AdamsBrown, LLC Employee's Profit Sharing & 401(k) Plan & Trust
Overland Park, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of AdamsBrown, LLC Employee's Profit Sharing & 401(k) Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of AdamsBrown, LLC Employee's Profit Sharing & 401(k) Plan & Trust's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of AdamsBrown, LLC Employee's Profit Sharing & 401(k) Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AdamsBrown, LLC Employee's Profit Sharing & 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AdamsBrown, LLC Employee's Profit Sharing & 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AdamsBrown, LLC Employee's Profit Sharing & 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2023 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Notes to Financial Statements

December 31, 2023

Note 1 – Plan Description

The following description of the AdamsBrown, LLC Employee's Profit Sharing & 401(k) Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of AdamsBrown, LLC (the "Plan Sponsor") who have six consecutive months of service and meet the age 21 requirement for eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2023, the Plan document was amended to change the service eligibility requirements to the earlier of six months of consecutive service or the completion of one year of service and to add Adams Brown Technology Specialists, LLC as a participating employer.

Effective November 1, 2023, the Plan document was amended to count service with VonFeldt, Bauer & VonFeldt Chtd for purposes of determining eligibility and vesting.

Voluntary Correction Program

On March 21, 2022, the Company filed a Voluntary Correction Program ("VCP") submission with the IRS, which detailed an operational failure relating to eligibility to participate in the Plan for rehired participants. In its VCP submission, the Company documented the procedures that have taken place to correct the operational failure. When the Plan was restated effective February 2, 2022, the Plan document was updated to align with administrative procedures. The Company received a compliance statement from the IRS on April 25, 2023, stating they agreed with the corrective actions and changes to administrative procedures that were made by the Company.

Contributions

Each year, participants may contribute a portion of their eligible compensation as pretax or Roth deferrals up to the maximum allowed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the limit imposed by law. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor makes a safe harbor matching contribution of 100% of the first 3% of eligible compensation plus 50% of salary deferrals up to the next 2% of eligible compensation. The Plan Sponsor may also make additional discretionary contributions. No additional discretionary contributions were made in 2023. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Plan Sponsor safe harbor matching contributions, as well as allocations of the Plan Sponsor's discretionary contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

AdamsBrown, LLC Employee's Profit Sharing and 401(k) Plan & Trust

Notes to Financial Statements

December 31, 2023

Vesting

Participants are immediately vested in their deferrals, rollover contributions, and the Company's safe harbor matching contributions plus earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus earnings thereon is based on years of continuous service. Participants vest on a graded schedule and are 100% vested after six years of credited service.

Benefit Payments

Upon termination of service for any reason, a participant with a vested balance in excess of \$5,000 may elect to receive either a lump-sum amount or cash installments. Vested benefits less than \$1,000 will be paid in a lump-sum amount and vested benefits between \$1,000 and \$5,000 will be rolled into an IRA.

In-service withdrawals are available for hardships or upon a participant attaining age 59 ½, as defined.

Administrative Expenses

Most Plan fees and administrative expenses are paid by the Plan and some are netted with investment income. Administrative fees paid by the Plan, and not netted with investment income during 2023, were \$24,855.

Note 2 – Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash

The Plan's cash consists of a non-interest-bearing cash account held by the Plan's Custodian. This account is not insured by the Federal Deposit Insurance Corporation (FDIC).

AdamsBrown, LLC Employee's Profit Sharing and 401(k) Plan & Trust

Notes to Financial Statements

December 31, 2023

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of fully benefit-responsive investment contracts, which are presented at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefit Payments

Benefit payments are recorded when paid to participants.

