Independent Auditor's Report

To the Plan Administrator
Froedtert South, Inc. Matched 403(b) Retirement Savings Plan
Kenosha, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Froedtert South, Inc. Matched 403(b) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Froedtert South, Inc. Matched 403(b) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Froedtert South, Inc. Matched 403(b) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Froedtert South, Inc. Matched 403(b) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Froedtert South, Inc. Matched 403(b) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Froedtert South, Inc. Matched 403(b) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WIPFLI

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Retirement Savings Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of Froedtert South, Inc. Matched 403(b) Retirement Savings Plan (the “Plan”), provides only general information. The Plan was formerly known as United Hospital System, Inc. Matched 403(b) Retirement Savings Plan, and was changed effective October 1, 2017, when United Hospital System, Inc. changed its legal name to Froedtert South, Inc. Participants should refer to the Plan document for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

General

The Plan is a participant-directed contribution plan established for a not-for-profit organization, commonly known as a Code Section 403(b) savings plan. Froedtert South, Inc. (the “Sponsor”) is the Plan Sponsor and is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code (“IRC”).

Eligibility

The Plan covers employees of the Sponsor who were hired or rehired on or after January 1, 2012, and employees who elected, on a one-time basis, to participate in the Plan and the Froedtert South, Inc. 401(a) Defined Contribution Retirement Plan, effective July 1, 2012. This election was only available to employees who were participants in the Froedtert South, Inc. Employee Pension Plan as of June 30, 2012. Effective December 31, 2017, the Plan was amended to cover employees of the Sponsor, who elected on a one-time basis, to participate in the Plan and the Froedtert South, Inc. 401(a) Defined Contribution Retirement Plan, effective January 1, 2018. This election was only available to participants in the Froedtert South, Inc. Employee Pension Plan as of December 31, 2017. The plan was amended effective January 1, 2020, as a result of the Froedtert South, Inc. Employee Pension Plan, being frozen effective December 31, 2019, making all sponsor employees eligible to participate in the Plan.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, up to the annual maximum allowed by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Sponsor matching contributions are made to the Froedtert South, Inc. 401(a) Defined Contribution Retirement Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon.

Froedtert South, Inc. Matched 403(b)

Retirement Savings Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, and allocations of Plan net earnings (losses) thereon and charged with transactional expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions as defined in the Plan. The balance to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their accounts the lesser of \$50,000 or 50% of their vested account balance. Loans to participants are treated as a separate investment of the participant and all principal and interest payments on loan balances are credited to the participant's account from which the loan was made. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Interest rates on existing notes are at rates ranging from 4.25% to 9.50%. Principal and interest are paid directly to the Plan Administrator by the participant.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's interest in their account in either a lump-sum amount or in installment distributions. For termination of service due to other reasons, a participant may receive the value of the interest in their account as a lump-sum distribution. In addition, hardship distributions out of the participant's accounts are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59½.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the accompanying financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value (except for fully benefit-responsive investments contracts ("FBRICS")). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

FBRICS are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Fees directly attributable to a participant's transaction are deducted from that participant's account. Expenses that are paid by the Sponsor are excluded from these financial statements. Investment related expenses are allocated proportionately to Plan participants based on their respective account balance and are included in total investment loss.

Subsequent Events

Subsequent events have been evaluated through October 12, 2024, which is the date the financial statements were available to be issued.

Note 3: Guaranteed Funds (FBRIC)

The Plan has entered into a FBRIC with New York Life Insurance Company ("NYL"). NYL maintains the contributions in a general or separate account. The account is credited with a guaranteed rate of interest and charged for participant withdrawals and administrative expenses. The guaranteed fund issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract is carried at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. Such interest rates are reviewed on an annual basis.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (3) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 4: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4: Fair Value Measurements (Continued)

Personal choice account: Valued by pricing the underlying investments primarily from closing prices reported on active markets or observable market data for the same or similar investments. The underlying investments are primarily mutual funds, stocks, and bonds.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at December 31:

	Fair Value of Assets as of December 31,			
	Level 1	Level 2	Level 3	Total

Note 5: Information Prepared and Certified by Plan Custodians

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to the Plan's investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained or derived from information certified as complete and accurate by State Street Bank and Trust Company and Transamerica Financial Life Insurance Company, Inc. (custodians of the Plan).

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan document to terminate or partially terminate the Plan subject to the provisions of ERISA.

Note 7: Tax Status

The IRS has determined and informed the Sponsor by a letter that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Party-in-Interest Transactions

The Plan holds units in a guaranteed pooled fund managed by Transamerica Financial Life Insurance Company, Inc., the Plan's custodian. These transactions and notes receivable from participants qualify as party-in-interest transactions. These transactions are exempt from the prohibited transactions rules of ERISA.
