INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Federal Management Systems, Inc. 401(K) Plan
Washington, DC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Federal Management Systems, Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Federal Management Systems, Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Federal Management Systems, Inc. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Federal Management Systems, Inc. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Federal Management Systems, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Federal Management Systems, Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FEDERAL MANAGEMENT SYSTEMS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Federal Management Systems, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 1998, and was restated on September 8, 2016, and again on May 19, 2021.

The Plan covers all employees of Federal Management Systems, Inc. (Company) with no service or age requirements. The entry dates for the Plan are on the first day of the quarter following employment.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The assets of the Plan are held and managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, and Empower Retirement, LLC provides recordkeeping services to the plan (collectively referred to as Empower, the plan custodian).

Contributions

Each year participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust fund as investment options for participants.

The Plan includes an auto-enrollment provision whereby all eligible employees are auto-enrolled in the Plan, with a default pre-tax deferral rate set at 6% of eligible compensation, unless they affirmatively elect not to participate in the plan. Unless otherwise directed by the employees, contributions are automatically invested in the target date fund based on the participants' expected retirement age.

The Company may make an annual discretionary matching contribution and a discretionary profit-sharing contribution subject to the approval of the Company's Board of Directors. For the years ended December 31, 2023 and 2022, the Company matched 1% of the first 25% of eligible compensation. The Company's contributions, net of forfeitures, amounted to \$11,741 and \$7,494 for the years ended December 31, 2023 and 2022, respectively. The Company made no employer profit-sharing contributions in 2023 or 2022.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers and all earnings thereon. Vesting in the Company's matching contributions and discretionary profit-sharing contributions are based on years of continuous service. After two years of service, a participant becomes 33 percent vested in the Company's contributions to the Plan; the vesting percentage increases by 33 percent each year until the participant becomes fully vested in his or her account after four years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts no less than \$1,000, and no more than the lesser of \$50,000 or 50% of their vested account balance. Participant's may only have one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Loan terms range from one to five years, or longer for the purchase of a principal residence. Principal and interest are paid ratably through payroll deductions. Interest rates on outstanding loans ranged from 4.25% to 9.50% as of December 31, 2023, and ranged from 4.25% to 7.25% as of December 31, 2022.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, participants may elect to receive either a lump-sum amount equal to the value of their vested interest in their account, a direct rollover into a qualified retirement plan, or a combination of the two. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$2,158 and \$4,928, respectively. Forfeitures may be used to reduce employer contributions or pay plan expenses at the discretion of the Company. During 2023 and 2022, the Plan used \$5,454 and \$5,415, respectively, to reduce employer contributions. The Plan did not use any forfeited nonvested account funds to pay plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are recognized as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recognized as of December 31, 2023 and 2022. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Contributions

Contributions from Plan participants and the associated Company contributions are recorded in the year in which the employee contributions are withheld from compensation.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are, therefore, excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on behalf of the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

The Plan has a revenue sharing agreement with the plan custodian. If the custodian receives fund compensation above a certain amount, this excess compensation is made available to the Plan to offset expenses. As of December 31, 2023 and 2022, the balance available to offset future expenses

Administrative Expenses (Continued)

totaled \$14,984 and \$9,875, respectively. During the years ended December 31, 2023 and 2022, the Plan received revenue sharing funds totaling \$12,692 and \$12,871, respectively, and paid Plan expenses totaling \$8,000 and \$23,500, respectively, from the available revenue sharing funds.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, and interest and dividend income for the years then ended, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2023, is derived from statements which have been certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively "Empower") the custodian of the Plan, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Fund (CCT)

The Putnam stable value fund is a collective trust managed and distributed by Putnam Fiduciary Trust Company, LLC. The CCT fund invests in high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions, including fully benefit-responsive investment contracts at contract value. The fund also invests up to 75% of its assets in security-backed investment contracts, including separate account products of insurance companies. The fund is valued at NAV, the practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2023</u>

Common collective trust fund measured at net asset value ^(a)				<u>14,810</u>
Total investments at fair value				<u>\$ 4,797,256</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset per share practical expedient as of December 31, 2023 and 2022. Withdrawals needed for benefit payments and honoring participant-directed transfers are permitted daily. Withdrawals for other purposes generally require 12 months' advance written notice to the fund.

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's assets include investments in funds managed by Empower. Empower refers to products and services offered in the retirement markets by Empower Annuity Insurance Company of America (EAICA) and Empower Trust Company, LLC (ETC) and their subsidiaries, including Empower Advisory Group, LLC, Empower Financial Services, Inc., Empower Retirement, LLC, Empower Capital Management, LLC, Empower Funds, Inc., Empower Annuity Insurance Company, Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York.

Putnam Investments, a subsidiary of Empower parent Great-West Lifeco was acquired by Franklin Templeton effective January 1, 2024.

Transactions in these funds qualify as party-in-interest transactions.

Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - TAX STATUS

The Plan has adopted a prototype standardized profit-sharing plan sponsored by Empower Retirement LLC. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, which states that the prototype plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Annual Return/Report of Employee Benefit Plan (the Form 5500) is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H of the Form 5500 differ from those included in the accompanying financial statements.

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022 to Schedule H of Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 5,376,263	\$ 4,826,066
Less: Employer contributions receivable	<u>(11,741)</u>	<u>(7,494)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 5,364,522</u>	<u>\$ 4,818,572</u>

The following is a reconciliation of contributions to the plan for the year ended December 31, 2023 per the financial statements to Schedule H of Form 5500:

Contributions reflected in the financial statements	\$ 453,628
Less: Change in employer contributions receivable	<u>(4,247)</u>
Contributions per Schedule H of Form 5500	<u>\$ 449,381</u>

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 30, 2024, which is the date the financial statements are available to be issued.
