Independent Auditors' Report

Board of Trustees
Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan
Berwyn, Illinois

Opinion

We have audited the financial statements of Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the year ended December 31, 2023 and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits and plan benefit obligations for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing for the financial statements, management is required to evaluate whether there are conditions or events, considered in aggregate, that raise substantial doubt about Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

(Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain and understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in aggregate, that raise substantial doubt about Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records

used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

CAMPAGNA-TURANO BAKERY, INC. SELF-FUNDED BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

A. DESCRIPTION OF PLAN:

The following description of the Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

1. *General.* The Plan provides health and other benefits covering all participants employed by the Campagna-Turano Bakery, Inc. and affiliated companies (Knead Dough Bakery, Inc., Turano Florida Bun, LLC, Turano Georgia Bread, LLC, and Turano Nevada Baking, LLC) (collectively, the Company). The Plan and related trust were established on January 1, 1982. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

2. *Administration*. The Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan Administrative Committee has the responsibility for administering the Plan. Campagna-Turano Bakery, Inc. Self-Funded Benefit Plan Review Committee has the responsibility for the management and control of the assets of the Plan.

3. *Contributions.* The Plan is funded by the Company with monthly contributions based on premium quotes calculated by Blue Cross Blue Shield into a money market fund maintained by the Chicago Trust Company N.A., the Trustee of the Plan.

   In addition, participating employees contribute as follows through payroll deductions: medical coverage only - $35 per week for single, $70 per week for married and $75 per week for family; medical, dental and vision coverage - $40 per week for single, $75 per week for married and $80 per week for family.

4. *Benefits.* The Plan provides health benefits where participants may receive all of their care through a network of participating providers, hospitals and specialists; or receive out-of-pocket benefits both without referral. The Plan has deductibles, coinsurance and out-of-pocket maximums for both in-network and out-of-network care. Terminated employees are entitled to similar health benefits if enrolled under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

   The Plan also provides health benefits to participants during periods of unemployment, provided that they have accumulated, in the current or in prior years, credit amounts (expressed in hours) in excess of the hours required for current coverage. Accumulated eligibility credits equal to one year's coverage may be carried forward. The Plan also provides vision, dental, life and disability insurance for all participants.

   All claims of active participants, dependents, and beneficiaries are processed by Blue Cross Blue Shield, the administrator of the Plan, but the responsibility for payments to participants and providers is retained by the Plan.

5. *Other.* The Plan's board of trustees, as the plan sponsor, has the right under the Plan to modify the benefits provided to active employees. The Plan may be terminated only by joint agreement between the employer and participants, subject to the provisions set forth in ERISA.

CAMPAGNA-TURANO BAKERY, INC. SELF-FUNDED BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

B. SUMMARY OF ACCOUNTING POLICIES:

1. *Basis of accounting.* The financial statements of the Plan are prepared under the accrual method of accounting.

2. *Use of estimates.* The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, claims payable, incurred but not reported (IBNR) and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The most significant estimate is the calculation of IBNR.

3. *Fair value of financial instruments.* The carrying values of cash equivalents and claims incurred but not reported liabilities approximate their fair value.

4. *Interest income.* Interest income is recorded on the accrual basis.

5. *Benefits paid.* Health claims and premiums are reported when paid. Any refunds due to overpayments, subrogation, or adjustments are recorded in the period received and are shown netted with claim payments.

6. *Prescription rebates.* Prescription drug rebates are recorded in the period to which the related claims were paid and are shown netted with claim payments.

7. *Subsequent events.* Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 855, *Subsequent Events* establishes general standards of accounting for and disclosure of events that occur after the balance sheet date but prior to the issuance of the financial statements. ASC 855 distinguishes events requiring recognition in the financial statements and those that may require disclosure in the financial statements. Furthermore, ASC 855 requires disclosure of the date through which subsequent events were evaluated. The Plan has evaluated the period after the balance sheet date up through October 15, 2024, which is the date that the financial statements were issued, and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements.

C. FAIR VALUE:

The fair value of the Plan's cash equivalents is determined in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*. ASC 820 clarifies that fair value is an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement and should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, ASC 820 establishes a three-tier value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

CAMPAGNA-TURANO BAKERY, INC. SELF-FUNDED BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

C. FAIR VALUE (CONTINUED):

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: ● quoted prices for similar assets or liabilities in active markets; ● quoted prices for identical or similar assets or liabilities in inactive markets; ● inputs other than quoted prices that are observable for the asset or liability; ● inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

This hierarchy requires the Plan to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value. The Plan measures certain financial assets at fair value.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Short-term investments – A money market fund transacts subscription and redemption activity at a $1 stable net asset value (NAV). However, on a daily basis the fund's NAV is calculated using the amortized cost (not market value of) the securities held in the fund. Amortized cost does not meet the criteria for an active market. As such, the fund is valued as Level 2 category.*

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's fair value measurements of its financial assets as of December 31, 2023 and 2022 were as follows:

CAMPAGNA-TURANO BAKERY, INC. SELF-FUNDED BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

C. FAIR VALUE (CONTINUED):

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Short-term Investments	$ -	$ 6,104,571	$ -	$ 6,104,571
	$ -	$ 6,104,571	$ -	$ 6,104,571

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Short-term Investments	$ -	$ 5,923,383	$ -	$ 5,923,383
	$ -	$ 5,923,383	$ -	$ 5,923,383

D. STOP LOSS INSURANCE:

The Company separately purchases excess or stop loss insurance for losses exceeding $190,000 per claim from Blue Cross Blue Shield.

E. BENEFIT OBLIGATIONS:

Plan obligations at December 31, 2023 and 2022 included unpaid health claims incurred by active participants both reported and not reported to Blue Cross Blue Shield at that date. Unpaid health claims incurred by active participants but not reported at that date were estimated by the Plan's Trustee in accordance with accepted actuarial principals, which were estimated by using a "claims development" or "lag" method. Both amounts are reported in the statements of plan benefit obligations and the statements of changes in plan benefit obligations. At December 31, 2023 and 2022, total benefit obligations amounted to $695,729 and $802,575, respectively.

F. TAX STATUS:

The Plan has received a favorable determination letter from the Internal Revenue Service and is qualified for exemption from federal income taxes under Section 401(a) of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt.

CAMPAGNA-TURANO BAKERY, INC. SELF-FUNDED BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

F. TAX STATUS (CONTINUED):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the applicable tax authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

G. PARTY-IN-INTEREST TRANSACTIONS:

Campagna-Turano Bakery, Inc. and affiliates administer the financial activities of the Plan including paying general and administrative expenses of the Plan through the Company's corporate office.

H. RISKS AND UNCERTAINTIES:

The Plan invests in short-term investments, which are exposed to risks such as interest rate, market and credit risks. In addition, various assumptions are used for the valuation of benefit obligations. Due to the level of risk associated with investments and the valuation of benefit obligations, it is at least reasonably possible that changes in the values of investments and the valuation of benefit obligations will occur in the near term and that such changes could materially affect the amounts reported in the statement of benefit obligations and net assets available for benefits.

I. PLAN TERMINATION:

Under certain conditions, the Plan may be terminated. Upon termination, the assets remaining shall be subject to the applicable provisions of the Plan in effect and shall be used until exhausted to pay benefits to employees in the order of their entitlement.

J. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:
