INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
S.J. Louis Construction, Inc. Retirement Savings Plan
Rockville, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of S.J. Louis Construction, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of S.J. Louis Construction, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of S.J. Louis Construction, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements as of and for the year ended December 31, 2022, were audited by Rogers & King, CPA, LLC, who merged with Abdo as of December 20, 2023, and whose report dated September 19, 2023, expressed an unmodified ERISA Section 103(a)(3)(C) opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about S.J. Louis Construction, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

S.J. Louis Construction, Inc. Retirement Savings Plan

Notes to the Financial Statements

December 31, 2023 and 2022

Note 1: Description of Plan

The description of the S.J. Louis Construction, Inc. Retirement Savings Plan (the Plan) provides only general information. The Plan document should be referred to for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by S.J. Louis Construction, Inc. and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company provides retirement benefits to substantially all employees of the Company and its affiliated companies, including S.J. Louis Construction of Texas, Ltd., Stearns Construction, Inc., Liberty Tunneling, LLC, Atlas Trenchless, LLC, S.J. Louis Trenchless, LLC, North Star Trenchless, LLC and Twin City Tunneling, Inc. The Company refers to any of the participating employers. The Plan sponsor and administrator is S.J. Louis Construction, Inc. During the year ended December 31, 2023, the Company appointed Empower Annuity Insurance Company of America and Empower Trust Company, LLC as the custodians of the Plan with an effective date of March 18, 2023. Prior to this date, Principal Trust Company was the custodian of the Plan.

Eligibility

To be eligible to participate in the Plan, an employee of the Company must be 21 years old and have completed 60 days of service. The Plan allows eligible participants to enter the Plan on the first day of the month upon reaching eligibility. Employees covered by a collective bargaining unit, leased employees and nonresident aliens are excluded from eligibility. Additionally, under the new Plan with Empower, residents from Puerto Rico are excluded.

Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions, employer matching contributions, prevailing wage employer contributions, rollover contributions and an allocation of the Plan earnings (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan. A participant's investment allocation for current and future contributions can be changed on any business day at the discretion of the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions

Participants may elect to contribute up to 100 percent of their eligible compensation, as defined by the Plan and subjected to various regulatory limitations through a salary reduction agreement. These contributions may be made on either a pre-tax basis or after-tax basis (through Roth contributions). Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, otherwise known as rollover contributions.

The Plan provides discretionary employer matching contributions. During 2023, the Company made employer matching contributions equal to 50% of the first 7% of eligible compensation contributed to the Plan by the participant, subject to the Internal Revenue Service limitations. Eligible employees can receive employer contributions after attaining the age 21 and completing one year and 1,000 hours of service. Additional discretionary Company profit-sharing contributions may be contributed at the discretion of the Company's Board of Directors (non-elective). No profit-sharing contributions were made for the year ended December 31, 2023.

The Company will also make prevailing wage (Davis Bacon) employer contributions in an amount necessary to meet the Company's requirements under a prevailing wage statute. The prevailing wage portion of the Plan provides contributions by the Company for a portion of the fringe benefit wages paid to employees for work on prevailing wage projects to meet the requirements of the Davis Bacon Act, the Service Contract Act, or similar federal, state, municipal or local statutes. Employees are eligible for Davis Bacon employer contributions immediately upon date of hire, and Davis Bacon employer contributions are always 100% vested.

All contributions are subject to certain statutory limits.

S.J. Louis Construction, Inc. Retirement Savings Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 1: Description of Plan (Continued)

Vesting and Forfeitures

Participants are immediately vested in their salary reduction contributions, prevailing wage employer contributions and any rollover contributions, plus actual earnings thereon. Participants, who leave the Plan because of death, early or normal retirement, or disability retirement, as defined in the Plan, are considered 100% vested. The Company's employer matching contributions and profit-sharing contributions and earnings thereon vest in accordance with provisions on the Plan as follows:

Years of Service	Percentage Vested
1	20 %
2	40
3	60
4	80
5 and above	100

For purposes of determining the extent to which a participant is vested, a year of service is a consecutive twelve-month period in which the participant is credited with 1,000 hours of service.

Forfeited non-vested amounts from terminated participants' accounts are used to reduce the Company's matching contributions or pay Plan expenses, subject to the terms of the Plan. At December 31, 2023 and 2022, forfeited non-vested accounts were \$31 and \$134, respectively. During the year ended December 31, 2023, forfeitures of \$12,304 were used to reduce employer contributions.

Notes Receivable from Participants

The Plan does not permit participants to take a loan from the Plan.

Excess Participant Deferrals

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon reaching age 59½, death, disability, retirement, termination of employment, or financial hardship, as defined in the Plan agreement. The Plan provides for normal retirement at age 65. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment or installments. Participants may withdraw a portion of their account balance for hardship and in certain "in-service" situations, as defined in the Plan. There were no amounts allocated to a participant that elected to withdraw from the Plan but had not been paid as of December 31, 2023 and 2022.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Certain investment-related expenses are included in appreciation of fair value of investments.

Reclassifications

Certain reclassifications have been made to the 2022 financial statements amounts to conform with the 2023 presentation. Total net assets available for benefits are unchanged due to these reclassifications.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through October 11, 2024, the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds: Valued at the NAV of units held by the Plan at year end. The NAV is determined by the custodians, and is based on the fair value of the underlying investments held by the fund, NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4: Income Tax Status

The Internal Revenue Service has issued an opinion letter dated June 30, 2020 on the Empower pre-approved profit sharing/money purchase Plan with CODA, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, is exempt from federal and state income tax. The Plan and the related standardized volume submitter plan documents have been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt. The Principal preapproved profit sharing Plan had received a similar opinion letter dated June 30, 2020.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the regulatory authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a Plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

Note 5: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits, and accordingly, account balances of participants in the Plan.

Note 6: Information Prepared by and Certified by the Custodians

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividends, and interest for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company as of December 31, 2023 and for the period March 18, 2023 through December 31, 2023 and Principal Trust Company as of December 31, 2022 and for the period January 1, 2022 through March 18, 2023 (the custodians of the Plan).

Note 7: Related Party and Party-in-Interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party or a party-in-interest are considered prohibited transactions under ERISA unless a specific exemption exists. Certain investments of the Plan are managed by Empower Annuity Insurance Company of America, Empower Trust Company, and Principal Trust Company, the custodians as defined by the Plan. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These transactions qualify as party-in-interest transactions, and are exempt from the prohibited transaction rules of ERISA.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

Note 9: SECURE Act 2.0

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 CARES Act. The effective date of the provisions of SECURE 2.0 vary from becoming effective immediately through 2028. Those provisions include both required and optional elements. Management has evaluated those provisions and determined there is no current impact on the Plan. Plan management will determine the optional provisions to elect in the future.
