Report of Independent Auditor

To,
The Participants and the Plan Administrator,
L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust
(Formerly known as L&T Technology Services 401(k) Plan)

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the accompanying financial statements of L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust (formerly known as L&T Technology Services LTD 401(k) Plan) (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and December 31, 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and December 31, 2022, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2023, and December 31, 2022, and for the years ended December 31, 2023, and December 31, 2022, stating that the certified investment information, as described in note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of

America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audits of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters - Supplemental schedules required by ERISA.

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2023, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2023, (referred to as the “supplemental information”), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for

NOTE 1: DESCRIPTION OF PLAN

The following brief description of the L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust (formerly known as L&T Technology Services LTD 401(k) Plan) (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan was established on January 1, 2018, and restated and amended on June 01, 2022. The Plan is a profit-sharing plan covering all eligible employees of the adopting employer, L&T Technology Services LTD (“the Company/ Plan Sponsor”) and participating employers, L&T Technology Services, LLC; Escensia Technologies, Inc., Larsen & Toubro Limited, and Orchestra Technology, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan name change

Effective June 01, 2022, the Plan Sponsor amended the Plan to change the name of the plan from L&T Technology Services LTD 401(k) Plan to L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust.

Eligibility

Employees are eligible to participate in the Plan and receive safe harbor and qualified non-elective employer contributions subject to the age and service requirements and exclusions mentioned in the Plan document.

Contributions

Contributions are made to the Plan by the Company on behalf of each eligible participant based upon the participant’s elected compensation deferral through payroll deductions. The deferrals are funded by the Company at the end of each payroll period. Effective January 01, 2020, the Plan was amended to permit Roth elective deferrals. Eligible participants may defer an amount up to the Elective Deferral Dollar Limit, as per Plan provisions and the Code §415 Limitation. Annual participant contribution amounts are limited to \$22,500 and \$20,500 of salary deferrals for the years ended December 31, 2023, and December 31, 2022, (\$30,000 and \$27,000 for participants aged 50 years and over for the year ended December 31, 2023, and December 31, 2022) respectively. The Internal Revenue Service (“IRS”) imposes a maximum limit on the total amount of contributions a participant may receive under this Plan. This limit applies to all contributions the Company makes on behalf of the participants, all contributions participants contribute to the Plan, and any forfeitures allocated to any of the participant accounts during the Plan year. Under this limit, the total of all contributions under the Plan cannot exceed a specific dollar amount or 100% of the participant’s annual compensation, whichever is less. Participants' contributions during the years ended December 31, 2023, and December 31, 2022, amounted to \$8,720,416 and \$8,015,532, respectively.

The Company provides for safe harbor matching contributions once a participant has met the eligibility requirements. The Company will contribute 100% of the amount a participant contributes to the Plan for each payroll period up to the first 3% of the Plan compensation plus 50% of the amount a participant

contributes between 3% and 5% of Plan compensation. The safe harbor matching contributions will be subject to limitations under the Internal Revenue Code (“IRC”). The safe harbor matching contributions during the year ended December 31, 2023, and December 31, 2022, amounted to \$2,028,426, and \$1,790,246, respectively.

At the Plan Administrator’s discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant’s account and are subject to the rules for investment established by the Plan administrator. The rollover contributions during the year ended December 31, 2023, and December 31, 2022, amounted to \$1,199,712, and \$533,314, respectively.

Participant accounts

Each participant’s account is credited with their deferral contributions, the Company’s safe harbor matching contributions, and Plan earnings, or losses offset by withdrawals and Plan administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Upon, retirement, disability, death, or termination, a participant or beneficiary can elect to receive either a lump-sum distribution or installment distributions.

Administration

The Company serves as the Plan administrator. The Plan Administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions that may affect eligibility for benefits. For the year ended December 31, 2023, and December 31, 2022, the Plan administrator engaged ERISA Fiduciary Services Inc. as a third-party plan administrator, to assist in the administration of the Plan.

