To the Plan Trustees and Plan Administrator
Safe-Harbor 401(k) Profit-Sharing Plan for
Employees of Seminole Nation of Oklahoma
Wewoka, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Safe-Harbor 401(k) Profit-Sharing Plan for Employees of Seminole Nation of Oklahoma (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

SAFE HARBOR 401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF SEMINOLE NATION OF OKLAHOMA

December 31, 2022

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Safe-Harbor 401(k) Profit-Sharing Plan for Employees of Seminole Nation of Oklahoma (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan was adopted effective November 29, 2007 and is a defined contribution plan covering all permanent, full-time employees of the Seminole Nation of Oklahoma (the "Nation") who have six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees may begin participating in the Plan on the first day of the following month after they have met the service requirement.

Contributions: Each participant may elect to contribute a minimum of 1% and a maximum of 50% of their eligible compensation up to the maximum amount allowed by the Internal Revenue Service ("IRS"). The IRS' limit was \$20,500 for the year ended December 31, 2022. Plan participants age 50 and older were eligible to make catch-up contributions of an additional \$6,500 during the year ended December 31, 2022. The Plan also permits participants to make rollover contributions from other qualified plans.

The Nation contributes a non-elective safe harbor contribution of 5% of the participant's eligible compensation.

Participant Accounts and Investment Options: Participants direct the investment of their contributions among several mutual fund options offered by the Plan, all of which are registered under the Investment Company Act of 1940. Participants also have the option of a cash equivalent interest accumulation account.

Each participant's account is credited with the participant's contribution, an allocation of the Nation's contribution and Plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts.

Vesting: Participants are immediately vested in their contributions and the Nation's safe harbor contributions.

NOTES TO FINANCIAL STATEMENTS--Continued

SAFE HARBOR 401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF SEMINOLE NATION OF OKLAHOMA

December 31, 2022

NOTE A--DESCRIPTION OF THE PLAN--Continued

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at reasonable rates determined by the Plan's management. Principal and interest are paid ratably through biweekly payroll deductions.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or several types of annuity payment plans. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. At December 31, 2022, net assets available for benefits included approximately \$287,000 relating to former participants who have elected, for the present time, to leave their balances intact with the Plan.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared using the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded as expenses when they have been approved for payment.

Administrative Expenses: The Plan's administrative expenses are paid in part from the assets of the Plan. Certain administrative expenses are paid by the Nation on behalf of the Plan. Account transaction costs for participant loans and withdrawals are deducted from participant accounts.

Income Tax Status: The IRS has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan Administrator believe that the Plan is designed and is currently operated in compliance with the applicable requirements of the IRC.

Effective October 1, 2020, the Plan adopted the Mutual of America Life Insurance Prototype Non-Standardized Profit-Sharing Plan with CODA. The IRS has determined and informed Mutual of America Life Insurance by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter, however, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant's loan balance is reduced and a benefit payment is recorded.

Plan Termination: Although it has not expressed any intent to do so, the Nation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Subsequent Events: Management has evaluated subsequent events through September 20, 2024, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.

NOTE C--INVESTMENT CONCENTRATION, RISKS AND UNCERTAINTIES

As of December 31, 2022, approximately 24% of Plan assets consist of one mutual fund and one money market investment.

In general, the investments provided by the Plan are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820-10-35-39 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the valuation methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following tables set forth by level, within the fair value hierarchy (if applicable), the Plan's assets at fair value as of December 31:

2022				
Investments	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,206,810	\$ -	\$ -	\$ 2,206,810
Total assets accounted for at fair value	\$ 2,206,810	\$ -	\$ -	2,206,810
Cash equivalent*				345,334
Total investments				\$ 2,552,144
2021				
Investments	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,359,089	\$ -	\$ -	\$ 2,359,089
Total assets accounted for at fair value	\$ 2,359,089	\$ -	\$ -	2,359,089
Cash equivalent*				327,983
Total investments				\$ 2,687,072

*- Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE E--INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Mutual of America Life Insurance Company, the Plan's custodian, has certified that the following data included in the accompanying financial statements and supplementary schedule of assets held at end of year is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- Investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.
- Schedule H, Line 4i--Schedule of Assets Held at End of Year as of December 31, 2022.

The Plan's independent auditors did not perform audit procedures with respect to this information, except for comparing such information per the custodian's certified statements to the related information included in the financial statements and supplementary schedule.

NOTE F--DELINQUENT REMITTANCES AND CORRECTIVE CONTRIBUTIONS

During the year ended December 31, 2022, the Nation had participant contributions of \$2,880 that were not segregated from the Nation's assets within seven business days. This transaction represented a loan from the Plan to the Nation for the period between the seventh day following the payroll date in which the amounts were withheld through the date that the withholdings will be separated from the Nation's assets, which will be the time they will be remitted to the Plan. Late remittances of participant contributions constitute a prohibited transaction under ERISA Section 406. The participant contributions and lost earnings were remitted in 2024.

During the year ended December 31, 2022, the Nation improperly excluded certain compensation from participant deferrals and safe harbor contributions. Corrective contributions related to these errors of \$58,762, including lost earnings, are included in Employer Contributions Receivable as of December 31, 2022 and will be remitted in 2024.

Re: 2022 Plan Year Audit

Dear Ms. Atauvich:

In Lieu of financials, this memo is attached to communicate that the plan audit is not complete and therefore an audit opinion is not yet available. When audit is completed the 5500 will be promptly amended to include completed audit opinion.

Sincerely,

Kristin Vita
