INDEPENDENT AUDITOR'S REPORT

Plan Trustee
River City Environmental, Inc. 401(k) Profit Sharing Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of River City Environmental, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 22, 2023 and December 31, 2022, the related statements of changes in net assets available for benefits for the period ended December 22, 2023 and the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 22, 2023 and December 31, 2022, and for the period ended December 22, 2023 and the year ended December 31, 2022, stating that the certified investment information, as described in Information Certified and Provided by Trustee Note to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Merger

As discussed in the Plan Merger and Asset Transfer Note to the financial statements, the Board of Directors of River City Environmental, Inc., the Plan's sponsor, resolved on June 25, 2024, to merge the Plan into the Enterprise Select Premier Pooled Employer Plan effective December 1, 2023. All plan assets were transferred to the Enterprise Select Premier Pooled Employer Plan on December 22, 2023. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

PLAN #001

NOTES TO FINANCIAL STATEMENTS

PERIOD ENDED DECEMBER 22, 2023

AND

YEAR ENDED DECEMBER 31, 2022

DESCRIPTION OF THE PLAN

The following description of the River City Environmental, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan.

General

The Plan is a defined contribution plan that was established January 1, 1998. The Plan was restated effective October 1, 2021 for legislative and regulatory changes. The purpose of the Plan is to provide retirement benefits to the employees of River City Environmental, Inc. (the Employer) and the participating employer, Cleanway Environmental Partner. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Board of Directors of River City Environmental, Inc., the Plan's sponsor, resolved on June 25, 2024, to merge the Plan into the Enterprise Select Premier Pooled Employer Plan effective December 1, 2023. All plan assets were transferred to the Enterprise Select Premier Pooled Employer Plan on December 22, 2023.

Eligibility and Vesting

Employees become eligible to participate in the Plan on the first day of the quarter after turning the age of 18 and completing three months of service. Participants are immediately vested in their salary deferral contributions and earnings thereon. Vesting of the portion of the account attributable to the employer's matching contribution begins with one year of service at 20%. Thereafter, employees' vest at 20% per year until five years of service at which time an employee is 100% vested. Also, upon termination of employment due to death or disability or attainment of normal retirement age, an employee becomes 100% vested as defined by the Plan.

Participant Accounts

Participants' contributions are credited to their individual accounts. Earnings and losses from the participants' directed investments are allocated to the individual accounts. Deducted from each participant's account are any distributions made to the participant and an allocation of administrative fees. The benefit to which a participant is entitled is the balance of the participant's vested account. The participant directs the investment of all contributions and earnings thereon. All participant account balances are held by the custodian.

Contributions

Employee contributions - Each year, employees may contribute up to 100% of pretax annual compensation, as defined in the Plan, as long as they do not exceed the maximum statutory limit. As of October 1, 2021, with the restated Plan agreement, the provision of automatic enrollment was discontinued. Employees may elect to change the deferral percentage at any point. Eligible participants may elect to make pre-tax or Roth contributions. Participants may also make rollover contributions to the Plan from another qualified plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Employee contributions are 100% vested upon deposit.

Employer discretionary matching contributions - The Employer may make a discretionary matching contribution of a percentage of a participant's salary deferral for each period.

PLAN #001

NOTES TO FINANCIAL STATEMENTS (Continued)

PERIOD ENDED DECEMBER 22, 2023

AND

YEAR ENDED DECEMBER 31, 2022

DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow against their vested account balance. The minimum loan is \$1,000 and the maximum is the lesser of \$50,000 or 50% of the vested interest in their benefits. The loan receivable is treated as a segregated portion of the participant's account balance and interest earned on the note is allocated to the participant. Loan terms generally range from one to five years or up to 30 years for the purchase of a primary residence. Loans are secured by the participant's vested account balances and other assets of the participant, if necessary. The loans bear interest at the prime rate plus 2%. Interest rates on the outstanding loans range from 5.25 to 10.5%. Principal and interest payments are made through payroll deductions.

Payment of Benefits

Benefits are payable upon retirement, termination, disability, or death. Partial or full withdrawals of the participant's account balance are also available upon certain circumstances as described in the Plan agreement.

