The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Money Purchase Pension Plan

Notes to Financial Statements
December 31, 2023 and 2022

Note 1 – Description of the Plan

The following description of the Kalamazoo County Sheriff's Deputies Association Money Purchase Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution money purchase pension plan available to qualifying employees of the County of Kalamazoo, Michigan, who are members of the Kalamazoo County Sheriff's Deputies Association (the "Plan Sponsor"). Kalamazoo County Sheriff's Deputies Association Retirement Plan Committee (the "Plan Committee") is the Plan Administrator. Employees are eligible to participate in the Plan upon becoming a member of the Kalamazoo County Sheriff's Deputies Association. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was adopted effective January 1, 1984. The Plan was restated effective January 1, 2022.

Funding Policy

Contributions are made by the County of Kalamazoo, Michigan in accordance with a collective bargaining agreement. Contributions for participants hired before September 17, 2013 are based upon 16% of Plan's participants' compensation, subjected to limitations imposed by current income tax laws. All participants hired on or after September 17, 2013 are entitled to contributions made equal to 10% of the participants' compensation, subjected to limitations imposed by current income tax laws. The employer contributions exceeded the minimum funding requirements of ERISA. Participants may contribute amounts representing distributions from other qualified plans (rollovers).

Participant Accounts

Each participant's account is credited with employer contributions and an allocation of net plan earnings based on the participant's proportionate account balance as defined in the Plan document. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options.

Vesting

Participants are 100% vested in all accounts under the Plan at all times.

Notes to Financial Statements (Continued)
December 31, 2023 and 2022

Note 1 – Description of the Plan (Continued)

Payment of Benefits

An employee is entitled to pension benefits at normal retirement age (50). A participant who meets the requirements for normal or disability pension will receive a distribution to purchase, if desired, a joint and survivor annuity, if married, or a single life annuity, unless requirements to receive lump sum or installment payments are met. The participant also has the option to rollover the distribution into an individual retirement account. If termination of employment occurs prior to the participant's retirement date, and if such participant's total benefits under the Plan exceed \$1,000, a participant may request the distribution of benefits be deferred until the date of the retirement age. Vested account balances less than \$1,000 will automatically be distributed in cash to the participant.

Administrative and Investment Management Expenses

The Plan is administered by a committee of participants who act as trustees of the Plan. The Plan Committee has appointed an investment company to act as its agent for the purposes of processing investments as well as all accounting transactions. Expenses incurred by the investment company for plan administration and other administrative fees were paid from the Plan's assets and are reflected as expenses in the accompanying Statements of Changes in Net Assets Available for Benefits.

Plan Termination

Termination of the Plan shall occur if, and only if, such action is called for as a result of good faith collective bargaining between the employers (Kalamazoo County and Kalamazoo County Sheriff's Department) and the Kalamazoo County Sheriff's Deputies Association. Should the parties decide to terminate the Plan, the Plan assets would be distributed in accordance with ERISA.

Note 2 – Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 – Summary of Accounting Policies (Continued)

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Contributions receivable for the years ended December 31, 2023 and 2022, represent amounts due to the Plan from the County of Kalamazoo and is based on contributions owed to participants based on compensation during the Plan year but paid after year end.

Payments of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2024, the date the financial statements were available to be issued, and determined that no disclosure in these financial statements was necessary.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, other inputs that are observable, or can be corroborated by observable market data.

Level 3 – Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts (PSA): Valued based on the underlying investments (i.e. mutual funds, fixed securities). While the underlying asset values are based on quoted prices, the net asset values (NAV) of the PSA are not publicly quoted.

Guaranteed Accounts: Valued based on the number of units in the sub-account held on a particular date and multiplied by the unit value on that date. They are an investment option within the group annuity contract. The fund's subaccount is invested into John Hancock Stable Value Fund Collective Interest Trust and is reported at fair value.

Note 3 – Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	\$ 51,782,257	\$ -	\$ 51,782,257

Note 4 – Information Certified by John Hancock Life Insurance Company

The Plan Administrator has elected the method of annual reporting compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA.

Accordingly, John Hancock Life Insurance Company, the custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

<u>December 31,</u>	<u>2023</u>	<u>2022</u>
Pooled Separate Accounts	\$ 51,782,257	\$ 45,785,849
Guaranteed Accounts	\$ 1,873,372	\$ 1,997,207
<u>Year Ended December 31,</u>	<u>2023</u>	<u>2022</u>
Net Appreciation (Depreciation) in Fair Value of Investments	\$ 7,103,614	\$ (9,244,118)

Note 5 – Related Party and Party-In-Interest Transactions

For the years ended December 31, 2023 and 2022, the Plan made a direct payment to Watkins Ross & Co. of approximately \$10,500 and \$13,500, respectively. Watkins Ross & Co. is the recordkeeper, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2023 and 2022, the Plan made a direct payment to Warner Norcross & Judd LLP of approximately \$2,500 and \$12,800, respectively. Warner Norcross & Judd LLP provides legal counsel for the Plan; therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2023 and 2022, the Plan made a direct payment to Brink, Key & Chludzinski, P.C. (BKC) of approximately \$20,500 and \$9,200, respectively. BKC is the auditor of the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for additional investment management services are included in net appreciation or depreciation in fair value of the investment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

Note 6 – Income Tax Status

The IRS has determined and informed the Plan, by a letter dated May 11, 2023, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirement of the IRS and, therefore, believes the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
