To the Corewell Health Finance and Audit Committee
Corewell Health

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of the Spectrum Health System 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, as well as the related notes to the financial statements (collectively, the "2023 financial statements").

The Plan's management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

The Plan's management has obtained certifications from qualified institutions as of, and for the year ended, December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

INDEPENDENT AUDITOR’S REPORT (CONTINUED)

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the “Auditor’s Responsibilities for the Audit of the 2023 Financial Statements” section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).
- The information in the accompanying 2023 financial statements related to assets held by, and certified to by, qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that the Plan’s management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2023 Financial Statements” section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

The Plan’s management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the 2023 Financial Statements (continued)

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.
- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the 2023 Financial Statements (continued)

- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

2023 Supplemental Schedules Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the financial statements of the Plan as of, and for the year ended, December 31, 2022 (collectively, the "2022 financial statements"). In accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the audit of the 2022 financial statements did not extend to any statements or information related to assets held for investment of the Plan that were certified by qualified institutions. Their report, dated October 6, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to, or derived from, the certified investment information, were presented fairly, in all material respects, in accordance with U.S. GAAP, and (b) the information in the 2022 financial statements related to assets held by, and certified to by, qualified institutions agreed to, or was derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to, or was derived from, the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by, and certified to by, qualified institutions agreed to, or was derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

SPECTRUM HEALTH SYSTEM 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A — DESCRIPTION OF THE PLAN

The following brief description of the Spectrum Health System 403(b) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information, including information regarding vesting and benefit provisions. Copies of this document are available from the Human Resources Department of Spectrum Health System (“Spectrum Health”).

General

The Plan is a defined contribution pension plan established under section 403(b) of the Internal Revenue Code (the “IRC”) covering certain employees of Spectrum Health and certain controlled affiliates that have completed adoption agreements to allow their employees to participate in the Plan. Corewell Health is the sole corporate member of Spectrum Health. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Empower Annuity Insurance Company of America (“Empower”), Prudential Bank & Trust, FSB (“Prudential Trust”), Voya Retirement Insurance and Annuity Company (“Voya Insurance”), and Voya Institutional Trust Company (“Voya Trust”) serve as the trustees and recordkeepers of the Plan. Prior to December 31, 2022, Newport Trust Company (“Newport”) also served as a trustee and recordkeeper of the Plan. Spectrum Health serves as the Plan sponsor and the Plan administrator.

Eligibility

Eligible employees can become participants of the Plan upon hire.

Contributions

The Plan provides for participant voluntary contributions up to a maximum percentage of their annual compensation, subject to maximum tax-deferred limitations established by the IRC. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. In connection with controlled affiliates adopting the Plan, the controlled affiliates may transfer assets to the Plan from a plan they previously sponsored.

Spectrum Health may make discretionary matching and discretionary nonelective contributions to participants based on the provisions of the Plan agreement and related adoption agreements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)**December 31, 2023 and 2022****NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)****Contributions (continued)**

Employer discretionary matching contributions (net of forfeitures) and employer discretionary nonelective contributions (net of forfeitures) for the years ended December 31, 2023 and 2022 were as follows:

	<u>2023</u>	<u>2022</u>
Matching contributions	\$ 49,536,619	\$ 43,092,111
Nonelective contributions	<u>40,465,956</u>	<u>44,897,858</u>
	<u>\$ 90,002,575</u>	<u>\$ 87,989,969</u>

Participant Accounts

Each participant's account is credited with the participant's contributions, Spectrum Health's contributions, and an allocation of Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on each participant's compensation or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in participant voluntary and rollover contributions and any income or loss thereon. Vesting in the employer contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Participants become fully vested in employer contributions after three years of service.

Distributions

Upon termination of employment, the participant or, in the case of death, the surviving spouse, can elect to receive the participant's account balance in a single lump-sum or in various installment annuities. Account balances less than \$1,000 are paid in a single lump-sum upon termination.

Investment Options

Upon enrollment in the Plan, participants may direct contributions in any of several investment options.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts, subject to certain maximum and minimum amounts prescribed in the Plan and in the IRC. Loans are secured by the participant's account and incur an interest rate based on prevailing interest rates for similar loans. Repayment of any loan is made over a period of five years or less (10 years or less for loans used to acquire a participant's principal residence).

