INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
NatureSweet 401(k) Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of NatureSweet 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the NatureSweet 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NATURESWEET 401(k) PLAN
Notes to Audited Financial Statements
December 31, 2023 and 2022

NOTE A – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements of NatureSweet 401(k) Plan (the "Plan") are prepared on the accrual method of accounting in accordance with U.S. generally accepted accounting principles.

Recognition of Income: The basis of investments held by the Plan is adjusted daily to closing market value and unrealized gains and losses are recorded as part of this adjustment. Realized gains and losses on these investments are computed using adjusted basis (beginning of year market value). Security transaction expenses are considered in computing realized gains and losses on investments.

Investments: Investments in mutual funds (registered investment companies) are carried at fair value (net asset value), as determined by quoted prices in an active market. Dividends are considered in the fair value determination. Gains and losses (realized and unrealized) included in changes in net assets are reported in net appreciation (depreciation) in fair value of investments in the statement of changes in net assets available for benefits. The stable value fund (a common collective trust) is carried at contract value. The contract is fully benefit-responsive.

Participants' Notes Receivable: Participants' notes receivables are stated at their unpaid principal balance plus accrued interest. An allowance was not considered necessary at year end. Interest on participants' notes receivable are recorded on the accrual basis. If a participant ceases to make a loan payment and the Plan Administrator deems the participant note to be in default, the loan balance is reduced and a benefit payment to the participant is recorded.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

NOTE B – DESCRIPTION OF PLAN

The following description of the NatureSweet 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and covers substantially all full-time employees of NS Brands, LTD and NatureSweet USA, LLC (collectively, Plan Sponsor) who are age twenty-one or older and have three months of service. The Plan is for the exclusive benefit of its participants and their beneficiaries.

NATURESWEET 401(k) PLAN
Notes to Audited Financial Statements
December 31, 2023 and 2022

NOTE B – DESCRIPTION OF PLAN – continued

Plan Amendment: The Plan has operationally implemented certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), to allow certain eligible individuals to receive coronavirus-related distributions, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

SECURE 2.0 Act: The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2024 and later. The Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly.

Contributions: Participants may contribute to the Plan as allowed by the Internal Revenue Code and the Plan. Participants may also contribute amounts representing distributions from other qualified plans. The Plan Sponsor matches 100% of the first 3% of compensation (as defined by the Plan) that the participant contributes to the Plan and 50% of the next 2% of compensation. The maximum match for each participant is 4% of total compensation. Contributions are subject to certain limitations.

Participant Accounts: Investments are participant directed. Each participant's account is credited with his or her contributions as well as allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. The Plan Sponsor generally pays all administrative expenses directly or from participant forfeitures. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are 100% vested in all contributions.

Forfeitures: Forfeiture balance was accumulated in periods in which employer matching was subject to vesting provisions. Forfeitures are retained in the Plan and may be used to pay for administrative expenses, allocated to the remaining participants or considered as employer contributions. Forfeited non-vested accounts totaled \$86,834 at December 31, 2023 and \$40,388 at December 31, 2022.

Participants' Notes Receivable: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: Upon death, disability, termination, or retirement of a participant, vested benefits are paid to the participant or his/her designated beneficiary. Benefits are payable in the form of cash or annuities, as outlined in the Plan agreement. Hardship withdrawals are available subject to certain limitations.

Expenses of the Plan: The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed for in the Plan document.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)

As permitted by Department of Labor CFR 2520.103-8, investments and participants' notes receivable at December 31, 2023 and 2022 and the related investment earnings and interest on participants' notes for the years then ended, were certified and held by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the Plan Trustee, and were not audited by the independent auditor.

NOTE D – FAIR VALUE MEASUREMENTS

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
 - if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in methodologies used to determine fair value, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price reported on the active market on which the individual funds are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS - continued

The following table sets forth by level, within the fair value hierarchy, investments measured at fair value:

	Fair Value Measurements Using			
	Level 1	Level 2	Level 3	Total
<i>December 31, 2023:</i>				
Mutual funds	\$ 8,930,468	\$ -	\$ -	\$ 8,930,468
Investments measured at fair value	<u>\$ 8,930,468</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,930,468</u>
<i>December 31, 2022:</i>				
Mutual funds	\$ 7,493,800	\$ -	\$ -	\$ 7,493,800
Investments measured at fair value	<u>\$ 7,493,800</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,493,800</u>

NOTE E – STABLE VALUE FUND

The Plan has a fully benefit-responsive stable value fund with a balance of \$351,750 at December 31, 2023 and \$460,563 at December 31, 2022. The stable value fund is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the stable value fund is fully benefit-responsive, it is stated at contract value, the amount the participant would receive if they were to initiate permitted transactions under the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) full or partial Plan termination and (2) insolvency of the Plan Sponsor. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. Termination of this agreement by either party is effective 30 days following receipt of the termination notice, unless the parties agree to another date.

NOTE F – INCOME TAX STATUS

Naturesweet 401(k) Plan has adopted a volume submitter 401(k) plan. The volume submitter profit sharing plan has been approved by the Internal Revenue Service as qualifying under Section 401(a) of the Internal Revenue Code (IRC). The Plan has been amended since it was adopted. As of the date of the audit report the Plan has not completed its required discrimination testing for the year ended December 31, 2023; however, the Plan administrator believes the Plan is appropriately designed and is currently being operated in compliance with applicable requirements of the IRC. Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

NATURESWEET 401(k) PLAN
Notes to Audited Financial Statements
December 31, 2023 and 2022

NOTE F – INCOME TAX STATUS - continued

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

NOTE G – TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under DOL regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended December 31, 2023, the Plan made direct payments to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan sponsor pays directly any other fees related to the operation of the Plan. Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the related investment.

NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The audited financial statements are prepared on the accrual basis of accounting, whereas the Form 5500 is prepared on the cash basis. The following is a reconciliation of net assets available for benefits as of December 31:

Change in net assets per Form 5500	<u><u>\$ 1,353,847</u></u>	<u><u>\$ (1,668,210)</u></u>

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
