MAYER LLP 401(k) AND PROFIT SHARING PLAN
FINANCIAL STATEMENTS
AND INDEPENDENT AUDITORS' REPORT
DECEMBER 31, 2023

INDEPENDENT AUDITORS' REPORT

To Those Charged with Plan Governance,
Plan Participants, and Beneficiaries
Mayer, LLP 401(k) and Profit Sharing Plan
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Mayer, LLP 401(k) and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosures under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2023 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2023 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatements resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MAYER, LLP 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

1. DESCRIPTION OF PLAN

The following description of the Mayer, LLP 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is sponsored by Mayer, LLP (the “Sponsor” or “Company”) and is a single employer defined contribution 401(k) plan covering substantially all employees of the Company with the exception of union, nonresident aliens, part-time, temporary and seasonal employees. Participants are immediately eligible to participate in the Plan following attainment of age 21.

The Plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), became effective January 1, 2019.

Contributions

Participants may elect to contribute a percentage or dollar amount of their eligible compensation as defined by the Plan. The maximum percentage of compensation a participant may elect to defer is 90% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are also eligible to make catch up contributions. Participants may select from pre-tax or Roth deferrals. These contributions are subject to annual limitations established by the Internal Revenue Service (IRS). Eligible employees may also contribute amounts representing distributions from other qualified retirement plans prior to meeting eligibility requirements for participation in the Plan.

The Plan includes an automatic enrollment provision whereby participants are automatically enrolled in the Plan and have pre-tax elective deferrals equal to 3% of eligible compensation unless they complete an alternative election or elect not to participate. Effective the first day of the Plan year, the automatic deferral rate will increase by 1% per year up to a maximum of 10% of eligible compensation. This automatic increase begins with the second Plan year following the date deferrals were first automatically withheld from a participants pay.

For participants employed on the last day of the Plan year, the Company may elect to make a discretionary matching contribution to the Plan. For the Plan year ended December 31, 2023, the Company elected a discretionary matching contribution of 25% of the first 6% of each participant’s eligible compensation that a participant contributes to the Plan. The Plan will match a participants catch-up deferrals. Discretionary matching contributions, net of forfeitures totaled \$260,577 for the year ended December 31, 2023. For participants employed on the last day of the Plan year, the Company may also make a non-elective contribution at its discretion. A non-elective discretionary contribution was not funded for the Plan year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF PLAN (Continued)

Investments

Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan currently offers several investment options and participants may make changes to their investment allocation at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary matching and non-elective contributions, if any, (b) Plan earnings or losses, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions and actual earnings or losses thereon. Participants are vested in employer discretionary matching and nonelective contributions and actual earnings or losses thereon based on years of continuous service. The vesting schedule for discretionary matching and nonelective contributions and earnings is as follows:

<u>Years of service</u>	<u>Vested Percentage</u>
Less than 3	0%
3	100%

Additionally, a participant will become fully vested in the event of death or total and permanent disability.

MAYER, LLP 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) 50% of their vested account balance reduced by any outstanding loan balance or (b) \$50,000, reduced by the highest outstanding loan balance during the one year period ended on the day before the loan is made. Two loans may be outstanding at a time. Loan principal and interest is generally repaid through payroll deductions and are reinvested in the participant's account according to the individual investment elections. Loan terms generally may not exceed five years, however, if the loan is for the purchase of a participant's primary residence, the Plan Sponsor may permit a longer repayment term. Loans are secured by the balance in the participant's accounts and bear interest at a rate of prime plus 2% and range from 4.25% to 10.50%. Any loan origination fee will be described in the loan application form and will be deducted directly from the participant's account and are included in the administrative expenses on the statement of changes in net assets available for benefits.

Payment of Benefits

Distributions generally will be made in the event of retirement, death, disability, resignation, or dismissal. Vested account balances can be distributed by lump sum distributions or partial withdrawal. Vested account balances that do not exceed \$5,000 are subject to automatic distribution without participant's consent.

Rollover contributions are included in determining the \$5,000 threshold. All other accounts must receive participant consent before a distribution to the participant can occur.

Certain in-service withdrawals are allowed. A participant may elect to withdraw all or a portion of their vested account balance while employed after reaching age 59.5. Hardship withdrawals are allowed only for immediate and heavy financial needs for reasons defined by the Plan document.

Forfeitures

A non-vested amount remaining in a participant account of a terminated employee after the earlier of a) the distribution of his or her vested account balance or b) five consecutive one-year breaks in service, is defined as a forfeiture. Forfeitures derived may be used to pay Plan expenses, restore forfeitures, or reduce the Company's contributions. During the Plan year ended December 31, 2023, forfeitures of \$1,000 were used to reduce discretionary employer match contributions funded to the Plan. Unallocated forfeitures outstanding as of December 31, 2023 totaled \$5,184.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements for the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan's management to make estimates and assumptions that affect certain amounts reported in the financial statements, accompanying notes, and the supplemental schedule. Actual results may vary from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (with the exception of fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Group annuity contracts held by a defined contribution plan that are fully benefit-responsive are reported at contract value. Contract value is the relevant measure because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms the contract. Contract value represents net contributions plus interest at the contract rate.