For the years ended December 31, 2023, and December 31, 2022, Mid Atlantic Trust Company (“MATC”) served as the custodian of the Plan pursuant to the Plan agreement. Paychex Inc. (“Paychex”) provided recordkeeping services for years ended December 31, 2023, and December 31, 2022. The custodian received all contributions made under the Plan, held Plan assets, and paid benefits to participants as directed by the Plan administrator. The custodian held the Plan’s investment assets and executed investment transactions as of and for the years ended December 31, 2023, and December 31, 2022.

Plan expenses

Some expenses incurred for administering the Plan are paid by the Company, and these amounts are excluded from the Plan’s financial statements. Asset and fund fees are recorded as a reduction of investment income and charged to participant accounts. Certain distribution fees and participant note fees are paid by participants as applicable. Investment advisory and management fees are paid by the Plan.

Vesting

Participants are fully vested with respect to their contribution from their salary deferrals, rollover contributions, and safe harbor contributions.

Participants also become 100% vested upon full or partial termination of the Plan, upon reaching the normal retirement age of sixty-five years, or upon disability or death of the participant.

Notes receivable from participants

Participants may borrow a minimum of \$1,000. The maximum amount of an outstanding loan cannot exceed the lesser of 95% of one-half of the vested account balance or 95% of the total vested account balance, excluding the Roth Elective Deferral balance. Under no event will the loan amount exceed \$50,000. A participant must be an active employee and is limited to only one outstanding loan at a time. The maximum term of a loan is four and a half years, or ten years if the loan is for the purchase of a principal residence. Loans are repaid through payroll deductions and are monitored by the Plan administrator. The loans are collateralized by the balance in the participant's account and bear interest at prime plus 1% on the date of loan origination. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, and their carrying value approximates fair value. As of December 31, 2023, and December 31, 2022, the interest rates on outstanding loans varied from 4.25% to 9.50%.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching age fifty-nine and a half. Upon normal retirement at age sixty-five, disability, or death, the participant or beneficiary may receive the value of the account as set forth in the Plan document.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or as set forth in the Plan document.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Hardship withdrawals

Participants are entitled to make hardship withdrawals from the Plan.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates in financial statements

The preparation of financial statements in conformity with GAAP requires the use of management estimates. These estimates are subjective in nature and involve assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported

**L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust
(Formerly known as L&T Technology Services LTD 401(k) Plan)**

Financial Statements

December 31, 2023, and December 31, 2022

amounts of investment income and deductions during the plan year. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of any Plan termination, Plan assets will be distributed in accordance with the Plan document.

Investment valuation and income recognition

Investments in mutual funds and common/ collective trusts are valued at quoted market prices or net asset value, wherever applicable, as provided by the custodian. Net appreciation (depreciation) in the fair value of mutual funds represents the changes in fair value, during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Accounting Standards Codification ("ASC") Subtopic 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Fair value of the Plan's mutual funds is valued at the net asset value (NAV) of the shares held by the Plan at year-end. These mutual funds are actively traded and therefore the fair values are classified as Level 1 estimates.

**L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust
(Formerly known as L&T Technology Services LTD 401(k) Plan)**

Financial Statements

December 31, 2023, and December 31, 2022

Common/collective trusts: Units held in common/collective trusts (“CCT”) are valued using the NAV practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Contributions

Participant contributions are recorded in the period the employer makes the payroll deductions. Safe Harbor match contributions are recorded on a quarterly basis.

Payment of benefits

Benefits are recorded when paid. Excess participant contributions payable generally represent the distribution of certain assets to employees for the Plan to comply with ERISA nondiscrimination rules.

Corrective distributions

Corrective distributions are those contributions that were ineligible for the Plan year. During the year ended December 31, 2023, and December 31, 2022, corrective distributions amounted to \$3,892 and \$9,325, respectively.