Note 3 – Custodian's Certification

Certain information was certified as complete and accurate by Matrix Trust Company. That information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)

Note 4 – Fair Value Measurements

The Plan's mutual funds and exchange traded funds are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

AdamsBrown, LLC Employee's Profit Sharing and 401(k) Plan & Trust

Notes to Financial Statements

December 31, 2023

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2023</u>		
Mutual funds	\$ 31,196,403	\$ 31,196,403
Exchange traded funds	6,689,778	6,689,778
Investments at fair value	<u>\$ 37,886,181</u>	<u>\$ 37,886,181</u>
<u>December 31, 2022</u>		
Mutual funds	\$ 24,878,287	\$ 24,878,287
Exchange traded funds	4,868,487	4,868,487
Investments at fair value	<u>\$ 29,746,774</u>	<u>\$ 29,746,774</u>

Level 1 Fair Value Measurements

The fair values of mutual funds and exchange traded funds are based on quoted net asset values of the shares held by the Plan at year end.

Note 5 – Guaranteed Investment Contract

The Plan has invested in the CUNA Mutual Life Stable Value Fund issued by the CMFG Life Insurance Company. This investment meets the fully benefit-responsive investment contract criteria and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. This investment is a single group annuity contract with a fixed rate of interest which is reset on a quarterly basis. The average yield earned by the Plan is the yield earned on the group annuity contract. The average yield for the fund was 1.93% for the year ended December 31, 2023. The yield earned by the fund with an adjustment to reflect the actual interest rate credited to participants was 2.22% for the year ended December 31, 2023. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The following represents the total contract value of this investment contract held by the Plan:

	2023	2022
Traditional investment contracts	<u>\$ 711,139</u>	<u>\$ 2,655,984</u>

With traditional investment contracts, the Plan owns only the contract itself. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

AdamsBrown, LLC Employee's Profit Sharing and 401(k) Plan & Trust

Notes to Financial Statements

December 31, 2023

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate is reviewed on a semi-annual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the *Internal Revenue Code (IRC)* or the failure of the trust to be tax-exempt under Section 501(a) of the *IRC*.
- Premature termination of the contracts.
- Plan termination or merger.
- Changes to the Plan's prohibition on competing investment options.
- Other Plan Sponsor events that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines.
- A breach of material obligation under the contract.
- A material misrepresentation.
- A material amendment to the agreements without the consent of the issuer.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 –Tax Status

Effective February 2, 2022, the Plan document was restated to a non-standardized pre-approved plan sponsored by CMFG Life Insurance Company and received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan, as then designed, was in compliance with the applicable requirements of the *Internal Revenue Code (IRC)*. Although the Plan has been restated, the Plan Sponsor and Administrator believe that the Plan is currently being operated in compliance with the applicable requirements of the *IRC*.

AdamsBrown, LLC Employee's Profit Sharing and 401(k) Plan & Trust

Notes to Financial Statements

December 31, 2023

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8 – Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan investments are managed by CUNA Mutual, the Plan service provider, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to CUNA Mutual for administrative expenses were \$24,855 for the year ended December 31, 2023.

CUNA Mutual provides certain administrative services to the Plan pursuant to a Service Agreement between the Company and CUNA Mutual. Revenue credits generally represent the return of excess revenue generated by the Plan based upon the terms of the Service Agreement. Excess revenue occurs when CUNA Mutual's net revenue from the Plan participants' investments exceeds required revenue levels stated in the Service Agreement. Revenue credits are deposited to the Plan's account and may be used to pay reasonable and necessary Plan expenses. The Plan Sponsor may make a payment to CUNA Mutual for administrative expenses not covered by revenue credits. Administrative expenses are presented net of \$8,315 revenue credits received during the Plan year.

Note 9 – Subsequent Events

Subsequent events have been evaluated through October 11, 2024, the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan document was amended to include service with The Technology Specialists, Inc. for purposes of determining eligibility and vesting.

Effective January 1, 2024, the Plan document was restated to limit elective deferrals to 75% of eligible compensation, exclude collective bargaining (union) employees and employees that are on the payroll of an employer who is not a participating employer in the Plan, and modify available withdrawals to lump sum and partial withdrawals. Effective July 1, 2024, the restatement modified eligibility requirements for Plan entry to six months of service and the Plan entry date to the first day of each month. Effective October 1, 2024, the restatement added an automatic enrollment and escalation provision.

Effective June 2024, the Plan's Custodian changed from Matrix Trust Company to Charles Schwab Trust Bank.
