Independent Auditor's Report

To the Plan Administrator
Hamilton Lane Advisors, L.L.C. 401(k) Plan
Conshohocken, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hamilton Lane Advisors, L.L.C. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hamilton Lane Advisors, L.L.C. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report
(continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hamilton Lane Advisors, L.L.C. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hamilton Lane Advisors, L.L.C. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report
(continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hamilton Lane Advisors, L.L.C. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hamilton Lane Advisors, L.L.C. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report
(continued)

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hamilton Lane Advisors, L.L.C. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 1 - Description of plan

The following description of the Hamilton Lane Advisors, L.L.C. (“the Company”) 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan. The Plan covers all full-time employees of the Company, age twenty-one or older, who have three months of service. The Plan excludes employees covered by a collective bargaining agreement or are part time, seasonal, or temporary employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute up to sixty percent (60%) of pre-tax annual compensation as defined in the Plan, subject to a maximum dollar limit which is set by law. The maximum contribution amount was \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Participants may also contribute amounts representing rollover distributions from other qualified plans. Employer contributions are discretionary in an amount determined by the Board of Directors. After three months of service, the Company contributed three percent (3%) of employees’ compensation, as defined by the Plan, up to the Internal Revenue Service wage limit of \$330,000 and \$305,000 for the years ended December 31, 2023 and 2022, respectively. The Employer contribution is not contingent upon employees’ participation in the Plan.

Participant accounts

Each participant’s account is credited with the participant’s contribution, the Company’s discretionary contribution, and Plan earnings. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Company’s discretionary contributions portion of their individual accounts, including earnings thereon, is based on the number of years of continuous service. New participants vest twenty percent (20%) each year and are fully vested after five years of service.

Investment options

Upon enrollment in the Plan, a participant may allocate the contributions among various investment options. A participant may change the way subsequent contributions are invested and may transfer all or a portion of the value of his or her account among the various funds at any time.

Note 1 - Description of plan (continued)

Participant notes

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent (50%) of their vested account balance. Loan transactions are treated as a transfer to (from) the investment funds from (to) the Participant Notes Funds. Loan terms range from three to five years. Loans used to acquire a principal residence of the participant may provide for a repayment period that exceeds five years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates ranged from five and one-quarter percent (5.25%) to ten and one half (10.50%). Principal and interest are repaid ratably through bi-weekly payroll deductions.

Payment of benefits

Upon termination of service, a participant or beneficiary may elect to withdraw any portion of his or her vested interest in the account at any time.

Forfeited accounts

Forfeited nonvested accounts are available to offset future employer contributions. Forfeitures may also be used to reduce Plan expenses. Forfeitures of \$212,513 and \$120,586 were used to reduce employer contributions in 2023 and 2022, respectively. There were no forfeitures used to offset Plan expenses in 2023 or 2022. Forfeited nonvested account balances were \$464,446 and \$242,610 as of December 31, 2023 and 2022, respectively.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's fund investments are stated at fair value, as based on quoted market prices and other observable inputs of the underlying assets, in accordance with the *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification. Participant notes are valued at amortized cost which approximates fair value.

Hamilton Lane Advisors, L.L.C. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 2 - Summary of accounting policies (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Derivative instruments

Derivative instruments, which are held in certain funds, are primarily investments in futures contracts comprising agreements to purchase or sell a commodity for delivery in the future at a price determined at initiation of the contract. The risk of any given transaction may result in a futures trading loss.

Payment of benefits

Benefits are recorded when paid.

Expenses

The Plan's administrative expenses are primarily paid by the Company as provided by the Plan document. Forfeited nonvested accounts may also be used to reduce Plan expenses. Administrative expenses for the years ended December 31, 2023 and 2022 consist primarily of Principal Trust Company administrative fees and other investment management expenses.

Note 3 - Fair value measurements

The Plan values its investments utilizing a hierarchy that prioritizes inputs to the valuation techniques that are used to measure fair value, in accordance with authoritative guidance on fair value measurements and disclosures. Where inputs for an asset fall in more than one level in the fair value hierarchy, the investment is classified in its entirety based on the lowest level input that is significant to that investment's fair value measurement. Assets measured at fair value on a recurring basis are comprised of funds held as available-for-sale securities. The three levels of the fair value hierarchy are described below:

- Level 1 - unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 - inputs are unobservable and cannot be corroborated by observable market data.

Hamilton Lane Advisors, L.L.C. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 3 - Fair value measurements (continued)

Fair value of the Plan's fund investments is determined to be Level 1, based on quoted prices in active markets. The underlying investments within each fund may be invested in Level 2 or Level 3.

Realized and unrealized gains are included in total investment income on the statement of changes in net assets available for benefits. Realized and unrealized gains were \$11,924,370 and \$(14,971,233) for the years ended December 31, 2023 and 2022, respectively.

The following table summarizes the inputs used in valuing the Plan's investments:

	Quoted Prices in Active Markets (Level 1)		Other Significant Observable Inputs (Level 2)		Significant Unobservable Inputs (Level 3)	
	2023	2022	2023	2022	2023	2022
Fund investments	<u>\$78,692,176</u>	<u>\$59,956,112</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

Note 4 - Reportable transactions

There were no reportable transactions for the years ended December 31, 2023 and 2022.

Note 5 - Risk and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 6 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent (100%) vested in their accounts.

Notes to the Financial Statements
December 31, 2023 and 2022

Note 7 - Tax status

The Internal Revenue Service has determined and evidenced by its most recent letter, that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code.

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The U.S. federal statute of limitations remains open for the years 2020 and forward. State jurisdictions have statutes of limitations generally ranging from three to four years.

Note 8 - Certified information (unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The assets of the Plan are held by the trustee, Principal Trust Company. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- a. Investments, as shown in the statements of net assets available for benefits, as of December 31, 2023 and 2022.
- b. Investment activity, including net appreciation (depreciation) in fair value of investments as shown in the statements of changes in net assets available for benefits, for the years ended December 31, 2023 and 2022.
- c. Participant notes, as shown in the statements of net assets available for benefits, as of December 31, 2023 and 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Note 9 - Additional disclosure

Net assets available for benefits at December 31, 2023 and 2022 include \$11,324,002 and \$8,407,960, respectively, allocated to the accounts of persons who, as of or prior to that date, had withdrawn from participating in the Plan.
