## **INDEPENDENT AUDITOR'S REPORT**

To the Trustee of  
Welspun Tubular, LLC Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of Welspun Tubular, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Welspun Tubular, LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Welspun Tubular, LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Welspun Tubular, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Welspun Tubular, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Welspun Tubular, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at year end) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **WELSPUN TUBULAR, LLC RETIREMENT SAVINGS PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2023 AND 2022**

### **Note 1: Description of Plan**

The following description of Welspun Tubular, LLC Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for more complete information.

#### **General**

The Plan, established September 1, 2008, is a defined contribution employee benefit plan sponsored by Welspun Tubular, LLC and Welspun Global Trade (the “Employer”) and provides retirement benefits to eligible participants. Eligible participants include all employees of the Employer excluding members of a collective bargaining unit. All employees, as defined above, will become eligible upon the first day of the month following their 90<sup>th</sup> day of service regardless of hours served. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Plan Restatement and Amendments**

On August 1, 2022, the Plan was restated to change the Plan trustee name from Great-West Trust Company to Empower Annuity Insurance Company of America and Empower Trust Company, LLC. This restated Plan document obtained an updated opinion letter dated November 14, 2022, in which the Internal Revenue Service state that the Plan is in compliance with the applicable requirements of the Internal Revenue Code. There were no material changes to the Plan document excluding the Plan trustee name change.

#### **Contributions**

Employees hired after September 18, 2014, are automatically enrolled at 3% of eligible compensation after they satisfy eligibility requirements provided they have not elected out of participating. Participants may contribute up to 100% of their annual compensation not to exceed the limit set by the Internal Revenue Code, which was \$22,500 and \$20,500 in 2023 and 2022, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to an additional \$7,500 and \$6,500 in 2023 and 2022, respectively. Compensation is defined as total compensation subject to income tax, including SEP deferrals, section 125 cafeteria plan, 402(e)(3) employee deferrals, and 457(b) deferrals with exclusions of commissions, bonuses, taxable employee benefits, car allowance, and moving allowance. The Employer matched 100% of each participant’s contributions up to 4% of the participant’s compensation as calculated on a pay period basis. Contributions are subject to certain limitations set by law.

#### **Participant Accounts**

Each participant’s account is credited with the participant’s contribution and the Employer matching contributions plus earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant’s earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### **Participant Account Investment Options**

Participants direct the investment of their contributions as well as the Employer’s contributions into various investment options offered by the Plan. The Plan currently offers a guaranteed investment account and 27 mutual funds as investment options for participants.

# **WELSPUN TUBULAR, LLC RETIREMENT SAVINGS PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2023 AND 2022**

### **Vesting**

Participants are immediately vested in their contributions and any earnings thereon. Vesting in the portion of their account attributable to the Employer's matching contributions is based on each participant's years of service. Participants are 100% vested upon completion of one year of service. A participant will also become fully vested upon death, disability or retirement at age 65 or older.

### **Notes Receivable from Participants**

Participants may borrow two loans in a twelve month period from their fund accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loans are secured by the balance in the participant's account. Loan terms range from one year to five years. The loans are secured by the vested balance in the participant's account. The interest rate is based on the rates available for similar loans from commercial lending institutions. Principal and interest are paid through payroll deductions.

### **Distributions**

Upon death, disability, retirement or upon termination of service due to other reasons, a participant may elect to receive payment of their vested account balance in a lump-sum distribution. In-service distributions after a participant's attainment of age 59 ½ are permitted. The Plan also allows for distributions to be made to current participants who have incurred a financial hardship.

### **Forfeitures**

The Plan document allows the Plan to use forfeited balances to pay Plan expenses. Any remaining forfeitures can be used to reduce Employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$17,855 and \$11,687, respectively. During 2023 and 2022, forfeitures of \$376 and \$0 were used to pay plan expenses.

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

#### **Use of Estimates**

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, the plan administrator is required to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and additions and deductions during the reporting period. Actual results could differ from those estimates.

# **WELSPUN TUBULAR, LLC RETIREMENT SAVINGS PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2023 AND 2022**

### **Payment of Benefits**

Benefit payments are recorded when paid.

### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding distribution. The Plan distributed the 2023 and 2022 excess contributions to the applicable participants subsequent to the year then ending and prior to the IRS deadline.

### **Valuation of Investments and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

In accordance with accounting principles generally accepted in the United States of America, investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants should receive if they were to initiate permitted transactions under the term of the plan.

### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

### Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through October 2, 2024, the date these financial statements were available to be issued.

### Note 3: Fair Value

Accounting standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. They also establish a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Following are the three levels of inputs that may be used to measure fair value:

**Level 1:** Quoted prices in active markets for identical assets or liabilities.

**Level 2:** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

**Level 3:** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following table presents the Plan's hierarchy for its assets and liabilities measured at fair value on a recurring basis as of December 31, 2023:

|                           | <u>Total</u>  | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> |
|---------------------------|---------------|----------------|----------------|----------------|
| <b>Assets:</b>            |               |                |                |                |
| Mutual Funds              | \$ 11,328,638 | \$ 11,328,638  | \$ -           | \$ -           |
| Investments at Fair Value | \$ 11,328,638 | \$ 11,328,638  | \$ -           | \$ -           |

The following table presents the Plan's hierarchy for its assets and liabilities measured at fair value on a recurring basis as of December 31, 2022:

|                           | <u>Total</u> | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> |
|---------------------------|--------------|----------------|----------------|----------------|
| <b>Assets:</b>            |              |                |                |                |

The following section describes the valuation methodologies the Plan uses to measure financial instruments at fair value:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

## **NOTES TO FINANCIAL STATEMENTS**

### **DECEMBER 31, 2023 AND 2022**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

During 2023 and 2022, the Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation or depreciation of the investments held at the end of the year) appreciated (depreciated) in value by \$1,920,143 and (\$1,843,827), respectively.

#### **Note 4: Fully Benefit-Responsive Investment Contracts**

In 2018, the Plan entered into a traditional fully benefit-responsive investment contract with Empower Retirement, LLC ("Empower") totaling \$1,036,708 and \$1,011,249 at December 31, 2023 and 2022, respectively. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed interest rate for this account is established on a semi-annual basis for deposits received during the rate period. Empower will also establish an annual minimum interest rate for a period of six months. The guaranteed interest rate is expressed as an annual effective yield. The declared interest rate through June 30, 2023 and December 31, 2023 was 2.20%. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan.

The contract meets the traditional fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. Amendments to the Plan document (including complete or partial Plan termination or merger with another Plan).
2. Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions.
3. Bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or
4. The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exempt under ERISA.
5. Premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2023 AND 2022**

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreement without the consent of the issuer.

### **Note 5: Tax Status**

The IRS has informed the Company by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

### **Note 6: Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in the Sponsor's contributions portion of their account. Employee contributions and their related earnings are always 100% vested.

Due to an economic downturn in the Plan Sponsor's business during 2022, a reduction in the Plan Sponsor's workforce took place. This reduction in employment resulted in a partial termination of the Plan effective April 30, 2022. Affected employees became fully vested in their account balance at the date of the partial Plan termination.

### **Note 7: Information Furnished by the Custodian**

All of the Plan's assets are held by Empower Trust Company, LLC, the custodian and trustee, and its affiliate Empower Annuity Insurance Company of America. The amounts set forth in the accompanying financial statements for notes receivable from participants, investments and investment income and the information shown in the supplemental schedules were summarized from information furnished by the trustee and custodian. The Plan's administrator has received from the trustee and custodian a certification that information furnished is complete and accurate. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the certified information was not subjected to any audit procedures except for comparing the information with the related information included in the financial statements and supplemental schedules.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**Note 8: Party-in-Interest**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such person.

Empower Trust Company, LLC is the third party administrator and Custodian for the Plan. They are by definition a party-in-interest and as a result, all investment transactions were with a party-in-interest. Fees incurred by the Plan for the investment management services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Employer and Custodian are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan paid directly to Empower Trust Company, LLC \$64,672 and \$54,091 for their services during 2023 and 2022, respectively. These transactions are exempt from being prohibited transactions under ERISA.

**Note 9: Reconciliation with 5500**

Certain amounts reported on the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts reported in the accompanying financial statements. These differences are due to different presentation of investment income but are not materially different.
