INDEPENDENT AUDITOR'S REPORT

To the Trustees of
ImageTrend, Inc. 401(k) Retirement Plan
Lakeville, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the accompanying financial statements of Image Trend, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Image Trend, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Image Trend, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Image Trend, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Image Trend, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Image Trend, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter –Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

IMAGETREND, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. Description of Plan

The following description of ImageTrend, Inc. (“Company”) 401(k) Retirement Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan covering all eligible employees of the Company. Employees are eligible for participation if employed on the entry dates after reaching nineteen years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA) and the requirements of section 401(k) of the Internal Revenue Code (IRC).

Contributions - The Plan permits contributions up to the maximum percentage allowable by IRS Code Sections 401(k), 402(g), 404 and 415. The Company can make discretionary matching contributions. The Company made matching contributions equal to 50% of the employee contributions up to 8% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may contribute a discretionary amount to the profit sharing plan to be determined annually by the Board of Directors. There were no discretionary contributions for the years ended December 31, 2023 and 2022.

Participant accounts - Each participant’s account is credited with the participant’s contribution and allocation of (a) the Company’s matching contribution; (b) the Company’s discretionary contribution, if any; and, (c) Plan earnings and forfeitures of terminated participants’ non-vested accounts. Allocations of the Company’s discretionary contribution are based on participant compensation, and allocation of plan earnings are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Under the 401(k) plan, participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s contributions allocated to a participant’s account is based on years of continuous service. A participant is 100% vested after five years of credited service.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

(Continued)

1. Description of Plan (continued)

Notes receivable from participants - Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their non-forfeitable account balance. The loans are secured by the balance in the participant's account and bear interest rates from 4.25% to 7.25%, which are commensurate with local prevailing rates. Principal and interest is paid through bi-weekly payroll deductions. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits - Benefits may be withdrawn if any of the following occur: normal retirement age, which is defined as age 62; hardships; disability; termination of employment; termination of the Plan; death. Vested balances of less than \$5,000 are paid out as soon as administratively possible after the participant is eligible to receive them. Vested balances over \$5,000 are paid out as requested by the participant.

Forfeited accounts - Forfeitures of non-vested accounts totaled \$716 and \$37,788 for the years ended December 31, 2023 and 2022, respectively. These amounts have been applied to employer contributions.

2. Summary of Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Payments of benefits - Benefits are recorded when paid.

Administrative expenses - Expenses incurred by the Plan for audit fees, Plan administrative fees, and substantially all other operating expenses are paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in expenses. Record keeping and investment related expenses are charged to participant accounts and are included in expenses.

2. Summary of Accounting Policies (continued)

Investment valuation and income recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Subsequent events – Plan management has evaluated subsequent events through October 10, 2024, which is the date the financial statements were available to be issued.

3. Investments

The December 31, 2023 and 2022, Statements of Net Assets Available for Benefits, the investment activities included on the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2023 and 2022, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodian in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The information certified includes total investments of \$24,143,716 and \$18,463,131 as of December 31, 2023 and 2022, respectively, and income of \$5,680,585 and related losses of \$3,769,521 for the years ended December 31, 2023 and 2022, respectively. The loss/income certified is as follows:

	<u>2023</u>	<u>2022</u>
Interest and dividends	<u>\$ 618,542</u>	<u>\$ 842,469</u>
Net appreciation (depreciation) in the fair value of mutual funds	<u>\$ 3,133,262</u>	<u>\$ (4,611,990)</u>

4. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC (the custodian of the plan).

5. Fair Value Measurements

The Fair Value Measurements Topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 - Inputs are inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - Inputs are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed Portfolio Fund: The net asset value is based on the market value of the underlying investments. This fund contains synthetic investments comprised of both underlying investments and other components which have observable Level 1 or Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets.

5. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$23,289,420	\$ -	\$ -	\$23,289,420

Total	<u>\$23,289,420</u>	<u>\$ 701,533</u>	<u>\$ -</u>	<u>\$23,990,953</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$17,765,824	\$ -	\$ -	\$17,765,824
Guaranteed Portfolio Fund	<u>-</u>	<u>697,307</u>	<u>-</u>	<u>697,307</u>
Total	<u>\$17,765,824</u>	<u>\$ 697,307</u>	<u>\$ -</u>	<u>\$18,463,131</u>

6. Guaranteed Portfolio Fund

The Plan entered into an investment with Empower Trust Company, LLC. Empower Trust Company, LLC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fund is included in the financial statements at fair value as reported to the Plan by Empower Trust Company, LLC. Fair value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at fair value, which approximates market value. The guaranteed portfolio fund issuer is obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

IMAGETREND, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

(Continued)

6. Guaranteed Portfolio Fund (continued)

The fair value of the investment contract was \$700,817 and \$697,307 as of December 31, 2023 and 2022, respectively. The average yield and crediting interest rate was approximately 1.23% and 0.93% for the years ended December 31, 2023 and 2022, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

For participants who have \$2,500 or more in the guaranteed account at the beginning of the Plan year, the maximum transferable amount is 20% of the balance as of the beginning of the year. For amounts less than \$2,500 at the beginning of the Plan year, any amount may be transferred during the Plan year.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Plan Amendments and Tax Status

The prototype plan obtained a favorable determination letter on March 31, 2008, in which the Internal Revenue Service stated the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter, and the plan administrator believes the Plan is operating in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Nonparticipant-Directed Investments

There are no nonparticipant-directed investments.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

11. Party-in-Interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. For the plan years ended December 31, 2023 and 2022, Empower Trust Company, LLC is a party-in-interest, as defined by ERISA, as a result of its investing plan assets. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

The Plan paid investment advisory, investment management, and record keeping fees totaling approximately \$80,000 and \$87,000 during the years ended December 31, 2023 and 2022, respectively.

Certain plan investments are shares of mutual funds managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan sponsor pays directly any other fees related to the Plan's operations.
