REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

**To the Plan Administrator of
Planned Parenthood of Southeastern Pennsylvania
Employees Savings and Retirement Plan
Philadelphia, Pennsylvania**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the accompanying financial statements of Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the Financial Statements

We do not express an opinion on the accompanying financial statements of Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the Financial Statements

Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 9 to the financial statements, the Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct audits of Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

(1) DESCRIPTION OF PLAN

The following description of the Planned Parenthood of Southeastern Pennsylvania Employees Savings and Retirement Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 403(b) defined contribution plan covering all eligible employees of Planned Parenthood Southeastern Pennsylvania (Organization). The Plan was established and originally effective April 1, 1989 to provide eligible employees of the Organization the opportunity to accumulate savings that provide benefits in the event of retirement, disability or death. The Plan was amended and restated to comply with the latest 403(b) regulations of the Internal Revenue Code. The Plan is structured to comply with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Organization retains American United Life Insurance Company (AUL) as the custodian and as the third-party administrator to perform record keeping services and to maintain the assets of the Plan.

ELIGIBILITY

An employee may elect to participate in the Plan as soon as the participant becomes employed. The employee will be allowed to share in matching contributions after attaining one year (1,000 hours) of service. Once eligible to participate, an employee may enter the Plan on the first day of each month.

CONTRIBUTIONS

Every year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan document. Contributions are subject to limitations to comply with the requirements of the Internal Revenue Code. During the year, the Organization made discretionary matching contributions equal to 50% of elective deferrals limited to 1% of a participant's compensation. The Organization may also contribute a non-elective contribution at its discretion allocated as a uniform percentage of compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, an allocation of Organization contributions and investment results and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions, rollover contributions and actual earnings thereon. Vesting in the Organization contribution is based on years of continuous service. A participant with one year of service is 20% vested in the employer contribution portion of the account. Each year, a participant gains another 20% vesting until the participant is 100% vested after the fifth year of credit service.

PLANNED PARENTHOOD OF SOUTHEASTERN PENNSYLVANIA EMPLOYEES SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2023

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the participant's highest outstanding loan balance during the preceding twelve-month period or 50% of their vested account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and accrue interest at a rate equivalent to interest rates charged by major financial institutions for comparable loans at the time the loan is made. As of December 31, 2023 and 2022, the interest rates ranged from 6% - 8.25%. Principal and interest are paid ratably through bi-weekly payroll deductions. In the event of retirement, death, disability or termination of employment, the loan becomes payable in full.

FORFEITURES

Upon termination from service, the non-vested portion of a participant's account is forfeited. Forfeitures will be used to pay plan expenses or to reduce employer contributions. There was no balance available in the forfeiture account as of December 31, 2023 and 2022. Forfeitures of \$241 were used to reduce employer contributions during 2023.

PAYMENT OF BENEFITS

Upon retirement, disability or termination, a participant may elect to receive either a lump-sum amount equal to the value of the vested interest in his or her account, or delay withdrawal until a future date, if the account balance is at least \$5,000. Unless the annuity form of payment is waived, if a participant is married on the date of distribution, they will receive the distribution in a form of a joint and 75% or 50% survivor annuity. If a participant is not married, they will receive a life annuity. For a married participant to waive the joint and survivor annuity payment, the participant's spouse must consent in writing. Other forms of payments available include a single lump-sum payment, installment payments of not more than a participant's life expectancy, or another form of payment under the group annuity contract. AUL will automatically distribute balances of terminated participants that do not exceed \$5,000. If the participant does not elect to have a mandatory distribution greater than \$1,000 but not exceeding \$5,000 paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, AUL will pay the distribution in a direct rollover to an individual retirement account designated by the Plan administrator. A participant who has reached age 59½ may elect to withdraw all or a portion of their entire account while still employed by the Organization. Upon the death of a participant, the participant's beneficiary shall be entitled to the balance of the participant's account.

HARDSHIP WITHDRAWALS

Participants may withdraw their employee pretax contributions and rollover contributions if applicable in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan. The participant must first exhaust all other assets reasonably available prior to obtaining a hardship withdrawal including obtaining a loan from the Plan. The hardship distribution cannot be in excess of the need. Participant pretax contributions to the Plan will be suspended for six months after receipt of a hardship withdrawal.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The AUL guaranteed interest accounts are considered fully benefit responsive, and are presented at contract value as of December 31, 2023 and 2022.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, except for certain fully benefit-responsive investment contracts which are stated at contract value. Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Costs associated with participant-initiated transactions are paid by the respective participants' accounts. Administrative expenses of the Plan are partially paid by the Plan and partially absorbed by the Plan sponsor.