NOTE 3: RISKS AND UNCERTAINTIES

The Plan provided for various investment options in registered investment companies (mutual funds) and common/collective trusts. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2023, and December 31, 2022, net appreciation (depreciation) in the value of investments totaled \$6,432,187, and (\$6,205,994), respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

**NOTE 4: INFORMATION CERTIFIED BY MID ATLANTIC TRUST COMPANY
("CUSTODIAN") (UNAUDITED)**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mid Atlantic Trust Company, the custodian, as of and for the years ended December 31, 2023, and December 31, 2022, except for comparing such information certified by the custodian to information included in the Plan's financial statements for the years ended December 31, 2023, and December 31, 2022, and supplemental information as of and for the year ended December 31, 2023:

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2023, and December 31, 2022. As required by ASC Topic 820, *Fair Value Measurements and Disclosures*, investments assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments

NOTE 8: INCOME TAX STATUS

For the years ended December 31, 2023, and December 31, 2022, the Plan Sponsor entered into a non-standardized pre-approved profit-sharing plan adoption agreement of Paychex, *Non-Standardized Pre-Approved Profit-Sharing Plan with CODA*. Paychex received a favorable opinion letter from the IRS on August 31, 2020, which stated that the form of the non-standardized pre-approved plan and related trust was designed in accordance with applicable sections of the IRC. It is the opinion of the Plan administrator and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, and December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by the custodian of the Plan. Paychex provides recordkeeping services. Any purchases and sales of these investments are performed in the open market at fair or contract value. Fees are paid by the Plan to MATC and Paychex for investment management services, for certain participant Plan transaction fees, and for recordkeeping services. Investment advisory services are provided by LPL Financial and ERISA Fiduciary Services, Inc. acts as a third-party administrator. Investment advisory fees and some third-party administrator fees were paid by the Plan. Party-in-interest transactions also include loans made to participants.

All these transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan years 2023, and 2022, employee withholdings (including loan repayments) totaling \$212, and \$995, respectively, due to unintentional delays were not remitted to the Plan on a timely basis, as per DOL regulations for timely remittances. The Company will be calculating and remitting lost earnings, using DOL guidelines for late deposits during the Plan year 2024.

During the Plan years 2021, and 2019, employee withholdings (including loan repayments) totaling \$21,545, and \$66,444, respectively, due to unintentional delays were not remitted to the Plan on a timely basis, as per DOL regulations for timely remittances. During the year 2023, the Company corrected delinquent contributions, by calculating and remitting lost earnings using DOL guidelines for late deposits.

Plan year	Total delayed contributions	Delays corrected	Delays not corrected
2023	\$212	-	\$212
2022	\$995	-	\$995
2021	\$21,545	\$21,545	-

Report of Independent Auditor

To,
The Participants and the Plan Administrator,
L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust
(Formerly known as L&T Technology Services 401(k) Plan)

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the accompanying financial statements of L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust (formerly known as L&T Technology Services LTD 401(k) Plan) (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and December 31, 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and December 31, 2022, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2023, and December 31, 2022, and for the years ended December 31, 2023, and December 31, 2022, stating that the certified investment information, as described in note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s responsibilities for the audit of the financial statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of

America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audits of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

2024-317-US

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters - Supplemental schedules required by ERISA.

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2023, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2023, (referred to as the “supplemental information”), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for

NOTE 1: DESCRIPTION OF PLAN

The following brief description of the L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust (formerly known as L&T Technology Services LTD 401(k) Plan) (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan was established on January 1, 2018, and restated and amended on June 01, 2022. The Plan is a profit-sharing plan covering all eligible employees of the adopting employer, L&T Technology Services LTD (“the Company/ Plan Sponsor”) and participating employers, L&T Technology Services, LLC; Escensia Technologies, Inc., Larsen & Toubro Limited, and Orchestra Technology, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan name change

Effective June 01, 2022, the Plan Sponsor amended the Plan to change the name of the plan from L&T Technology Services LTD 401(k) Plan to L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust.

Eligibility

Employees are eligible to participate in the Plan and receive safe harbor and qualified non-elective employer contributions subject to the age and service requirements and exclusions mentioned in the Plan document.

Contributions

Contributions are made to the Plan by the Company on behalf of each eligible participant based upon the participant’s elected compensation deferral through payroll deductions. The deferrals are funded by the Company at the end of each payroll period. Effective January 01, 2020, the Plan was amended to permit Roth elective deferrals. Eligible participants may defer an amount up to the Elective Deferral Dollar Limit, as per Plan provisions and the Code §415 Limitation. Annual participant contribution amounts are limited to \$22,500 and \$20,500 of salary deferrals for the years ended December 31, 2023, and December 31, 2022, (\$30,000 and \$27,000 for participants aged 50 years and over for the year ended December 31, 2023, and December 31, 2022) respectively. The Internal Revenue Service (“IRS”) imposes a maximum limit on the total amount of contributions a participant may receive under this Plan. This limit applies to all contributions the Company makes on behalf of the participants, all contributions participants contribute to the Plan, and any forfeitures allocated to any of the participant accounts during the Plan year. Under this limit, the total of all contributions under the Plan cannot exceed a specific dollar amount or 100% of the participant’s annual compensation, whichever is less. Participants’ contributions during the years ended December 31, 2023, and December 31, 2022, amounted to \$8,720,416 and \$8,015,532, respectively.

