REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
La Rabida Children's Hospital 403(b) Retirement Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of La Rabida Children's Hospital 403(b) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

La Rabida Children's Hospital 403(b) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the La Rabida Children's Hospital 403(b) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of La Rabida Children's Hospital (the Hospital or Plan Sponsor). Employees are immediately eligible for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Eligible employees may contribute up to 80% of pre-tax or after-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other various qualified plans. For employees hired after August 1, 2011, and employees hired prior to August 1, 2011 who were not eligible for or participating in the La Rabida Employees' Retirement Plan, with at least one year of service as defined in the plan document, the Hospital makes a matching contribution and a non-elective contribution. Participants must be employed at the end of the year to be eligible for the non-elective contribution. The matching contribution is equal to 100% of the first 1% of salary reduction contribution and 50% of the next 2% of salary reduction contribution. The non-elective contribution is equal to 3% of the eligible participant's compensation, as defined. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Hospital matching contributions and Hospital non-elective contributions, as applicable, and plan earnings, and charged with administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account as more fully described in the Plan's literature and may change their investment options at any time.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Hospital matching and non-elective contributions plus actual earnings thereon is based on years of continuous service. A participant is fully vested after three years of service. Full vesting also occurs at the normal retirement age of 65.

Payment of Benefits

Upon termination of employment, death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, an annuity or installments. In-service distributions and hardship withdrawals are also permitted in certain circumstances.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

La Rabida Children's Hospital 403(b) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 2% for notes from account balances with Talcott Resolution Life Insurance Company (TRLIC), formerly named Hartford Life Insurance Company and Empower Retirement (Empower) and at the prime rate plus 1% for notes from account balances with Reliance Trust Company (RTC). Note terms cannot exceed five years. Participants may only have one note outstanding at any time. Principal and interest on notes issued through TRLIC are paid directly by the participants to TRLIC. Principal and interest on notes issued through Metropolitan Life Insurance Company (MetLife) are paid through payroll deductions.

Forfeitures

Forfeitures of Hospital matching and non-elective contributions are used to offset administrative expenses and reduce non-elective contributions. The balance of forfeitures was \$50,741 and \$24,859 at December 31, 2023 or 2022, respectively. Forfeitures in the amount of \$26,633 and \$27,089 were used to reduce administrative expenses during 2023 and 2022, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Hospital has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in Hospital matching and non-elective contributions and earnings thereon.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for investments in fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount that Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions. The Plan Sponsor's Finance Committee determines the Plan's valuation policies utilizing information provided by the investment custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

La Rabida Children's Hospital 403(b) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Administrative and Investment Management Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Hospital. Expenses that are paid by the Hospital are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIANS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, as an agent of Empower Life & Annuity Insurance Company of New York, and MetLife Holdings, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments at fair value, investments at contract value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 or 2022.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Accounting Standards Codification 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; and

La Rabida Children's Hospital 403(b) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Insurance company separate accounts: The fair value of participation units held in the separate accounts are based on the net asset value (NAV) per share, as a practical expedient, as provided by TRLIC. The investment objectives of the underlying mutual funds are consistent with the investment objective identified in the names of the funds such as asset allocation, growth funds, bond funds, international funds, large cap funds, mid cap funds, small cap funds and specialty funds. Each separate account provides for daily redemptions by the Plan with no advance notice requirements and there are no unfunded commitments. These separate accounts are closed to participants deferring or transferring money into these accounts although participants are able to transfer their account balances out of these separate account investments at any time.

Shares of registered investment companies: Valued at the daily closing price as reported on the active market in which the individual securities are traded (Level 1).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 or 2022:

	December 31, 2023			Total
	Level 1	Level 2	Level 3

Insurance company separate accounts measured at NAV				<u>1,732,553</u>
				<u>\$ 17,223,758</u>

NOTE 5 - INSURANCE COMPANY GENERAL ACCOUNT

The Plan holds a traditional fully benefit-responsive investment contract with TRLIC (Issuer) totaling \$2,189,079 and \$2,215,934 as of December 31, 2023 or 2022, respectively. TRLIC maintains the contributions in its general account. This contract is an evergreen product as it has no maturity date. The Issuer guarantees the Plan a return of principal and interest under the terms of the contract. The interest crediting rate is updated quarterly and may not be less than 3%. TRLIC's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Under the contract, there are no events or conditions that would cause distributions from the contract to be payable at amounts below contract value. The contract does not place any limitations on the Issuer to terminate the contract. If the Issuer were to terminate the contract, distributions would be paid out at contract value. In the event that the Hospital terminated the contract, contract value would be paid out over a period of five years. No events are probably of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the plan to transact at contract value with the participants.

NOTE 6 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain plan investments are managed by TRLIC, one of the Plan's service providers; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to TRLIC and MetLife, another Plan service provider, qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

The Hospital provides administrative services to the Plan and does not receive any compensation from the Plan for these services. The Hospital also pays certain administrative expenses of the Plan.

NOTE 7 - INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the Code). The Plan has been amended since its adoption. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the Code, and therefore is exempt from income taxes.

La Rabida Children's Hospital 403(b) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. federal, state, or local tax authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statement. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - SUBSEQUENT EVENTS

The Plan Administrator has evaluated subsequent events for potential recognition and/or disclosure through October 14, 2024, the date the financial statements were available to be issued and determined that no additional disclosures are necessary.
