INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Management Concepts, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Management Concepts, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Management Concepts, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 78 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Management Concepts, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Management Concepts, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Management Concepts, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Management Concepts, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - Description of Plan

The following description of the Management Concepts, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan non-standardized adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan intended to qualify under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan generally covers all employees of the Company who have attained 18 years of age. Eligible employees may become participants on the first day of employment.

The custodian of the Plan is Fidelity Management Trust Company (Fidelity) who is responsible for holding plan assets. Fidelity also serves as the Plan record keeper and the Plan's trustee. Certain members of management serve as authorized plan representatives and plan administrators.

Participant Contributions

Each year, participants may make salary reduction contributions of up to 90% of pretax annual compensation subject to the limitations of the IRC, as defined in the Plan. Eligible employees are automatically enrolled at 6% of their Plan compensation. The automatic deferral amount will increase annually by 1% of Plan compensation up to a maximum of 10%. Participants have the option to decline participation in the Plan under the automatic deferral provisions. Qualified distributions from other qualified retirement plans can also be contributed to the Plan and are retained as rollover contributions. Participants are immediately vested in their salary reduction and rollover contributions plus actual earnings thereon.

Company Contributions

The Company contributes a matching amount equal to 50% of each participant's contribution up to the first 6% of compensation that a participant contributes to the Plan. The Company made matching contributions totaling \$633,781 for the year ended December 31, 2023. Vesting in the Company contributions portion of their account plus earnings thereon is based on years of continuous service. Company discretionary contributions vest by 25% after completion of the first two years of service and vest an additional 25% thereafter until fully vested after five years.

The Company may also make qualified non-elective contributions to the Plan to satisfy non-discrimination tests based on an allocation formula that satisfies the non-discrimination test; only non-highly compensated employees are eligible for the qualified non-elective contribution.

The Company may also make non-elective contributions to the Plan that is at the sole discretion of the Company's Board of Directors. Non-elective employer contributions made to the Plan will be allocated to the participants' account based on the participants' compensation relative to the total compensation paid for the Plan year. For the year ended December 31, 2023, no such non-elective employer contributions were made.

MANAGEMENT CONCEPTS, INC.

401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - Description of Plan - continued

Participant Accounts

Each participant's account is credited with the participant's salary deferral contribution, rollovers (transfers in from other qualified plans), the Company matching contribution, and allocations of (a) Company discretionary non-elective contributions (if any), (b) Plan earnings, (c) realized and unrealized gains and losses on investments, and (d) administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Participants are eligible for retirement benefits upon attaining the age of 59 and 1/2. On termination of service due to death, disability or retirement, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or periodic payments. Participants who terminate due to death, disability or retirement are fully vested in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or elect a direct rollover distribution. However, if the total value of the vested balance is \$1,000 or less, the entire vested balance will be distributed in a lump sum payment. If the vested balance is greater than \$1,000 but less than \$5,000, the value of the vested interest in his or her account may be distributed through a direct rollover. Benefit payments to participants are recorded when paid. In-service hardship withdrawals are permitted by the Plan under certain circumstances.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The number of loans a participant may have outstanding is limited to two. All loans must be approved by the Plan record keeper and will bear interest at a rate commensurate with local prevailing rates. Interest rates on participant loans range from 4.25% to 9.50%. Loans are secured by the balance in the participants' accounts and require periodic payments and are due through December 17, 2028.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited accounts totaled \$15 and \$2,260 respectively. Forfeited accounts may be utilized to pay Plan administrative expenses or reduce employer contributions. In 2023, employer contributions were reduced by \$88,269 from forfeited non-vested accounts.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 – *Summary of Significant Accounting Policies - continued*

Administrative Expenses

The Company may elect to pay the administrative expenses of the Plan. If not paid by the Company, administrative expenses are required to be paid by the Plan. All such costs and expenses will, unless allocable to the accounts of individual participants, be charged against the accounts of all participants on a pro-rata basis or in such other reasonable manner as may be directed by the Company. In addition, certain accounting and administrative functions of the Plan are performed by employees of the Company at no cost to the Plan.

Fair Value of Financial Instruments

Accounting Standards Codification 820, *Fair Value Measurements* (ASC 820) establishes a framework for measuring fair value in accordance with accounting principles generally accepted in the United States of America. ASC 820 provides a three-tiered fair value hierarchy with Level 1 representing quoted prices for identical assets or liabilities in an active market; Level 2 valuation methodologies include: 1) quoted similar assets or liabilities in an active market, 2) quoted identical or similar assets or liabilities in an inactive market, 3) inputs other than quoted prices that are observable for the asset or liability, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means; and Level 3 representing a valuation methodology based on unobservable inputs significant to the fair value measurement.

Investments are reported at fair value, including the collective trust, which holds indirect investments in fully benefit-responsive investment contracts.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance. See Note 3 for additional information related to fair value measurements.

