INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
of the MCE 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the MCE 401(k) Retirement Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (collectively "ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Ascensus, LLC, as the authorized representative of Ascensus Trust Company and Newport Trust Company, LLC, a qualified institution, as of and for the year ended December 31, 2023, and Newport Trust Company, a qualified institution, as of and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

(continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management, was derived from, and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

INDEPENDENT AUDITOR'S REPORT

(continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MCE 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the MCE 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Eligibility

The Plan is a defined contribution plan covering all non-union employees of Motion & Control Enterprises, LLC (aka Fluid Power Resources) ("Company") who have met three months of service and are age twenty-one or older, as well as long-term, part-time employees, as defined in the Plan document. Leased employees and independent contractors are not eligible to participate.

Employees hired by the Company, who have met the eligibility requirements defined above, are automatically enrolled in the Plan with a 3% pre-tax deferred salary contribution. Such participants are automatically invested into the age-appropriate target date fund. Automatic enrollment occurs on the date immediately following the time in which the eligibility requirement was met.

The Plan had numerous amendments during 2023 and 2022 to incorporate the employees of entities acquired by the Company during these years. Such employees were eligible to participant in the Plan generally under the same terms as noted above, with certain exceptions for Plan amendments that permitted the employees prior service with the acquired employer to count towards service requirements under the Plan provisions.

Contributions

Participants are allowed to direct the Company to contribute 1% to 100% of their compensation (as defined) as deferred salary contributions. Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions, as deferred salary contributions. Contributions for any calendar year are subject to certain Internal Revenue Code ("Code") limitations. Deferred salary contributions are classified as Participant contributions in the accompanying financial statements.

The Company may make discretionary matching contributions equal to a percentage of participant salary deferrals. The matching percentage is determined each year by the Company. During both the years ended December 31, 2023 and 2022, the Company contributed matching contributions equal to 50% of the first 6% of the participants' compensation contributed. The Plan documents also provide for discretionary profit-sharing contributions, of which there were none in 2023 or 2022. Both types of employer contributions are classified as Company contributions in the accompanying financial statements.

The Plan was amended, effective July 1, 2022, to allow after-tax Roth elective deferrals.

MCE 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts

Each participant's account is credited with the participant's deferred salary contributions, Company matching contributions, and an allocation of Plan earnings based on the investment options elected by the participant.

Forfeitures

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$19,659 and \$247, respectively. Amounts from forfeited non-vested accounts were used to offset a portion of Company contributions in the amount of \$16,024 and \$29,639 during the years ended December 31, 2023 and 2022, respectively.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest are paid by regular payroll deductions over a period between 12 to 60 months at the participant's option, except that any loan used to acquire or construct the principal residence of a participant may be repaid over any whole multiple of 12 months, up to and including 120 months. The loans are secured by the balance in the participant's account. Generally, interest is charged on the outstanding loan amount at the prime rate in effect at the time the loan is made, plus 100 basis points. All loans as of December 31, 2023 bear interest at a rate between 3.25% and 9.50%. During 2023 and 2022, the Plan recorded interest income of \$10,928 and \$9,165, respectively, from these loans.

Distributions of benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments for a specific period of time. The Plan provides for normal retirement at the age of 65, and early retirement at 55 years of age with the completion of 5 years of service. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Plan expenses

Trustee fees are paid by the Plan. All administrative expenses of maintaining the Plan are paid by the Company.

MCE 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Asset Transfers, net

On August 10, 2022, the Plan was merged with the Swanson Flo, Co. Employee Savings and Profit Sharing Plan (“Swanson Plan”) and the Instrument Associates, Inc. Employees’ Profit Sharing Plan and Trust (“IA Plan”), the plans of two companies acquired by the Company. As a result of the mergers, participant balances in the Swanson Plan and the IA Plan, totaling \$9,236,716 were transferred into the Plan. All amounts transferred into the Plan related to investments held by participants in the Swanson Plan and IA Plan. For purposes of vesting, all previous service with the acquired companies has been credited and immediate eligibility was granted to all employees of the acquired companies, given eligibility requirements of the Plan had been met.

