FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEARS THEN ENDED**

INDEPENDENT AUDITORS' REPORT

To the Trustees of
Southern Employers Hospitalization,
Dental and Vision Care Plan

Opinion

We have audited the accompanying financial statements of the Southern Employers Hospitalization, Dental and Vision Care Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations (modified cash basis) as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits and of changes in benefit obligations (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations (modified cash basis) of the Southern Employers Hospitalization, Dental and Vision Care Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits and changes in benefit obligations (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting as described in Note B.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Southern Employers Hospitalization, Dental and Vision Care Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southern Employers Hospitalization, Dental and Vision Care Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Employers Hospitalization, Dental and Vision Care Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE A -- PLAN DESCRIPTION

The following description of the Southern Employers Hospitalization, Dental and Vision Care Plan (the "Plan") provides only general information. Participants should refer to their participants' handbook or the Plan agreement for a more complete description of the Plan's provisions.

The Plan was a contributory "employer welfare benefit plan" within the meaning of Section 3(1) of the Employee Retirement Income Security Act. The Plan was created for the purpose of providing hospitalization, dental and vision care to eligible employees of Racetrac, Inc., Energy Dispatch, LLC, and Metroplex Energy, Inc., and their dependents. The Plan was self-funded from employee and employer contributions for most claims. The amount of contributions required from participants was determined by the Plan's Sponsor from time to time on a uniform and nondiscriminatory basis with respect to all persons similarly situated.

During 2023, the Company approved the reorganization of its ERISA-governed health and welfare plans, including the termination of the Plan effective as of December 31, 2023. Concurrent with the termination of the Plan, net assets of approximately \$1,990k and benefit obligations of approximately \$208k were transferred out of the Plan and to the RaceTrac Inc. Group Health and Life Insurance Plan.

Claims were paid directly by the Plan rather than by an insurance company. All qualified claims were contractual obligations of the employer. They were required to be funded when presented for payment by either the Plan or the employer. Employee contributions were determined by participating employers subject to certain exclusions and limitations.

Hospitalization benefits consisted of hospital room and board charges up to a maximum daily benefit of \$350 for eligible employees, spouses and children. No more than 180 days' hospitalization benefits were paid annually for one eligible employee and his or her covered dependents.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The statements of net assets available for benefits and changes in net assets available for benefits have been prepared using the modified cash basis of accounting. The modified cash basis of accounting means that contributions and other revenues are recognized when received and claims and other expenses are recognized when paid.

Use of Estimates - The preparation of financial statements requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefit Obligations – Benefit obligations for claims currently payable and claims incurred by active participants, but not reported, are estimated by the Plan Administrator based on payments by the Plan subsequent to year end.

**SOUTHERN EMPLOYERS HOSPITALIZATION
DENTAL AND VISION CARE PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefit Obligations (Continued) – The Plan's benefit obligations are reported based on certain assumptions pertaining to benefit obligations paid after the end of the year. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Cash – The Plan maintains its cash deposits at high credit financial institutions. Balances at times may exceed federally insured limits.

Date of Management's Review – Subsequent events were evaluated through October 14, 2024, which is the date the financial statements were issued. Management has determined that no subsequent event disclosures are required.

NOTE C -- TAX STATUS

The Plan's trust, which is a 501(c)(9) VEBA trust under Internal Revenue Service (IRS) regulations, has obtained a favorable tax exemption letter from the IRS that it is exempt from income taxes. The Plan Sponsor believes that the trust and the Plan, as amended, continue to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress and the Plan believes that it has no uncertain tax positions. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE D -- TRANSACTIONS WITH PARTIES IN INTEREST

The Plan's Sponsor provides to the Plan certain accounting and administrative services for which no fees are charged. This party-in-interest transaction is exempt from the prohibited transaction rules of ERISA.

NOTE E -- TRANSACTIONS WITH RELATED PARTY

The Plan's Sponsor separately sponsors the RaceTrac Inc. Group Health and Life Insurance Plan, which was created for the purpose of providing hospitalization, accident, sickness, and death benefits to eligible employees and their dependents. This related plan pays for dental claims incurred by the Plan for which it subsequently seeks reimbursement.