The Plan's shares of mutual funds are valued at quoted market prices which represent the Net Asset Value (NAV) of shares held by the Plan at each year end. The investment in the collective trust is valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust to ensure that securities' liquidations will be carried out in an orderly business manner, not to exceed 12 months.

The preceding methods could produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 3– Investments

Investments at Fair Value

The following table presents, by level, the Plan's investments at fair value:

December 31, 2023

Interest-bearing cash	132,998	-	-	132,998
	\$ 34,118,205	\$ -	\$ -	34,118,205
* Common Collective Trust				507,613
				\$ 34,625,818

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net appreciation in value of investments.

Investment in Collective Trust

The Plan holds an investment in a collective trust fund, specifically the Fidelity Advisor Stable Value Fund (the "Fund"). The Fund invests in investment contracts issued by insurance companies and other financial institutions, fixed income securities, money market funds, and may include derivative instruments such as futures contracts and swap agreements to provide daily liquidity. The collective trust fund is comprised of a stable value fund, the objective of which is to preserve capital and provide a competitive level of income over time that is consistent with the preservation of capital. The Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no unfunded commitments, the redemption frequency is daily, and there is no redemption notice period.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – Investments - continued

Certain events limit the ability of the Plan to transact at contract value with the participants. Such events include withdrawals or investment exchanges prompted by an employer-initiated event, such as withdrawals resulting from the sale of a division of the plan sponsor of a participating plan, a corporate layoff or early retirement plan, changes in the investment options of a participating plan, or termination or partial termination of a participating plan, may be paid at the contract's market value, which may be less than the contract value, or may be subject to a contract charge or penalty. The Plan administrator does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with the participants are probable of occurring.

NOTE 4 - Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Management evaluated the Plan's tax positions under guidance from the Financial Accounting Standards Board and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 5 – Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become fully vested in their accounts.

NOTE 6 – Parties-In-Interest Transactions

Fidelity Management Trust Company acts as the record keeper for the Plan. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. Such transactions qualify as parties-in-interest transactions, which are exempt from the prohibited transactions rules.

NOTE 7 – Summary of Information Certified by Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income, net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2023, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

NOTE 8 – Subsequent Events

The Plan has evaluated subsequent events through the date which the financial statements were available to be issued. The Plan Administrator is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Management Concepts, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Management Concepts, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Management Concepts, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 78 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Management Concepts, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Management Concepts, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Management Concepts, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Management Concepts, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - Description of Plan

The following description of the Management Concepts, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan non-standardized adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan intended to qualify under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan generally covers all employees of the Company who have attained 18 years of age. Eligible employees may become participants on the first day of employment.

The custodian of the Plan is Fidelity Management Trust Company (Fidelity) who is responsible for holding plan assets. Fidelity also serves as the Plan record keeper and the Plan's trustee. Certain members of management serve as authorized plan representatives and plan administrators.

Participant Contributions

Each year, participants may make salary reduction contributions of up to 90% of pretax annual compensation subject to the limitations of the IRC, as defined in the Plan. Eligible employees are automatically enrolled at 6% of their Plan compensation. The automatic deferral amount will increase annually by 1% of Plan compensation up to a maximum of 10%. Participants have the option to decline participation in the Plan under the automatic deferral provisions. Qualified distributions from other qualified retirement plans can also be contributed to the Plan and are retained as rollover contributions. Participants are immediately vested in their salary reduction and rollover contributions plus actual earnings thereon.

Company Contributions

The Company contributes a matching amount equal to 50% of each participant's contribution up to the first 6% of compensation that a participant contributes to the Plan. The Company made matching contributions totaling \$633,781 for the year ended December 31, 2023. Vesting in the Company contributions portion of their account plus earnings thereon is based on years of continuous service. Company discretionary contributions vest by 25% after completion of the first two years of service and vest an additional 25% thereafter until fully vested after five years.

The Company may also make qualified non-elective contributions to the Plan to satisfy non-discrimination tests based on an allocation formula that satisfies the non-discrimination test; only non-highly compensated employees are eligible for the qualified non-elective contribution.

The Company may also make non-elective contributions to the Plan that is at the sole discretion of the Company's Board of Directors. Non-elective employer contributions made to the Plan will be allocated to the participants' account based on the participants' compensation relative to the total compensation paid for the Plan year. For the year ended December 31, 2023, no such non-elective employer contributions were made.

MANAGEMENT CONCEPTS, INC.