Purchases and sales of securities are recorded on trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation includes the Plan's gains and losses on investments bought and sold as well as unrealized gains and losses on investments held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans, all of which are secured by vested account balances of borrowing participants and are recorded at their outstanding principal balances plus accrued but unpaid interest. Interest income on note receivable from participants is recorded when it is earned and is included in interest income on notes receivable from participants on the statement of changes in net assets available for benefits. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

MAYER, LLP 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payments of Benefits and Receipt of Contributions

Benefits paid to participants are recorded when paid. Contributions are recorded when deemed a receivable by the Plan.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with corresponding reduction to contributions. There were no excess contributions payable for the years ended December 31, 2023 or 2022.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to notes receivable from participants and benefits paid to participants are charged directly to the participant's account and included in administrative expenses on the statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation or depreciation of fair value of investments on the statement of changes in net assets available for benefits.

3. INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIANS (UNAUDITED)

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the Custodians of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a. Investments and notes receivable from participants as shown in the statements of net assets available for benefits, as of December 31, 2023.
- b. Interest and dividends, net appreciation in fair value of investments, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits, for the year ended December 31, 2023.
- c. Form 5500, Schedule of Assets Held (End of Year) as of December 31, 2023, as shown in the supplemental schedule.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

See accompanying independent auditors' report.

MAYER, LLP 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. FAIR VALUE MEASUREMENTS

Valuation techniques used to measure fair value use a hierarchy, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities

Level 2 – Valuations based on inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly, such as quoted prices in markets that are not active; other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Valuations based on inputs that are unobservable and significant to the overall measurement.

The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the classification of assets and liabilities within the fair value hierarchy. Because of the long-term nature of certain assets and liabilities measured at fair value as well as differences in the availability of market prices and market liquidity over their terms, inputs for some assets and liabilities may fall into any one of the three levels in the fair value hierarchy. GAAP requires these assets and liabilities to be classified in the lowest level in the hierarchy for which inputs are significant to the fair value measurement; a portion of that measurement may be determined using inputs from a higher level in the hierarchy.

The availability of valuation techniques and observable inputs can vary from investment to investment and is affected by a wide array of factors. In certain cases, the inputs used to measure fair value may fall into different levels of the hierarchy. For disclosure purposes, the level in the hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement. The estimated values do not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined.

To the extent that a specific valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. As such, the degree of judgment exercised by the Plan in determining fair value is greatest for investments in Level 3.

MAYER, LLP 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022

- *Mutual funds of registered investment companies.* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table represents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits and sets forth by level, within the fair value hierarchy, the Plan investments at fair value as follows:

December 31, 2023				
Fair Value Measurements Using:				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Registered investment companies:				
Mutual funds	\$ 14,234,379	\$ -	\$ -	\$ 14,234,379
Total investments, at fair value				<u>\$ 14,234,379</u>

December 31, 2022				
Fair Value Measurements Using:				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Registered investment companies:				
Mutual funds	\$ 10,887,558	\$ -	\$ -	\$ 10,887,558
Total investments, at fair value				<u>\$ 10,887,558</u>

The Plan has no financial instruments which were categorized using Level 3 inputs as of December 31, 2023 and 2022.

The Plan recognizes transfer between levels in the fair value hierarchy as of the end of the reporting period. There were no transfers between levels for the years ended December 31, 2023 and 2022.

See accompanying independent auditors' report.

MAYER, LLP 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds the investment, Key Guaranteed Portfolio Fund, which is a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a group annuity contract with Empower Annuity Insurance Company of America. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero. The average yield earned by the Plan for the fully benefit-responsive investment was 1.23% for 2023 and .95% for 2022, respectively. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

6. NON-PARTICIPANT DIRECTED INVESTMENTS

The Plan's participants direct all investments. There are no non-participant directed investments as of December 31, 2023 and 2022

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers and employees of the Company for which the officers or employees receive no compensation from the Plan nor is the Plan charged by the Company for these services. The Plan pays certain expenses related to the Plan's operations and investment activity to various service providers.

The Plan also permits loans to participants.

Empower Trust Company, LLC and Empower Annuity Insurance Company of America act as custodians for the investments as defined by the Plan. The Plan invests in a group annuity contract by Empower Annuity Insurance Company of America.

These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

MAYER, LLP 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

8. PLAN TERMINATION

Although no intent to do so has been expressed, the Sponsor has the right under the Plan to discontinue its contributions, if any, at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets will be distributed in accordance with the Plan document.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2023 and 2022:

	2023	2022
Net assets available for benefit per financial statements	\$ 16,625,373	\$ 13,805,536
Less: Employer contributions receivable	<u>(261,577)</u>	<u>(190,043)</u>
Net assets available for benefit per Form 5500	<u>\$ 16,363,796</u>	<u>\$ 13,615,493</u>

The following is a reconciliation of the net change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits per financial statements	\$ 2,819,837
Add: 2022 employer contributions receivable	190,043
Less: 2023 employer contributions receivable	<u>(261,577)</u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 2,748,303</u>

10. TAX STATUS

Effective January 7, 2021, the Plan is based on a Nova 401k Associates, Inc. non-standardized pre-approved plan, which received a favorable opinion letter dated June 30, 2020 from the IRS stating the prototype plan constitutes a qualified plan under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

See accompanying independent auditors' report.

MAYER, LLP 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect a participants' account balance and the amounts reported in the statement of net assets available for benefits.

12. SUBSEQUENT EVENTS

The Company evaluated events that occurred after the statement of net assets available for benefits date through October 14, 2024, which is the date these financial statements were available to be issued.