Forfeited Accounts

The balance in the forfeitures account available to be used to reduce employer contributions was \$19,405 at December 21, 2023, the date before the transfer of assets to the new trustee on December 22, 2023. The balance in the forfeitures account available to be used to reduce employer contributions at December 31, 2022 was \$12,812. For the period ended December 22, 2023 and the year ended December 31, 2022, \$8,046 and \$25,633, respectively was used to reduce employer contributions.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. The Plan's trustee, Capital Bank and Trust Company, certifies the fair market value of all investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See the Fair Value Measurement Note for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 22, 2023 and December 31, 2022.

Benefits

Benefits are recorded when paid.

Expenses

The Employer pays substantially all administrative expenses of the Plan except for fees related to notes receivable from participants, in-service withdrawals, and termination distributions.

INFORMATION CERTIFIED AND PROVIDED BY TRUSTEE

The following is a summary of the Plan's asset information as of December 22, 2023 and December 31, 2022, and for the periods then ended, included throughout the Plan's financial statements, obtained by management and agreed to or derived from information provided by Capital Bank and Trust Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets, as summarized herein, is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	December 22, 2023	December 31, 2022
Investments at fair value	\$ -	\$ 3,234,219
Notes receivable from participants	-	57,661
	<u>\$ -</u>	<u>\$ 3,291,880</u>

Capital Bank and Trust Company also certified to the completeness and accuracy of \$442,080 and \$(763,754) of net appreciation (depreciation) in fair value of investments, \$89,475 and \$156,907 of dividends and interest, and \$4,134 and \$1,858 of interest on notes receivable related to the aforementioned assets for the periods ended December 22, 2023 and December 31, 2022, respectively.

FAIR VALUE MEASUREMENT

The Plan follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic *Fair Value Measurement*. This Topic establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under this Topic are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology other than quoted prices included within Level 1 that are unobservable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 22, 2023 and December 31, 2022.

Registered investment companies funds (mutual funds): valued at daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FAIR VALUE MEASUREMENT (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value or estimated fair value. There are no level 2 or 3 investments.

RISKS AND UNCERTAINTIES

The Plan provides for investment options in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to suspend contributions, discontinue contributions or terminate the Plan at any time. In the event of Plan termination, assets are to be used first to satisfy all Plan liabilities. The remaining assets are to be allocated proportionately to participants based upon each individual's account balance.

INCOME TAX STATUS

The Plan document is a non-standardized pre-approved profit sharing plan sponsored by Pension Plan Specialists PC that received its latest opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, in which the IRS stated that the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC). The Plan has been amended since receiving its latest opinion letter. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Plan management has considered the FASB ASC Topic *Income Taxes* and believes the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The tax years that remain open for examination by the appropriate taxing authorities for the Plan as of December 22, 2023 are 2020, 2021 and 2022, generally three years from the date the return was filed.

PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Certain Plan assets are invested in mutual funds and money market funds managed by an affiliate of Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

Certain professional fees for the administration of the Plan were paid by the Employer on behalf of the Plan in the amount of \$28,545 and \$19,505 for the period ended December 22, 2023 and for the year ended December 31, 2022, respectively.

PLAN MERGER AND ASSET TRANSFER

The Board of Directors of River City Environmental, Inc., the Plan's sponsor, resolved on June 25, 2024, to merge the Plan into the Enterprise Select Premier Pooled Employer Plan effective December 1, 2023. The assets transferred from Capital Bank and Trust Company, the trustee of the Plan, to Voya Retirement Insurance and Annuity Company, the trustee of the Enterprise Select Premier Pooled Employer Plan, on December 22, 2023. The merger resulted in transferred assets out totaling \$3,963,765 which are reported on the Statements of Changes in Net Assets Available for Benefits.

SUBSEQUENT EVENTS

FASB ASC Topic *Subsequent Events* requires disclosure of the date through which subsequent events have been evaluated, as well as whether that date is the date the financial statements were issued or the date the financial statements were available to be issued. Subsequent events have been evaluated by the Plan Administrator through October 14, 2024, which is the date the financial statements were available to be issued.

The Board of Directors of River City Environmental, Inc., the Plan's sponsor, resolved on June 25, 2024, to merge the Plan into the Enterprise Select Premier Pooled Employer (PEP) Plan effective December 1, 2023.
