Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **FORVIS MAZARS, LLP**

(2) EIN: **44-0160260**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		10000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of United Community Banks, Inc. 401(K) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of United Community Banks, Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 and 2022 and the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Community Banks, Inc. 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Community Banks, Inc. 401(K) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the United Community Banks, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Community Banks, Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNITED COMMUNITY BANKS, INC. 401(K) PLAN
Notes to Financial Statements

(1) Description of the Plan

The following description of United Community Banks, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a safe harbor defined contribution plan and was formed to provide benefits exclusively for the employees of United Community Banks, Inc. and its subsidiaries (the “Company”). Employees are eligible to participate in the Plan on the next monthly enrollment date following employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective April 1, 2023 and December 8, 2023, the Progress Bank 401(k) Profit Sharing Plan and The First National Bank of South Miami 401(k) Savings Plan, respectively, legally merged with the United Community Banks, Inc. 401(k) Plan. As a result of these plan mergers, during the year ended December 31, 2023, \$21,284,226 of net assets available for benefits were transferred to the Plan.

Contributions

Employees of the Company participating in the Plan are entitled to make contributions to the Plan in amounts ranging from 2% to 75% of their annual base salary and commissions, subject to mandated maximum limitations. Under safe harbor provisions, the Company is required to provide a matching contribution. The Company matches 100% of participant deferral contributions up to 5% of the participant’s annual base salary and commissions for those who have completed 90 days of service.

On an annual basis, the Company will provide a true-up safe harbor matching contribution, as necessary, to ensure participants receive the maximum safe harbor matching contribution for each plan year. A true-up safe harbor matching contribution would be made in the event the safe harbor matching contributions made to a participant’s account throughout the year are less than the maximum amount that could have been made based on the participant’s contributions for the full plan year.

The Company may also make an additional discretionary contribution in any Plan year. No discretionary contribution was made for the 2023 Plan year. Contributions are subject to certain limitations. The Plan provides for automatic participant deferral contributions of 5% of compensation on behalf of each eligible employee who does not affirmatively elect against automatic contributions.

Investment Options

Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers mutual funds, common trust funds and a guaranteed insurance contract as investment options for participants.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, and investment earnings and debited with benefit payments, investment losses, fees for participant initiated transactions and allocations of administrative expenses. The benefit to which a participant is entitled is the benefit that is available in the participant’s vested account.

Vesting

Participants are immediately vested in their contributions to the Plan plus actual earnings thereon. Under safe harbor provisions, participants are immediately 100% vested in the Company’s safe harbor matching contributions.

Withdrawals

The Plan allows in-service withdrawals for active employees who have attained the age of 59 ½ years. Only one in-service withdrawal may be made by a participant during a calendar year for a minimum amount of \$1,000. The Plan also allows for certain hardship withdrawals prior to termination of employment.

Payment of Benefits

Upon retirement, a participant is entitled to receive 100% of the vested account balance in a lump-sum distribution or periodic payments over a predetermined period. Upon the death of a participant, the designated beneficiary is entitled to receive 100% of the participant’s account in a lump-sum distribution or periodic payments over a predetermined period. In addition, disabled participants are entitled to 100% of their account balance. Benefits are recorded when paid.

UNITED COMMUNITY BANKS, INC. 401(K) PLAN
Notes to Financial Statements

Notes Receivable from Participants

Effective January 1, 2022, the Plan was amended to permit participant loans. Participants may borrow from their account balances an amount not to exceed the lesser of \$50,000 reduced by the highest outstanding loan balance during the previous 12 months or 50% of their account balance. The minimum loan amount allowed by the Plan is \$1,000 and a participant may have only one loan outstanding at any time. The permitted loan term ranges from 1 to 5 years. The interest rate charged on amounts borrowed is equal to the Wall Street Journal prime rate plus 1% at the loan origination date. Principal and interest is paid ratably through payroll deductions.

Administrative Expenses

The Plan pays substantially all recordkeeping fees. Starting in 2023, the Plan Sponsor started performing investment advisory services for the Plan and, as a result, administrative expenses related to these services are no longer paid for by the Plan.

