## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
Currey & Company, Inc. 401(k) Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Currey & Company, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit.] The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**Other Matter**

*Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO THE FINANCIAL STATEMENTS**

## **1. DESCRIPTION OF THE PLAN**

The following description of the Currey & Company, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### **General**

The Plan, which was established effective January 1, 1997, is a contributory, defined contribution plan available to qualifying employees of Currey & Company, Inc. (the Sponsor). To become an active member of the Plan, an employee must complete six months and 500 hours of service. Union employees and leased employees are excluded from the Plan. Participants can enter the Plan on the first day of the month after meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

### **Plan Administration**

The insurance company and recordkeeper of the Plan is American United Life Insurance Company (AUL). AUL holds all assets of the Plan in accordance with the provisions of the group annuity contract with the Sponsor. All assets of the Plan are in investment plan accounts of AUL. The Plan administrator, with input from Plan investment advisors, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

### **Contributions**

Each year, eligible participants may contribute pre-tax deferrals or Roth deferrals up to 100% of their eligible compensation, as defined in the Plan not-to-exceed the amount allowed for income tax purposes. Participants 50 years of age or older may make catch-up contributions as allowed by the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan incorporates automatic deferral election procedures. In the event a participant does not have a salary deferral election, 30% of an employee's pre-tax compensation, as defined by the Plan, is automatically deducted and contributed to the Plan. Employees may opt out of the automatic contribution or change their contribution percentage at any time. Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor contributes a safe harbor matching contribution equal to 100% of the first 3% of participant deferrals and 50% of the next 2% of participant deferrals. The Sponsor may also make additional discretionary profit-sharing contributions. The Sponsor did not make a discretionary profit-sharing contribution for the year ended December 31, 2023. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions and the Sponsor's matching contributions. Plan earnings (losses) are allocated based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investment Options**

Participants may direct their contributions and any related earnings into any investment fund option offered by the Plan under the group annuity contract with AUL. Participants may elect to transfer balances between funds within their account at any time. Investment options include a stable value fund and a pooled separate account (PSA). The PSA holds investment accounts which are distinct portfolios of mutual funds. Amounts allocated to any investment account are invested in shares of the corresponding mutual fund offered under the Plan.

**Vesting**

Participants are fully vested in their contributions, the Sponsor's safe harbor contribution, the Sponsor's discretionary profit-sharing contribution, the Sponsor's discretionary matching contributions and the earnings thereon.

**Notes Receivable from Participants**

Participants may borrow a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The maximum term of the borrowing is five years unless it is for the purchase of a principal residence in which case the Plan administrator may permit a longer repayment term. A participant's note shall immediately become due and payable if such participant terminates employment for any reason or fails to make a principal and/or interest payment as provided in the note agreement. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest, as determined by the Plan administrator. Principal and interest are repaid ratably through payroll deductions.

**Payment of Benefits**

Upon termination of service due to death, disability, retirement (age 65) or separation from service, a participant or their beneficiary, may receive their vested balance in either a single lump-sum distribution, a direct rollover into a qualified retirement plan or individual retirement account, monthly installments or defer receiving payments until age 72. Terminated participants with a vested balance less than \$5,000 that have not elected payment will be cashed out. In-service distributions are available upon reaching age 59 ½, for financial hardships, as defined by the Plan, and from rollovers or after-tax accounts.

**Investment and Administrative Expenses**

Certain fees and expenses may be charged to Plan investments (as an expense ratio) and are reflected in net appreciation in fair value of investments. Administrative expenses reflect individually requested transactions. Certain legal, professional fees and other usual and reasonable costs of administering the Plan are paid by the Sponsor.

**Forfeitures**

Forfeited amounts represent errors in Sponsor safe harbor matching contributions and may be used to reduce future Sponsor contributions. As of December 31, 2023 and 2022, there was no balance in the forfeiture account. During 2023, there were no forfeitures used to reduce the Sponsor contributions.

**Subsequent Events**

Management has evaluated subsequent events through October 14, 2024, which is the date the financial statements were available to be issued and has determined there are no further subsequent events which require disclosure under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 855, *Subsequent Events*.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Use of Estimates**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contract which is reported at contract value). The fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers and AUL.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded when earned on the accrual basis. Net appreciation in the fair value of investments represents realized and unrealized gains and losses on the investments, as well as any fees charged within the pooled separate account.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document.

**Payment of Benefits**

Benefits are recorded when paid.

### **3. CERTIFICATION BY INSURANCE COMPANY**

Certain information related to investments from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments held as of December 31, 2023 and 2022, net appreciation in fair value of investments, and interest income for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the insurance company.

### **4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements*, are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

The PSA is made up of a variety of underlying investments in mutual funds. The net asset value (NAV) of a pooled separate account is based on the market value of its underlying investments adjusted for any dividends or distributions received by AUL and the daily equivalent of any fee charged by AUL pursuant to the contract. The pooled separate account's NAV is not a publicly quoted price in an active market. There are no unfunded commitments or redemption restrictions on the pooled separate account. The redemption frequency is daily.

The Plan's investments at fair value represent investments in a pooled separate account which is valued using NAV practical expedient. Due to the adoption of FASB Accounting Standards Update (ASU) 2015-07 – *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share or its Equivalent*, the Plan does not hold any investments requiring categorization within the fair value hierarchy.

## **5. GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY**

The Plan is funded with a group annuity contract issued by AUL. The contract offers a fixed investment option and a number of variable investment options through an AUL PSA. The contract meets the fully benefit-responsive investment contract criteria, and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts since this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value for the fixed option represents amounts contributed or transferred to the fixed option less any withdrawals or transfers out, plus all accrued interest. The fixed option earns interest at the higher of the rate guaranteed under the contract or the current rates established and declared in advance by AUL. Interest rates for new contributions are declared prior to the beginning of a calendar quarter and are applicable to all contributions received in that quarter until the end of the calendar year next following the current year. The fixed option is backed by AUL's general account. There are no reserves against the contract value for credit risk of the contract issuer as of December 31, 2023 and 2022.

**CURREY & COMPANY, INC.**  
**401(k) SAVINGS PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

---

The Plan's ability to receive amounts due in accordance with fully benefit-responsible contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory requirements.

Certain events could limit the ability of the Plan to transact at contract value, including but not limited to, premature termination of the contract by the Plan. This would cause a one-time adjustment to the aggregate contract value, resulting in a fair value different from the contract value; however, the Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value are probable of occurring.

## **6. PARTY-IN-INTEREST TRANSACTIONS**

The Plan invests in units of a pooled separate account and a fixed option managed by AUL. AUL receives amounts from fees charged within the PSA and are included in net appreciation in fair value of investments. Transactions with AUL qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

## **7. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their Sponsor contributions.

## **8. TAX STATUS**

The Sponsor adopted a volume submitter Plan document sponsored by Pension Financial Services, Inc. which received an advisory letter from the Internal Revenue Service (IRS) dated March 31, 2014, indicating that the volume submitter Plan is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is tax-exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**9. RISKS AND UNCERTAINTIES**

The Plan's investments offered under the group annuity contract with AUL include a PSA and a fixed option. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.