Plan termination

Although it has not expressed any intention to do so, the Company may terminate the Plan at any time. In the event of termination, the interest of participants affected by the termination and their beneficiaries under the Plan shall be nonforfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in assets available for benefits during the reporting period. Actual results could differ from those estimates.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 14, 2024, the date on which the financial statements were available to be issued.

MCE 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

Investments are reported at their fair values as reported to the Plan administrator by Ascensus, LLC, as the authorized representative of Ascensus Trust Company and Newport Trust Company, LLC and Newport Trust Company, the trustees of the Plan ("Trustee"). Interest-bearing cash is valued at cost, which approximates fair value. Shares of mutual funds are valued at quoted market prices that represent the net asset value ("NAV") of shares held by the Plan at year-end. The Plan holds an investment in a common collective trust. The common collective trust fund invests primarily in synthetic, separate account, and traditional guaranteed investment contracts backed by high-credit-quality fixed income investments and traditional investments issued by insurance companies and banks. The common collective trust is valued at the NAV of units held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimated fair value. The NAV is based on the fair value of the underlying investments comprising the trust, less its liabilities.

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest and dividend income are recorded as earned. Capital gain distributions from mutual funds are included in dividend income.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Payment of benefits

Benefits are recorded when paid.

NOTE 3 - INVESTMENTS

Investments measured and reported at fair value, except for those measured and reported using NAV, are classified and disclosed in one of the following categories based on the extent of market price observability.

MCE 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 3 - INVESTMENTS (continued)

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The Plan's investments in mutual funds are classified as Level I as of December 31, 2023 and 2022.

Level II – Pricing inputs are other than quoted market prices included in Level I, however are observable directly or indirectly for the investment. The Plan's investments in Level II include interest-bearing cash accounts.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan has no Level III investments.

The valuation of the Plan's investments by the above fair value hierarchy levels as of December 31, are as follows:

	<u>Level</u>	<u>2023</u>	<u>2022</u>
Mutual funds	I	\$ 29,864,811	\$ 24,451,178
Interest-bearing cash	II	61,918	--
Common collective trust fund	NAV	<u>2,726,396</u>	<u>2,714,319</u>
Total investments at fair value		\$ <u>32,653,125</u>	\$ <u>27,165,497</u>

The following table sets forth disclosure of the Plan's investment whose fair value is estimated at NAV per share, as a practical expedient, as of December 31:

<u>Investment</u>	<u>Fair value</u>		<u>Redemption frequency</u>	<u>Redemption notice period</u>
	<u>2023</u>	<u>2022</u>		
Federated Investors				
Capital Preservation Fund R6 (a)	\$ 2,726,396	\$ 2,714,319	daily	n/a

- (a) Capital Preservation Fund R6 is a common collective trust fund established, operated, and maintained by Federated Investors Trust Company under the declaration of a trust agreement. The investment objective of the fund is to provide current and stable income. The fund invests primarily in traditional, separate account and synthetic guaranteed investment contracts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The Plan has no unfunded commitments with respect to this investment.

MCE 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 4 - FEDERAL INCOME TAX EXEMPTION

The Plan adopted the Trustee's prototype plan, which has received a determination letter from the Internal Revenue Service dated June 30, 2020 stating that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 5 - CERTIFICATION OF FINANCIAL INFORMATION

The information about investments, investment income, and notes receivable from participants contained in the financial statements and supplemental schedule of assets held at end of year is certified as complete and accurate by Ascensus, LLC, as the authorized representative of Ascensus Trust Company and Newport Trust Company, LLC and Newport Trust Company, the Trustees of the Plan in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 6 - RELATED PARTY TRANSACTIONS

The Plan paid administrative expenses and fees to the Trustees, which qualify as party-in-interest transactions. The Plan also holds notes receivable from participants, which qualify as party-in-interest transactions.
