**Report on the Financial Statements*****Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Wolfe Electric, Inc. Profit Sharing / 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C).

The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wolfe Electric, Inc. Profit Sharing / 401(k) Plan and Trust, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wolfe Electric, Inc. Profit Sharing / 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit

conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgement and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wolfe Electric, Inc. Profit Sharing / 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- consider whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wolfe Electric, Inc. Profit Sharing / 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during our audit.

### ***Other Matters***

#### ***Supplemental Schedules Required by ERISA***

The supplemental schedule listed in the table of contents is for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and

relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, as applicable.

***In Our Opinion***

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, as applicable.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

1. Description of the Plan

The following brief description of Wolfe Electric, Inc. Profit Sharing / 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan, established January 1, 2006, is a single-employer defined contribution plan covering any person who has satisfied the eligibility requirements of the Plan. Eligibility is satisfied by completing one period of service and having attained the age of 18. A period of service is defined as a twelve month working period beginning on the date of hire.

The Plan is administered by a two-member Board of Discretionary Trustees. The Trustees have delegated certain administrative duties to Empower Retirement Services. The Trustees of the Plan have the right to make amendments at any time, subject to certain restrictions.

Contributions

This Plan is referred to as a "Qualified Automatic Contribution Arrangement 401(k) Plan" (QACA). This type of plan makes contributions based on safe harbor matching contributions. The employer will make a safe harbor matching contribution equal to 100% of the participant's salary deferrals up to 1% of the participant's compensation plus 50% of the participant's salary deferrals between 1% and 6% of the participant's compensation. The employer may also make discretionary additional matching contributions or nonelective contributions. The Plan is also funded by voluntary employee contributions on both a pre-tax and after tax (Roth) basis. Rollover contributions are permitted from another qualified Plan. Both employer and employee pre-tax contributions are exempt from current taxable income, although employee contributions are subject to Social Security and Medicare taxes. Benefits paid from the Plan are taxable at that time.

Investment Options

Participants direct the investment of contributions into various investment options offered by the Plan. For any contributions not specifically directed by the participant, applicable LifeTime separate account funds are utilized based on the participant's current age and normal retirement age under the Plan, which is age 62. The Plan currently offers mutual funds and guaranteed investment contracts as investment options for participants.

Participant Accounts

Investments are 100% participant directed and can be changed at any time. Contributions are forwarded to the Great-West Trust Company for investment. The accounts are charged with net losses on investments (both realized and unrealized), any withdrawals, and an allocation of administrative expenses. Each participant's account is credited with: (1) the employer's contribution made on the participant's behalf, (2) contributions and rollovers made by the participant, and (3) an allocation of Plan investment earnings (both realized and unrealized). Participant accounts are bookkeeping accounts maintained by the Plan. Actual contributions are commingled for investment purposes.

Vesting

Participants are always 100% vested in the value of elective deferral and rollover accounts at all times. Participants do have a vested percentage for certain employer contributions.

| 2 or more                 | 100%              |

Payment of Benefits

On termination of service due to death, disability, or retirement, the participant's vested account shall be used to provide benefits either in the form of a lump sum or an annuity. If termination is due to death or disability while still employed by the Employer, they will become 100% vested regardless of periods of service and the entire account balance will be used to provide benefits to the participant or their beneficiary.

Participants may receive a hardship distribution while still employed, with certain limitations, from participant deferrals. Other in-service distributions are allowed while still employed as long as they have been a participant for 72 months or have attained the age of 59 1/2.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Forfeitures

If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan as a forfeiture. Forfeitures may be utilized to pay Plan expenses or to reduce nonelective or matching contributions. During the year ended December 31, 2023, \$110,556 was utilized, of which \$0 was for Plan expense.

2. Summary of Significant Accounting Policies

This summary of significant accounting policies is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, who is responsible for their integrity and objectivity.

**NOTES TO FINANCIAL STATEMENTS**

2. Summary of Significant Accounting Policies (continued)

Basis of Accounting

The accompanying financial statements are prepared using the modified cash basis of accounting under which income and contributions are recognized when received rather than when earned, and expenses are recognized when paid rather than when incurred. Therefore, accrued income and expenses, payables, and deferred expenses, are not recognized in the accompanying statements.

Plan Investments

Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians for the Plan, holds all the Plan's investment assets and manages various investment funds on behalf of the Plan. Financial information relating to investments held by the Custodian is included in the accompanying financial statements based on information provided by the Custodian. That information has not been audited by the Plan's independent auditors.

Valuation of Investments

The Plan's Investments (other than fully benefit-responsive investment contracts, which are reported at contract value) are valued at market value as determined and certified by the Custodian as of the Plan's year end. The fair value of these investments may fluctuate subsequent to year end due to changes in economic conditions.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

3. Investments Certified or Provided By Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC

Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians, have reported and certified as to the completeness and accuracy of the investment information for purposes of preparing the financial statements and supplemental schedule related thereto. This information includes investments held at December 31, 2023 and 2022 and net appreciation/(depreciation) in fair value of investments and interest and dividends for the years ended December 31, 2023 and 2022. In accordance with the procedures stated in 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the audit of an independent certified public accountant need not extend to any statement or information prepared and certified by the custodian. The Plan Administrator, therefore, has instructed the independent certified public accountants to exclude the information certified by the custodian from the scope of their audit.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

(continued)

**WOLFE ELECTRIC, INC. PROFIT SHARING / 401(k) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**4. Fair Value Measurements (continued)**

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

**Mutual Funds**

These are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

**5. Investment Contract with Insurance Company**

The Plan has a Guaranteed Investment Contract (Key Guaranteed Portfolio Fund) which is a benefit-responsive investment contract. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Great-West Life & Annuity Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal plus a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The average yield for the years ended December 31, 2023 and 2022 was 1.23% and 0.93%, respectively. The average yield earned by the Plan is derived by averaging the Plan's quarterly interest rates for the fund. The actual average based on earnings for the years ended December 31, 2023 and 2022 was 1.23% and 0.94%, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the Plan, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

6. Tax Status

The Plan was initially effective January 1, 2006. Effective January 1, 2018, the Plan was restated and adopted a new Prototype Non-Standardized Profit Sharing Plan. Effective January 1, 2022, the Plan and Trust document was amended to exclude bonuses categorized in payroll as "Profit share - cash" from all contributions. Great-West Trust Company, LLC, the sponsor of this prototype Plan, obtained its latest Internal Revenue Service (IRS) determination letter on March 31, 2014, in which the IRS stated that the form of the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

7. Plan Termination

The Trustees reserve the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of total or partial termination of the Plan, the assets of the Plan shall be allocated to the Participants and former Participants in accordance with the termination provision specified by the Pension Benefit Guaranty Corporation and the Internal Revenue Service.

8. Plan Amendments

Effective August 1, 2023, the Plan and Trust document was amended to include partial distributions as a payment method for post-severance and lifetime RMD distributions.

9. Subsequent Events

Subsequent events were evaluated for recognition and disclosure through October 11, 2024.

No reportable events occurred after the balance sheet date and before October 11, 2024, the date which the financial statements were available to be issued.
