INDEPENDENT AUDITOR'S REPORT

To the Trustees of
the Genesis Medical Associates, Inc.
401(k) Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Genesis Medical Associates, Inc. 401(k) Profit-Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, (the supplemental schedule) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting

and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GENESIS MEDICAL ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan and Summary of Significant Accounting Policies

The following description of the Genesis Medical Associates, Inc. (the Company) 401(k) Profit Sharing Plan (the Plan) provides only a general description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of the Company who have one year of service and are age twenty-one or older. The Plan follows the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute a certain percentage of pretax annual compensation, as defined in the Plan. Participants who are at least 50 years old before the end of the plan year may make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options maintained by the Plan.

The Company has the option to make discretionary profit sharing contributions. The Company invests its contributions into the various investment options selected by the participants.

Certain regulatory requirements limit the amount of both contributions.

Participants' Accounts

The Plan credits each participant's account with his or her contribution and allocations of the Company's contribution. The Company has the option to pay administrative charges of the Plan. The Plan will pay any reasonable expenses it incurs in connection with the Plan's administration that the Company does not pay. The Plan charges some fees directly to participants' accounts or the Plan's forfeiture account. Since participants direct their investments, the Plan segregates the participants' accounts for purposes of determining the earnings or loss on those investments. Individual accounts do not share in the investment performance of other participants who have directed their own investments.

Vesting

The Plan provides that participants' contributions, including actual earnings thereon, are immediately vested. With respect to the Company's contributions and the earnings thereon, a participant with less than 2 years of service, as defined in the Plan, is not vested; a

participant with 2 years of service is 20% vested, 3 years is 40% vested, 4 years is 60% vested, 5 years is 80% vested, and 6 or more years is 100% vested.

Participants' Loans

Participants may borrow from their accounts. A balance of the participant's account equivalent to the outstanding loan balance secures the loan. The Plan records the related interest income on the accrual basis. The loans bear interest at the prime rate in effect at the time the loan is granted plus 2%. The term of the loans may range from 12 to 120 months. The Company deducts loan payments, including interest, from the participant's salary or wages. The Plan values participants' loans at net realizable value, which approximates fair value.

As of December 31, 2023 and 2022, the Plan did not record any allowance for credit losses. If a participant does not make loan payments and the plan administrator considers the loan to be in default, the plan administrator will reduce the loan balance and record the delinquent participant loan as a benefit payment based on the terms of the Plan.

Forfeitures

The Plan may use forfeitures to pay administrative expenses of the Plan. Any forfeitures not used for that purpose may be used to reduce any discretionary profit sharing contribution for the current year or subsequent plan years.

Basis of Accounting

The Plan prepares its financial statements on the accrual basis of accounting.

Benefits

A participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account when the participant terminates service with the Company because of death, disability, or retirement. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Generally, the Plan records benefits when paid.

Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect

GENESIS MEDICAL ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan values its investments at fair value. The Plan values shares of mutual funds at quoted net asset values of units held by the Plan at year end, and the Plan values the units of a collective trust fund at the net asset value per share practical expedient (NAVPE). The Plan records purchases and sales of securities on a trade-date basis and dividends on the ex-dividend date. Net appreciation or depreciation includes gains and losses on investments bought and sold as well as held during the year.

Subsequent Events

Plan management has evaluated subsequent events through October 11, 2024, the date the financial statements became available to be issued and determined that no adjustments or additional disclosures are necessary.

Note 2: Investments

The Plan's methods to measure fair value of its investments may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs such as quoted prices for similar securities in active markets, quoted prices for identical or similar securities in markets, which are not active, or other inputs, which are corroborated by observable market data by correlation. Level 3 inputs consist of unobservable inputs. The Plan's management used Level 1 inputs to measure fair values of its mutual funds. For the plan's investments of its collective trust funds, management NAVPE for the collective trust fund in 2023 and 2022.

The components of the Plan's investments measured at fair value on a recurring basis as of December 31, 2023 and 2022, are presented on the following page.

	<u>\$ 41,310,103</u>	<u>\$ 35,935,438</u>

During the year ended December 31, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the period) appreciated in value by \$4,583,923. The mutual funds appreciated in value by approximately \$4,529,011 and the collective trust fund's value appreciated by approximately \$54,912.

On December 31, 2023 and 2022, investments included forfeited nonvested accounts totaling \$15,987 and \$17,893, respectively. The Plan will use these accounts to reduce future employer contributions or pay administrative expenses of the Plan. In 2023, the Company used \$13,575 to fund partially its employer contribution for 2022.

Note 3: Participants' Loans

As of December 31, 2023 and 2022, the outstanding balance of participants' loans amounted to approximately \$94,394 and \$70,385 respectively. The loans bear interest at various rates ranging between 5.25% and 10.5% and will mature by December 2028.

Note 4: Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 5: Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated January 24, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GENESIS MEDICAL ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Accounting principles generally accepted in the United States require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained under examination by the IRS. The IRS may examine the Plan's annual informational returns for each of the years in the four-year period ended December 31, 2023. Should the Plan be subject to any penalties or interest assessed by the IRS, the Plan may account for such expenses as an administrative expense or may seek reimbursement from the Company.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities and money market funds. Various risks such as interest rate, market, and credit may affect the value of the investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

Note 7: Related Party Transactions

American Funds manages certain investments of the Plan. The Plan's custodian is an affiliate of American Funds; therefore, transactions in such investments qualify as party-in-interest transactions.

The Company may pay certain administrative expenses on behalf of the Plan

Note 8: Unaudited Information Certified by Plan Custodian

The plan administrator prepared the 2023 and 2022 statements of net assets available for benefits, the investment activities included on the 2023 statement of changes in net assets available for benefits, and the accompanying notes to financial statements in part or entirely from information certified by the custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The custodian certified total investments and participants' loans receivable of \$41,404,497 and \$36,005,467 on December 31, 2023 and 2022, respectively, and related net investment income of \$5,938,281 for the year ended December 31, 2023.
