INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the
403(b) Thrift Plan for Nueces County Community Action Agency
Corpus Christi, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan for Nueces County Community Action Agency, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan for Nueces County Community Action Agency's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of the 403(b) Thrift Plan for Nueces County Community Action Agency to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Nueces County Community Action Agency's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan for Nueces County Community Action Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Nueces County Community Action Agency's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules listed in the Table of Contents as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN FOR NUECES COUNTY COMMUNITY ACTION AGENCY
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE A – DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan for Nueces County Community Action Agency (the “Plan”) is provided for general information purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees except nonresident aliens with no U.S. source income and those who are classified or treated as independent contractors, (even if a government agency or court with the jurisdiction determines that such persons are deemed to be employees for any purpose under common-law principles or federal, state, or local law) who meet eligibility requirements detailed in the plan document. As detailed in the plan document, employer matching contributions are not provided under this plan, there is no minimum age requirement or service requirement to make salary reduction contributions to the plan. An employee becomes eligible for employer contributions after turning 18 years of age and one year of service which requires at least 1,000 hours worked by the employee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: In accordance with plan provisions, the employer contributes five percent of base compensation earned during the plan year for qualified participants. Active participants may contribute up to 25% of salary reduction as defined in the plan, not to exceed the maximum dollar amount as set forth by the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. For the year ended December 31, 2023, employer contributions totaled \$12,654.

For the year ended December 31, 2023 the maximum amount a participant can contribute on a before-tax or after-tax basis during the participant’s taxable year is \$22,500 and in accordance with IRC Section 402(g)(3). For the year ended December 31, 2023, the participants remitted contributions totaled \$251,090. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with and subject to the limitations of, IRC Section 414(v). The maximum catch-up contributions that a participant may defer during the Plan’s year ended December 31, 2023, is \$7,500.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into interest accumulation accounts or pooled fund accounts. Participants can change the contribution percentage they have previously elected at any time via the Plan’s online portal.

Participant Accounts: Each participant’s account is credited with the participant’s contribution and Plan Sponsor base plan contributions for eligible participants, as well as allocations of the Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE A – DESCRIPTION OF THE PLAN - Continued

Vesting of Benefits: Participants are immediately vested in their own contributions, rollover contributions, basic matching contributions, qualified non-elective contributions, and safe harbor matching contributions. The employer contributions and non-elective contributions account will vest based on years of vesting service, in accordance with the following schedule:

Vesting Schedule	
Years of Service	Percentage
Less than 2 years	0%
2 years	25%
3 years	50%
4 years	75%
5 years or more	100%

Note Receivables from Participants: Participants can borrow from their account a minimum of \$1,000 up to the maximum equal to the lesser of 50 percent of the account value or \$50,000 of their vested account balance. The loans are secured by a portion of the participant's vested amounts in the Interest Accumulation Account and shall bear a reasonable rate of interest as determined by the Plan Administrator based on prevailing interest rates charged by individuals in the business of lending money on loans which would be made under similar circumstances. Principal and interest are paid ratably through payroll deductions. Participants may only have one loan outstanding at any time. As of December 31, 2023 and 2022, the Plan had note receivables from participants of \$91,163 and \$51,077, respectively.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, a partial lump-sum or receive required minimum installments distributions for a period of no more than your assumed life expectancy, but must begin withdrawing funds from his or her account upon attaining age 72. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan provides for participants withdrawals in the event of financial hardship. Financial hardships include the participant's purchase or construction of a primary residence, medical or educational expenses, to prevent eviction or foreclosure of primary residence. The Sponsor must approve hardship withdrawals.

Forfeited Accounts: Forfeitures of terminated participant's nonvested employer contribution accounts are first to be applied to the payment of the Plan's administrative expenses and any excess available to be allocated to the employer contribution accounts of the remaining participants to reduce employer profit sharing and matching contributions. For the year ending December 31, 2023, forfeitures of nonvested accounts totaled \$45,681 and were used to reduce employer contributions. As of December 31, 2023, there was no ending forfeited account balance.

Investment Options: Upon enrollment in the Plan, participants may direct investment of their individual accounts among alternative investment funds provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balance between investment funds. The Plan currently offers various registered mutual funds, which include various target retirement funds and a money market fund. The Plan also offers an interest accumulation discussed in Note D.

Funding Policy: Participant deferrals and employee base contributions are remitted each pay period to the Plan Custodian and are invested per participant instructions. Employer discretionary contributions are deposited annually.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan's financial statements are prepared using the accrual basis of accounting. Employee contributions are recognized as revenues in the period in which salaries are earned. Employer discretionary contributions are recognized as revenues in the period in which it is determined. Benefit payables are recognized when due and payable in accordance with terms of the Plan.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note Receivables from Participants: Note receivables from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's accounts. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded based on the terms of the plan document.

Investments, Valuation, and Income Recognition: Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for the discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year. Contract value is the relevant measure for that portion of the net assets available for benefits for a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. The Plan distributes the excess contributions prior to March 15 of the following year. For the years ended December 31, 2023 and 2022, there were no excess contributions.

Payment of Benefits: Benefits are recorded when paid and totaled \$1,123,267 for the years ended December 31, 2023.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid directly by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are not included in these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Recently Issued Accounting Pronouncements Not Yet Adopted: Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact to its financial position or results of operations in future periods.

Date of Management's Review: Subsequent events were evaluated through October 3, 2024, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of our fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

- Level 1 – Unadjusted quoted prices available in active markets for identical investments as of the reporting date.
- Level 2 – Observable inputs to the valuation methodology are other than Level 1 inputs, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.
- Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels discussed as of December 31, 2023 and 2022, are as follows:

2023				
Plan Assets at Fair Value				
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 478			\$ 478
Mutual Funds	5,494,056			5,494,056
Total Investments at Fair Value	<u>\$ 5,494,534</u>	<u></u>	<u></u>	<u>\$ 5,494,534</u>

Shares of money market funds and mutual funds are categorized as Level 1 and are valued at quoted prices that represent the net asset value of shares held by the Plan at year end.

Realized and Unrealized Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation or depreciation in fair value of investments.

The Plan's policy is to recognize significant transfers between levels at the actual date of the event or circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no transfers in or out of levels 1, 2, or 3.

NOTE D – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan offers a traditional fully benefit-responsive guaranteed investment contract with Mutual of America Life Insurance Company (“Mutual of America”). The guaranteed investment contract (referred to as the Interest Accumulation Account) offers a fixed rate of return that is periodically set by Mutual of America’s Rate Committee and is not subject to fluctuations based on market conditions. The calculation of accrued interest and daily fund balances for the interest accumulation account is performed automatically and run systematically daily. Interest rates for the interest accumulation account used for participant and employer fund balance calculation is based on the rates approved the Mutual of America’s Rate Committee.

The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022, was \$1,200,757 and 1,397,287, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events may include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination or complete discontinuance of contributions, participants would become 100% vested in their employer contribution.

NOTE F – TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and therefore, believes the Plan is qualified and exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax period in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.
