INDEPENDENT AUDITORS' REPORT

Board of Trustees
Remprex, LLC Retirement Savings Plan
Lisle, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Remprex, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Remprex, LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Remprex, LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Remprex, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Remprex, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Remprex, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of schedule H, line 4i - schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REMPREX, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Remprex, LLC Retirement Savings Plan (Plan) is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, which is responsible for their integrity and objectivity.

GENERAL

The Plan was established on August 1, 2021 as Technical Services International, Inc. 401(k) Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by Administrative Retirement Services, Inc., a third party administrator. The investments of the Plan are held by a custodian, Empower Annuity Insurance Company of America.

NAME CHANGE

During 2023, the name of the Plan changed to Remprex, LLC Retirement Savings Plan.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting. The investments held by the Plan are reported at fair value.

ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

BENEFITS

Benefits are recorded when paid.

2. DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering employees who have six months of service and are age twenty-one or older.

Contributions - Each year, participants may contribute to the Plan up to the maximum allowable under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have obtained age 50 before the end of the prior year are eligible to make catch-up contributions.

The Company may elect to make a discretionary matching contribution as determined by the Board of Trustees. The Company made matching contributions of \$4,080 and \$0 for the years ended December 31, 2023 and 2022, respectively.

Participant Accounts - Each participant's account is credited with the participant's contributions and earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting and Forfeitures - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on continuous service. A participant is vested after 6 years of service (20% after two years of service, and an additional 20% each year thereafter). The Plan had forfeitures of \$224,884 and \$91,472 for the years ended December 31, 2023 and 2022, respectively.

Investment Options - Upon enrollment in the Plan, a participant may direct employee contributions in any percentage increment into the investment options as allowed under the Plan.

Administrative Expenses - Substantially all administrative expenses are paid by the employer. These expenses include insurance, auditing, Plan administrative and legal expenses. The expenses that are paid from Plan assets will be shared by all participants on either a pro-rata or on an equal dollar basis.

Participants Loans - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their individual vested account balance. Loans are secured by the balance in the participants account. The balance of participant loans at December 31, 2023 and 2022 was \$273,537 and \$239,044, respectively.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The balance of excess contributions payable for both December 31, 2023 and 2022 was \$0.

2. DESCRIPTION OF PLAN (continued)

Payment of Benefits - Upon termination of service, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

3. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a contract with Empower Annuity Insurance Company of America. The contributions are maintained in a pooled separate account. Accounts are credited with earnings on the underlying investments and charged for Plan withdrawals, as well as the participants' pro-rata portion of administrative expenses. The accounts are included in the financial statements at fair value, as reported to the Plan by Empower Annuity Insurance Company of America. Fair value represents contributions made to the contract, plus Plan earnings, and less Plan withdrawals.

4. RELATED PARTIES

The plan sponsor is Remprex, LLC, whom is a related party.

The Plan's investments are managed by Empower Annuity Insurance Company of America, the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

5. INVESTMENTS

FASB ASC 820 establishes a framework for measuring the fair value of investments. That framework provides a fair value hierarchy that prioritizes the inputs to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means.
---------	--

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

5. INVESTMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: Valued daily based on the annuity contract. The underlying securities trade at quoted market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

During 2023 and 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

		<u>2023</u>	<u>2022</u>	
Pooled separate accounts		<u>\$ 500,746</u>	<u>\$(866,201)</u>	
<u>Fair Value at December 31, 2023, as follows:</u>				
<u>Description</u>	<u>12/31/2023</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
Pooled separate accounts - fixed annuities	\$ 327,401	\$ 224,884	\$ 102,517	\$ -
Pooled separate accounts - variable annuities	<u>6,419,440</u>	<u>6,419,440</u>	<u>-</u>	<u>-</u>
	<u>\$ 6,746,841</u>	<u>\$ 6,644,324</u>	<u>\$ 102,517</u>	<u>\$ -</u>

Fair Value at December 31, 2022, as follows:

<u>Description</u>	<u>12/31/2022</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
Pooled separate accounts - fixed annuities	\$ 179,501	\$ 91,472	\$ 88,029	\$ -
Pooled separate accounts - variable annuities	<u>2,821,883</u>	<u>2,821,883</u>	<u>-</u>	<u>-</u>
	<u>\$ 3,001,384</u>	<u>\$ 2,913,355</u>	<u>\$ 88,029</u>	<u>\$ -</u>

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

7. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan's custodian, Empower Annuity Insurance Company of America certified the investment activity including investment balances, investment earnings, and investment transactions for the years ended December 31, 2023 and 2022 as follows:

Investments at fair value:

	<u>2023</u>	<u>2022</u>
Pooled separate accounts – fixed annuities	\$ 327,401	\$ 179,501
Pooled separate accounts – variable annuities	<u>6,419,440</u>	<u>2,821,883</u>
Total	<u>\$ 6,746,841</u>	<u>\$ 3,001,384</u>

8. TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated November 4, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted FASB ASC 740-10-25, *Accounting for Uncertainty in Income Taxes*. The Plan will record a liability for uncertain tax positions when it is more likely than not that a tax position would not be sustained if examined by a taxing authority. The Plan continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax laws and new authoritative rulings.

The Plan's evaluation on December 31, 2023 and 2022, revealed no uncertain tax positions that would have a material impact on the financial statements. The 2021 and 2022 tax year remains subject to examination by the IRS. The Plan does not believe that any reasonably possible changes will occur within the next twelve months that will have a material impact on the financial statements.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 7,020,378	\$ 3,240,428
Net assets available for benefits per Schedule H to the Form 5500	<u>\$ 7,020,378</u>	<u>\$ 3,240,428</u>
Net increase (decrease) in net assets available for benefits per financial statements	\$ 3,779,950	\$ (974,707)
Net increase (decrease) in net assets available for benefits per Schedule H to the Form 5500	<u>\$ 3,779,950</u>	<u>\$ (974,707)</u>

11. COMMITMENTS

In the event of a contract termination of the fixed annuity contract, a 12-month put option will apply.

12. DEEMED DISTRIBUTIONS

Deemed distributions represent loans that have been defaulted. Deemed distributions for the years ended of December 31, 2023 and 2022 was \$94,936 and \$39,602, respectively.

13. TRANSFERS IN

During the year 2023, after Technical Services International, Inc. was acquired by Remprex, LLC, the defined contribution retirement plans merged together with H&M International Transportation, Inc.'s defined contribution retirement plan. This resulted in \$3,086,888 being transferred into the plan for the year ended December 31, 2023.

14. SUBSEQUENT EVENTS

The financial statements were available to be issued on October 14, 2024, with subsequent events being evaluated through this date.