(3) FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (*FASB*) Accounting Standards Codification (*ASC*) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies (Mutual Funds): Valued at the net asset value (*NAV*) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(4) INFORMATION CERTIFIED BY CUSTODIAN

The Plan's investments as of December 31, 2023 and 2022 were held by AUL. The Plan administrator elected the method of annual reporting compliance permitted by DOL Reg. Section 29 CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, AUL has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate.

AUL GROUP ANNUITY CONTRACTS

The Plan is funded with group annuity contracts issued by American United Life Insurance Company (“AUL”). The contracts offer a fixed interest investment option (the Fixed Option) and a number of variable investment options through an AUL separate account. The Fixed Accounts earn interest at the higher of the rate guaranteed under the contracts or the current rates established and declared in advance by AUL. Interest rates for new contributions are declared prior to the beginning of a calendar quarter and are applicable to all contributions received in that quarter until the end of the calendar year next following the current year.

The contracts are invested in a conservatively managed well diversified portfolio consisting predominately of fixed-income investments (bonds, mortgages and private placement) where the objective is to maximize long-term, risk-adjusted returns. Under the terms of the fully benefit responsive contracts, participant-initiated transactions for the purpose of receiving benefits allowed under the Plan, such as retirement, death, disability, hardship, loan, required minimum distributions, allowable in-service withdrawals, are completed at contract value without conditions, limits, or restrictions. A surrender charge or a one-time adjustment may apply under some unlikely events, such as full or partial Plan termination, the insolvency of the Plan sponsor, or if aggregate terminations in any contract year exceed 20% of the full contract value as determined on the first day of the contract year. These are contingent events that can only be initiated by the Plan custodian or Plan sponsor.

(5) PARTY-IN-INTEREST TRANSACTIONS

The Organization has not considered normal Plan operations such as participant and employer contributions or benefits paid to participants as party-in-interest transactions that require separate disclosure. Certain Plan investments are shares of registered investment companies (mutual funds) and a guaranteed annuity account managed by AUL, the custodian. Fees paid during the year for professional services rendered by parties in interest were based on customary and reasonable rates for such services and partially absorbed by the employer. Participant loan origination fees are paid out of the relevant participants’ accounts. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

(6) PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the employer may determine. In the event of Plan termination, participants will become fully vested in their account balances.

NOTES TO FINANCIAL STATEMENTS – (Continued)

(7) TAX STATUS

Currently 403(b) plans are not required to submit plans to the Internal Revenue Service for determination. However, the Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan's federal forms 5500 are subject to examination by the IRS and the Department of Labor generally for the three years after they were filed.

Management has reviewed the tax positions for each of its open tax years (2020 – 2022) or expected to be taken in the Plan's 2023 tax return and has concluded that there are no uncertain tax positions that would require recognition in the financial statements.

(8) RISKS AND UNCERTAINTIES

The Plan invests in various registered investment companies and guaranteed annuity accounts. These investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) EXCLUSION OF CERTAIN PRE-2009 CONTRACTS

Before engaging AUL as custodian in 2006, the Plan's custodian was Mass Mutual. The assets of Mass Mutual consisted of individual contracts between the participant and Mass Mutual. The Plan has relied on the Department of Labor's Transition Relief in Field Assistance Bulletin No. 2009-02 which allows the administrator of a 403(b) plan to exclude from plan assets contracts that meet the following criteria:

1. The contract or account was issued to a current or former employee before January 1, 2009;
2. The employer ceased to have any obligation to make contributions and has in fact ceased contributions to the contract before January 1, 2009;
3. All of the rights and benefits under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the employer; and
4. The individual owner of the contract is fully vested in the contract or account.

All of the excluded contracts meet these requirements. The total amount of assets excluded approximated \$1,100,000 as of December 31, 2008.

PLANNED PARENTHOOD OF SOUTHEASTERN PENNSYLVANIA EMPLOYEES SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2023

(10) SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

(11) SUBSEQUENT EVENTS

The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. All events have been evaluated through October 10, 2024, which is the date the financial statements were available to be issued.