The Company provides for safe harbor matching contributions once a participant has met the eligibility requirements. The Company will contribute 100% of the amount a participant contributes to the Plan for each payroll period up to the first 3% of the Plan compensation plus 50% of the amount a participant

contributes between 3% and 5% of Plan compensation. The safe harbor matching contributions will be subject to limitations under the Internal Revenue Code (“IRC”). The safe harbor matching contributions during the year ended December 31, 2023, and December 31, 2022, amounted to \$2,028,426, and \$1,790,246, respectively.

At the Plan Administrator’s discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant’s account and are subject to the rules for investment established by the Plan administrator. The rollover contributions during the year ended December 31, 2023, and December 31, 2022, amounted to \$1,199,712, and \$533,314, respectively.

Participant accounts

Each participant’s account is credited with their deferral contributions, the Company’s safe harbor matching contributions, and Plan earnings, or losses offset by withdrawals and Plan administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Upon, retirement, disability, death, or termination, a participant or beneficiary can elect to receive either a lump-sum distribution or installment distributions.

Administration

The Company serves as the Plan administrator. The Plan Administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions that may affect eligibility for benefits. For the year ended December 31, 2023, and December 31, 2022, the Plan administrator engaged ERISA Fiduciary Services Inc. as a third-party plan administrator, to assist in the administration of the Plan.

For the years ended December 31, 2023, and December 31, 2022, Mid Atlantic Trust Company (“MATC”) served as the custodian of the Plan pursuant to the Plan agreement. Paychex Inc. (“Paychex”) provided recordkeeping services for years ended December 31, 2023, and December 31, 2022. The custodian received all contributions made under the Plan, held Plan assets, and paid benefits to participants as directed by the Plan administrator. The custodian held the Plan’s investment assets and executed investment transactions as of and for the years ended December 31, 2023, and December 31, 2022.

Plan expenses

Some expenses incurred for administering the Plan are paid by the Company, and these amounts are excluded from the Plan’s financial statements. Asset and fund fees are recorded as a reduction of investment income and charged to participant accounts. Certain distribution fees and participant note fees are paid by participants as applicable. Investment advisory and management fees are paid by the Plan.

Financial Statements

Vesting

Participants are fully vested with respect to their contribution from their salary deferrals, rollover contributions, and safe harbor contributions.

Participants also become 100% vested upon full or partial termination of the Plan, upon reaching the normal retirement age of sixty-five years, or upon disability or death of the participant.

Notes receivable from participants

Participants may borrow a minimum of \$1,000. The maximum amount of an outstanding loan cannot exceed the lesser of 95% of one-half of the vested account balance or 95% of the total vested account balance, excluding the Roth Elective Deferral balance. Under no event will the loan amount exceed \$50,000. A participant must be an active employee and is limited to only one outstanding loan at a time. The maximum term of a loan is four and a half years, or ten years if the loan is for the purchase of a principal residence. Loans are repaid through payroll deductions and are monitored by the Plan administrator. The loans are collateralized by the balance in the participant's account and bear interest at prime plus 1% on the date of loan origination. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, and their carrying value approximates fair value. As of December 31, 2023, and December 31, 2022, the interest rates on outstanding loans varied from 4.25% to 9.50%.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching age fifty-nine and a half. Upon normal retirement at age sixty-five, disability, or death, the participant or beneficiary may receive the value of the account as set forth in the Plan document.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or as set forth in the Plan document.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Hardship withdrawals

Participants are entitled to make hardship withdrawals from the Plan.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates in financial statements

The preparation of financial statements in conformity with GAAP requires the use of management estimates. These estimates are subjective in nature and involve assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported

**L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust
(Formerly known as L&T Technology Services LTD 401(k) Plan)**

Financial Statements

December 31, 2023, and December 31, 2022

amounts of investment income and deductions during the plan year. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of any Plan termination, Plan assets will be distributed in accordance with the Plan document.

