INDEPENDENT AUDITOR'S REPORT

To the Trustee of
Sonray Group 401(k) Profit Sharing Plan
Rocklin, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Sonray Group 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Sonray Group 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees of
Sonray Group 401(k) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sonray Group 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sonray Group 401(k) Profit Sharing Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sonray Group 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sonray Group 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets Held for Investment Purposes at End of Year for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees of
Sonray Group 401(k) Profit Sharing Plan

Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SONRAY GROUP 401(k) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2023

Note 1 - Description of Plan

The following description of the Sonray Group 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a salary deferral arrangement established under Section 401(k) of the Internal Revenue Code ("IRC"). The Plan was originally established by Sonray Solar, Inc. (the Company) on January 1, 2013 to provide retirement, death, and disability benefits for eligible employees (participants). The Plan was subsequently restated effective January 1, 2017 to include employees of Sonoran Roofing, Inc. and Sonray Door and Trim.

All full-time employees over the age of 21 who have completed one year of service with the Company or any affiliate who has adopted the Plan, are eligible at the first entry date after satisfying the requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and certain provisions of the Internal Revenue Code. An individual trustee oversees the governance of the Plan.

Administration

The Plan is administered by Sonray Solar, Inc., the Plan sponsor. A portion of the administrative and custodial activities involved with the operation of the Plan have been outsourced to Atteberry/Searle, Inc. and OneAmerica Retirement Services LLC. American United Life Insurance Company manages the pooled separate accounts and the single annuity contract for the Plan. Certain Plan transactions involving these entities qualify as parties-in-interest under the IRC and are exempt from prohibited transaction rules of ERISA. See Note 5.

Participant Accounts

Each participant's account is credited with the employee's contributions, the Company's safe-harbor matching contributions, and allocations of the Company's discretionary contributions (if any). Earnings or losses are determined by each participant's selection of investments. Plan expenses are allocated based upon each Participant's account balance, as defined in the Plan. Participant expenses are charged directly to the account incurring the cost based on each participant's activity. The benefit to which a participant is entitled is limited to the vested balance of their account.

Participant Loans

Loans are not permitted under the provisions of the Plan.

Note 1 - Description of Plan (continued)

Contributions

Participants may make tax-deferred contributions to the Plan in accordance with limitations set by IRC provisions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. If the participant does not direct the investment, their account will be invested in accordance with the default investment alternatives.

Each year the Company's Board of Directors may elect to make (1) a matching safe harbor contribution equal to 100% of the participant's salary deferrals up to 3% of their compensation plus 50% of the participant's salary deferrals between 3% and 5% of their compensation, (2) a matching contribution equal to a discretionary percentage of each participant's elective deferral, and (3) a discretionary profit-sharing contribution, which is allocated to participant accounts. The Company is required to make contributions to the plan for eligible participants based on their classifications as prevailing wage employees, when applicable.

Payments of Benefits

When participants leave the Company (employer), upon retirement or for any other reason, those participants (or their beneficiaries) may receive the full value of their salary deferrals and employer safe harbor contribution accounts plus their earnings thereon and the vested portion of their employer discretionary contribution account. In order to receive this distribution, Participants (or their beneficiaries) may be required to file the appropriate forms with their Plan administrator.

Participants with vested account balances greater than $5,000 may elect to receive the value of their accumulated Plan benefits as a lump-sum, as a rollover to an Individual Retirement Account or another qualified plan, or in an alternative manner mutually agreed upon by the Participant and the Plan administrator (ad-hoc). Mandatory distributions of accounts exceeding $1,000 up to $5,000, not otherwise directed by the participant upon termination, will be rolled over into an Individual Retirement Account selected by the Plan Administrator. Participants with account balances less than $1,000 will receive mandatory cash out via a lump sum distribution in cash following termination.

Participants may request in-service distribution of their vested balance once they reach 59 ½ years of age or qualify for financial hardship according to IRC provisions. A participant's distribution must not occur later than April 1 following the calendar year in which the participant reaches 70 ½ or 72 (depending on the birth year). In the event that a participant dies before retirement, the beneficiary will receive the value of the participant's account in a lump-sum distribution.

Note 1 - Description of Plan (continued)

Vesting

Participants are immediately 100% vested in their salary deferral contributions and any prevailing wage or safe-harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeitures

Forfeitures represent the non-vested portion of a terminated participant's account balance. The non-vested portion of a terminated participant's account balance is forfeited on the earlier of the date of (1) the distribution of the vested portion to the participant or (2) after the terminated participant has incurred five consecutive one-year breaks in service. If the participant returns to service before incurring five consecutive one-year breaks in service, the unvested balance will be restored. Forfeitures remain in the Plan and can be used as additional employer contributions or for payment of plan expenses.

The Plan reported the following activity in the forfeiture account during the years ended December 31:

	2023	2022
Beginning balance	$ 2,900	$ 3,726
Earnings	16	18
Forfeitures received	2,167	2,891
Applied to employer contributions	(2,901)	(3,733)
Applied to plan fees	(346)	-
Ending balance	$ 1,836	$ 2,900

Investment Options

The plan entered into a Group Retirement Annuity Contract with American United Life Insurance Company, which allows participants, upon enrollment, to direct all contributions in percentage increments in any investment options provided by the Plan as listed in the supplemental schedule. Participants may change their investment options daily.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions. The Company may elect to have all assets transferred to another qualified plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation
The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United -States of America.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are reported at fair market value, except for fully benefit-responsive investment contracts, which are reported at contract value because it is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. Non-registered pooled separate accounts managed by American United Life Insurance Company are valued daily based on the market value of the underlying assets in each separate account. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on their ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits
Benefits are recorded when paid. Benefit claims payable represent distributions made on or near December 31st, which have not been transferred from the investment account to the terminated participant. At December 31, 2023 and 2022, the Plan has no benefit claims payable. However, at December 31, 2023, Plan assets include approximately $1,119,000 of benefits allocated to the accounts of terminated employees who have not yet made an election to withdraw from participating in the Plan. The vested portion will be payable when the participant elects to withdraw from the Plan, the sponsor elects to distribute the participant's account balance from the Plan, or at termination of the Plan.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions for the years ended December 31, 2023 and 2022.