Forfeitures

If a participant is not fully vested on that individual's termination date, the nonvested amount of the account is forfeited. Forfeitures are used to pay reasonable administrative expenses of the Plan or to reduce future employer contributions. During the years ended December 31, 2023 and 2022, approximately \$1,492,000 and \$802,000, respectively, was forfeited by participants, while approximately \$868,000 was used each year to reduce employer contributions. As of December 31, 2023 and 2022, forfeited account balances totaled approximately \$420,000 and \$202,000, respectively.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

The Plan's investments are valued as follows:

- Shares of registered investment companies and units of self-directed brokerage accounts are valued at quoted market prices, which represent the net asset value of shares held by the Plan as of the end of the year.
- The values of pooled separate accounts are based on the underlying investments in the funds, which consist primarily of securities with quoted prices in active markets. The reported balances of these funds are based on the net asset value ("NAV") per share calculated by the investment managers and administrators.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments (continued)

- Fully benefit-responsive investment contracts are stated at contract value, as described in Note D.

Purchases and sales of investments are reflected on a trade-date basis. Gains and losses on sales of investments are based on average costs. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at cost plus accrued interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant note receivable balance is reduced and a benefit payment is recorded. A valuation allowance for credit losses is not considered necessary as of December 31, 2023 or 2022.

Fair Value Measurements

The Plan uses fair value measurements in the preparation of its financial statements, which utilize various inputs, including those that can be readily observable, corroborated, or are generally unobservable. The Plan utilizes market-based data and valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Additionally, the Plan applies assumptions that market participants would use in pricing an asset or liability, including assumptions about risk.

The measurement of fair value includes a hierarchy based on the quality of inputs used to measure fair value. Financial assets and liabilities are categorized into this three-level fair value hierarchy based on the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The various levels of the fair value hierarchy are described as follows:

- Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

- Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable for substantially the full term of the asset or liability
- Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement

The use of observable market data, when available, is required in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Deposits-in-Transit

Deposits-in-transit were held in a non-Plan-specific suspense account as of December 31, 2023 and 2022 before being allocated to participant accounts subsequent to the end of each year.

Contributions

Participant contributions are recorded in the period that payroll deductions are made from participants. Employer contributions are recorded in the period to which they relate, as designated by Spectrum Health's management.

Payment of Distributions

Distributions to Plan participants are recorded when paid.

Administrative Expenses

All administrative expenses, professional fees, and costs and expenses incurred in connection with investment transactions and other assets used in the operation of the Plan are paid or accrued for by the Plan, with the exception of certain expenses paid by Spectrum Health.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, as well as disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities, including registered investment companies, pooled separate accounts, and investment contracts. Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Reclassifications

Certain reclassifications have been made to the accompanying financial statements as of, and for the year ended, December 31, 2022 to conform to classifications used as of, and for the year ended, December 31, 2023.

Subsequent Events

The Plan's management has evaluated subsequent events through October 7, 2024, the date that the accompanying financial statements were available to be issued.

NOTE C — INVESTMENTS AND FAIR VALUE

The following is a summary of information regarding the Plan, included in the Plan's financial statements, that was obtained or derived from information provided to the Plan administrator, and was certified as complete and accurate, by Empower, Prudential Trust, Voya Insurance, and Voya Trust, the current trustees, as well as by Newport, the former trustee. Information included in the supplemental schedule of assets (held at end of year) was also obtained from, and certified as complete and accurate by, Empower, Prudential Trust, Voya Insurance, and Voya Trust.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2023 and 2022

NOTE D — UNALLOCATED INSURANCE CONTRACTS

The Plan has benefit-responsive investment contracts with Voya Insurance and Empower. The Voya Fixed Plus Accounts are an obligation of Voya Insurance's general account, which supports all of the insurance and annuity commitments of Voya Insurance. The accounts are credited with earnings on the underlying investments and are charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. When establishing interest crediting rates for this product, Voya Insurance considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. The minimum crediting rate under the Voya Insurance contract is three percent. The minimum crediting rate under the Empower contract is established annually on January 1 and will be greater than or equal to the five-year average Constant Maturity Treasury rates for the first 13 months of the 15-month period immediately preceding the date on which the rate is effective, rounded to the nearest 0.05 percent and reduced by 1.25 percent. The Voya Insurance minimum crediting rate will not be less than one percent nor greater than three percent.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contracts and that require the Plan sponsor to settle at an amount different than contract value paid either within 90 days or over time.