401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - Description of Plan - continued

Participant Accounts

Each participant's account is credited with the participant's salary deferral contribution, rollovers (transfers in from other qualified plans), the Company matching contribution, and allocations of (a) Company discretionary non-elective contributions (if any), (b) Plan earnings, (c) realized and unrealized gains and losses on investments, and (d) administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Participants are eligible for retirement benefits upon attaining the age of 59 and 1/2. On termination of service due to death, disability or retirement, a participant may receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or periodic payments. Participants who terminate due to death, disability or retirement are fully vested in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or elect a direct rollover distribution. However, if the total value of the vested balance is \$1,000 or less, the entire vested balance will be distributed in a lump sum payment. If the vested balance is greater than \$1,000 but less than \$5,000, the value of the vested interest in his or her account may be distributed through a direct rollover. Benefit payments to participants are recorded when paid. In-service hardship withdrawals are permitted by the Plan under certain circumstances.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The number of loans a participant may have outstanding is limited to two. All loans must be approved by the Plan record keeper and will bear interest at a rate commensurate with local prevailing rates. Interest rates on participant loans range from 4.25% to 9.50%. Loans are secured by the balance in the participants' accounts and require periodic payments and are due through December 17, 2028.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited accounts totaled \$15 and \$2,260 respectively. Forfeited accounts may be utilized to pay Plan administrative expenses or reduce employer contributions. In 2023, employer contributions were reduced by \$88,269 from forfeited non-vested accounts.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

The Company may elect to pay the administrative expenses of the Plan. If not paid by the Company, administrative expenses are required to be paid by the Plan. All such costs and expenses will, unless allocable to the accounts of individual participants, be charged against the accounts of all participants on a pro-rata basis or in such other reasonable manner as may be directed by the Company. In addition, certain accounting and administrative functions of the Plan are performed by employees of the Company at no cost to the Plan.

Fair Value of Financial Instruments

Accounting Standards Codification 820, *Fair Value Measurements* (ASC 820) establishes a framework for measuring fair value in accordance with accounting principles generally accepted in the United States of America. ASC 820 provides a three-tiered fair value hierarchy with Level 1 representing quoted prices for identical assets or liabilities in an active market; Level 2 valuation methodologies include: 1) quoted similar assets or liabilities in an active market, 2) quoted identical or similar assets or liabilities in an inactive market, 3) inputs other than quoted prices that are observable for the asset or liability, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means; and Level 3 representing a valuation methodology based on unobservable inputs significant to the fair value measurement.

Investments are reported at fair value, including the collective trust, which holds indirect investments in fully benefit-responsive investment contracts.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance. See Note 3 for additional information related to fair value measurements.

The Plan's shares of mutual funds are valued at quoted market prices which represent the Net Asset Value (NAV) of shares held by the Plan at each year end. The investment in the collective trust is valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust to ensure that securities' liquidations will be carried out in an orderly business manner, not to exceed 12 months.

The preceding methods could produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 3– Investments

Investments at Fair Value

The following table presents, by level, the Plan's investments at fair value:

December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 42,025,035	\$ -	\$ -	\$ 42,025,035
Interest-bearing cash	357,586	-	-	357,586
	\$ 42,382,621	\$ -	\$ -	42,382,621
* Common Collective Trust				533,103

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 33,985,207	\$ -	\$ -	\$ 33,985,207
Interest-bearing cash	132,998	-	-	132,998
	\$ 34,118,205	\$ -	\$ -	34,118,205
* Common Collective Trust				507,613
				\$ 34,625,818

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net appreciation in value of investments.

Investment in Collective Trust

The Plan holds an investment in a collective trust fund, specifically the Fidelity Advisor Stable Value Fund (the "Fund"). The Fund invests in investment contracts issued by insurance companies and other financial institutions, fixed income securities, money market funds, and may include derivative instruments such as futures contracts and swap agreements to provide daily liquidity. The collective trust fund is comprised of a stable value fund, the objective of which is to preserve capital and provide a competitive level of income over time that is consistent with the preservation of capital. The Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no unfunded commitments, the redemption frequency is daily, and there is no redemption notice period.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – Investments - continued

Certain events limit the ability of the Plan to transact at contract value with the participants. Such events include withdrawals or investment exchanges prompted by an employer-initiated event, such as withdrawals resulting from the sale of a division of the plan sponsor of a participating plan, a corporate layoff or early retirement plan, changes in the investment options of a participating plan, or termination or partial termination of a participating plan, may be paid at the contract's market value, which may be less than the contract value, or may be subject to a contract charge or penalty. The Plan administrator does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with the participants are probable of occurring.

NOTE 4 - Tax Status

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Management evaluated the Plan's tax positions under guidance from the Financial Accounting Standards Board and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 5 – Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become fully vested in their accounts.

NOTE 6 – Parties-In-Interest Transactions

Fidelity Management Trust Company acts as the record keeper for the Plan. The Company provides certain accounting and administrative services to the Plan for which no fees are charged. Such transactions qualify as parties-in-interest transactions, which are exempt from the prohibited transactions rules.

NOTE 7 – Summary of Information Certified by Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income, net and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2023, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

NOTE 8 – Subsequent Events

The Plan has evaluated subsequent events through the date which the financial statements were available to be issued. The Plan Administrator is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.
