INDEPENDENT AUDITORS' REPORT

To the Administrative Committee, Participants, and Beneficiaries of the
WNBA Players Retirement and 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the WNBA Players Retirement and 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2023 and of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WNBA PLAYERS RETIREMENT AND 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the WNBA Players Retirement and 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

[1] General:

The Plan was established on June 1, 2003. The Plan is a collectively bargained multi-employer defined contribution plan covering all players of the twelve member teams (the "Teams") of the Women's National Basketball Association (the "WNBA"), who are on a team roster. A player is considered to be on a team roster if she is eligible to participate in WNBA games during a regular season or would be eligible to participate in such games if not for injury or illness. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

[2] Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan and subject to statutory limitations of the Internal Revenue Code (the "Code"). Participants may also roll over amounts received from other qualified plans or from certain individual annuities and individual retirement accounts. The Teams make a matching contribution equal to 25% of the participant's pretax contributions. Additionally, the Teams make a contribution based on years of service to players who are on a team roster for at least 50% of total regular season games for a season. After two years of service, the Teams contribute 2% of the participant's salary. After three years of service, the Teams contribute 3% of the participant's salary. Participants with four or more years of service receive a 4% contribution.

Upon enrollment, a participant may direct contributions to any of the Plan's fund options. Participants may change their investment options at any time.

Each participant's account is credited (charged) with (for) the participant's contributions and allocations of (a) the Team's contributions, (b) administrative expenses, and (c) earnings (losses). Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit from the participant's account.

[3] Vesting:

Participants are immediately vested in all contributions made to the Plan and actual earnings thereon.

[4] Unallocated accounts:

As of December 31, 2023 and December 31, 2022, \$4,132 and \$3,213, respectively, are held in an unallocated account under the Plan due to adjustments made to certain participants' account balances under the Internal Revenue Service's ("IRS") Employee Plans Compliance Resolution System as outlined in Revenue Procedure 2016-51. Such amounts are being used to reduce the years of service contribution and/or matching contribution to be made to the Plan by certain Teams. For the year ended December 31, 2023, \$19,464 was used to reduce years of service contributions.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Loan terms range from six months to five years; however, terms may be up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with prevailing rates as determined by the Plan administrator, ranging from 4.25% to 9.50% on outstanding loans with maturity dates ranging from 2023 to 2028. Loan repayments can be made through payroll deductions or directly by participants. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020, and provided optional distribution and loan provisions, as well as suspension of required minimum distributions ("RMDs") for anyone required to receive an RMD in 2020. The WNBA LLC implemented the following provisions of the CARES Act and the Plan will be formally amended prior to December 31, 2025 as required by the Act.

Participants who met specific conditions were eligible to take a COVID-19 related distribution of up to \$100,000 without a 10% early withdrawal penalty. Eligible distributions could be taken from January 1, 2020 through December 31, 2020, and could be repaid within three years. The repayments were treated as tax-free rollovers into the participant's account.

[6] Payment of benefits:

Benefits may be paid upon death, termination, or normal retirement (attainment of age 59½) to the participants or their beneficiaries. These benefits are generally paid in lump sum amounts equal to the value of the participant's interest in her account.

[7] Administrative expenses:

The Plan has a fixed per-participant fee structure, whereby participants are charged an annual administration fee and if the participant invests in any funds that incorporate administrative fees as part of their expense ratio, this amount will be credited back to the participant as a revenue credit. For the Plan year ended December 31, 2023, fees charged directly to participants for annual administration were equal to \$11,419. Participants who invested in funds that incorporate administrative fees as part of their expense ratio received revenue credits from such funds in the aggregate amount of \$32,681, which is included in calculating the net appreciation in fair value of investments on the statement of changes in net assets available for benefits. For the Plan year ended December 31, 2023, fees charged directly to participants included \$175, for participants who requested a loan or had a loan outstanding during the applicable period and \$75 for overnight delivery.

[8] Plan termination:

Although it has not expressed any intent to do so, the WNBA, as agent for the Teams, reserves the right to amend or terminate the Plan subject to the provisions of ERISA and the collective bargaining agreement.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

[2] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the period.

[3] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[4] Subsequent events:

The Plan has evaluated subsequent events through October 10, 2024, the date the financial statements were available to be issued.

[5] Payment of benefits:

Benefits are recorded when paid.

NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE

The Administrative Plan committee has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Fidelity Management Trust Company ("Fidelity") has certified the completeness and accuracy of all investments and related investment activity, and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2023 and December 31, 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE D - INVESTMENTS

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Observable inputs such as quoted prices in active markets.

Level 2 - Inputs, other than quoted prices in active markets that are observable either directly or indirectly.

Level 3 - Unobservable inputs in which there is little or no market data. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and December 31, 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund - A stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

NOTE D - INVESTMENTS (CONTINUED)

The following tables summarize the Plan's investments measured at fair value on a recurring basis as of December 31, 2023 and December 31, 2022:

	December 31, 2023		December 31, 2022	
	Level 1	Total	Level 1	Total
Investments:				
Mutual funds	\$ 30,384,280	\$ 30,384,280	\$ 27,618,253	\$ 27,618,253
Stable value collective trust fund*	<u>-</u>	<u>570,518</u>	<u>-</u>	<u>628,888</u>
Total investments	<u>\$ 30,384,280</u>	<u>\$ 30,954,798</u>	<u>\$ 27,618,253</u>	<u>\$ 28,247,141</u>

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE E - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, credit and liquidity risks and economic conditions including delinquencies or defaults and market perceptions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2023 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE F - TAX STATUS

The IRS has determined and informed the Plan by a letter dated September 16, 2015, that the Plan as amended and restated effective June 1, 2014 and the related trust are designed in accordance with applicable sections of the Code. The Plan has been amended since receiving the tax determination letter. The Plan administrator consults with outside counsel regarding the Plan's administration and operation and, to the best of its knowledge, believes that the Plan is currently being operated in compliance with the applicable requirements of the Code.

WNBA PLAYERS RETIREMENT AND 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2023

NOTE F - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G - DELINQUENT DEPOSITS OF CONTRIBUTIONS

During certain payroll periods in 2022 and 2023, contributions amounting to \$9,054 were not remitted by certain teams to the Plan in a timely manner, in accordance with applicable guidelines of the Department of Labor (the "DOL"). The 2022 late remittances amounted to \$8,372, including lost earnings, which are minimal, were contributed by the applicable Teams to the Plan between April and September 2023. The 2023 late remittance amounted to \$682, including lost earnings, which are minimal, were contributed by the applicable Team to the Plan in February 2024. Additional measures including the filing of excise tax forms together with the payment to the IRS of the required excise tax by each applicable Team are being addressed.

NOTE H - MUTUAL FUND FEES

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees, which are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940, are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus are not separately identifiable as an expense.

NOTE I - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Fidelity is the trustee of the Plan. Certain Plan investments are shares of mutual funds and the stable value collective trust fund managed by affiliates of Fidelity. Therefore, these transactions qualify as party-in-interest transactions.

For the year ended December 31, 2023, loan recordkeeping fees and express mailing fees paid to Fidelity amounted to \$250. Additionally, annual administrative fees paid to Fidelity amounted to \$11,419.

Mercer Consulting is a service provider to the Plan. During the year ended December 31, 2023, the Plan paid \$4,582 to Mercer Consulting for consulting fees.