The contracts for the Voya Fixed Plus Accounts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date. However, the investment contracts generally impose conditions on both the Plan and the issuer. If an event of default occurs and is not cured, the party who is not at default may terminate the contracts. The following may cause the Plan to be in default: a breach of material obligation under the contract, a material misrepresentation, or a material amendment to the Plan agreement. The issuer may be in default if it breaches a material obligation under the investment contract, makes a material misrepresentation, has a decline in its long-term credit rating below a threshold set forth in the contracts, or is acquired or reorganized and the successor issuer does not satisfy the investment or credit guidelines applicable to the issuer.

The contracts for the Prudential Guaranteed Long-Term Account generally impose conditions on both the Plan and the issuer. If an event of default occurs and is not cured, the party who is not in default may terminate the contracts. The following may cause the Plan to be in default: a breach of material provision under the contract, or a failure to pay certain expenses. The assets in this fund may not be transferred to a similar fund from another issuer without written consent from the issuer.

NOTE D — UNALLOCATED INSURANCE CONTRACTS (CONTINUED)

If, in the event of default of an issuer, the Plan were unable to obtain replacement investment contracts for any of the above contracts, withdrawing plans may experience losses if that value of the Plan's assets no longer covered by the contracts is below contract value. The Plan administrator believes that the occurrence of any such events is not probable.

The Plan may seek to add additional issuers over time to diversify the Plan's exposure to such risk, but there is no assurance the Plan may be able to do so. The combination of the default of an issuer and an inability to obtain a replacement agreement could render the Plan unable to achieve its objective of maintaining a stable contract value. The terms of investment contracts generally provide for settlement of payments only upon termination of the contracts or total liquidation of the covered investments. Generally, payments will be made pro rata, based on the percentage of investments covered by the issuer. Contract termination occurs whenever the contract value or market value of the covered investments reaches zero or upon certain events of default. If the contract terminates due to issuer default (other than a default occurring because of a decline in its rating), the issuer will generally be required to pay to the Plan the excess, if any, of contract value over market value on the date of termination. If a contract terminates due to a decline in the ratings of the issuer, the issuer may be required to pay to the Plan the cost of acquiring a replacement contract (i.e., replacement cost) within the meaning of the contract. If the contract terminates when the market value equals zero, the issuer will pay the excess of contract value over market value to the Plan to the extent necessary for the Plan to satisfy outstanding contract value withdrawal requests. Contract termination also may occur by either party upon election and notice. The Plan administrator believes that the occurrence of any such events is not probable.

NOTE E — PLAN TERMINATION

Although it has expressed no intention to do so, Spectrum Health has the right to discontinue its contributions at any time and to terminate the Plan, subject to the requirements of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts, and the assets of the Plan will be distributed to the participants in an order of priority determined in accordance with ERISA and its applicable regulations, and in accordance with the Plan document.

NOTE F — INCOME TAX STATUS

The Plan has not applied for a determination letter from the Internal Revenue Service (the “IRS”) that would state that the Plan’s design was in compliance with the applicable requirements of the IRC since the IRS does not issue determination letters for pension plans established under section 403(b) of the IRC. However, Spectrum Health and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. In addition, the Plan administrator is not aware of any uncertain tax positions or unrecognized tax benefits as of December 31, 2023 or 2022. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

NOTE G — PARTY-IN-INTEREST TRANSACTIONS

Certain investments are units of pooled separate accounts and units of investment contracts managed by the Plan’s trustees or entities related to the Plan’s trustees. Therefore, these transactions qualify as party-in-interest transactions.