Note 2 - Summary of Significant Accounting Policies (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees paid by the Plan and allocated to participant accounts for administrative and investment advisory services amounted to $54,726 for the year ended December 31, 2023 and are included in administrative expenses. See Note 5. Specific fees paid by the Plan participants and charged directly to their account for the administration of participant distributions and other services amounted to $2,475 for the year ended December 31, 2023 and are included in administrative expenses.

Note 3 - Information Certified by the Plan Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, dividends, and interest income for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by American United Life Insurance Company, a custodian of the plan.

Note 4 - Fair Value

Generally Accepted Accounting Principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). An investment's level within the fair value hierarchy is based on the pricing transparency of the investment and does not necessarily correspond to the Plan's perceived risk of that investment.

The three levels of the fair value hierarchy are:

- Level 1 uses quoted prices in active markets that are accessible at the measurement date of identical assets or liabilities.
- Level 2 uses non active quoted prices for similar assets and liabilities that can be corroborated with market data.
- Level 3 uses unobservable pricing inputs with little or no market activity and reflects management’s own assumptions to determine fair value.

Note 4 - Fair Value (continued)

Following is a description of the valuation methodology used for assets:

Group fixed annuity contract – fair value is the amount plan participants would receive currently if they were to withdraw or transfer funds from the Plan prior to their maturity for an event other than death, disability, termination, or retirement. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates (Level 3 inputs).

Pooled separate accounts (PSA) are valued daily based on the market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or Level 2 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. The redemption frequency of each of these PSAs is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investment in PSAs.

The following table reports Plan investments by level within the fair value hierarchy for the years ended:

December 31, 2023	Level 1	Level 2	Level 3	Total
Group fixed annuity contract	$ -	$ -	$ 145,093	$ 145,093
Measured at net asset value:				
Pooled separate accounts **				9,119,255
Total investments				$ 9,264,348

December 31, 2022	Level 1	Level 2	Level 3	Total
Group fixed annuity contract	$ -	$ -	$ 145,093	$ 145,093
Measured at net asset value:				
Pooled separate accounts **				9,119,255
Total investments				$ 9,264,348

**In accordance with fair value measurement guidance, certain investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the statement of net assets available for benefits.

During the year ended December 31, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $1,830,972, certified by American United Life Insurance Company (see Note 3).

Note 5 - Fully Benefit Responsive Investment Contract

The Plan includes an option for investing in a group fixed annuity contract backed by the assets of American United Life Insurance Company's general account. This investment is considered a fully benefit-responsive investment contract and is measured, presented and disclosed at contract value in the Statement of Net Assets Available for Benefits. There are no segregated or identifiable assets of American United Life Insurance Company ascribed to this investment option. The investment earns interest at the higher of the rate guaranteed under the contract or the current rates established and declared in advance by AUL.

Contract value is calculated as contributions, plus earnings, less withdrawals and administrative expenses. Participant transactions are executed at contract value less surrender charges, if applicable, which is the relevant measure for fully benefit-responsive investment contracts. The Plan's ability to meet its contractual obligations to settle amounts due is dependent on the issuer, which could be impacted by economic and regulatory changes. Currently, there is no probability of the issuer not being able to fulfill its contractual obligations at contract value and there are no reserves against contract value for credit risk of the contract issuer or otherwise.

Interest rates for new contributions are declared prior to the beginning of a calendar quarter and are applicable to all contributions received in that quarter until the end of the calendar year following the current year at which time, they are converted to an annual interest rate. The guaranteed crediting rate as of December 31, 2023 and 2022 was 1.25% and 1.00%, with a contract value of $165,861 and $145,093, respectively.

Note 6 - Related Party and Party-In-Interest Transactions

Investments of the Plan include units of pooled accounts and a group annuity contract managed by American United Life Insurance Company. AUL is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Plan administrative expenses totaling $57,201 include $54,726 paid to AUL and a third-party partner for these investment management and recordkeeping services for the year ended December 31, 2023. The remainder were paid by the Company and are excluded from these financial statements. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 7 - Tax Status

The Plan adopted the CCH Incorporated Volume Submitter Profit Sharing Plan with CODA effective January 1, 2013. The Internal Revenue Service informed CCH Incorporated Inc. by a letter dated March 31, 2014, that the Plan, related trust, and adoption agreement were designed in accordance with applicable sections of the IRC. The Plan document has been amended several times since the receipt of the original determination letter.

Note 7 - Tax Status (continued)

As required for POST PPA, the Plan was restated and adopted the CCH Incorporated Non-Standardized Pre-Approved Profit Sharing Plan with CODA effective January 1, 2022. The Internal Revenue Service has determined and informed Atteberry/Searle Incorporated by a letter dated June 30, 2020, that the Plan, related trust, and adoption agreement are designed in accordance with applicable sections of the IRC. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management of the Plan believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements in order to comply with the provisions of this guidance. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's open tax years for the prior three years are subject to examination by the Internal Revenue Service.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. The investments are not insured by the Federal Deposit Insurance Corporation (FDIC) or any other government agency and are not bank guaranteed. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - Subsequent Events

The Plan Sponsor has evaluated subsequent events through October 10, 2024, which is the date the financial statements were available to be issued.
