduce the Company contributions. Forfeitures of approximately \$1,150 were used by the Company to pay expenses and reduce Company contributions during the year ended December 31, 2023.

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the participant's highest outstanding loan balance during the prior 12 months. Participants may only have one note outstanding at a time. Notes are repayable over a period ranging from one to five years (unless for the purchase of a primary residence) through employee payroll deductions. The notes are secured by the vested balance in the participant's account, and bear interest at a rate of interest, as determined by the Plan Administrator, based on the prevailing interest rates at the time the note was funded.

Payment of benefits: Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account. A terminated participant with a vested account balance of \$5,000 or less will be forced out of the Plan and will receive a lump-sum distribution.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

MT Intermediate Holdings, LLC 401(k) Plan and Trust

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Payment of benefits: Benefit payments to participants are recorded when paid.

Administrative expenses: Administrative expenses are paid by the Plan. Certain other expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account.

Subsequent events: Plan management has evaluated subsequent events through October 11, 2024, the date on which the financial statements were available to be issued.

Note 3. Information Certified and Provided by Fidelity Management Trust Company, the Plan Trustee

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023 included throughout the Plan's financial statements and supplemental schedules that was prepared by or derived from information provided by Fidelity Management Trust Company, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets:

	December 31,	
	2023	2022
Investments at fair value:		
Shares of registered investment companies	\$ 12,816,380	\$ 9,878,507
Units of collective investment trust	2,573	11,890
	<u>\$ 12,818,953</u>	<u>\$ 9,890,397</u>
Notes receivable from participants	<u>\$ 389,309</u>	<u>\$ 297,235</u>

Fidelity Management Trust Company also certified to the completeness and accuracy of \$1,786,903 of net appreciation in fair value of investments, \$338,010 of interest and dividends and \$16,456 of interest income on notes receivable from participants related to the aforementioned plan assets for the year ended December 31, 2023.

MT Intermediate Holdings, LLC 401(k) Plan and Trust

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques used maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under the Financial Accounting Standards Board FASB Accounting Standards Codification 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Shares of registered investment companies: Shares of registered investment companies are valued at the daily closing price as reported by the fund. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Units of collective investment trust: Units of collective investment trusts are valued based on the NAV per unit of the collective investment trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

MT Intermediate Holdings, LLC 401(k) Plan and Trust

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2023			Total
	Level 1	Level 2	Level 3	
Shares of registered investment companies	\$ 12,816,380	\$ -	\$ -	\$ 12,816,380
Investments measured at NAV (a)				2,573
Investments measured at fair value				<u>\$ 12,818,953</u>

	2022			Total
	Level 1	Level 2	Level 3	
Shares of registered investment companies	\$ 9,878,507	\$ -	\$ -	\$ 9,878,507
Investments measured at NAV (a)				11,890
Investments measured at fair value				<u>\$ 9,890,397</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2023, there were no transfers in or out of Level 3.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments. The redemption notice period is applicable only to the Plan.

	Fair Value		Unfunded Commitment		Redemption Frequency	Redemption Notice Period
	2023	2022	2023	2022		
Units of collective investment trusts	\$ 2,573	\$ 11,890	\$ -	\$ -	Daily	12 months

Note 5. Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts and net assets of the Plan are to be allocated to the participants on the basis of their individual account balances.

MT Intermediate Holdings, LLC 401(k) Plan and Trust

Notes to Financial Statements

Note 6. Related-Party and Party-In-Interest Transactions

During the year ended December 31, 2023, certain Plan investments were managed by Fidelity Management Trust Company (FMTC), the Plan's trustee. Administrative services are performed by Fidelity Investments Institutional Operations Company, LLC, an affiliate of FMTC, therefore, these transactions qualify as party-in-interest transactions. The Plan paid fees of approximately \$36,600 for administrative and recordkeeping services for the Plan for the year ended December 31, 2023.

Certain administrative functions are performed by officers or employees of the Company for which they receive no compensation from the Plan.

Note 7. Income Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since adopting the preapproved plan document; however, the Plan Administrator believes the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022, to Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 13,732,468	\$ 10,661,601
Adjustment of:		
Interest-bearing cash	298,344	91,163
Shares of registered investment companies	(298,344)	(91,163)
Employer contributions receivable	942	-
Participant contributions receivable	(2,018)	(2,300)
Notes receivable from participants	(5,915)	(15,099)

MT Intermediate Holdings, LLC 401(k) Plan and Trust

Notes to Financial Statements

Note 8. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits per the financial statements	\$ 3,070,867
Adjustment of:	
Investment income	(704)
Participant contributions	17,077
Interest income on notes receivable from participants	(731)
Deemed distributions of participant loans	(29,912)
Benefit payments	24,678
Net increase in net assets available for benefits per the Form 5500	<u>\$ 3,081,275</u>

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, which such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Note 10. Prohibited Transactions

During 2022, the Plan Sponsor inadvertently failed to deposit \$21,989 of participant's contributions and loan repayments within the required time frame as stated by the United States Department of Labor regulations. The Plan Sponsor reimbursed the Plan for lost earnings to correct these failures in 2023. The Plan Sponsor filed the Form 5330 and paid the applicable excise tax in 2023. The correction and any excise tax payments were made from the Plan Sponsor's assets and not from assets of the Plan.