Forfeited Accounts

At December 31, 2023 there were approximately \$19,000 in forfeited non-vested accounts. Forfeited accounts are used to reduce future Company contributions or to reduce Plan expenses at the discretion of the Plan sponsor.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting and present the net assets available for benefits and changes in those assets of the Plan. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments, except for fully benefit-responsive investment contracts, are carried at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. As a practical expedient, the fair value of common trust funds and the guaranteed insurance contract is estimated using the net asset value ("NAV") per share of the fund. See Note 6 for further information on fair value.

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administration expenses.

Securities transactions are recorded on the trade date. Interest income is recorded on an accrual basis when it is earned. Dividend income is recorded on the ex-dividend date.

The net returns from investment activity include realized and unrealized gains and losses from investment activity as well as earnings on investments. Unrealized gains and losses are calculated as the difference between the current value of securities as of the end of the Plan year and either the current value at the end of the preceding year or the actual cost if such investments were purchased during the current year. Realized gains or losses on sales of investments are calculated as the difference between sales proceeds and the current value of investments at the beginning of the year or the actual cost if such investments were purchased during the year. Earnings on investments include interest and dividends on the Company's common stock and mutual fund shares.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023.

Risks and Uncertainties

The Plan provides for investments in various investment securities, which are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities could occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements

(3) Tax Status

The Plan obtained its latest determination letter on August 19, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Since the date of the determination letter, the Plan has been amended. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires the Plan sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

(4) Party-In-Interest Transactions

During the course of the year, the Plan entered into certain party-in-interest transactions with the Company and T. Rowe Price Trust Company (the "Trustee").

The Plan holds an investment in the Company's common stock. Effective January 1, 2015, participants could no longer invest additional funds in the Company's common stock, although existing balances invested in the Company's common stock are maintained as Plan assets. The Company may declare cash dividends on its common stock on a quarterly basis throughout the year. In 2023, the Plan recorded dividends of \$166,309 on its investment in the Company's stock, which included \$42,448 in dividends receivable at December 31, 2023.

Recordkeeping fees are paid by the Plan to the Trustee, which functions as the trustee, custodian and recordkeeper for the Plan. The Trustee receives revenue from mutual fund service providers for services provided by the Trustee to the funds. A portion of this revenue is shared with the Plan to offset certain amounts owed to the Trustee for administrative services provided to the Plan in the form of fee credits. Fee credits are included in other contributions on the Statement of Changes in Net Assets Available for Benefits. Gross fees totaled \$236,870 for 2023 and are presented on the Statement of Changes in Net Assets Available for Benefits as administrative expenses.

(5) Unaudited Information Certified by Trustee

The accompanying financial statements, investment information provided in Note 6 and the supplemental schedule include the following unaudited information as of December 31, 2023 and 2022 and for the year ended December 31, 2023 that was obtained from data prepared and certified to be complete and accurate by the Plan's Trustee.

⁽²⁾ Excludes adjustment for the change in dividends receivable for the years ended December 31, 2023 and 2022 reflected in the financial statements.

(6) Fair Value Measurements

In accordance with the fair value hierarchy established by the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification Topic 820 ("ASC 820") *Fair Value Measurements and Disclosures*, the Plan's assets are measured at fair value and categorized into one of the three levels of the hierarchy as set forth below.

UNITED COMMUNITY BANKS, INC. 401(K) PLAN
Notes to Financial Statements

Level 1 Valuation is based upon quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 Valuation is based upon quoted prices for similar assets and liabilities in active markets, as well as inputs that are observable for the asset or liability (other than quoted prices), such as interest rates, foreign exchange rates, and yield curves that are observable at commonly quoted intervals.

Level 3 Valuation is generated from model-based techniques that use at least one significant assumption based on unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity. In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the asset or liability.

Valuation methodologies applied to investments reported at fair value are as follows:

Common stock: The Company's common stock traded on an active exchange, and its value is based on a quoted market price qualifying it as a Level 1 investment.

Mutual funds: Investments in mutual funds held are stated at fair value based on quoted market prices of the underlying fund securities and are classified as Level 1 investments.