Investment valuation and income recognition

Investments in mutual funds and common/ collective trusts are valued at quoted market prices or net asset value, wherever applicable, as provided by the custodian. Net appreciation (depreciation) in the fair value of mutual funds represents the changes in fair value, during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Accounting Standards Codification ("ASC") Subtopic 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Fair value of the Plan's mutual funds is valued at the net asset value (NAV) of the shares held by the Plan at year-end. These mutual funds are actively traded and therefore the fair values are classified as Level 1 estimates.

**L&T Technology Services LTD 401(k) Profit Sharing Plan and Trust
(Formerly known as L&T Technology Services LTD 401(k) Plan)**

Financial Statements

December 31, 2023, and December 31, 2022

Common/collective trusts: Units held in common/collective trusts ("CCT") are valued using the NAV practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Contributions

Participant contributions are recorded in the period the employer makes the payroll deductions. Safe Harbor match contributions are recorded on a quarterly basis.

Payment of benefits

Benefits are recorded when paid. Excess participant contributions payable generally represent the distribution of certain assets to employees for the Plan to comply with ERISA nondiscrimination rules.

Corrective distributions

Corrective distributions are those contributions that were ineligible for the Plan year. During the year ended December 31, 2023, and December 31, 2022, corrective distributions amounted to \$3,892 and \$9,325, respectively.

NOTE 3: RISKS AND UNCERTAINTIES

The Plan provided for various investment options in registered investment companies (mutual funds) and common/collective trusts. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2023, and December 31, 2022, net appreciation (depreciation) in the value of investments totaled \$6,432,187, and (\$6,205,994), respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

**NOTE 4: INFORMATION CERTIFIED BY MID ATLANTIC TRUST COMPANY
("CUSTODIAN") (UNAUDITED)**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mid Atlantic Trust Company, the custodian, as of and for the years ended December 31, 2023, and December 31, 2022, except for comparing such information certified by the custodian to information included in the Plan's financial statements for the years ended December 31, 2023, and December 31, 2022, and supplemental information as of and for the year ended December 31, 2023:

NOTE 6: FAIR VALUE MEASUREMENTS

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2023, and December 31, 2022. As required by ASC Topic 820, *Fair Value Measurements and Disclosures*, investments assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments

NOTE 8: INCOME TAX STATUS

For the years ended December 31, 2023, and December 31, 2022, the Plan Sponsor entered into a non-standardized pre-approved profit-sharing plan adoption agreement of Paychex, *Non-Standardized Pre-Approved Profit-Sharing Plan with CODA*. Paychex received a favorable opinion letter from the IRS on August 31, 2020, which stated that the form of the non-standardized pre-approved plan and related trust was designed in accordance with applicable sections of the IRC. It is the opinion of the Plan administrator and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, and December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by the custodian of the Plan. Paychex provides recordkeeping services. Any purchases and sales of these investments are performed in the open market at fair or contract value. Fees are paid by the Plan to MATC and Paychex for investment management services, for certain participant Plan transaction fees, and for recordkeeping services. Investment advisory services are provided by LPL Financial and ERISA Fiduciary Services, Inc. acts as a third-party administrator. Investment advisory fees and some third-party administrator fees were paid by the Plan. Party-in-interest transactions also include loans made to participants.

All these transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan years 2023, and 2022, employee withholdings (including loan repayments) totaling \$212, and \$995, respectively, due to unintentional delays were not remitted to the Plan on a timely basis, as per DOL regulations for timely remittances. The Company will be calculating and remitting lost earnings, using DOL guidelines for late deposits during the Plan year 2024.

During the Plan years 2021, and 2019, employee withholdings (including loan repayments) totaling \$21,545, and \$66,444, respectively, due to unintentional delays were not remitted to the Plan on a timely basis, as per DOL regulations for timely remittances. During the year 2023, the Company corrected delinquent contributions, by calculating and remitting lost earnings using DOL guidelines for late deposits.