Common trusts: These investments are measured at NAV per unit, as determined by the trustee at year-end. The NAV is used as the practical expedient to estimate fair value. The Plan's investment in these trusts is not required to be classified within the fair value hierarchy since it is measured at NAV.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's assets measured at fair value on a recurring basis as of the dates indicated.

T. Rowe Price Stable Value Common Trust Fund: The fund holds indirect investments in fully benefit-responsive investment contracts. It primarily invests in synthetic investment contracts issued by insurance companies, banks, and other financial institutions and other short-term investments. The objectives of the Stable Value Fund are to maximize current income consistent with the maintenance of principal and to provide benefit-responsive participant withdrawals at contract value. Participants may redeem trust units on a daily basis for withdrawal or transfer of all or a portion of their investment at contract value without restriction.

Events outside the normal operation of the Stable Value Fund that cause a withdrawal from an investment contract may result in a negative market value adjustment, which can limit the ability to transact at contract value with the issuers of its investment contracts. Examples of such events include, but are not limited to, partial or complete legal termination of the Stable Value Fund or a unit holder, tax disqualification of the Stable Value Fund or a unit holder, and certain Stable Value Fund amendments if issuers' consents are not obtained. According to the Stable Value Fund's annual report, as of December 31, 2023, the occurrence of such an event is not considered to be probable.

T. Rowe Price Retirement trusts: The plan includes 13 T. Rowe Price Retirement Trusts, which were formed under the T. Rowe Price Strategic Common Trust Fund. The investment objective of each retirement trust is to provide the highest total return over time consistent with an emphasis on both capital growth and income by investing primarily in a diversified portfolio of underlying bond, equity and money market trusts that represent various asset classes and sectors.

Mid Cap Growth R1: This fund seeks to outperform its benchmark, the Russell MidCap Growth Index. It seeks long-term capital appreciation by primarily investing in U.S. mid-capitalization companies with expected above-average earnings growth potential.

Small Cap Growth: This fund aims to promote long-term growth of capital and outperform its benchmark, the Russell 2000 Growth Index. This fund takes a prominent position in high-quality smaller capitalization U.S. companies who are in early growth stages with earnings potential that are likely to outpace relative market expectations.

Large Cap Value R1: The fund seeks to invest in well-established companies with underappreciated fundamentals and the income potential from growing dividends to pursue returns. Large-value portfolios invest primarily in large U.S. companies that are less expensive and growing more slowly than other large-capitalization stocks.

UNITED COMMUNITY BANKS, INC. 401(K) PLAN
Notes to Financial Statements

GQG Partners International Equity CIT D: The fund invests primarily in the equity securities of non-U.S. issuers that GQG believes are undervalued by the market. GQG may invest in equity securities directly or through equity-linked instruments of companies. The Fund has no limitation on the capitalization size of the companies in which it invests. It may invest in any non-US country, including emerging markets countries.

Parnassus Sustainable Core Equity CIT I: The Fund's primary investment objective is to achieve long-term capital appreciation. The Fund seeks to achieve this objective through investing a majority of its assets into U.S. large cap companies that pay dividends. The Fund's investment strategy is considered primarily a U.S., large-cap, equity strategy, which means that it normally invests more than half of its net assets in large, well-established businesses.

Earnest Partners SMID Cap Core I: Earnest Partners is a fundamental, bottom-up investment manager whose investment objective is to outperform the benchmark while controlling volatility and risk. The fund is comprised of a blend of mid-cap U.S. stocks.

(7) Investment Contract with Insurance Company

In 2023, the Plan entered into a fully benefit-responsive investment contract with Standard Insurance Company. The investment, APEX Guaranteed Fixed Interest Fund is available through a rider to Standard Insurance Company's group annuity contract. It is designed to provide plan participants with a guaranteed return of principal, along with competitive crediting interest rates and liquidity. The fund is comprised of publicly traded bonds and small commercial mortgage loans within Standard Insurance Company's general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

The guaranteed investment contract is fully benefit responsive; therefore, contract value is the relevant measurement. Contract value, as reported to the Plan by Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Plan Sponsor does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The Plan may terminate the guaranteed investment contract by providing notice to the issuer. Upon notice, the contract would be discontinued within 30 to 90 days.

The following represents the contract value of the investment contract held by the Plan:
